Florida delegates to the American Legion Auxiliary's National Convention, being held Sunday through Thursday in Washington, D. C., are especially thrilled this year at seeing a national president elected from their ranks for the first time.

Mrs. A. J. (Genevieve) Ryan

Other faculty members returning are Mrs. E. Bellhorn, Mrs. J. S. Best, S. R. Sidlik, J. L. Battle, E. L. Bellhorn, principal, and Rev. Stephen M. Tuhy.

The faculty recently visited the Audio Visual Materials Center in Sanford.

Construction of five new classranks for the first time.

Went For Swim, Hero Describes **Being Shot Down** MINNEAPOLIS, Minn, (AP

"Went for unscheduled swim. All A-OK. Your son, Rick." That was how Lt. (j.g.) Rob ert F. (Rick) Adams wired his parents, Mr. and Mrs. Allan W. Adams of suburban Edina, that he'd been shot down over North Viet Nam the first time. When he plunged into the Gulf of Tonkin last Oct. 5, Adams, 25 became the first pilot to survive a direct hit to his plane by a Soviet-built surface-to-air mis-

The second time he was shot down, the Navy pilot was flying fighter support for a mission during raids on oil storage depots in the Hanoi-Haiphong area on July 12. A helicopter rescued

"I'm famous for being the nost shot-down pilot in the war," said Adams, his face smeared with his mother's lipstick after he arrived in Minneapolis Tuesday.

"All the wrong kind of firsts." Apparently the Navy did not agree. The pilot was awarded the Purple Heart for wounds suffered in the first bail-out, and later received the Distinguished Flying Cross.

When hit the second time, by ground fire, Adams said, "I was burning pretty good." His F8 Crusader was "a big ball o flames. I had lost control of i but was headed in the right di

Adams bailed out just before the plane crashed. He landed in a tree on a mountainside. But he "dropped everything and started running" up the mountain to get away from a village. A U.S. aircraft picked up the signals from his survival radio and Adams was rescued by a After visiting his parents,

Adams will be stationed at the Pensacola, Fla., Naval Base where he will tell young recruits what to expect in Viet Nam. Following two tours in Viet Nam - for eight and four months - Adams said he found

ECKERD DRUGS

WEKIVA RIVER is a popular spot these days as more and more people discover its beauty and potential for fun and relaxation, especially with the opening of a marina at the "bridge to nowhere."

YOUNGSTERS now enjoy diving and swimming at the bridge, originally built to open the wilderness beyond for inter-county development, which

FROM THE BRIDGE it is a pleasant trip to the river's source, the clear cold waters of Wekiwa Springs or a side trip up Rock Springs Run, tributary to the Wekiwa and a boundary of the proposed state park.

OR YOU CAN GO north along the Wekiva as its widens on its way to the St. Johns River, as shown in this scene taken from the SR 46 bridge. (It is spelled Wekiwa to Sanlando Springs and Wekiva from there on.)

THIS IS THE view looking north from the SR 46 bridge, showing unspoiled quiet beauty struction of St. Peter's Church of the river. (Herald Photos) in Rome.

"PETEY" TYSON

Youth's Hopes Undimmed By Loss Of Leg In Mishap

Several weeks ago I wrote a story for The Herald on a group of boys who had formed their own band. Caption of that story was "Sounds of Nite Rock Chuluota."

Last weekend, a member of that band, Peter Tyson, again "rocked" Chuluota in a much different Petey, as he is called throughout our community

vas riding a motor scooter and was involved in a trafic accident which caused him to lose a leg. He is only 14 years old but this hasn't dimmed his outlook for the future. Being his own cheerful self, he says he will return to fulfill his weekly duties

as he is being transferred to the Navy hospital in Jacksonville this week for further treatment and be-

Petey lives with his father, Millard Tyson, and his brother, David, or Third Street in Chuluota.

TWO STORES IN SANFORD

Who can think with all that racket going on in the world?

ington, news analyst James Marlow can select any one that he cares to write about: Just as long as it's the one story that you will care most about to-

Marlow has been doing precisely that five times a week for twenty-one years in his column, "The World Today." It's a prodigious and prolific feat that should

get easier, but never does. Even after two decades of lyzing, writing, re-writing and revising: And because of Marlow's passion for getting it right

he's been known to dig through a dozen books to check a single fact. Recently, for a special series on Churchill, he went through 45 separate books and wrote thousands of words of notes before writing

The end result, however, is worth the endless effort. AP's busy and boisterous bank of Teletypes in Wash doing, it still requires hours of pacing, thinking, ana- James Marlow's "The World Today" is one of the most respected columns of the many coming out of Washington — and one of the most widely read coming out of anywhere. Today, millions of newspaper readers depend on Marlow's thoughtful, understandable explanation of what the world's turbulence and roubles are really about.

You will find his column in
