Banford Naval Air Station, where facilities of yesterday are support-ing the aircraft of tomorrow, stands to undergo a tremendous face-lift-ing in the next year or two. A sev-es million dollar construction pro-gram will get under way soon.

We pledge our continued loyalty, support and cooperation to the Na-val Air Station as it enters a new era of growth. On this Navy Day, 1965, we urge all citizens to do likewise.

Thought For Today You were bought with a price. So glorify God in your body .-- I Cor. 6:20.
