He's always there on that busy corner-like thousands of other paper boys across the land. And he doesn't get discouraged though you ignore him day after day. Give him so much as a glance and you'll hear his hopeful, "PAPER . . . MISTER?" What makes him so ready and eager to serve? It's the certainty that he has something everybody needs.

**** On many corners there are churches. And they never cease urging you to ome ... always ready ... eager to serve! Here again is the certainty of something EVERYBODY needs! What they have has come to be called the Gospel . . . an ancient word that means "Good News." A few Sundays in church and you'll understand why!
