Strolling In Sanford

In case a tame black pigeon was to you it may be the one that was lost Saturday morning by Mrs. Ford Russell. Mrs. Russell said the bird is black with grey underneath and will fly on one's head.

All members of the Seminole County Sportsman's Association are urged to attend the meeting tomorrow night at 8 o'clock at the Court House.

Donald Ray Hampton, Seminole High School senior and the son of Mr. and Mrs. Ray Hampton of Geneva, has been approved for admission in David Lipscomb College, Nashville, Tenn., according to an announcement by Dr. J. P. Sanders, dean of the college. Hampton, to enter Lipscomb in the fall, plans to follow a ministerial training program, majoring in Bible. He is a member of the Church of Christ and is vice president of his senior class.

William A. Sullivan, former chief of detectives of the New York City Police Dept., will speak tomorrow at the Lions Club noon luncheon at the Yacht Club. He is now retired and resides in Casaberry.

Joseph D. Morton, assistant vegetable crop specialist for the University of Florida, will visit the offices of the Home Demonstration Agent and the County Agricultural Agent here tomorrow.

Out Of Order Ruled Against Russians By ECAFE Head

TOKYO (AP)—Russia was ruled out of order today in its demand that Red China, North Korea and North Vietnam be seated in the United Nations Economic Commission for Asia and the Far East (ECAFE).

Dr. P. S. Lokanathan of India, ECAFE executive secretary and temporary chairman for the 11-day session which opened today, ruled out the Soviet maneuver.

M. A. Menshikov, the Soviet delegate, asserted the Chinese Nationalists and South Koreans were "illegally occupying" seats belonging to Communist China and North Korea. He demanded the delegations be ousted.

He did not demand the expulsion of South Viet Nam, but said that delegation could not speak "for the whole of Viet Nam."

Mrs. Brewer Dies After Long Illness

Mrs. Annie Brewer, 67, died at her home on S. Sanford Ave. at 10:5 a.m. today after a lingering illness.

She was born Sept. 11, 1887 in Tampa and had lived in Sanford for the past 27 years. A member of the Church of God, she had come to Sanford from Lakeland and made her home with her son-in-law and daughter, Mr. and Mrs. T. G. Johnson.

Survivors are four children, Eugene Brewer, Mrs. Nellie Johnson both of Sanford, Ira Brewer, of Mayo and Mrs. Fannie Geiger of Geneva; one brother, Jim Andrews of Balm; one sister, Mrs. Nettie Howell of Tampa, 21 grandchildren, and 36 great grandchildren.

Funeral services will be announced later.

Season Ticket Promoters Meet

Members of the Sanford Baseball Ticket Committee held a meeting Friday night to make plans for the sale of season tickets during Baseball Week in Sanford. Col. B. G. Harrison, chairman of the drive discussed plans with Mrs. C. E. Stoner, chairman of the women's committee.

French Senate Given Pledge

PARIS (AP)—Bolstered by final French parliamentary approval of German rearmament, Premier Edgar Faure turned his efforts today to getting Allied agreement for Big Four talks soon with Russia.

As he prodded the apprehensive French Senate towards its crucial, pre-dawn votes on the Paris accords yesterday, Faure gave assurance he already had contacted the United States and Britain on preparation for a high-level parley with the Kremlin.

He went further by making an East-West conference — covering all problems "susceptible to a solution" — the final item in a five-point statement of government aims. He stressed the need for full cohesion among the Western Allies before entering into talks with Russia.

Chances of four-power talks were believed greatly improved by Soviet Premier Nikolai Bulganin's sudden support as the French Senate prepared to vote. In an interview with the Soviet news agency Tass, Bulganin expressed his "positive attitude" toward President Eisenhower's news conference remarks last week advocating an East-West meeting after the accords have been fully ratified.

Dulles hailed the French Senate's approval of the West German rearmament treaties as "an event of great significance for the free world."

Awards Presented To Den Mothers, Scouts At Meeting

Awards were presented to Den Mothers and scouts at the regular meeting of Cub Scout Pack 34 Friday night at the First Methodist Church.

Scouts receiving awards included Allen Hunt, son of Mr. and Mrs. James A. Hunt, who was given a Log Badge, Gold Arrow, and two Silver Arrows.

Awards were also given to Jimmy Terwilliger, son of Mr. and Mrs. J. E. Terwilliger, Lion Badge; Michael Able, son of Mr. and Mrs. Cliff Able, Bear Badge; Gregory Niblack, son of Mr. and Mrs. William E. Niblack, Silver Arrow; and Bedford Alken, son of Mr. and Mrs. Dick Alken, two-year service star.

Den Mothers receiving Den Mother pins were Mrs. Gus Miller, Mrs. Cliff Able and Mrs. John Carlson.

Another highlight of the meeting was the induction of four Bobcats. They were Edwin Conlon, son of Mr. and Mrs. T. Conlon; Gary Brockenridge, son of Mr. and Mrs. Forrest Brockenridge; Dan Brainard, Jr., son of Mr. and Mrs. Dan Brainard; and Randall Chase Jr., son of Mr. and Mrs. Randall Chase.

Princeton Singers Will Give Concert

The Princeton University Singers will give a concert at the Winter Park High School Tuesday, April 5 at 8 p. m.

This appearance is sponsored by the Princeton Alumni Association of Central Florida who will use the proceeds for its scholarship fund.

ACTRESS PIER ANGLI RECOVERING FROM FALL

PALM SPRINGS, Calif. — Film actress Pier Angli was recovering today from injuries she suffered Feb. 25 when she fell while aboard a Los Angeles-Palm Springs airplane.

Many Eggs Needed For Gigantic Hunt On Easter Sunday

One hundred and 25 dozen eggs are needed for the gigantic Egg Hunt to be held April 10, Easter Sunday, by the Junior Chamber of Commerce.

Dave Thrasher, chairman of the event, said donations of eggs will be gladly accepted. He asked persons wishing to contribute to telephone Mrs. Raymond Lundquist at 1372.

Either raw or hard-boiled eggs will be accepted, Mrs. Lundquist pointed out.

The hunt will be staged in Ft. Mellon Park and will get under way at 3 p. m. Seminole County children between the ages of 1 and 10 may participate. Children from Lutheran Haven and the Methodist Children's Home will be guests of the Jaycees.

Two-Car Accident Damage Is Slight

Damage totaling \$95 was reported in a two-car accident Saturday on Sanford Ave., just north of the Fifth St. intersection.

Both drivers were charged with careless and reckless driving. Involved were a 1951 Prefect sedan driven by Margot Ellison Reynolds, 31, of 2126 Willow Ave., and a 1939 Ford sedan driven by Emmitt Pope, 1607 W. 13th St. City Patrolman Joe Hickson, investigation officer, said Reynolds, who was driving south, applied his brakes suddenly, hitting a truck pulling out from the curb.

Pope's vehicle was following Reynolds' car too closely, the officer said, and it ran into the rear of the Ford sedan.

Pine Crest Home Inspected By Many

Two thousand persons inspected the model home at Pine Crest Heights at the open house held Saturday and Sunday. It was announced by Bradley Odham, president of Odham & Tudor, Inc.

The home will be open each day and evening this week until 9 p. m. Mr. Odham said sales response was "exceptionally good," although adverse weather conditions undoubtedly kept many persons from attending.

The Pine Crest subdivision is located between 26th and 27th Sts. on French, Laurel and Elm Aves., and immediately north of the new Pine Crest elementary school. Thirty-two three-bedroom homes priced from \$11,500 to \$11,850 are being built there by Odham and Tudor, Inc.

Republican Group Touches Off Drive

CHICAGO (AP) — A Republican group has touched off a drive it terms "the first major break between Eisenhower liberals" and the "isolationist wing of the party."

The drive was announced yesterday by the Abraham Lincoln National Republican Club. The club said its aim is "to wrest control of the Republican party from the New Dealers and internationalists."

The club was one of the sponsors of a conservative Republican rally in Chicago Feb. 12. Among the speakers were Sen. McCarthy of Wisconsin, Sen. Malone of Nevada, Gov. J. Bracken Lee of Utah and Mit Clardy, former congressman from Michigan — all Republicans.

William A. Allison Dies Unexpectedly

William A. Allison died unexpectedly at his home at 8:45 p. m. yesterday. He had made his home in Lake Mary for the last nine months and was born May 30, 1896 in Coffeyville, Kansas.

Funeral arrangements will be made after word has been received from relatives.

WOMEN TO SEE FILM AT RITZ

A film on "Breast Self-Examination," sponsored by the Seminole County Unit of the American Cancer Society for women only, will be shown tomorrow morning at 10 o'clock at the Ritz Theatre. A Seminole County Medical Assn. representative will answer questions after the film. There is no admission charge and no solicitations of funds will be made.

Secrecy Violation Denied By Soviets

HIGH SCHOOL DAYS—Fred Ganas (foreground), vice president of the 1939 Seminole High School senior class, with other class officers on the steps of the school. The photo appeared in the school yearbook. Others in the group are (standing) Jack Holt, president, and Lucy Roumillat (now Mrs. L. C. McLeod), secretary; and (seated) Arthur Williams, chaplain, and Martha Teiford (now Mrs. Billy Vihlen), treasurer. (Cox Photo)

Ganas Associated With Friendly Smile

"He has a smile, can hand a line, plays football well, so all is fine."

That was the way Fred Ganas was described in the 1938 issue of Salmagundi, the Seminole High School yearbook. Ganas, pictured as the "most attractive senior," graduated that year as vice president of his class.

He had distinguished himself in athletics and was football captain during his senior year. Classmates fondly nicknamed him "Buddie" and the yearbook forecast for him a glowing career as a world traveler.

Fred Ganas never became a globetrotter. He became, to Seminole County youngsters, something far more important. He was a leader who worked almost unflinchingly in the interest of youth activities.

Now, Fred Ganas lies in a hospital bed, a victim of a rare skin malady which requires multiple skin graftings. He has been at Orange Memorial hospital in Orlando since early January and was moved yesterday to Fernald Laughlin Memorial Hospital.

Seminole County residents, in an effort to express their appreciation for his work as a high school teacher and coach, have scheduled Ganas Appreciation Night for Thursday.

Topping off the program at Memorial Stadium will be a game between the Richmond Virginians and the Minneapolis Millers. Tickets are being sold for \$1 to adults and 50 cents to school children.

All ticket and concession proceeds will go to the Fred Ganas hospital fund. Members of the Elks lodge will man the concession stands, and high school students will sell drinks in the stands.

Ed Higgins of the Elks Club is general chairman of the Appreciation Night. Other participating organizations include the Lions, Kiwanis and Rotary clubs and the Junior Chamber of Commerce.

Tickets may be obtained from members of the organizations or at Jim Spencer's, Angel's Eat Shack, The Smoke House, McReynolds' Drug Store, H. D. Owen's Service Station, Roumillat & Anderson Drug Store, Touchton Drug Co., B. L. Perkins Men's Store, and Robson Sporting Goods.

Persons selling tickets who need additional tickets or persons desiring to sell tickets should contact Bud Moughton.

Anyone wishing to contribute to the fund may mail donations to the Elks Club or The Sanford Herald.

FAITH, HOPE, CHARITY ARE 37 YEARS OLD

MARLBORO, Mass. (AP) — Faith, Hope and Charity — white-haired, blue-eyed triplets — observed their 37th birthdays yesterday with prayers and a chicken dance.

Broadcast Quotes Pravda

Gromyko Asserts Rules Unnecessary

LONDON (AP)—The Soviet Union has denied that she violated secrecy rules in publishing her version of Russian proposals at the London disarmament talks. A Moscow radio broadcast said the Soviets never had agreed to keep the talks secret.

Quoting the Soviet Communist party organ Pravda, the broadcast yesterday said Deputy Soviet Foreign Minister Andrei Gromyko at the outset of the talks had asserted that secrecy rules were unnecessary and "it was not expedient to introduce them."

Pravda said Gromyko's interview last week with the London correspondent of Tass news agency, in that secrecy rules were unnecessary and "it was not expedient to introduce them."

Pravda said Gromyko's interview last week with the London correspondent of Tass news agency, in which he charged the Western Powers with blocking a disarmament agreement, was a deliberate maneuver "to tell the truth to the international public."

In blasting Gromyko for secrecy violation, Britain, France and the United States had said that the U.N. General Assembly last October agreed the talks would be held in strictest secrecy. The three Western allies also said the Soviet delegate's report of the proceedings "did not conform to the truth."

Canada is the fifth nation participating in the disarmament conference, which began a month ago. Gromyko left London Thursday for an official visit to Sweden before returning to Moscow. Jarob Malik, Soviet ambassador to London, took his place in the negotiations, which continue with a meeting tomorrow.

Public Assistance Summary Published Covering February

According to the monthly statistical summary of Public Assistance which is published in the March 1955 Florida Public Welfare News for the best interests of all people of Florida, Seminole County had the following record for the month of February:

Old Age Assistance and to dependent children and to the blind, cases, 1,410; amount, \$70,351; applications received, approved, denied or otherwise disposed of, pending first month, 11; recorded during month, 15; total during month, 26; disposed of during month, 18; approved 11; denied or otherwise (Continued On Page Eight)

Superintendent R. T. Milwee Guest Speaker On Jaycee Forum

Raburn T. Milwee, Seminole County Superintendent of Public Instruction was the guest speaker of the Seminole County Jaycees' weekly radio program, the Jaycee Forum, over WTRF Friday night.

In his speech, Milwee brought out several subjects among which were: (1) The \$3,700,000 spent by the state for free text books should continue to be used for free books. If books are to be free, enough money should be appropriated to do the job.

(2) Seminole County received \$250,000 from the capital outlay fund from the state for new construction. \$343,000 has been obligated for the completion of the Pine Crest School; \$103,000 came from federal funds due to the fact that Seminole County has the Naval Auxiliary Air Station, and \$190,000 is for construction at Goldsboro school. Additional construction is planned for Lynn, Crook's Academy, and the Oviedo school.

(3) Budget for Seminole County schools is \$1,486,000, three per cent from federal funds, 33 per cent from County funds, and 50 per cent from State funds. (4) Teachers' salaries make up about 80 per cent of the budget.

(5) Pine Crest School has five rooms completed and will be in use in about a week or two, as soon as water and sewer connections are made. The present double sessions at Southside will be discontinued and moved to the new school. Five additional classrooms will be completed by September when 300 students can then be accommodated. Students in grades one through three who live within walking distance or within 11 minutes driving time by school bus will attend Pine Crest. The State requires four net hours of instruction and plans are set for classes from 8:15 a. m. until 1 p. m. with a milk program. The cafeteria will not be built by then.

(6) Total school enrollment for Seminole County is 6272 — 3,488 white and 2784 colored — an increase of 33 per cent since 1947.

(7) Plans and needs for the future are a library, cafeteria, science and gymnasium for Seminole High and additions to other schools. It is proposed in 1956 to convert the present Junior High into a vocational school, and 11th and 12 grade students desiring vocational training will go to the old Junior High for same.

County Residents Have 3 Days Left For Cop Contest

Only three more days remain for Seminole County residents to vote in the American Automobile Association contest to determine the seven most courteous law enforcement officers in Florida.

While competition is spirited, Kenneth C. Kinkle, manager of the AAA's north Florida division, said it is not too late for officers from smaller towns to win one of the seven prizes—travel-paid, weekend vacations at popular resorts.

He pointed out that there are only six nominees from towns of less than 2,500 population, only three from towns of 2,500 to 5,000, and only five from towns of 5,000 to 10,000.

They are among the 20 towns and cities in Florida having uniformed officers as leading contenders in the contest, which ends at midnight, Thursday, March 31. Prizes include trips to Cuba, Nassau, Tampa, Miami Beach and Palm Beach for their inners and their wives.

Baseball Stadium To Be Discussed

The use of Memorial Stadium for baseball this year will be discussed by J. C. Davis at the regular meeting of the City Commission tonight.

At the same time, Davis will ask the Commission to waive the tax on the Fred Ganas Appreciation Baseball Game to be held Thursday night at the stadium.

Davis is a member of the board of directors of Sanford Enterprises, Inc., which will operate the Sanford baseball club this year. He is also chairman of the Chamber of Commerce baseball committee.

In other business, the Commission will consider contracts with the Florida Power and Light Co. to furnish power to the city's lift stations. A request by the Red Cross for a \$300 contribution will also be taken up.

The Rev. Chester Plank of the Geneva Hillcrest Church will lead the prayer.

The meeting will begin at 8 o'clock.

Georgia Man Hurt In Highway Mishap

A passenger in one of the automobiles received a possible broken neck in a two-car collision last night on U. S. Highway 17-92, six miles south of Sanford.

The passenger, identified as John Moore, 39, of Alafia, Fla., was reported in "good" condition today at Orange Memorial Hospital in Orlando.

Moore reportedly received a broken back about a year ago in an accident.

Moore was riding in a car driven by his brother, Willie Moore, 21, also of Alafia.

Highway Patrolman T. Mark Mack said the Moore vehicle was hit from behind by a car driven by Gordon C. Brown, 29, of Chicago, Ill., who is visiting with his family in DeLeon Springs.

Damage to Moore's car was estimated at \$300 and to Brown's at about \$500.

Social Security Service Offered

A representative of the Orlando Social Security District Office will be at the Seminole County Court House in Sanford on Friday, April 1, and Friday, April 15, between the hours of 9:30 a. m. and noon.

This service is made available to those who wish to apply for Old Age and Survivors Insurance benefits, social security account numbers, or obtain information about the Social Security program.

PFA BANQUET HELD

County Judge Ernest Householder is shown addressing the annual father-son banquet held by Seminole County Chapter, Future Farmers of America, at the High School auditorium Friday night. (Staff Photo)

Berle, Gleason Running Close In Television

NEW YORK (U)—Million Berle may have lost his lease on first place in television popularity ratings, but for a guy who's been around as long as he has, he stays right up there.

The sitz created by Jackie Gleason's big contract starting next season has tended to obscure the fact that Uncle Miltie remains among TV's elite.

In the Nielsen audience popularity ratings so far this season, Gleason has placed ahead of Berle six times and Miltie has had the edge five times. The latest ratings separates them by four places. I Love Lucy brought in an estimated 54 per cent of the sets tuned in, Disneyland 43.3, Gleason 32.3, Colgate Comedy Hour 30.1, Dragnet 28.6, Groucho Marx 28.3 and Berle 24.4. But for the season as a whole, Gleason has an edge of only a little over two percentage points.

Berle himself makes capital of his rivalry with Gleason. On his show this week, for example, he displayed his own dart board, with a big photograph of Gleason as the target.

Although he has revised the format of the show considerably from early days as Mr. Television, Berle remains basically a standup comedian. Gleason, has moved more and more to situation comedy.

You never have to teach for Berle's jokes. They're delivered with about the same finesse as a blow with a blackjack. And if one misses, Berle lets go another before you can catch your breath.

CHLOROPHYLL AFFECTS YOUNG

CHAMPAIGN-URBANA, Ill. (U)—Chlorophyll fed in large amounts to animals may affect their offspring. This is the opinion of Dr. E. F. Haber and D. A. Willgen of the College of Veterinary Medicine at the University of Illinois.

They reached the conclusion after recent tests in which they fed two groups of rats diets with and without chlorophyll. The rats fed chlorophyll showed an obvious effect and bore the usual number of young. But their hair coats were rough and developed a light green color and in many cases were weak, causing the rats to drag their legs. Only two of the six litters lived to weaning age.

Mother rats fed chlorophyll did not provide so much milk and growth rate was slower until the rats reached weaning age.

DECADE DOUBLE AT TRACK

HALLANDALE, Fla. (U)—A new 120-foot extension to the cantilever grandstand at Gulfstream Park will bring the track's seating capacity to 18,000, approximately double what it was 10 years ago.

The addition will make Gulfstream Park's seating capacity among the first half dozen in the nation. The work will be completed in time for the 3-day meeting starting March 4, according to President James Dean.

Banks Discover Once Each Year Feminine Group

By DOROTHY ROE
About once a year, it appears, banks discover women.

Some statisticians come up with the happy discovery that Mom usually has more personal contact with the family pay check than Pop does.

Then it is revealed with background sounds of amnesia that women control 68 percent of the nation's wealth, own 53 percent of all privately owned stocks and do 85 percent of the spending.

At hand is a pamphlet titled "Ban Account Behavior of the Human Female," in which a Philadelphia market research firm urges bankers to go out after the class of business.

There have been numerous such programs and proposals by associations of bankers and brokers. There have been forums on financial advice for women and there have been drives urging the girls not to be afraid of stock brokers.

And still, it seems, there are many women who still prefer to store their wealth in the sugar bowl.

Now, nobody has asked me, but I would like to make a few suggestions to these frustrated bankers who are trying to cozy up to the feminine population. Here is how I feel about banks:

1. The superego attitude of some bank tellers is decidedly irritating to most women depositors—and my guess is that it isn't any more popular with the men.
2. The cathedral atmosphere of most banks gives most women a case of the jitters as soon as they walk in. At least, feel that this must be an institution devoted only to million-dollar transactions, and what am I doing in here with my piggy bank, say way?
3. Why do banks so often seem to do things the hard way? In one bank where I kept an account for 18 years, it was necessary to see a vice president in order to get a new checkbook filler.
4. Why do you always have to stand in line when you go into a bank for the simplest transaction? Couldn't there be a special department to handle business accounts, so that individual depositors don't have to wait while a teller adds up the day's receipts for a total retailer?

I suppose it boils down to this: Banks give me an inferiority complex. I start feeling apologetic as soon as I enter one.

The average American today eats 150 pounds of vegetables a year compared with 115 pounds in 1900.

Telephone Hour Withstands TV Better Than Many

NEW YORK (U)—A radio program that has withstood television competition better than most, the Telephone Hour, begins its 16th year next month with no signs of weakening.

TV has cut into the audience of the Monday night NBC show as it has for all night network radio. But surveys indicate the Telephone Hour has held a larger share of its audience than any other major radio program.

What's the answer? A growing public demand for good music, says Donald V. races, orchestra conductor on the Telephone Hour since its first broadcast in April 1940.

"As nearly as I can gather from all sources, serious music is gaining very rapidly," says the rugged, white-haired veteran of the music world.

Voortees credits radio with stimulating a nationwide growth in the appreciation of good music and thinks it's directly responsible for booming sales of classical phonograph records.

Development of a new television picture tube said to have three to four times the brightness of those in current sets was reported today to the Institute of Radio Engineers.

Engineers for the Rauland Corp. said the new tube had been built in two sizes—19-inch round and 21-inch rectangular.

Big league baseball returns to radio and TV in a little more than two weeks. Besides local broadcasts in each city, Mutual again will have its Game of the Day radio broadcasts and CBS will have a Game of the Week on television each Saturday. Both will be restricted so as not to conflict in any city with home games. The season opens April 11.

PERSONNEL OF THE United States Air Force carry a stretcher containing the body of an American pilot, who died when a Navy bomber crashed in taking off from Athens and plunged in the water a hundred yards off shore. A mechanic also was killed. Wreckage of the plane can be seen in background. The bomber, based in Naples, was carrying mail to the carrier Republic in Izmir, Turkey. (International)

Judges Stripped Of Fancy Earnings

RENO, Nev. (U)—The Nevada Legislature has stripped Reno's marrying judges their fancy earnings from weddings and "put them back on the benches where they belong."

The judges regularly had received each happy bridegroom of a \$10 bill as a gratuity for services at night and weekend weddings. That totaled \$20,000 to \$40,000 a year for many.

The bill approved yesterday for bids acceptance of gratuities but raised the salaries of the district judges from \$7,200 to \$15,000 a year.

One recent study shows that the average American man walks 3 miles a day and the average woman 10.

Notice Of Hearing

A public hearing will be held by the Florida Milk Commission at Sumter County Court House, Circuit Court Room in Bushnell, Florida, on Tuesday April 5th, 1955, at 10:00 A. M., for the purpose of making such investigations as shall seem proper to the Commission.

At this hearing evidence and testimony will be received from producers, distributors, producer-distributors and consumers as to the advisability of abolishing the existing Lake County Milk Marketing Area and including all of Sumter and Lake Counties within the existing Orange-Seminole-Osceola Milk Marketing Area pursuant to the provisions of Chapter 501 Florida Statutes, 1953.

FLORIDA MILK COMMISSION
C. Raymond, Ltd., Chairman
L. K. Nicholas, Jr., Administrator

for a Free America!

The healthy industrial growth and modern community development of Florida and the nation depend to a high degree upon the contributions of the architectural profession. We salute the architects, men and women of fruitful imagination and skill. Free to plan for tomorrow's living, they are a key link in our free enterprise system that has given Americans the world's highest standard of living. Through their vision and planning, America continues its dynamic march forward under the banner of freedom against want and oppression.

in Florida... as in the nation... the investor-owned power industry, too, is free to plan and provide more electricity for happier Florida living.

Our company is forging ahead on its greatest expansion program in history... it has troubled its capability since V-J Day... helping to make our State, our Nation's brighter, happier place in which to work and live.

Female Cadets Doing Good Work

ATLANTA (AP)—Even a peppery suffragette might be awed by the resourcefulness with which a couple of female ramblers wrecks at Georgia Tech have engineered their way into one of the last retreats of hairy chested college males.

By virtue of sweet talk and determination, 18-year-old Teresa Thomas and 17-year-old Jackie Easton are Executive Officer Training Corps cadets—the first in any Army, Navy or Air Force unit in the nation.

When the two girls boldly inquired about joining the Air Force ROTC unit last fall instructors told them they couldn't be granted official status, couldn't be promised commissions, couldn't be issued uniforms and couldn't expect special treatment.

But despite this cool official reaction, the girls, wearing trim blue WAF outfits and receiving academic credit for the course, now are nearing completion of a year's training.

To a Tech man of a few years ago that would seem unthinkable. The school was a male bastion until 1912 when the first woman was admitted. Now there are 15, and the first will be graduated this year.

Having used a sugar-coated infiltration process to move into the classroom, and even onto the football field by becoming cheer leaders, the girls set their sights on the ROTC unit.

Jackie, an aeronautical engineering student from Lanana, Fla., planted the seed when she asked Assistant Dean of Students John Pershing about joining. He said, in brief: No.

Pershing later jokingly told Col. Hugh Moore, who heads the Air Force unit, about his caller. The colonel laughed. Then he thought

over and invited Jackie to come by. Teresa, a friend from Marietta, Ga., who is majoring in chemical engineering, also was interested. She accompanied Jackie to visit the colonel.

Moore says they were determined but cautious. "Won't somebody think we're invading the last male stronghold?" they asked. "Well, we'll see," he replied.

The girls spend most of their time learning about aircraft and what makes a plane fly with respect to air flow, how jet turbines operate, leadership and the like.

They are receiving fairly good grades and lately cadet officers have stopped asking questions about their being officers and gentlemen.

Some cadets seemed to resent the encroachment at first, Teresa recalls, and others took full advantage of the opportunity for a little ribbing.

A cadet officer would stroll around Teresa growling that she needed a haircut. "Of course," she says, "I would get tickled on the training."

Air Force Reserve Squadron Formed in Central Florida

Civilian personnel of central Florida will be eligible to join a newly organized Air Force Reserve unit, the 78th Troop Carrier Squadron, which will be activated at OAFB April 1.

The new reserve squadron will train in three locations on the base, with administrative offices in Building T-20 73, and aircraft maintenance shops and operations offices on the flight line, and squadron offices in Building T-20 20.

The flying personnel of the squadron will be right C-47s, which will be flown from the unit's headquarters, the Miami Air Reserve Flying Center, commanded by Col. Hadley B. Elker. The new unit will be a part of the Flamingo Troop Carrier Wing which trains at the Miami International Airport and is now the most fully manned reserve wing in the nation.

Many openings in the squadron have already been filled, but there are still vacancies for 110 airman with Air Force specialties or equivalent civilian experience in aircraft operations, food service, medical technicians, aircraft maintenance, instrument training, airborne radio operator, and other related fields.

Also, there are openings for six officers with pilot's rating and two officers with navigator rating who hold the rank of first or second lieutenant.

Veterans for all branches of service are eligible to apply for these positions and will retain the equivalent rank that they held when discharged. Some nonveterans will be accepted also.

The mission of the organized reserve squadron will be to become proficient in troop carrier operations so that it will be capable of airlifting troops, supplies, and equipment by air. The unit will train on two Sundays each month, and members will receive two days pay for each day of training.

Applications for membership in the new Orlando Troop Carrier Squadron are being accepted by MSgt Philip Yarbrough and MSgt Paul Smart at the Federal Flying, 42 E. Central Avenue. They can be reached by telephone at 5-7066, Orlando.

The organized reserve squadron will be trained by 3 officers and 11 airman who will be permanently assigned to Orlando AFB. They will conduct training, maintain the aircraft and other equipment, and keep supplies ready for the reserve to use during training periods.

During 1954, the 28.7 per thousand infant mortality rate in the United States set a record low.

Eric Monti Wins Miami Tourney

MIAMI BEACH, Fla. (AP)—Eric Monti won the Miami International Golf Tournament, his first major victory, in a 72-hole match play contest yesterday.

Monti, 33, of Los Angeles, was the only amateur in the field. He defeated professional golfer Bob Rosburg, 1 and 2, in the final round.

Monti's victory was a surprise, as he had never before won a tournament. He has been in the Hillsboro Club since 1950, when he was seriously injured in a traffic accident. He plays in only a few tournaments each year.

His cool, last-round 63 gave him a total score of 219. He was 10 strokes under par for the 72-hole tournament. Rosburg, who had been in the tournament since 1950, when he was seriously injured in a traffic accident, had a total score of 220.

Rocky To Begin Heavy Training

GROSSINGER, N.Y. (AP)—Heavyweight champion Rocky Marciano broke camp here Monday and headed for California where he will begin serious workouts for his May 16 title defense against Don Cockell of England in San Francisco.

Here in his Catskill Mountain hideout, he has been training "lightly" for more than two months. This consisted of boxing 60 rounds with his sparring partner, doing hundreds of miles of road work and whipping through the equivalent of another 100 rounds with the punching bag.

He weighed 205 pounds when he started his sessions on Jan. 11.

Marine Recruiter Is At Post Office Every Wednesday

Marine recruiter, Technical Sgt. Donald R. Gross, will be at the Post Office every Wednesday from 9 a. m. till noon to interview applicants for the Marine Corps. Local men desiring information about the Marine Corps are invited to meet the recruiter during those hours. Due to a limited quota, only a few applicants will be accepted into the Regular Marine Corps this month. Sgt. Gross pointed out that eligible men will be enlisted on the basis of first come, first served.

Ex-servicemen and high school students are reminded of the benefits of serving in the Organized Marine Corps Reserve. In many instances, former servicemen are enlisted at their old rank. High school students and draft-bound youths may begin working off their obligated service while training with the Citizen Marines. They may also go on active duty with their Reserve rank when they become subject to the draft. Good pay, rapid promotion and a well-balanced program of training and education are combined to give the part-time Marine all the military advantages while maintaining their civilian status.

For further details, contact Sgt. Gross at the Post Office next Wednesday.

Naval Station Golfers Defeat Stetson Team

Despite the welcome rain Thursday, the Naval Auxiliary Air Station golfers sloshed to victory over the team from Stetson University at the Mayfair Inn Country Club by defeating them by a score of 15 1/2-2 1/2.

This was the ninth win for the NAAS golfers in as many games. The match was played in two sets of foursomes. Airman P. T. Langley, who was low medalist in the last foursome was Fouk with a 75.

For their next match, on April 9, the NAAS golfers will travel to the Naval Air Station, Jacksonville, where they will meet the team of Jax-Navy.

THE SANFORD HERALD Mon. Mar. 28, 1954 Page 3

even coming into the 18th hole when he made an eight foot birdie downhill on the last hole.

Langley, who was low medalist with 67, had four under par for a 32 on the front side.

The second set of NAAS members, comprised of Chiefs B. Fouk and G. F. Russett scored the remaining 6 1/2 points as they turned down their opponents, 6 1/2-2 1/2. Low medalist in the last foursome was Fouk with a 75.

For their next match, on April 9, the NAAS golfers will travel to the Naval Air Station, Jacksonville, where they will meet the team of Jax-Navy.

Ganas Appreciation Night Set For Thursday At Local Ball Park

The Minneapolis Miller and Richmond Virginians will play a baseball game Thursday night at the Municipal Stadium. All receipts from the sale of tickets as well as all profits from concessions will go into a fund for Fred Ganas in appreciation for the many things he has done through the years for the young people of our community.

Mr. Ganas is stricken with Stevens-Johnson's Disease, a very rare skin ailment. As we all know, hospital bills, specialized treatment and the medical expenses can run into an astounding sum. Mr. Ganas has been confined for several weeks. His insurance and work compensation have ceased,

but the bills continue to increase each day. Ganas but wish to express your appreciation; mail your check to the Fred Ganas Fund c/o The Sanford Herald or the Elka Club.

This is our opportunity to express our appreciation to Fred Ganas for what he has done for our children. Buy a ticket for each of the family and go out to the ballgame. However, if you cannot attend the

Invited Guests

President Eisenhower has declared himself in favor of a plan which would allow a group of Russian farmers to come to this country to observe our agricultural techniques. The proposal was first made by the Des Moines Register and Tribune and the Soviet newspaper Agriculture quickly endorsed it and extended a similar invitation for a trip to Russia by an American farmer group.

Before the plan could operate the State Department and the Attorney General would have to act to waive provisions of the McCarran-Walters immigration act which would prevent the entry of the Russian farmer.

By its own admission Russia is plagued by an agriculture problem. The farmers who would visit our farms and see our farmers at work would not doubt be carefully selected by the Communist Party. Yet they could not help but be impressed by the progress in methods made by our farmers. American farmers visiting Russia might have the chance to talk to their Russian counterparts and come home with a better idea of what is happening in the field of agriculture in the Soviet.

We have a great, powerful and wealthy country. We can show it to visitors with pride—even to visitors who may come expecting to find things with which they can find fault

Canada Has Fund To Keep Muscles On U. S. Dollars

OTTAWA (AP)—Canada has a fund of almost two million dollars operating to keep muscles on the U. S. dollar after it crosses the border.
At bank counters you generally get only 50 cents for your U. S. greenback. Cigar counters and the like may knock off 4 cents. Hotels vary between the bank rate and another penny premium.

That annoys some American tourists but not too many. Canadian trade officials say hopefully. American tourists may never again see the day when they can fork over \$1 of Uncle Sam's green and get a Canadian dollar and a dime to boot. That situation lasted for years.

Then, on Sept. 30, 1950, when the Canadian government—sensing a mining boom and other business expansion—set the Canadian dollar free to find its own level. That day the Canadian dollar was worth 96 cents U. S. officially.

It began climbing. One day in March 1953 a dollar of either nationality was just a dollar.

And the Canadian dollar kept climbing. American businessmen and investors helped strengthen the Canadian economy On Aug. 14, 1953, the official rate of the U. S. dollar was around 85¢ cents.

Then the government began issuing some of its gold and currency buying fund—in existence since 1950—to buy dollars in a day-to-day "smoothing-out operation." Greenbacks began a slow recovery. One day two weeks ago they were up to 90 cents. They never around 90 to 95 cents premium pretty generally.

Some proposals have been made for big-scale buying of American dollars to restore exact parity. Supporters favor parity. They say the lower value of the U. S. dollar now is a tariff barrier against their goods. Canadian consumers oppose parity.

In Montreal's big banking center in St. James Street, the rate is expected to remain steady for a while at least.

Try and Stop Me

By BENNETT CURT

PRODUCER MERVYN LEROY, choosing locations near the Papago Indian settlement in Arizona, found that his predecessors had left their mark on the Indian lands who applied for jobs as extras. They couldn't speak much English, they indicated, but thoroughly understood "Hollywood talk."

"What's that?" inquired Leroy. Happily the Indian lands roared off, "Action! Cut! That's lousy! Better take it over! Twenty minute break for lunch."

A little girl born and bred in Anderson, Indiana, never had seen the ocean, looked forward to her first vacation in Florida with mingled delight and apprehension. Arrived in the Southland, her daddy entwined her in his arms and gave her her first taste of the briny. She was squealing with delight when she rejoined her mother on the beach. "I love the ocean, Mommy," she enthused, "except when it stinks!"

Coincidences End As Ladies Go Home

LOS ANGELES (AP)—Two mothers took their babies home from the hospital Wednesday, ending a series of astonishing coincidences.

Mrs. Elizabeth Boshard and Mrs. Jacqueline Luscher, each 28, were both born in Biel, Switzerland. They didn't know each other during girlhood.

Both couples came to Los Angeles. They met in August 1953 at a Swiss national holiday gathering in Swiss Park in nearby Azusa.

Both women learned that they were expectant mothers last summer. They were patients of the same obstetrician. Both entered

Labor Factor Big Uncertainty

NEW YORK (AP)—Labor and management are girding for the fast-approaching big season for battles over wage hikes and for strikes and threats of strikes.

Many regard the labor factor as one of the chief uncertainties—perhaps next to war—on the industrial horizon today.

Outcomes of the key struggles, some say, could determine whether the present business upswing will continue without more than a seasonal break in the summer.

In the summer, farm equipment, aluminum and copper contracts come up. Other big electrical equipment manufacturers will talk with their unions before fall.

What the top corporations do about wage scales often sets the national pattern into which smaller

news is that the star of the ritual at the unveiling of the moving staircase was a coffee-drinking lama. It was a peasant change from the usual movie starlet.

I may have yelled too soon, a few months ago when I defended New York City's kids from the snide charges of outsiders who felt they all carry switch-blade knives. Official juvenile delinquency here jumped 27 per cent last year. Forty-five thousand citizens under 21 got in trouble with the law in the five boroughs last year. Yes, I may have yelled too soon.

JAMES MARLOW Ike Does Little To Arouse Anger

Associated Press News Analyst WASHINGTON (AP)— President Eisenhower, who used to be described as a political novice, is a master at not making people mad. He came through a ticklish question this week in typically good condition.

Would he meet with the heads of the British, French and Russian governments to talk peace? He didn't quite say yes. He didn't quite say no. He left the whole idea of such a meeting a shadowy something in the future.

Yet, because of the way he said it, both Sen. George (D-Ga.) and Sen. Knowland (R-Calif.) could take comfort from it. But, before he gave his reply, at a news conference, there seemed a good chance he'd make one of them hopping sore.

For a president, Eisenhower has been amazingly free of personal attacks and mudslinging. He's given a few people an opportunity to get publicly angry, at him. He has consistently avoided saying anything publicly to hurt people's feel-

ings or ideas. Eisenhower said long ago he would not meet with the Russians until they showed evidence of good intentions. Last Sunday George suggested Eisenhower meet with them, without the good intention requirement. Knowland opposed George's proposal.

He insisted the Russians must show honest purpose before Eisenhower sits down with them. Knowland, as a Republican leader in the Senate, is Eisenhower's chief lieutenant in that House.

Knowland has frequently disagreed with Eisenhower and often must have tried his politeness sort. But Eisenhower has carefully avoided any quarrel. He needs Knowland. At the same time he has good reasons not to antagonize George, who is chairman of the Foreign Relations Committee and are anticipated.

The biggest complaint — and virtually the only one — was that some of the questions put by newsmen couldn't be picked up by the camera sound equipment and he has been suggested that an overhead microphone be set up in the hall. There is little likelihood that this suggestion will be adopted.

Fear that a few Washington characters might try to monopolize the conference or "ham it up" is abating. Inasmuch as the White House itself can deny reports of any portion of the news conference films, a little judicious editing would take care of any would-be "muggers" in the audience.

COFFEE PRICES — Coffee "future" prices are not expected to soar upward this year as they did in 1954. According to the Senate banking subcommittee which investigated last year's jump in prices, there's a growing surplus of coffee which should keep the brew at present price levels for the next three years.

The subcommittee does not go along with the Federal Trade Commission's recommendation that the New York Coffee and Sugar exchange be placed under government control.

It was the FTC's contention that irregularities in trading practices on the New York exchange "contributed significantly to the spring rise in coffee prices."

However, the subcommittee held that coffee prices should be "determined by the factors of supply and demand in a free economy" and found no fault with the exchange.

TRADE PACT SIGNED
VIENNA (AP)— Radio Bucharest reported Romania and Yugoslavia have signed a two-year trade pact providing an annual exchange of six million dollars' worth of goods.

Inside Washington

WASHINGTON (AP)—The House armed services committee is taking an unusually close look at the Defense Department's policies not only on military manpower cuts but in the increasingly important matter of transport aircraft.

Some members of the committee have been told that if swift major action by United States airborne troops should be necessary, the planes to carry the fighting men to the scene of operations would not be available.

One legislator insists that the "ready" line would provide hardy enough planes to transport a full-strength paratroop battalion.

The Democrats, desperately seeking issues on which they can legitimately challenge the Eisenhower administration, plan to get the Pentagon brass to the spot for itself whether all the planes in public, so the nation can judge whether all the planes in the defense spending are justified.

Armed services committees point out that in any conceivable sudden conflict, paratroopers could be indeed the country's first line of defense and that plenty of air transportation ought to be available for them.

TV TECHNIQUE — President Eisenhower, his aide and the television industry itself are all highly pleased with the way the first directly-filmed presidential news conference went off. The first camera man was able to record the question-and-answer session and take the chief executive and Washington newsmen was remarkably smooth and so major changes in the procedure

Miss Dorothy Donegan, who plays good showboat piano (not jazz) more like Dave Brubeck's work, has been at the Embers lately. I wish someone would do a detailed analysis of why there aren't more like her.

Modern planes carry about 75 pounds per square foot of wing space.

The Turnpike Will Get YOU If You Don't Watch Out!

Just Like It Got Clyde Bailey!

Recently a headline appeared in a Youngstown, Ohio newspaper announcing the dismal fact that Clyde Bailey's truck stop had been sold—a victim of the new Ohio Toll Turnpike. This was only one of many such items that have been published in that area since the opening of the Ohio Turnpike. Clyde H. Bailey had a thriving restaurant and repair shop business, handling more than 100 trucks daily before the opening of the turnpike. Two months after the pike opened, his business went on the auction block. Bailey couldn't attend the sale. He was hospitalized by a heart attack brought on by worry and grief.

This thundersome tragedy might seem far away and of little concern to Floridians now—but it could be closer than we think! It would doubtless be repeated many times over if the proposed state-long toll road is constructed. The effect of a turnpike will be the same, whether it is routed down the East Coast, the West Coast, or through Central Florida. If that ever happens, Clyde Bailey won't be just the name of someone in Ohio—he will be the restaurant owner on Main Street of OUR town, or the service station operator around the corner, or that friend of yours who has just invested his life savings in a modern motor court. Yes . . . Clyde Bailey might even be YOU!

The simple truth of the matter is that Florida would need no turnpike if two or three of its main north-south highways were widened and improved to take care of the traffic that they could easily handle. Even the turnpike engineers admit that. Then why, we ask, and so on has not been given a satisfactory answer, should Florida be subjected to the disruptive influence of a turnpike? Why jeopardize property values, wipe out millions of dollars worth of investments, and deny tourists their rightful privilege to use ALL Florida?

Clyde Bailey and his ruined business have become a symbol—a tragic symbol of economic chaos that must not be allowed to blast Florida. It need not even be that. It WILL not come if the great mass of people and Florida who are opposed to a "Chinese Wall" down the middle of the state rise up in righteous indignation and make their voices heard.

We are convinced that a state-long toll road is not in the best interest of Florida in general and our immediate action is particularly. We urge our readers to join the ever-growing army of common sense Floridians who are determined that Florida's free highways will not become ghost routes, passivated by dead and dying businesses such as the ones that have ruined Clyde Bailey and many others along toll roads wherever they are built.

Don't let YOUR business become a turnpike casualty. There's a group of conscientious Florida business people working to fight the horrors behind the establishment of a toll turnpike in our state. For further information and to offer your support write:

Senior Choir Rehearsal at First Methodist Church at 7:30 p. m.

The First Baptist Carol choir will hold rehearsal at 8:30 p. m. at the church.

The First Baptist Church Choir

Keep this recipe handy when you are cooking elbow macaroni. Add a tablespoon of salt to three quarts of boiling water; add one-half pound (2 cups) of elbow macaroni slowly so that the water continues to boil. Stir occasionally but do not cover. Cook only until just tender - eight or nine minutes. This makes about four cups of cooked macaroni.

Mrs. Kuhn Given Surprise Party At USO Saturday

Saturday night at the USO a special treat was in store for Mrs. Edward Kuhn, general chairman of the USO, as a surprise birthday party was given for her.

She was presented with a birthday cake which was inscribed and decorated with pink roses and white icing. A gold cigarette lighter, with her initials in the center, was presented to her as "a small token of the kindness and hard work" shown by her to the hostesses and servicemen.

"Mrs. Kuhn, who took over the chairmanship last year, has worked hard to improve the appearance of the hall, plan parties, take in new hostesses and do general routine work. Since she has taken over the USO has blossomed under her hand. Better attendance, more parties, dance decorations, and a general fellowship has been the reward," stated a junior hostess.

Through her efforts and the efforts of Mrs. J. W. Brown and Mrs. Melvyn Smith a television set was secured plus the painting of two new rooms and the obtaining of lawn furniture, desks and chairs, rug, new games and numerous other things.

The servicemen are made to feel that the USO is a "home away from home" with the dances held weekly, television, cards, writing paper, games, magazines, a piano, comfortable furniture, and many other things that are furnished there.

After the party a dance was held with Miss Edna Michels acting as junior hostess and Mrs. William Toll acting as senior hostess.

Sunday night the usual TV and game night was held. Refreshments were served to the overflowed crowd and a good time was had by all. Miss Susie McLaughlin was junior hostess and Mrs. Kuhn acted as senior hostess.

Presbyterians Give Social For Members Of Older Group

The senior members of the First Presbyterian Church were honored at a social given for them by the Philathea Bible Class of the church Friday night. The group of 44, enjoyed rich fellowship, good games and delicious refreshments during the evening.

Robert Brown entertained the group by singing selections from "Deep In My Heart" accompanied by A. L. Greer at the piano. The highlight of the program was the singing of an original composition, "Guiding Light" from which Mr. Greer composed the music and Mrs. J. T. Potter, Mr. Greer's mother-in-law who is in her eighties, wrote the lyrics.

Hostesses from the Philathea Class included Mrs. C. L. Redding, president, Mrs. Victor Greene, teacher; Mrs. J. N. Gillon, Mrs. P. T. Piety, Mrs. George Rhea, Mrs. Charles Morrison, Mrs. Watson H. Wallace, Mrs. H. B. Brown, Mrs. Francis Meriwether, and Mrs. C. G. Howard.

Those enjoying the evening with the hostesses were Mrs. Andrew McPherson, Mr. and Mrs. W. D. Thompson, P. T. Piety, Mr. and Mrs. Walter Meeds, Mrs. Richard TenKyk, Mrs. Jennie W. Lehman, Mrs. Lillie B. Jones, Mrs. B. A. Bollinger, Mrs. Henry McLaughlin, Miss Mary Etta Cowan, Mrs. Sarah Ann Cowan, Miss Jennie Cowan, Mrs. C. F. Ford, Mrs. Etta Wately.

Mrs. A. P. Kyle, Mrs. O. H. Stryker, Mrs. A. Bardello, Miss Beattie Long, Mr. and Mrs. C. L. Keyes, Mrs. Georgia Littrell, Mr. and Mrs. W. D. Simpson, Mr. and Mrs. E. M. Galloway, Mrs. Louise Long, Mrs. L. A. Brumley, Mr. and Mrs. Archie E. Palmer, Mrs. W. H. LaFetra, the Rev. and Mrs. G. Melnae and Miss Katherine Brown.

Miss Warmoth Feted At Shower

Miss Margie Warmoth, popular bride-elect, was honored Friday night with a miscellaneous shower given by Miss Rachael Peace, Miss Mary Earle and Miss Rebecca Stevens at the home of Miss Stevens.

A theme of spring flowers was used throughout the room. The dining room table was covered with a white cloth, centered with an arrangement of white spring flowers and surrounded with pink candles.

Games were played and prizes were won by Mrs. Sacy King, Mrs. C. C. Henderson and the honoree. Pictures were taken of Miss Warmoth as she opened her gifts.

Refreshments of cakes, cookies, small sandwiches, minis and coffee were served to the honoree and Mrs. Troy Ray, Miss Barbara Ruprecht, Mrs. Brodie Williams, Miss Sadie Williams, Mrs. Victor Greene, Mrs. Clifford McRibbin, Mrs. J. E. Blackburn.

Mrs. C. C. Henderson, Mrs. Arthur Moore, Mrs. E. C. Howard, Mrs. Joe Garrett, Mrs. Clifford Johnson, Mrs. D. F. Lanier, Mrs. Billy Glenn, Mrs. Ray Mann, Mrs. Elizabeth Sharon, Miss Laura Ford, Miss Frances Bright, Miss Jean Wilson, Mrs. Fred Zerrenner.

Mrs. R. W. Ruprecht, Mrs. Cur Us Hughes, Mrs. Jack Armitage, Mrs. Sacy King, Miss Ollie Reese Whittle, Mrs. Alvin Odham, Mrs. Cecil Bates and Mrs. M. M. Land.

Dr. C. Parks Jr. Is Guest Speaker At Lake Mary Meet

The Lake Mary Home Demonstration Club met recently in Lake Mary for its monthly meeting with Dr. Charles L. Parks Jr. as guest speaker.

Starting at 10:30 a. m. a luncheon was held at 12 p. m. by Mrs. Dingman who served chili, coffee, crackers and jello.

Dr. Parks spoke on the seven danger signs of cancer, what they are, what to do if you have one, and who to go to. He suggested that people who have what might be called a "danger sign" should be checked every six months by a doctor and persons not having danger signs should be checked once a year to be sure. He gave a few details of patients who had cancer while he was intern.

Miss Myrtle Wilson, home demonstration agent, gave a demonstration on how to hang drapes, and curtains and Miss Pat Freeman and Miss Vesta Gehr showed the group a demonstration on "Learning To Cook." These two girls are president and secretary of the Lake Mary 4-H Club.

Monthly reports were given and it was announced that a bake sale would be held Saturday morning in Lake Mary. Also the members were reminded of the County Council meeting April 21 to be held in Lake Monroe at the school house. Home Demonstration women of the entire county will make dresses that will be shown in the dress review with the winner going to State Council in Gainesville in July.

A teaspoon of vanilla or an eighth teaspoon of nutmeg will flavor a custard made with three cups of milk, three or four eggs, six tablespoons of sugar and a dash of salt.

Mix a can of condensed cream of mushroom soup with a third cup of milk and curry powder to taste. Serve over slices of leftover sirloin arranged on buttered toast.

Miss Jessie Byrd, A. H. Hoch Jr. Initiated In Double-Ring Ceremony

In a lovely double-ring ceremony Miss Jessie Margaret Byrd, daughter of Mrs. W. C. Hiroa, and Auguste H. Hoch Jr., son of Mr. and Mrs. Auguste H. Hoch of Louisville, Ky., were united in marriage on March 21 in the Central Baptist Church at 6 p. m. by the Rev. J. W. Parham.

Fern, gladioli and amaryllis adorned the church and Mrs. J. W. Parham, wife of the minister, rendered the traditional nuptial music. Dick Alken, soloist, sang "Oh Promise Me" and "I Love You Truly."

The bride, given in marriage by her step-father, W. C. Hiroa, was attractive in a pastel pink suit of shantung accented by white accessories and a corsage of white carnations.

Miss Gerry McGill of Orlando, maid of honor and only attendant, wore a suit of pastel blue and a corsage of pink carnations. She also had white accessories.

C. Richard Beers of Orlando acted as best man.

For her daughter's wedding Mrs. Hiroa wore a navy blue street length dress and a corsage of red carnations on her left shoulder.

A reception was held afterwards at the home of the bride's parents. The rooms were attractively decorated with fern, white and pink amaryllis and gladioli. The bridal table was covered with a white cloth and held a three-tiered cake. Punch was also served.

Mrs. Hazel Harrison of Orlando and Mrs. F. Bealey of Sanford assisted. The guests were entertained by the "Cracker Jack Quartet" SPFBSSQA.

The couple is residing at 611 Highland Street in Orlando.

Out-of-town guests were Mr. and Mrs. Gray Harrison, Mr. and Mrs. Boyd McGill, Mr. and Mrs. Charles Aderholt, Dave Cunningham, and Larry Lawson all of Orlando.

The bride was born in Florence, S. C. and finished school in Sanford. She graduated with the class of 1954 and was a member of the Tri Kappa Psi Club and Glee Club. Student Nurses Club and was an honor student. She was in training as a student nurse in the Orange Memorial Hospital in Orlando.

The groom was born in New Orleans, La. and attended schools in Louisville, Ky. and the University of Louisiana. He is now an

"Night Must Fall" To Be Presented During Weekend

"It is only due to determination on the part of a few people that 'Night Must Fall', the first production of the Sanford Theatre Guild this year, will be presented this weekend, March 31, and April 1 and 2, at City Hall Auditorium. A director with less perseverance than Francis Roumillat Jr. would have given up long ago. Since he was to play one of the rolls and he has always been 'chairman in charge' of lighting effects, he had a three fold job.

"He had his cast set and rehearsal started several months ago when, due to circumstances beyond his control, he was unable to attend rehearsals for about six weeks. By the time this situation had cleared up, a most promising leading lady had dropped out of the play. Undaunted, the cast went on, a new leading lady was found and the play will go on Thursday night as scheduled," stated a member of the Guild.

The Theatre Guild has been beset by problems all season. The first play was "Our Town", but finding the large cast required, produced too many difficulties and was play was dropped. The next play, with another director, was "January Thaw", but once more casting all the parts was a problem. Francis Roumillat picked "Night Must Fall" early in September, and in spite of casting and other problems, he has reached his goal. Currently George Dabbs is casting "Candida", which he hopes to present early in May.

Piano Presented DeBary Glee Club

Dr. Garrett Seger and Dr. Louis Hurrell presented a grand piano to the Glee Club at its regular meeting Wednesday evening at the Mansion House, DeBary.

To exhibit the fine tone of the gift, special music was presented. Laura Platt Brown and Miriam Whitaker offered a duet of Rubenstein's "Kamenerial Overture". Florence St. Award sang "When Smoke Gets In Your Eyes", followed by "The Spinning Song" of the German Lieder and "The Bend of the River" in harmony by Ruth Hastace, Cora Gray, Ethel Bertsch, Eva Brown and Miriam Whitaker. Mrs. Brown was their accompanist.

A reception for the donors was held after the program. Refreshments were served and a social hour enjoyed.

Want a good luncheon sandwich? Brown thin small slices of cooked ham in a little butter or margarine on a shield. Pile the browned ham between the halves of a toasted buttered hamburger roll along with some pickle relish.

Lovell Wuensch Betrothal Told

Mr. and Mrs. William Vail Lovell of Sanford announce the engagement of their daughter Anne to Dr. Gerhard Joseph Wuensch of Vienna, Austria. The bridegroom is the son of Mr. and Mrs. Joseph Wuensch of that city.

Since 1952 Miss Lovell has held a graduate teaching fellowship at the University of Texas. A teacher in violin for the string project sponsored by the University she is also a member of the Austin Symphony Orchestra.

The bride-elect received her early schooling in Sanford and was graduated from Rollins College in 1950 with the degree of Bachelor of Music. A member of Phi Kappa and Pi Kappa Lambda, honorary music fraternities, she will receive her masters degree in June.

Miss Lovell is the granddaughter of the late Mr. and Mrs. Henry Hix Chappell and Mr. and Mrs. Myron Wellington Lovell, both pioneer families of Central Florida. She is also the niece of Mrs. H. J. Pemberton of Orlando.

A Fulbright Exchange professor at the University of Texas, Dr. Wuensch received his Ph. D. (Summa Cum Laude) in 1950 from the University of Vienna and holds masters degrees in piano and composition from the State Academy of Music in Vienna and is also a member of Pi Kappa Lambda at the University of Texas.

Miss Lovell and Dr. Wuensch will be married April 12 in Prince Chapel, Holy Cross Episcopal Church in Sanford.

Use light cream in that white sauce, instead of milk, and add capers. Serve to company over a fish loaf or fillets.

NOTICE

The Seminole County Unit of the American Cancer Society will present a film for women only on "Breast Self-Examination" at the Ritz Theatre on Tuesday, March 29, at 10 a. m. A member of the Seminole County American Cancer Assn. will be on hand to answer any questions. There is no admission charge and no solicitation of funds will be made.

Talented Program Presented Friday At Club Meeting

The Sanford Tourist and Sight-Seeing Club had an unusually talented program Friday night as its entertainment of the week.

Starting at 7:30, the program included Bob Brown, popular Sanford tenor, who sang "Deep In My Heart" and "I'll Take You Home Again Kathleen", accompanied at the piano by A. L. Greer. Mrs. Martha Bailey, rendered several piano selections such as "Melody of Love", "Tenderly" and "Indian Love Call". A play, "The Best", was presented by the Sanford Speakers Bureau of Actors.

The play, the highlight of the evening, was loudly applauded and greatly enjoyed by the viewers.

Songs were sung afterwards and shuffleboard was enjoyed during the remainder of the evening.

Batters Unleash Barrage Of Hits

The Associated Press
For the first few weeks of baseball's spring training season, it's the pitchers who hold the upper hand while the hitters gradually adjust their batting eyes. Now, with the major league teams winding up their fourth week of workouts, the hitters have started to find the range.

This was borne out yesterday when such formidable swingers as Larry Doby, Jim Rivera, Jackie Robinson, Willie Mays, Dusty Rhodes, Bob Cerv, Yogi Berra, Stan Musial, Frank Thomas, Del Ennis and Smokey Burgess unleashed a barrage of base hits in exhibition games.

Doby smashed three home runs—one with the bases loaded—and drove in seven runs as the Cleveland Indians overwhelmed San Francisco of the Pacific Coast League 14-0.

Two clutch hits by Rivera helped the Chicago White Sox edge the Brooklyn Dodgers 4-3 in 11 innings. The fleet outfielder socked a two-run homer with two out in the ninth inning to tie the score 3-3. Then he stepped up in the 11th frame and delivered a double that sent home Minnie Minoso with the winning run.

Robinson collected four singles, for the Dodgers and scored two runs.

Mays homered in the New York Giants' 8-4 triumph over the Chicago Cubs yesterday. New York has won four in a row and eight of the last nine games. Meanwhile, the amazing Mays has accounted for eight round-trippers.

While Mays was performing with the varsity, teammate Dusty Rhodes went on a batting rampage to lead the Giants' "D" squad to a 13-8 conquest over Cleveland's "B" team. He lashed out four hits, including a double and a triple—as he drove in five runs.

In the first game of a double-header, the New York Yankees downed the St. Louis Cardinals 7-4. The terms sought to a scoreless tie in the seven-inning nightcap. Cerv's bases-loaded home run in the eighth inning gave the Yankees their victory and Berra chipped in with four hits. Musial slammed his first four-bagger of the spring for the Cards.

Thomas, appearing in his first exhibition game since signing with Pittsburgh March 17, walloped a three-run homer and a single in three trips to spark Pittsburgh's 7-6 squeaker over the Baltimore Orioles.

Ennis and Burgess each had a single, a double and a home run to lead the Philadelphia Phillies to a 15-1 rout of the Cincinnati Redlegs. Jim Piersall batted in three runs as the Boston Red Sox turned back Kansas City 4-1.

The Washington Senators beat the Detroit Tigers 3-2.

some time today and will be manned by a member of the ticket committee through the coming week.

Walt Rose, University of North Carolina freshman swimmer, broke three freshman records in his first meet for the Tarheels.

Dick Hemric, Wake Forest's 6-foot-6 center, holds 18 individual school records in basketball.

Yanks And Dodgers Seen Flag Winners

AP Newsfeatures Sports Editor
By FRANK ECK

Three-team pennant races in both leagues is the forecast for major league baseball this season. The writer, after a month in 13 Florida training camps, sees the New York Yankees taking the American League bunting after a hectic scramble with Cleveland and Chicago.

In the National League the Brooklyn Dodgers are fancied over the Milwaukee Braves and the world champion New York Giants.

It is the feeling among the majority of baseball managers and coaches that the Giants cannot expect a repeat performance from the bullpen which accounted for 22 victories and saved numerous other games.

These same insiders feel that Cleveland is a slow ball club and will get sterner competition from Boston, Washington and Baltimore, three teams it treated horribly last season.

In the American League, the Indians, Yankees and White Sox are far ahead of the field.

Casey Stengel bids for his sixth flag in seven attempts with a pitching staff featuring Whitey Ford, strikeout king Bob Turley and Bob Grim. Turley, obtained from Baltimore where he won 14 games for a seventh-place team, is seen as a big winner.

However, Casey warns "if anything happens to one of these three I'm in real trouble." Behind them the master manipulator has Tommy Byrne in the No. 4 slot with Eddie Lopat as No. 5 spot starter, followed by Tom Morgan, sure-armed Don Larsen and a surprise starter in 21-year-old Johnny Kucks, back from the Army after a freshman 19.6 record at Norfolk in 1952. The kid looks great.

Bill Skowron will play first base against all pitching and it would not be surprising if he fought for the batting title. His fielding has been terrific. Rookie Elston Howard, most valuable player in the International League, can catch or play the outfield. He may alternate in left with Irv Noren. He is the first Negro to make the Yankees. Only infield change finds catcher Bill Hunter replacing Phil Orsillo.

As a star tackle for the University of Miami (Fla.) 1951 Orange Bowl team, Sam David wore jersey No. 77. Now an owner and trainer at Hialeah, Sam races as the 77 Stable.

Rizzuto, now wearing glasses, at shortstop.
Herman Cohen, president; Ber Cohen, secretary-treasurer and Louis Pondfield, executive director of the Pimlico Race Course in Maryland, inspected Gulfstream Park recently. They are in the midst of a rebuilding program at the Baltimore oval and took time out to check Gulfstream's innovations with a view to incorporating them into future Pimlico plans.
Billiard Green is the oldest member of North Carolina basketball team. He is 26 and a junior.

Johnny Saxton To Risk Crown In Fight Friday

The Associated Press

Johnny Saxton puts his welterweight championship on the line for the first time since he won the crown from Kid Gavilan five months ago when he faces local idol Tony DeMarco in Boston Friday night in the top bout of the week.

Saxton won the 147-pound title in Philadelphia and a controversial one it was. It was so close it could have gone either way.

The odds around Boston are 5-5 and pick 'em, but most New York outsmakers have installed Saxton a 3-2 choice. Saxton isn't a clean-cut fighter, relying mainly on a combination of eluding and infighting. But he has proved successful for him as witness his record of 43-32.

DeMarco shows an impressive 49-1 mark, but it has been made almost wholly in Boston. His best effort to date was a 10-round draw with lightweight king Jimmy Carter last month.

There will be no television or radio for the Friday bout. Paddy DeMaren, making his first start in this country since losing his lightweight title to Carter, rates a 3-1 choice to walk past Libby Manzo, a good local boxer, at New York's St. Nicholas.

Harriman Heads Ticket Campaign

Mayor J. D. Cordell issued a Proclamation last week proclaiming the week from March 28 to April 2, as Baseball Week in this City.

R. J. Bauman, president of Sanford Enterprises Inc. said: "If we can sell 400 season tickets we can come out at the end of the season without being in the red."

S. G. Harriman has been appointed to head the ticket drive assisting him will be Webb Jones. There will be a ticket booth set up in the downtown area.

Educators Meet Thursday Evening At Primary School

The Seminole County Education Association met at the Southside Primary School Thursday with the president, Mrs. Walter Morgan, presiding.

Mrs. Margaret Reynolds, program chairman, introduced Mrs. W. B. Wray, legislative chairman, who in turn introduced the guest speakers, Senator Douglas Stenstrom and Representative Volie Williams Jr. Each spoke, in an interesting way, about the Florida Education Association Legislative Program. A question and answer period followed.

Routine business was conducted by Mrs. Morgan and Miss Margie Warmoth presented a proposed Code of Ethics, which was later adopted by the association. Miss Edna Clifftender gave a brief but interesting report on the Florida Education Association Meeting held in Tampa last week. Twenty delegates from Seminole County attended this meeting with one of the highlights of the session being a talk by Dr. Murray Banks on "How To Live With Yourself."

Mrs. Mae Fort gave the report of the nominating committee and the following officers were elected to serve for the 1955-56 school year: president, Mrs. M. B. Smith; first vice-president, Mrs. W. B. Wray; second vice-president, Mrs. Walter Morgan, corresponding secretary, Miss Lois H. d. d. d.; recording secretary, Miss Mabel Chapman; and treasurer, Ernest Cowley.

Mrs. Milwee made some brief remarks of interest. The May meeting will be a dinner meeting with husbands and wives of the teachers included, time and place to be announced later. The Junior High School faculty will be in charge of arrangements.

The meeting was closed in an impressive manner, as the group stood with bowed heads while Miss Gene Nunnelly sang "The Lord's Prayer," accompanied at the piano by Roger Harris.

Final India Study Set For Wednesday

The Women's Society of Christian Service of the First Methodist Church has been conducting mission studies on India at McKinley Hall. Special music for the first program, which was on March 16, was furnished by Mrs. Robert Bennett and others participating were Mrs. Ray Herron, Mrs. Leah Clark, and Mrs. H. U. Hutchinson.

On March 21 Mrs. R. F. Cooper, a member of the First Baptist Church, was presented as the guest speaker, after which Mrs. S. G. Harrison offered an interesting article.

The final session will be Wednesday, 7:30 p. m., at McKinley hall when Mrs. C. E. Williams will be featured among the speakers. Members are urged to be present at this final study ending the series which has been termed as "most successful" by a WBCS member.

DeBary Auxiliary Attends Meeting

The DeBary Women's Auxiliary of All Saints' Episcopal Church attended the Daytona Deansery March 23. Holy Eucharist was at ten o'clock, with the Right Rev. Henry Louill, Bishop of South Florida the celebrant.

The United Thanks Offering was presented by women from all branches of the Auxiliary. Directors Miss Elsie Jamison discussed the Grey Inn at Davenport, Fla.—an Episcopal Home which needs funds for its infirmary.

Ladies attending from DeBary were: Mrs. Marion Walls, Mrs. Nettie Gifford, Mrs. Constance Keck, Mrs. Harriet Gabler, Mrs. Ida Herman, Mrs. Eva Brown, Mrs. Priscilla Nye and Miss Ivy Blackburn; Mrs. Robert Cox and Miss Katherine Litch of Enterprise.

HUSBAND IS FIDGETY, FLOOR IS ON FIRE
NEWPORT, Ky. (AP)—Merrill Swain Jr. and his wife were relaxing last night in front of their fireplace. Swain got fidgety. The room was getting hotter.

"THE CAME MUTINY" COMES IN FIRST
NEW YORK (AP)—Movie critics for newspapers and radio and television stations have picked "The Caine Mutiny" as the outstanding film of 1954 in a poll by the trade paper Film Daily. "On the Waterfront" was second.

B. F. Farrow 518 E. First

Personals

Mr. and Mrs. H. B. Pope had as their guests recently Mrs. Samuel R. Taylor of Vero Beach at their home in Indian Mound Village.

Miss Gloria Backer of the University of Florida spent a few days with her cousins Mr. and Mrs. Melvin Siskind.

Mrs. G. E. Howland and son Skipper and her mother-in-law, Mrs. E. R. Howland of Chicago Heights, Ill., are visiting for two weeks with Mr. and Mrs. R. L. Johnson and family. Mrs. Howland will be remembered as the former Miss Dot Johnson of Sanford.

Gordon Toll, a student at the University of Florida, Gainesville, was home spending a few days with his parents, Mr. and Mrs. W. J. Toll.

Miss Margaret Morrison, attending the University of Richmond, is spending a few days with her parents, Mr. and Mrs. W. A. Morrison.

Bubba Biabee and Junior Metts, students at Florida State University, Tallahassee, spent the week-end with their parents Mr. and Mrs. Hamilton J. Biabee and Mr. and Mrs. T. V. Metts.

Stanley Katz spent the weekend with his parents, Mr. and Mrs. Ben Katz, after which he returned to University of Florida where he is a student.

Mr. and Mrs. H. C. Deignan and family of Gainesville, spent a few days with Mrs. Deignan's parents, Mr. and Mrs. A. Michels.

Garden Club Plans Big Flower Show

Mrs. Frank L. Woodruff, III, chairman of the Twenty-eighth annual Flower Show of the Garden Club of Sanford which is to be held on April 28 and 29 in the American Legion Fair Building under the theme "April Gave A Party," announced that the flower show schedules are in the hands of the committee members.

All members of the Garden Club may obtain schedules from the ladies of their circles who are on the Flower Show committee.

Italian Premier Meets President

WASHINGTON (AP)—Premier Mario Scelba of Italy meets President Eisenhower today to urge that he try a new approach to break an apparent deadlock with Russia over disarmament.

The visiting Italian leader, who arrived by plane from Canada yesterday, had a White House appointment to review East-West relations and some topics of particular interest to the two nations.

Scelba was reported eager that the United States will persist in efforts to persuade Russia to agree to a plan for worldwide reduction in armaments.

Egypt Is Charged With Violation

JERUSALEM (AP)—Egypt stood charged today with "flagrant violation" of the Palestine truce. The U. N. Mixed Armistice Commission censured her for a "flagrant and unprovoked" Arab attack last week on an Israeli wedding party.

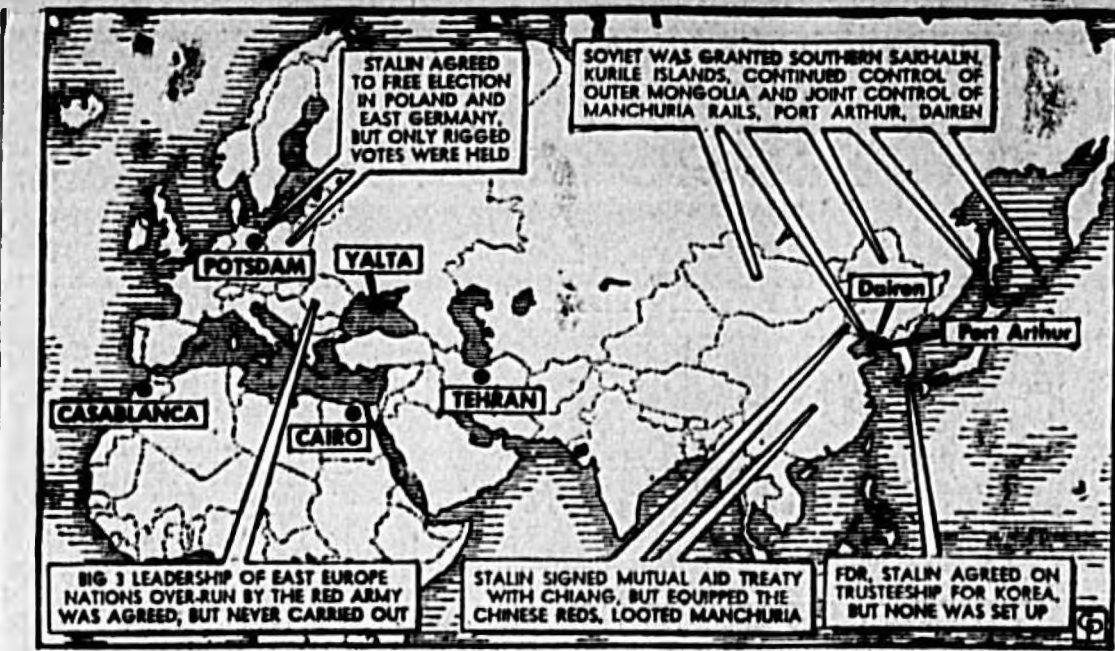

A government spokesman in Cairo denied that Egypt had launched the attack that killed one woman and wounded 23 persons including five children. He said Egypt would appeal yesterday's commission decision.

YOUNG MOTHER HAS NEW STORY

OKLAHOMA CITY (AP)—A 24-year-old mother came up with a new story when arrested by police last night for loitering. "I don't have any money for a fine," she complained, "and if I go to jail I'll be stuck 10 cents an hour by the baby sitter until I get out."

Legal Notice

NOTICE OF INTENTION TO APPLY FOR PASSAGE OF LOCAL OR SPECIAL LEGISLATION
Notice is hereby given that the Board of Supervisors of Seminole County, Florida, will apply to the Legislature of the State of Florida at its regular session for the year 1955 for the passage of local or special legislation in the subject of which is to authorize said Board of Supervisors to amend, repeal, or modify any or all of the ordinances in force in said County, Florida, as follows:

THIS MAP ILLUSTRATES the principal points of the Yalta conference, where Stalin exacted concessions as the price of entering the war against Japan, and gave some which never were carried out. Cities on map are sites of other allied power conferences during World War II. (Central Press)

Simple Operation Proves Life-Saver In Artery Disease

LOS ANGELES (AP)—A method of producing a bloodshot heart muscle with a comparatively easy, simple operation is a lifesaver in many cases of coronary artery disease, a Chicago surgeon reported today.

The operation takes only 30 minutes and in many cases the patient can get out of bed the next day, said Dr. M. S. Mazel, chief surgeon of Chicago's Edgewater Hospital.

Dr. Mazel reported 33 of these operations in an exhibit for the American Academy of General Practice, assembly of the nation's family doctors.

Out of the 33 patients operated on in the last four years, Dr. Mazel said, there have been only two deaths chargeable to surgery. Forty-five of the patients have gone back to work, he added.

Coronary disease is one of the major kinds of heart trouble, causing 100,000 deaths in this country every year.

East German Flees To Western Sector

BERLIN (AP)—An East German official fled to the West today, his flight stemmed from the East's current row over Communist efforts to wean youth away from the church.

Walter Freund, chief of the Office for Church Questions in the Soviet Zone government, asked West Berlin officials for political asylum. Freund was one of the closest associates of Otto Nuschke, Christian Democratic leader and deputy prime minister of the Communist-controlled regime.

Roman Catholic and Protestant bishops have protested to Soviet High Commissioner Georgi M. Puzhkin against the drive to "consecrate" the youth to the party rather than the church.

Harlan Takes Place On Judges' Bench

WASHINGTON (AP)—John Marshall Harlan formally takes his place on the Supreme Court bench today and goes to work at once in helping the court decide the major cases of the 1954-55 term.

The New York judge, chosen by President Eisenhower to succeed the late Justice Robert H. Jackson, thus becomes the second Justice John Marshall Harlan. His grandfather, for whom he was named, served on the Supreme Court from 1877 until his death in 1911.

After the reading of the court's opinions and orders, arguments in new cases were scheduled. These arguments were expected to continue through April 3.

4 Passengers Die As Plane Ditches In Pacific Waters

SEATTLE (AP)—The dry, choked voice of Mrs. Emma Peterson sounded shocked and far away as she told of the crash landing Saturday of the big Pan American World Airways plane in the Pacific Ocean.

"I didn't know it was John," she said in the voice of a person who wants to but can't cry. "I just noticed that someone had been dragged in all covered with oil.

"I lifted his head up and laid it in my lap so it would not lie in the water on the bottom of the life raft.

"He opened his eyes and smiled weakly, then said, 'Oh, is that you, Emma?'"

Then he didn't say any more. He groaned, became silent and died there—his head in my lap."

John Peterson, 60, died. And so did three others in the crash landing of the Hawaii-bound plane on a quiet sea 25 miles off the Oregon Coast. His 75-year-old wife, survived, along with 18 other passengers and crew members.

The pilot of the big four-engine Stratocruiser, Capt. H. S. Joalyn, was forced to ditch the plane when one engine was wrenched from its mounting and fell into the sea. There was no explanation for the engine's tearing loose.

Signal Is Hoisted By Senator Byrd

WASHINGTON (AP)—Sen. Byrd (D-Va.) hoisted a stop signal today to Democrats and Republicans bent on cutting taxes in 1955's election year.

Byrd, who heads the tax-handling Senate Finance Committee, said in an interview he will fight any tax cut—whether it is suggested by Democrats or Republicans—until the budget is balanced.

Moreover, he said he won't go along with the idea expressed recently by President Eisenhower that it might be possible to cut taxes next year if budget balancing is in sight but not actually achieved.

What Americans call "moose" is known in earlier British usage as "elk" and what Americans call "elk" the British call "red deer."

Sources Announce Tanker Has Arrived

HONG KONG (AP)—Maritime sources said today that the Polish tanker Karpyk has arrived at the Chinese Communist port of Whampoa with about 10,000 tons of petroleum, including jet fuel.

The report could not be confirmed officially. It has been known here for some time, however, that at least two Polish tankers are running between the Romanian oil port of Constanta, on the Black Sea, and Whampoa, the port for Canton.

The Finnish tanker Aruba sailed from Constanta early this month with 13,000 tons of jet fuel reportedly destined for Whampoa. She was forced to head back to Romania after the Nationalists threatened to intercept her, and her Finnish crew refused to sail into "dangerous waters."

Eden Discloses Meeting Underway

LONDON (AP)—Foreign Secretary Sir Anthony Eden disclosed today that the United States and France have already begun discussing arrangements for a Big Four meeting with Russia.

Eden told the House of Commons this country is ready and eager to discuss the future of Germany and Austria, disarmament problems and a European security system with the Russians—now that the French Parliament has approved the accords to free and rearm West Germany.

Eden, who was answering a Laborite questioner in the House of Commons, said the British already are consulting their Allies "as in the methods by which we can go ahead" toward arranging Big Four talks.

Baseball Club Contract OK'd

The City Commission last night approved a contract with the Sanford baseball club providing for the payment of city taxes following each game instead of weekly as in the past. The change was requested by J. C. Davis, spokesman for Sanford Enterprises Inc., which will operate the Sanford Cardinals team.

Driver Is Charged With Running Light At Park, 13th St.

Damage totaling \$705 was caused in three traffic accidents yesterday, City Police reported. One driver was charged with running a red light.

Two of the accidents occurred on Park Ave. and the other on 9th St.

The largest amount of damage, \$530 worth, was reported in a two-car accident at 12:28 p. m. at the intersection of Park Ave. and 13th St.

Involved were a 1948 Ford sedan driven by Lewis Ivanhoe Campbell, 60, of 108 Jenkins St., Palmont, N. C., and a 1954 Oldsmobile sedan driven by Rudolph Valentine Stone, 30, mortician, of 905 West 13th St.

Stone was charged with running a red light, causing the accident.

Patrolman Arnold Williams, investigating officer, said Campbell, going south on Park Ave., was waiting for the light to change at the intersection. Stone was going west on 13th. When the light changed, the officer said, Stone ran the light and his car hit Campbell's vehicle.

The other Park Ave. accident took place 50 feet south of the 3rd St. intersection. Involved were a 1951 Plymouth sedan driven by Charlie Singleton, 53, laborer, of 1516 Mangrove Ave., and a 1954 Ford truck driven by Alfred Hugh Cosmin, 27, surveyor, of 700 N. Clara Ave., Deland.

Patrolman Williams said total damage was estimated at \$465. The accident occurred at 3:30 p. m. A 1954 Ford truck and a 1947 Chevrolet sedan were involved in an accident at 12:48 p. m. on 9th St., 52 feet west of the French Ave. intersection. Williams also investigated this accident.

The truck, owned by American Bakeries Co., Orlando, was driven by Melville Daniels, 26, of 1213 Emerald Rd., Orlando, and the car was driven by Sammie Frank Hills, 19, laborer, of Castle Brewer Ct. Damage totaled \$110.

Elks Change Meet To Wednesday Nite

Due to the Fred Ganas appreciation baseball game being played Thursday evening, the Sanford Elks will meet tomorrow night at the regular time instead of Thursday, Bill Livingston, Elks secretary, announced today.

GEN. J. R. MORIARTY, left, is shown with Boyd Coleman at ladies night held by the Methodist Men's Club last night at McKinley Hall. Gen. Moriarty was guest speaker. (Staff Photo)

Strolling In Sanford

George Touhy, executive vice president of the First Federal Savings and Loan Assn. of Seminole County, has been appointed as a member of the public relations committee of the United States Savings and Loan League. The appointment was announced today by J. Howard Edgerton, Los Angeles, Cal., president of the League.

John Meisch, chairman of the County Commission, will speak on the "Advantages or Disadvantages of Taxes and Labor Laws" at the weekly meeting of the Junior Chamber of Commerce Thursday.

Playboy Jelke's Defense Expected To Finish Today

NEW YORK (AP)—Mintof F. (Mick) Jelke's lawyers expect to finish the young oil magnate's defense today against accusations that he induced a girl to be a prostitute.

When the trial recessed yesterday with a banker still on the stand, chief defense attorney George Washington Herz said he needed only one more day to wind up his case. On this basis, the jury may begin deliberating a verdict tomorrow or Thursday.

Banker Charles F. Salkeld was scheduled to be cross-examined today.

He testified yesterday that Jelke, now 35, received about \$15,500 in gifts and loans from members of his family between September 1951 and March 1952.

Orlando Cables Are Reported Cut

ORLANDO (AP)—James M. Brown, district manager of Southern Bell Telephone Co. here, said two main cables were cut with a hack saw early today.

He said the cutting disrupted telephone service in Titusville, Indian River City and Patrick Air Force Base near Cocoa.

Brown said the Miami FBI was looking into the matter "to see if there is any federal violation."

The Communications Workers of America (CWA) are on strike against the company.

Neely's Criticisms Blasted By Allott

SIGNS ADVOCATING the abolishment of the Milk Commission cover this car as Otis Shiver, attorney, meets with Rep. Volle Williams Jr. (Staff Photo)

Senator Defends President

Church Services Come Into Picture

WASHINGTON (AP)—Sen. Allott (R-Colo.) said today President Eisenhower is doing a lot more for the country by regular church attendance than Sen. Neely (D-W. Va.) is doing in criticizing him for it.

Allott blasted back in an interview at Neely's criticisms yesterday of the President's golf, his church attendance and his foreign and domestic programs.

Neely, in a speech to the CIO United Auto Workers convention at Cleveland, said the President never belonged to a church before he became chief executive yet now gets his picture taken nearly every Sunday attending services.

"I object to connecting religion with politics," Neely said. "Any man who tries to parade his religion that way before the public is unbecomingly."

Allott replied: "Any man who is president of the United States and by his example of church attendance calls the attention of the people to the need of devotion is doing a lot more for his country than a man who can find nothing better to criticize."

Presidential Press Secretary James C. Hagerty said he doesn't think "anybody" in the United States believes what Neely said about Eisenhower. He added that he had not told the President about it, but was speaking "for the White House."

Neely said he thinks the country needs a president "who won't spend more than half of his time playing golf and fishing."

Allott said he seemed to remember that Democratic presidents went running up and down the Potomac "and spent some time sitting on the beach in Florida wearing fancy flowered shirts."

One-Year Contract Adopted By City

The City Commission last night approved a one-year contract with the Florida Power and Light Co. to furnish power to the city's lift station.

At a previous meeting, the Commission had voted for a two-year contract, but the company declined to accept a contract for that period of time and specified that it should be for either one year or five years.

In other action, the Commission denied a request by the Red Cross for a \$200 contribution to the current fund campaign. The Commission said no money is available for such a purpose.

The Rev. Chester Plank of Geneva Baptist Church led the prayer at the beginning of the meeting.

Williams To Work On Milk Program

An attorney for the newly-formed Florida Citizens Milk Committee at Daytona Beach and Miami's crusading groceryman, Otis W. Shiver, meet with Rep. Volle Williams today in a bid to get the legislator to promote a law abolishing the Florida milk commission.

The meeting opened at 1 p. m. in Williams' office here. Shiver said Monday he was "ashamed" he had to go outside his own county "to find a legislator who will listen" to his arguments against the milk commission.

Malenkov Absence At Swedish Service Causes Speculation

LONDON (AP)—Rising speculation about the whereabouts of deposed Soviet Premier Georgi Malenkov was heightened today by his absence from a farewell ceremony for a visiting Swedish power delegation.

Rep. Williams has announced that he plans to present a bill to abolish the price-fixing powers of the commission at the retail and distributor levels in accordance with recommendations made by investigators appointed by Gov. Lawton Collins.

Shiver and attorney Robert Wilson planned to ask Williams to try to eliminate the commission altogether. Wilson said the Daytona Beach committee is joining forces with Shiver and his backers and hopes to foster the establishment of similar groups in other counties to aid in the fight.

Wilson also represents Tom Varner, Port Orange grocer who faces a 60-day suspension of his license to sell milk beginning April 1.

The suspension was ordered by the commission after Varner admitted he sold milk for 2 and 3 cents under the floor price for the Daytona Beach area. Varner said he will appeal the suspension to Circuit Court.

Roads Committee To Meet Tomorrow

Plans for obtaining right-of-way for the four-laning of U. S. Highway 17-92 will be made at a meeting of the Chamber of Commerce's long-range roads planning committee Wednesday night at Elmer's Restaurant.

The meeting will begin at 7 o'clock. District Engineer Richey Green of the State Highway Department will exhibit a map of the proposed highway.

Bralley Odham is chairman of the committee.

Peterson To Attend Supreme Court Bar Meeting In April

A. B. Peterson has been notified to appear at a meeting of the Supreme Court of the United States on April 4 to take appropriate action in memory of the late Justice Roberts.

Time announcement was made in the Chamber of Commerce's news bulletin, Sem-O-Grains.

Peterson and the late Justice were classmates and began their practice of law at the same time in the Chamber of Commerce's news bulletin, Sem-O-Grains.

Peterson recently received a citation dated Jan. 18 from the Jamestown area Community Chest in recognition of "outstanding achievement in serving the human needs of our community." The occasion for the award was the 25th anniversary of the Jamestown Community Chest of which Peterson was an organizer and charter member.

Commission Gets Property Request

A request that the city give 210 feet of property to Seminole County Post 3222, VFW, was presented in the City Commission last night.

The request was made by a delegation headed by Melvin Smith, post commander.

The property fronts on U. S. Highway 17-92, two miles south of Sanford. Smith said the post would have a building completed within three years.

The request was tabled pending inspection of the property by City Manager Warren Knowles.

About 20 Million View County Film

Word has been received that films on Sanford and Seminole County have thus far been shown to television audiences numbering around 20 million persons, the Chamber of Commerce reported today.

A showing before the New York Historical Society is scheduled next month. National Airlines is presently showing a film in the New York area.

There is no doubt, the Chamber said, that the films are creating considerable interest in Seminole County. Inquiries about retirement homes thus far this year are triple the number received during the same period in 1954.

Fred Ganas Appreciation Baseball Game To Be Played Here Thursday Evening At 7:30 O'Clock In Memorial Stadium
