The Sanford Herald

AN INDEPENDENT DAILY NEWSPAPER

SANFORD, FLORIDA, FRIDAY, JUNE 9, 1950

Associated Press Leased Wire

No. 210

THE WEATHER

Warm and partly cloudy through Saturday, with only a few light showers at scattered places. Moderate easterly winds, except fresh in extreme south.

Navy Bomber Down At Sea With 3 Fliers

Massive Aerial And Surface Search Is Quickly Launched Off Atlantic Coast

NORFOLK, Va., June 9—(AP)—A Navy Grumman torpedo bomber with a crew of three is down in the Atlantic about 70 miles east of Cape Henry and a massive aerial and surface search is under way. The TBM was on anti-submarine training maneuvers with three other craft from the Norfolk Naval Air Station's composite squadron 24. At 12:25 A. M. the other planes radioed a submarine operating in the area that one had gone down. There was no fire. The sub, the USS Tigrone, forwarded the SOS to the air station.

Six ships, including five submarines and a submarine rescue vessel and 75 planes are conducting the search. The first planes were ordered to the rescue task at 1 A. M. and others have been roving out to sea, 60 of them from the Oceana Naval Auxiliary Air Station alone, ever since the news was flashed ashore.

The three bombers which had been operating with the lost craft remained in the area as long as their fuel supplies held out to direct searchers.

The Norfolk-based cutter USS Albatross (AG-16) and three planes from the Elizabeth City, S. C. Coast Guard Air Station. In addition to the cutter, a number of small navy surface craft are assisting in the widespread search.

The merchant ship SS Ames Victory, near the scene of the disappearance, steamed to the area.

Governor Assigns Top Investigator To Probe Slaying

TALLAHASSEE, June 9—(AP)—Governor Warren has assigned his special investigator, J. J. Elliott, to look into the slaying of gambling boss Jimmy Lums.

Frank Wright, the governor's assistant, said Elliott has been asked to look into the case. A year ago, after Jimmy Velasco had been slain in a similar fashion, he sent a warning to Hillsborough County Sheriff Hugh Clark and the county's two major prosecuting officers that he would use his powers to suspend them if there were any more such attacks.

Governor Warren held tightly today to the policy of "no comment" on all matters pertaining to recent agitation over gambling and crime in the state.

He declined to make any statement about:

1. A Tampa Junior Chamber of Commerce resolution demanding city and county law enforcement officials carry out their duties by effectively eliminating the legal and organized gambling. A copy had been sent to the governor.

2. A resolution of the Florida conference of Day Camps and Lodges demanding that the state eliminate both legal and illegal gambling.

3. A new Tampa movement to outlaw legal gambling in Hillsborough County by local referendum. In his most recent discussion of Florida law enforcement, Governor Warren told a statewide radio audience a month ago there was less gambling in the state than at any time in many years.

Firemen Extinguish Stubborn Grass Fire

Firemen spent considerable time yesterday battling the stubborn grass fire during the afternoon and evening in protecting property from a grass fire which increased in size between the Orlando Highway and Palmist to Avenue south of Twenty-fifth Street, P. O. Box 17, Cleveland reported last evening.

The only property damage reported was that of a white fence near the William F. Smith garage. The fire came close to the trailer park on the highway.

SENATE PROPOSES

WASHINGTON, June 9—(AP)—Senator Cain (D-Wash.), bitter foe of red control, blasted today an attempt to set a date for a vote on a bill to amend the constitution to allow a Senate vote on a bill extending control beyond 1950.

Quizzed By Reds

CAPTAIN of the freighter California Bear, William Murray is being "detained" in Tientsin by Chinese Reds. The Communists charge that Murray's "negligence" caused the Bear to ram a Chinese steamer on the night of April 20, in a fog off China. News of the "detention" came when the Bear, manned by junior officers, docked in San Francisco. (International Soundphoto)

Amerasia Issue Is Blasted By Ex-OSS Officer

O. C. Doering Charges State Department As Source Of Leaks

WASHINGTON, June 9—(AP)—Senator Knowland (R-Calif.) demanded today that Senate investigators looking into the 1945 Amerasia case subpoena the diary of the late defense secretary James Forrestal.

NEW YORK, June 9—(AP)—A former executive officer of the wartime Office of Strategic Services Department "leak" spewed top secret documents into the offices of vice-chancellor today that a State Amerasia magazine.

O. C. Doering, I. now a partner in a New York City law firm issued a statement which he said was an answer to criticism of OSS by an assistant attorney regarding the Amerasia case.

"The discovery that Amerasia had obtained secret government papers was made through the assistance of a member of the OSS staff," Doering said.

He said the staff member, who was not named, read an article in the magazine which "set forth the contents of a secret government document" he had prepared.

The OSS raid on the defunct publication's office followed, Doering said, and five copies of the published secret document were recovered.

Saying that there was no indication that anyone with OSS was involved.

REZONING
A hearing will be held at the City Hall Monday evening at 8:00 o'clock to consider the rezoning of property on the north side of Twenty-fifth Street, across from the Pig's Whistle barbecue stand.

Florida Today Has 911 Fewer Miles Of R. R. Track Than In '28

TALLAHASSEE, June 9—(AP)—Florida today has 911 fewer miles of railway track than it had at the peak of its railroad development in 1928.

Motor vehicle competition, changes in industrial factors and failure of some areas to fulfill boomtime expectations are blamed for the decrease.

The State Railroad Assessment Board, which sets the taxable value annually for all railroad and telegraph properties in Florida, reported today there is only 4,880 miles of track compared with 5,891 miles 23 years ago.

Part of the 10 percent drop in track mileage came when rubber-tired buses replaced 100 miles of street car lines, mainly in Jacksonville and Tampa. The Seaboard Airline Railroad way abandoned 600 miles of track, mostly in short pieces and small lines it took over from independent companies on lines and later ceased operating.

The Atlantic Coast Line Railroad dropped only 18 miles of track.

The biggest loss came when the famous 190-mile Panama Tallahassee line was abandoned after part of it was wrecked in the 1935 hurricane. The old route later was cut back into the present overgrown highway.

The FPC also wiped out a big piece of track mileage when it abandoned the line that ran from Sanford to Lake Wales.

RFC Examiner On Carpet For \$400,000 Loan

Examiner Approved Amount That Went To Now Defunct Florida Company

WASHINGTON, June 9—(AP)—A Reconstruction Finance Corporation (RFC) examiner who approved a \$400,000 loan to a Florida company that went bankrupt estimated today one of the company's directors is worth at least \$500,000.

This prompted Senator Fulbright (D-Ark) to ask why his director, Wiley L. Moore, Sr., had not financed the company himself if he had faith in the typewriter gadget it planned to produce.

Fulbright, chairman of a Senate Banking Subcommittee, said Moore apparently could afford to take the risk "a lot better than some of us taxpayers."

The examiner, Charles B. Lewis, acknowledged that Moore, whom he identified as a friend of his for 40 years, had a part in convincing him of the worth of the gadget.

Fulbright said it seemed to admit to this; that Moore persuaded you that this was a good deal.

Lewis said no, that he had "just put all the facts together" and reached his own conclusions. "You don't think your friend ship for Mr. Moore influenced you?" asked the Senator.

"No, sir," Lewis replied. "I know it didn't. But I had more confidence in it after talking to Mr. Moore. I'll say that."

Fulbright, noting that various RFC advisory committees and the manager of the lending agency's Jacksonville office had recommended against the loan, told Lewis:

"The fact is that nobody was for this loan but you, and the board of RFC directors" relied on your advice."

A \$400,000 loan to the Ribbon Corporation of America at Dania, Fla., was approved by the directors but only \$300,000 was actually advanced to the company.

The first payment was made May 16, 1949, and on July 25, 1949, the company went into bankruptcy.

An RFC memorandum placed in the record yesterday by Fulbright cited reports that Sheriff Walter B. Clark of Broward County, one of the company's vice presidents, was "a very close personal friend of the President."

Fulbright said the memorandum, dated Aug. 26, 1949, was written by Fred H. Parson, manager of the RFC at Jacksonville, and was sent to RFC General Counsel James L. Dougherty.

It commented that Clark was generally understood to be "in the money," and added: "It has been said also that he is a very close personal friend of the President."

ANIMAL FOR ZOO
B. C. and D. T. Angle, who recently moved to Sanford from Jupiter, Va., have donated to the Sanford Zoo an alligator measuring six feet, eight inches in length. The gator was captured in the vicinity of the Municipal Air Port.

Telephone Cable For DeBary

Workers of the Southern Bell Telephone and Telegraph Co. are shown laying telephone cable from DeBary and Plantation Estates. Following the completion of the connection with the local telephone exchange, the appliance attached to the tractor at left cuts knife-like a three-foot trench into which the cable from the big spool at right is fed through a pipe on the approach to DeBary.

No Mad Scramble For Freedom As County Schools Shut For Summer

By WILLARD CONNOLLY
The school term ended at noon yesterday in Seminole County, and contrary to the general idea as expressed by many citizens, there was no general mad rush for freedom and the breaking outdoors. In fact, some of the younger children were so reluctant to leave teachers that they cried about it.

At the Sanford Grammar School where 115 pupils passed to the Junior High School exceptional order and dignity was shown, said B. C. Steele, principal, and many had perfect attendance records.

At the school auditorium, closed motion pictures were shown by Mrs. Frank Shumers depicting the May Day celebration at the school and movies of the local Armistice Day parade were also shown.

School records showed that more than 50 had achieved grade of 90 or better, and of the 250 pupils in the school, 100 had perfect attendance records.

Senate Group Asks Final Rites Will Be Held For Mr. Tison Trading In Coffee

WASHINGTON, June 9—(AP)—A Senate Committee today asked a Justice Department crackdown on speculative trading in coffee.

The request was made by the Agriculture Subcommittee, headed by Senator Gillette (D-Iowa), which has been investigating the sharp rise in coffee prices in recent months.

The group recommended that the attorney general and his assistants investigate and take these actions:

1. Seek "injunctive relief" against futures contracts now used for speculative trading in coffee on the New York coffee and sugar exchange unless these contracts are promptly revised.

2. Bring a "civil suit under the anti-trust laws" unless coffee stocks held in this country by Columbia and other foreign coffee interests are immediately disposed of in channels of trade.

3. "That the attorney general of the United States investigate the details of the purchase of coffee by Mr. George W. Robinson, Maxwell House Division, General Foods Corporation, from the National Coffee Department of Brazil in the year 1948 to determine if any federal laws have been violated."

4. That the Justice Department have a representative present at all future meetings of the special commission on coffee of the Inter-American economic and social council, or any similar groups that meet here or in which the United States participates.

AMBASSADOR URGE
WASHINGTON, June 9—(AP)—Six American ambassadors joined today in urging Congress to provide a second year of arms aid to American allies in the cold war.

"For the United States in later years might be a fatal blow in the west," said Lewis Douglas, Ambassador to Britain.

Douglas was backed up in his plea for prompt approval of the administration's \$1,322,500,000 military aid bill by Ambassador Henry F. Grady, assistant Secretary of State, and other officials.

Wadsworth, Turkey; John C. Wiley, Iran; John J. Moore, Korea; and Myron M. Cowen, the Philippines.

Senator Releases New Broadside At Secretary Of State

Safety Council Is Created By Local Citizens

Seminole County Has 2nd Highest Accident Rate In State

Recognizing that highway and city traffic safety is an important problem of the moment that traffic fatalities are increasing and that the public interest is becoming aroused over the present situation, a group of law enforcement officers and citizens of Sanford met last night to create an organization to be known as the Seminole County Safety Council.

These meetings to formulate the plan for such an organization were held at the home of Judge Douglas Stenstrom, Judge J. G. Sharon, Representative M. R. South, City Manager Clifford McKibbin, J. J. Moughton, J. J. Flood, Highway Patrolman Bob Harrison, Florida Highway Patrolman C. E. Bullock, Sanford Police Chief Roy Williams, Deputy Sheriff Ramsey and Marion Harsh.

Gold Indicated By Brooklyn Jury For Spying Against US

WASHINGTON, June 9—(AP)—Brooklyn grand jury today indicted Harry Gold, Philadelphia chemist, and two unidentified persons on charges of spying against the United States.

The indictment was announced here by the Justice Department.

In addition to Gold, the indictment named "John Doe," "Jane Doe" and "Robert Doe," all of whom are described as "agents" of the Soviet Union.

Gold was arrested at Philadelphia last May 21.

The espionage information filed against him at the time of his arrest mentioned also a "John Doe" described as an agent for the Russian government.

This "John Doe" was alleged to have been a spy for the Soviet Union.

City Removes Muck Making Small Lake

Removal by City workers of muck from a bed on the south end of Washington Court near the intersection of Geneva and Mellonville Avenues has formed a small lake which will improve the insect picture in that part of the city, City Manager Clifford McKibbin pointed out this morning.

The muck was removed by means of the city dragline and trucks, and a portion was hauled to FL Mellon Park and other city parks and to a stock pile for future use.

Previously, he declared, a virtual jungle had grown up on the site, harboring mosquitoes and other insects. Now the jungle is gone and a lake is there instead, with a large enough surface on which breezes will discourage mosquito breeding.

WINS MEDAL
Robert James Lawton, son of Supt. T. W. Lawton, graduated on May 30 from Florida Southern College in Lakeland. Specializing in study on the pipe organ, he won the highest possible musical award, the William Gaylor medal.

Ed Levy Night To Be Celebrated Tonight

Giant Pilot Smashes Two More Homers To Break Record; Sanford Wins 7-2

SANFORD (Special)— Tonight will be Ed Levy night here as the Sanford Giants face Palatka's Azaleas with Clyde Stevens taking the mound for the locals. Stevens has a 3-2 record.

Levy, popular local manager set a new Florida State League record for home runs at Palatka last night as the Giants won a 7-2 game. The big skipper collected his 19th and 20th four-fasters to break Lou Bevil's old F.L. record of 18 for a season.

The Giants first-tacker also had two singles for a perfect night at the plate. All told the Giants collected 14 hits off Joe McManus while Charley Tedesco was fashioning an effective five hitter.

HOLDS WIN

ORLANDO, June 9.—(AP)—Dan Porter and Bruce Barnes came through again for the second straight night to present Ed Brooklyn and the Senators with a handsomely deserved 5-3 decision over the pesky Gainesville G-Men at Tinker Field last night. With the score knotted at three all in the bottom half of the eighth inning, Porter, for the second night in succession, walked a long triple to centerfield winning single. It was the second and Barnes followed with a game winning single. It was the second hit of the game for both Orlandoans, and Cal Emmer followed up Barnes' blow with another run-scoring single to provide Brooklyn with insurance for his victory.

PACKERS LOSE

LREBURG, June 9.—(AP)—The Leeburg Packers dropped an 8 to 2 decision to the Daytona Beach Islanders here last night mostly due to the six errors made in the first three innings. Daytona scored eight runs off five hits including home runs by Travis in the first inning and Krupp in the second inning, mixed in with the six errors.

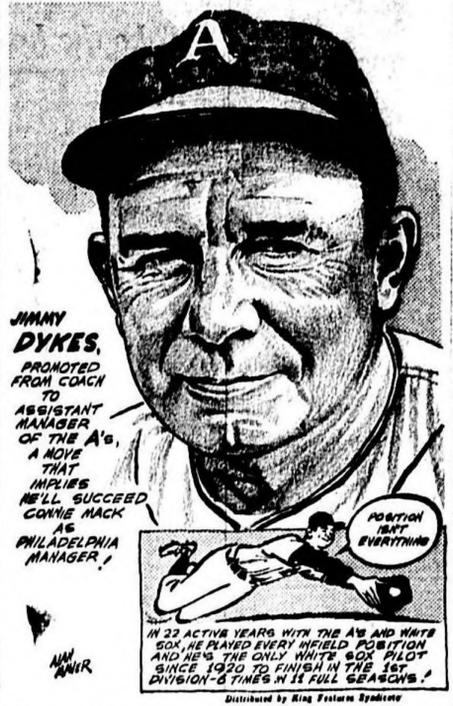

BATH BEAT A's

ST. AUGUSTINE, June 9.—(AP)—The Daytona Beach Hitz pounded last night behind a five-hit hurling St. Augustine for a 9 to 3 decision. Ed Beck, the Hitz pushed seven runs home in the first three innings off starter Chuck Hanz, in the ninth with two away. Don Jen blasted a homer over the right-field wall with a mate on base to seal a fine relief job by Chester Fleck. Doubles by Allen and McLeod and Dickerman's single gave Daytona three runs in the opening frame. Single by Allen and McLeod, a St. Augustine error and two bases on balls by Fleck with Jen's leadoff produced four more tallies in the third.

Kentucky Is Dropped By Wake Forest 9

ANNAPOLIS, Md., June 9.—(AP)—Chas over the regular season. The Wake Forest team, which had a record of 10-1, was defeated by the Kentucky team, which had a record of 10-1, in a game that was played at Annapolis, Md. The game was played on June 9, 1950, and the final score was 9-0 in favor of Wake Forest.

MACK'S MANAGER-TO-BE? - - By Maver

JIMMY DYKES, PROMOTED FROM COACH TO ASSISTANT MANAGER OF THE A's, A MOVE THAT IMPLIES HE'LL SUCCEED CONNIE MACK AS PHILADELPHIA MANAGER!

IN 22 ACTIVE YEARS WITH THE A'S AND WITH 50X, HE PLAYED EVERY FIELD POSITION AND HE'S THE ONLY WHITE BOX PILOT SINCE 1920 TO FINISH IN THE 1ST DIVISION 6 TIMES IN 14 FULL SEASONS!

Two More Giants Interviewed By Sanford High School Girl

Well, it certainly seems as if the Giants have caught fire. They have won seven of their last eight games and have displayed themselves as a hustlin' ball club.

With just a little over a third of the season gone, Manager Ed Levy has already tied the Florida State League record for the most home runs hit in one season and has broken the record of home runs hit in a single game, making it three.

To continue the interviews this week, we will begin with Fred Chadderton who is 10 years old and hails from Brooklyn, N. Y. Fred is 5 ft. 11 in. and weighs 165 lbs. He was signed with the Giants out at the Air Base. Fred has played both third base and shortstop, and has proved himself to be a fleet ball player, leading the team with stolen bases. He says that Sanford is one of the cleanest towns he has ever seen.

He also says that his team mates are a bunch of nice fellows and that there couldn't be a better manager than Ed Levy. His ambition is to get to play in the Polo Grounds. Fred has no particular hobby, but he likes basketball a lot. Fred was in the Marines a year; this is his first year in professional baseball, and he finds a ball hit right at him is his most difficult play. We are glad to have Fred with us and hope that some day he will see his ambition come true.

Next we have Carl Thies, a right-handed pitcher from Quincy, Iowa. Carl is 18 years old, weighs 200 pounds and stands 6 ft. 2 in. tall. He was signed at Sioux City, Iowa. He says that Sanford is a pretty little town. His opinion of the Sanford fans is that they support pretty good, but at times they can be very critical. He also says that his team mates are about the finest there is, and Ed Levy, as a manager, is one of the best.

Carl chose baseball as a career because it is a good profession and because he likes to play baseball. It is also interesting to know that Carl's first ambition is to be a major league player, while his second choice is to be a doctor. His plans are to go home and work on the farm after this season is over. Carl's hobby is hunting and he likes basketball, baseball and track. Carl thinks the Giants organization is one of the best and biggest, and that they have a fine farm system.

This is his first year in professional baseball and his most difficult play is to pick a man off first base. Carl's record is 7 wins and 3 losses. Palatka has been while his toughest opposition that he has faced so far, but he hasn't pitched against all the teams yet.

Hill Prince Looks Like Plug To Beat In Belmont Stakes

NEW YORK, June 9.—(AP)—The names of nine horses were expected to be dropped into the entry box today for the \$75,000 Belmont Stakes, where all the winner gets a money, a shiny cup but no flowers.

The mile and one-half race, final jewel in the triple crown for three-year-olds, comes up for its 82nd running tomorrow at Belmont Park at 4:47 P.M.

Hill Prince is the horse they've got to beat this time, and if Chris Cheney's Virginia Flyer rambles home in front he'll just about wrap up the 1950 sophomore championship.

Others expected to tackle the tough grind—once around Belmont's 12-furlong main track—were King Ranch's Middleground, winner of the Kentucky Derby; O. V. (Sonny) Whitney's Mr. Trouble; Brandline Stable's Greek Song; Hal Price Headley's Lotwhite; Clifford Moores' Hawley; George D. Wisener's Lights Up; and the Brookmeade Stable entry of Greek Ship and Singslow.

But the Belmont is not another big race on Long Island's majestic horse plant. The hand hides away in the trees back of the grandstand, where the 45,000 customers expected can't hear the notes unless they leave their seats.

Handy play, and the winner of the Derby gets a blanket of roses. The musician whoop it up at the trackhouse, and the horse that hits the winner's circle has a garland of black-eyed susans draped around his neck.

But the Belmont is just another big race on Long Island's majestic horse plant. The hand hides away in the trees back of the grandstand, where the 45,000 customers expected can't hear the notes unless they leave their seats.

Eddie Aracero, who has ridden four Belmont winners, will be out for a fifth aboard Hill Prince, Virginia's pride and joy won the Prekness after bowing to Middleground in the Derby. The Derby was a mile and one-quarter with the Prekness a mile and three-sixteenths.

Light 'U' winner over Mr. Trouble and Mrs. Andy Scuttlinger's Ferd in the Peter Pan last week, will be ridden again by George Hettlinger.

"We still have to beat a good horse (Hill Prince) but we're going to take a crack at him," said the Widener trainer, Bert Mulholland.

Buddy Raines, the Brandwing trainer, has high hopes for Greek Song, beaten a nose by Ferd in the Jersey Stakes.

"I think I have as good a stayer as any of them for this long distance," said Raines, reminding listeners that this is the first time any of the three-year-olds have tackled a mile and one-half.

"But, if Hill Prince is right, I don't think anyone is going to beat him."

Trainer Andy Scuttlinger said he had decided to save Ferd for the Shevlin Stakes at Aqueduct June 17.

MORE ROOM

GAINESVILLE — When Florida's Gators launch their 1950 football campaign against Citadel, there will be 15,000 new seats at Florida Field Stadium. The capacity will be 29,455.

GOOD RECORD

GAINESVILLE — During the 1949-50 college year in seven intercollegiate sports (football, basketball, baseball, track, tennis, golf and swimming) the Florida Gators won 76 games out of 100 and tied one for a year's percentage of .667.

FINALLY MISSED

WASHINGTON (AP)— President Clark Griffith of the Washington Senators attended a 1947 Olympic games played by the club. Griffith, who is now president of Griffith Stadium, before a severe cold kept him away from a night game early this season. The Nats' 1947 season record was 84 of the 154 games played, 54 of which Griffith staged home, in essentially.

Dr. H. W. Rucker, local dentist, is shown with the nine pound tarpon which he caught in Lake Monroe last Saturday using a fly rod and artificial fly.

Nine Pound Baby Tarpon Is Caught In Sanford Lake

By catching a nine pound baby tarpon in Lake Monroe Saturday evening, Dr. H. W. Rucker, local dentist and Kiwanian, gave the growing fraternity of fly rod enthusiasts something to crow about, as there has been much debate among Sanford sportsmen as to the relative merit of plugs and flies.

Having finished work with his dental patients Saturday, Dr. Rucker decided to enjoy some fishing, so took his fly rod and went to the north shore of Lake Monroe, wading in the shallow water and casting.

After about 15 minutes of fishing he sighted a glimmer of silver in the water and expertly dropped the fly bait near it. The tarpon took the bait and 18 minutes of high tension excitement followed as he pitched his skill against the fish, which during the struggle leaped eight times out of the water. When he finally landed it, he let out a cry of triumph.

This is the first report of a tarpon being caught this year in Lake Monroe, 200 miles from salt water. An employee of the Florida Power Corporation at Enterprise is reported to have caught a baby tarpon last season when the water was low and brackish. Jack Russell, who owns Green Springs, has tried to land several, but only snagged them.

When Dr. Rucker got back to Sanford, he looked up Clarence Welsh, who has been with him on many fishing trips to the Florida Keys, and the latter snapped a picture to prove his story.

On the wall in the recreation room of his dental office Dr. Rucker has mounted a snook which he once caught in the vicinity of the Ten Thousand Islands off the south Florida coast.

A. B. Chandler Has Sizzling Potato Dropped In Hands

NEW YORK, June 9.—(AP)—Baseball Commissioner A. B. Chandler has another hot potato on his hands—Sunday night baseball in St. Louis.

The issue is a proposed Sunday night game between St. Louis and Brooklyn at St. Louis, July 16. It's being tossed around by Chandler, President Fred Saigh of the St. Louis Cardinals and Ross Branch Rickey of the Brooklyn Dodgers.

Saigh is all for it. Chandler is against it. For the present, Rickey is making no comment, but he seems to be in Chandler's corner.

Saigh's announcement of the first Sunday night game in the majors came last Saturday. Since a day Cardinals-Dodgers game was on the July 16 schedule it was planned to stage a day-night doubleheader with two ad missions.

Saigh pointed out that "the movies, municipal summer opera legitimate theater, basketball and hockey operate on Sunday night and I see no reason why we should not play baseball then, too."

CABBIES PICK BEST DRIVERS
LONDON (AP) — London cabbies think the best drivers — outside of cabbies — are ambulance men and police. They think that

among the worst are women and drivers of postoffice and laundry trucks. That is how they voted in a poll taken by their magazine, the Green Badge Journal.

FIRST TIME
GAINESVILLE — When Florida's Gators meet the Duke's of Durham in football here on September 30th, it will be the first athletic meeting of the two teams.

WHATTA RECORD
GAINESVILLE — As a college player, assistant coach and head coach, Florida's head coach, Holt Woodruff has been associated with football teams which won 89 games, lost 19 and tied five.

ARTHRITIS
by H. K. Ring, D. C.
Arthritis is the name given to an inflammation of a joint. It may manifest itself in a number of different ways but fundamentally is concerned with inflammation of tissues of a joint. Joints capable of the greatest movement are more often involved.
Much of the pain and potential danger of this rather common condition may be eliminated under Chiropractic care. From the chiropractor's viewpoint this condition is caused by an interference with the nerve impulse from the brain to the tissues of the joint. This nerve impulse travels from the brain via the spinal chord and from there to the tissues by nerves exiting from the chord.
The chiropractor attempts to locate and relieve this interference in the spinal column and thereby allow the tonate force of the body to repair this abnormal condition.
Dr. Ring's Chiropractic and Spinal X-ray offices are located in Sun. At. Nat. Bk. Bldg.

Astrologers In Burma Left With Final Judgement

RANGOON, June 9 (AP)—Burma's movement to independence, a 75-foot obelisk in the heart of the city, must wait six months more for unveiling for formal dedication ceremonies because the stars say so.
