Crosswalk
Urgent Need In
Lake Mary

By FRANCES WESTER
Urgent need for a designated crosswalk for children in the Lake Mary business block has been brought before the Lake Mary Chamber of Commerce by two representatives of the Semi-

nole County School Bus Drivers

Appearing before the C of C's October meeting were Mrs. Harvey Broadway and Mrs. Thomas Costello, school bus drivers in the area, who explained hazardous conditions of the intersection, especially when large delivery vans are parked at the side and in front of the grocery store. A specifically marked crosswalk, they said, would prevent this congested parking and alert normal traffic to the presence of students in the area. The matter was taken under advisement by the board of directors for study and recommendation.

In other business coming before the organization, it was vot-

advisement by the board of directors for study and recommendation.

In other business coming before the organization, it was voted to donate \$50 to the Lake Mary Volunteer Fire Department towards completion of the addition to the fire hall.

Arts And Crafts
Club Donates
To Library

By MRS. JOHN LEONE
A \$25 donation to the building fund for the new DeBary Public Library was voted by the DeBary Arts and Crafts Club at the October meeting in the DeBary Mansion.

Resignation of Clinton Sommer as historian and membership chairman, due to ill health, was accepted and Mrs. Viola Howard was named to fill the office. Mrs. Silda Balkwill was named corresponding secretary.

ship chairman, due to ill health, was accepted and Mrs. Viola Howard was named to fill the office. Mrs. Silda Balkwill was named corresponding secretary.

Delegates to the annual convention of Florida Federation of Art. Inc., in November, in Miami, named by President John Young, are Mrs. Howard and Mrs. Hinton. Due to the convention, the DeBary club's November meeting will be changed from first Thursday to second

Thursday.

The chairman of exhibitions,
Albert Mercer, and Arch MacNaughton, will work together to
place pictures of club members
in various locations in and around the DeBary area.

A refreshment and social period concluded the meeting.

IT'S HAPPENED before and will probably happen again, but it's always news when a shapely young lady like Donna Rossi, 19, of St. Louis, receives a letter from the local draft board. The letter, addressed to Donnie Rossi, directed Donna to report for a pre-induction physical. She doesn't plan to obey the order.

Introducing two of the most radical changes in Volkswagen history. Can you spot them?

Did you notice that the headlights are vertical Now that the VW is getting to be such a hot car, now instead of leaning back a bit? That doesn't we put in a couple of things to slow it down. Dual make the car look any better. But it makes the road brakes. look better by making the lights a little brighter. And that little hump in the back? We did that to

read it better. (Sorry.) What you won't notice without driving the new

model are the big improvements. The engine has been enlarged to a ferocious 53 horsepower. That only adds 3 m.p.h. to the top speed. Because we put most of the additional power where it would make the engine accelerate faster, turn slower and last even longer.

the front wheel brakes, you could still stop the back hold the license plate up straight so the police can of the car. (Which automatically stops the front of the car too.) The new VW also has seat belts, backup lights

and recessed door handles as standard equipment. In fact, this year we made so many changes on the VW that we thought we'd better make one more. We wrote "Volkswagen" on the back of the car to be sure everybody would know what it was.

The front wheel brakes are completely indepen-

dent of the rear wheel brakes. So if you ever lost
