To live gloriously and to profit greatly

COME, let your senses revel in the enchanting beauty of Whitfield Estates. Amid nature's lavish colorings, with the most beautiful bay in the world stretching out at your feet, learn of the opportunities that await you in the growth and development of this modern wonderland.

Here you may live gloriously, and here too you may profit greatly. For as more and more people come and see how nature's matchless splendor is being supplemented by the handiwork of man, the demand for home sites in Whitfield Estates will become greater and greater. The ultimate prices cannot even be estimated, for there is no limit to the premium that men who love the beautiful will pay for the ideal home site.

That is the reason why Whitfield Estates on Sarasota Bay offers today an incomparable investment opportunity. For the dream of those who come to enjoy this land of balmy breezes, sparkling waters and moonlight nights, is to own a home on or near the water front.

Those who buy now at the very reasonable prices at which the first unit will be offered must surely reap a large reward for their foresight.

The First Unit Will be Offered January 29th

-But You Can Reserve the Lots You Want Today

While no actual sales will be consummated until the opening day, January 29th, you may protect yourself by selecting the lots you want and reserving them today. Tomorrow may be too late.

Decide right now to be among the many who will take advantage of this opportunity. If you cannot visit the property, send for the information which will enable you to choose wisely.

Plats of the property, together with complete details of the elaborate improvements, may be had from our offices. In all fairness to yourself, we ask that you investigate this opportunity for unusual profits and compare it with any other real estate offer that has been made you.

Things You Want to Know

The entire development consists of nearly 800 acres, facing on Sarasota Bay. The Tamiami Trail runs through the property, which is only a few minutes ride by motor from Sarasota.

The property will be traversed by perfectly paved boulevards, so ingeniously arranged that nearly every let has a view of the bay.

Many beautifully designed homes are now being built in Whitfield Estates.

One of Florida's finest hotels will be erected on the property. A magnificent yacht club and basin is to be constructed, enabling you to land on the property from yacht or power boat

A golf course, designed by Donald Ross, will be laid out at once, and a very attractive country club is to be built.

Can you not picture the inevitable enhancement of values in Whitfield Estates as soon as these improvements get under way?

Better make your reservations today, before some one else gets the sites you want.

May 1 By Calvin Coolidge

FREDERICKSBURG, Va., Jan. 24.—America's newest national shrine, Kenmore, the mansion that was the home of Betty Washington Lewis, only sister of George

In the drawing room of the historic house a simple ceremony, on Jan. 1, marked the transfer of the last \$1,000 of the purchase price of \$30,000 to the former owners, and the property presed into the possession of the Kenmore Association, a national organization with headquarters here.

the estate and preserving it for posterity. According the Kenmore active campaign was carried to substantially improved. every state in the Union.

Kenmore was built in 1752 by some of his bride, and it was there the mansion house of an 800-acre farm, it now occupies a quiet and dignified spot in the residential section here. Stately and imposting without, its interior walls are adorned with stucco work which George Washington himself de-rigned and had executed at his

orders by Hesian prisoners of war. True to the old type of colonial buildings, there is no veranda, or porch; steps lead directly into the front entrance. The drawing room, where the presentation exercises were conducted a few days ago, was the gathering place of the flower of colonial aristocracy, the later, when the new nation many celebrations in which both American and French officers toasted the victories won.

The Kenmore Association now plans to raise additional funds as an endowment to insure the care and maintenance of the mansion

Florida Professional Golfers' national Sunday School lesson. League will open its season on the links of the Orlando Country Club Sunday when Cyril Walker and Eddie Loos, representing Lakeland es, communications and Winter Haven, will match stokes with Tommy Kerrigan and Dow George the local combination.

Stokes with Tommy Kerrigan and Bill concert; 9 organ; 1 (catures, KIS) or Angeles Times (395) Golfers of this city are preparing a big welcome for Walker, who is the present United States Open Champion and considered by many play: 11 music. the foremost player on American play: 11 music. links today. Walker's partner is also one of the top-knotchers and he has annexed some of the outstanding titles of the country during the past decade.

The Orlando team of Kerrigan and George in regarded as among the best in the league. Kerrigan was nosed out of the British Open Championships by Jock Hutchinson in 1921 by one stroke and has been among the favorites in vir- porter tually every tournament in this country for the past five years.

Dow George, who is retained as professional at the Winter Park Country Club, is not a tournament prano, Bible lecture. player, but ranks among the best at match play. His score of 70 over the Orlando course against Walter Hagen and Jim Barnes this week, in which he defeated the veterans, stamps him as a worthy fee for any player in the league.

SCORES "COWARDLY DRIVER"

TAMPA, Jan. 24.-"The cowardly driver who runs away from reckoning after an accident is one of the great menaces we have to contend with," declares Municipal Judge G. H. Cornelius and Chief of Police, D. B. Young, in a statement in which they declare war on the "hit and run" type of automobilists, "It would be a benefit to the people of Tampa if automobile owners would take i upon themselves to follow these hit and run drivers and get their num-ber," the statement said. "We will do the rest."

Roald Amundsen, discoverer of the South Pole, has been declared | CKY-Winnipeg (450) 7 servica bankrupt as a result of revers- es; 9 string quartet. es in connection with his last WCBD-Zion (345) 9 chorus, year's unsuccessful polar expedit-ion. trio, clarinets, marimba, reader, piano.

12,000 Miles!

YOU CAN ONLY TRAVEL 12,000 MILES TRAVEL FROM HOME

The "world" is only 24,000 miles in circumference. Therefore you can only go 12,000 miles in one direction and then you'll find your-

self coming back home. During Woodruff & Watson's everal years of business building we have of course had many to travel away from us, but sooner or later they find themselves coming back. We say, hurry back nome. The Advertised Sale started

Clark, Advertising the "Advertised Sale" at Woodruff & Wat-

In our previous ad this week we only told you 50 per cent of the opportunity you have here during the sale to get real bargains be-cause of the low prices. Now we're going to explain the other 50 per

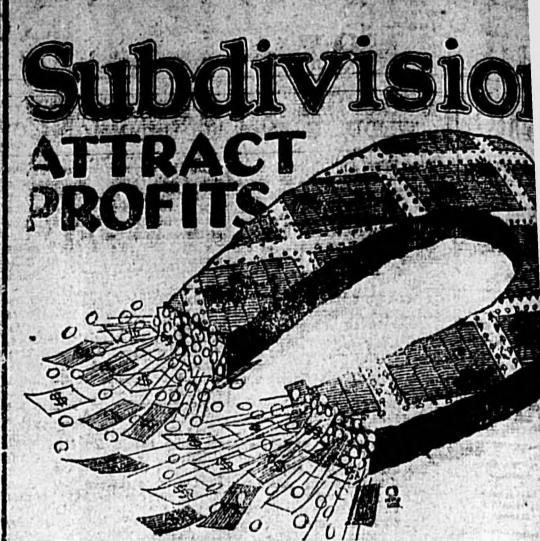

goods won their laurels because of the merit connected with the most outstanding values that ever were advertised—an unbroken record for superiority-and as such it will continue until the end of

Now for the next week of the sale these outstanding values will continue, but for one week only, for if we were to continue such slaughter of prices we would soon go broke, but for one week only we will continue the pace we set the first week by giving the most wonderful opportunities for sav-ing that this territory has even experienced.

Merchandise of all descriptions, of quality indisputably high offered at price concessions immeasurably low. We invite the people of Sanford and for a hundred miles around to come in any minute, any hour, any day during the next six days to investigate and get the full benefit of this unparated merchandisc feat.

Woodruff & Watson Sale Started Saturday July 24th
