Approval Due Today, Rathel Says

Authorization by the Office of Economic Opportunof a \$50,000 fund to establish a skilled training enter in Florida is expected today with every indication that the Sanford Naval Air Base will be the preferred 'ocation. This word was given a meeting of the Sanford Industrial Commission Board today by Don Rathel,

director, who said that such an announcement might well come from Gov. Claude Kirk in Tallahassee this morning.

Forward moves in the perations of the Board covering talks with new industries, untangling of governmental red tape to speed such aid where needed, and the establishment of procedures to handle effectively following members and guests ad valorum taxation at a rate attending H. H. Hodges, C. H. of 6.33 mills, a decrease of .5 McNulty, A. K. Shoemaker, E. mills over the current year, I Southward, H. L. DEAR POLLY—I am thrilled getting on the tile, fixtures, I continue with this newspaper should be done enthusiastically with a labor-saving Pointer I discovered while doing some interior painting. This was especially good in my tiled bath-room as it kept the paint from the labor saving Pointer I and put one-half of its tiered effect. It takes little time of pitch and moment. An influence of newspaper and the remaining half around the edge of the tile.

Dogs, who, as a great writer said long ago, "want so much and for every woman who lives and for every woman who lives alone a pet is a must. Dogs protect you and cats lend a charm and grace to your home. Feeling as I do about animals, I like to know what goes on for them, so I spent a delightful afternoon recently at the Annual Trade Show for American Pet Products Manufacturers Association.

There at Albert Hall was a dramatic showing of all that is and dramatic showing of all that is and great writer said long ago, "want so much to be a part of the human race." will wear these amazing things but cats will not. The same writer said, "cats merely tolerate the human race." They are independent but they also protect you. A red cat of mine once alterted me in the middle of the night to great danger, growling as does a dog.

Pets are a great part of our affluent society and add so much to the scene.

Pets are a great part of our affluent society and add so much to the scene.

Dogs, who, as a great writer said long ago, "want so much to the human race." They have considered and store clothes and then have space left for blankets or sweaters. The garment bag that to great danger, growling as does a dog.

Plice in a must. Dogs worker is fine in A.M., then work fast and get your own work done. Be very efficient, accurate at the same time. Take some treatment that gives you vim, vigor.

Plice some treatment that gives you vim, vigor.

Plan your recreation early for the P.M. so that you can then determine the prooffed (with the aid of crystals or cakes) in a full. length garment bag.—DELORES

DEAR POLLY — Dispering plants.

June 19 Doing smething of a practical nature to assist a co-worker is fine in A.M., then work fast and get your own work done. Be very efficient, accurate at the same time. Take some treatment that gives you vim, vigor.

Plant your recreation early for the P.M. so that you can then of crystals or cakes) in a full. length garment bags.—DELORES

DEAR POLLY — Dispering plants.

June 19 June 19 June 19 Jun cate a pet for every home said long ago, "want so much DEAR POLLY-When buying tical nature to assist a codramatic showing of all that is much to the scene.

dramatic showing of all that is new for pets. This is a billionate dollar business! There were new things for the health and the well-groming of every pet, from dogs to fish. For cats, new toys, catnip mice that for bird lovers.

much to the scene.

DEAR POLLY — Dispering baby can become a bit difficult when the pins will not easily go through several thicknesses of cloth. Sticking the pins in a bar of soap (a previous Point for bird lovers.

# Courthouse Suit

The long-awaited courthouse injunction suit will come to trial tomorrow morning starting at 9:30 before Judge Roger Dykes with a host of witnesses expected to be

Attorney for the plaintiffs, Harlan Tuck, reported today he plans to call Circuit Court Clerk Arthur Beckwith Jr. as well as County Com- | -

mission Chairman John Alexmission Chairman John Alex-ander. County Attorney Harold Graduation Johnson said he doesn't plan to call "any special" witnesses. However, there is a possibility he may call Architect John Burton IV. Most of the county's County Court was a busy testimony already has been preplace yesterday. The two big. sented in the form of minutes gest cases involved a dog and for County Commission meet-

tion of a jail and repairs on

A resident of Sanford accused a neighbor of shooting her cat. Under torrid cross examination it was revealed there are some 2,000 cats in the area. The accused was freed. The jury's verdict after 45 minutes of deliberation—Perhaps the cat got in a fight with one of the 2,000. No one apparently explained the bullet hole.

Ings.

The City of Sanford entered the case to show it is the permanent county seat. City Attorney William Hutchison reported he will call appraiser A. B. Peterson Jr. and Sanford City Manager W. E. Knowles.

On Aug. 18. Judge Dykes denied a motion by the attorney for the two South Seminole residents who filed the suit, for summary judgment on count two of the school is conducted joint-
