Reds Trap Viet Force

SAIGON, South Viet Nam (UPI) — Communist forces headed the government one of its heaviest military setbacks of the war Thursday in a marshland ambush southwest of Saigon that left over 100 government soldiers and four Americans dead.

An American military spokesman said the Communist Viet Cong wiped out a battalion-sized force, killing at least 120, wounding 60 and capturing nine others.

It was believed to be the highest number of government forces killed in a single engagement.

The fighting took place about 45 miles southwest of Saigon on a nasty marshy battlefield in Kien Hoa Province.

The four Americans were killed by Communist gunfire just before sundown while accompanying a government force in pursuit of guerrillas who overran a tiny outpost at Phu Tue the day before.

After retaking the outpost, the pursuers advanced on the retreating Viet Cong and were overwhelmed by a strong force lying in wait.

Last July rebel forces pulled a similar ambush in Chuong Thien Province farther to the southwest and inflicted 187 casualties. There were 30 killed.

To Early To Decide, Baker Says Of Race

City Commissioner Joe Baker told the Herald by telephone today that he has "not yet decided whether or not I will run for reelection in November."

"It's a little too early to make a decision on that — the qualifying deadline is not until Oct. 14th," said Baker.

"I have had calls from people saying they regretted that I was not going to run again, after reading the announcement in the Herald Thursday from E. C. Harper Jr., who has qualified to run for my seat," Baker told the Herald.

"I wish to make it clear that I have not yet said that I will not run again. I will announce my decision later," said Commissioner Baker.

Baker's seat is the only one open this year, with the city election to coincide with the general election in November.

City Commission three-year terms come up on a staggered basis, with two seats open each consecutive year, except for the year which Baker's seat becomes open.

Baker is completing his second three-year term. He served as mayor in 1961.

Think today's younger set is soft? Visit one of the county's football practice sessions and see the fellows in action. It'll erase any such notion. They're working hard to get in shape for the grueling season which lies just ahead.

Yet, not all the practice is on the football fields. The gals are at it too, what with drills in baton twirling, marching and cheerleading activities. They're practicing just as hard and will be the usual colorful asset to half-time activities once the contests start. A lot of work goes into the performances these gals put on for spectators.

Hear some folks wondering which is the oldest home in the immediate Sanford area. Any nominations?

The Clock received a call the other day wondering if lines could be painted on the parking lot at the Seminole Memorial Hospital. We pass the suggestion along.

Show Goes On Despite Rain

By Dottie Austin City Editor

The Kiwanis Day Kids Show Thursday night was a heartbreaker — in one way.

All the grins that could get together in one place played the show — it rained, the roof of the improvised stage leaked, the floor was wet, the lights didn't work properly, nor did the record player. Only a handful of people showed up.

On the other hand — it was a testimonial to the validity of the old show-business adage — "the show must go on."

And it went on — with all of the performers who had been invited to participate carrying out their acts with spirit and determination that would have done credit to seasoned trouper.

Youngest trouper was little Miss Elizabeth Cowley, clad in red velvet tights and laced boots, who stalwartly twirled her little baton while the Seminole Band played loudly and spiritedly with the rain dripping down their necks.

Miss Linda Bryant of DeLand, a champion twirler went on with her graceful and skillful act even though the record player quit on her, and the rain put out one of her flaming baton.

Signs Defense Bill

WASHINGTON (UPI) — President Johnson signed the \$48.7 billion defense appropriation—the largest money bill to come before Congress this year.

Lynda Hostess

WASHINGTON (UPI) — President Johnson's daughter Lynda will give a costume ball at the White House tonight with her friends coming as their favorite figures in American history.

'Good Times' LBJ

WASHINGTON (UPI) — President Johnson's message to the nation's businessmen—and just about everyone else—this election year is: "Times are good — and you know it."

Pressure On

NICOSIA, Cyprus (UPI) — The United Nations, anxious to preserve the fragile peace on Cyprus, today tried to persuade President Makarios to honor an agreement to lift an economic blockade against Turkish Cypriot communities.

200 Stage Riot

MUSKEGON, Mich. (UPI) — An angry mob of some 200 Negro teen-agers staged a brief rock-throwing, name-calling disturbance with police early today in front of a grocery store in Muskegon Township.

Recess Set

WASHINGTON (UPI) — Congress planned to recess today to allow Democrats to attend their national convention, but when legislators return in two weeks, they will face several pressing problems.

By United Press International

Drenching rains came to the parched fields and prairies of the Midwest today and a tornado forecast was posted for parts of Oklahoma. High winds swept Iowa and Illinois.

Smathers Declines

JACKSONVILLE (UPI) — Sen. George Smathers says he would not accept the Democratic vice presidential nomination if it were offered, and that a Southern vice president is not what the party desires or needs.

Kill Indonesians

KUALA LUMPUR, Malaysia (UPI) — Malaysian security forces killed two more Indonesian guerrillas and captured "several" others today in a daylight gun battle near the beach where a commando-type force of about 50 waded ashore last Monday.

Little Comment On NAS Project

Officials at the Sanford Naval Air Station today had little to say about a report from Washington that Congress from the Senate and the House of Representatives included figures on two Florida projects in a \$1.5 million military construction bill.

The report indicated that of the two projects in Florida one was for \$2,000,000 for the local base.

Air Station authorities this morning said they could not announce at this time what projects were under consideration here.

However, they did say that there were four specific purposes for which the funds would be used and that runways were not included.

Delegation Trouble Brewing For Democratic Leadership

ATLANTIC CITY (UPI) — Three busloads of Mississippi integrationists rolled into town today with a warning that a failure to seat them at the 35th Democratic National Convention would cost the party thousands upon thousands of Negro votes in November.

The largely Negro group, representing the newly formed Mississippi Freedom Democratic Party, flatly rejected a proposed settlement of their credentials fight with the state's all-white regular party delegation.

Aaron Henry, chairman of the Freedom Party, said his group would not accept a compromise said to have White House approval because any compromise with the regulars would be "evil."

Henry, a Clarksdale, Miss., druggist, said that "Negroes all over this country — and whites too are concerned with freedom—will be watching Atlantic City."

If the Democrats seat the regular Mississippi delegation, he said, it would "register negatively with thousands and thousands of Negroes across the country." He predicted they would show their disapproval by boycotting the polls in November.

Tenry, who is also president said his group did not yet have 11 credentials committee votes necessary to bring the fight to the convention floor should his group be turned down by the committee.

But Joseph L. Rauh Jr. of Washington, D. C., counsel for the group, said he thought "we are closer to the 11 than Mr. Henry indicated." Rauh predicted the fight would have to be settled by the full convention.

The credentials fight was one of two confronting the Democrats as they began gathering in this famed boardwalk city to nominate President Johnson and confirm his still unannounced choice of a vice-presidential running mate.

The other struggle centered on the civil rights plank of the platform on which Johnson will run in November against Republican Harry M. Goldwater. But the credentials fight seemed likely to stir up the biggest storm—at least in public.

The compromise rejected by the Mississippi Freedom Party spokesman would call for the seating of the all-white delegation and recognition of the freedom delegation as a fraternal group without voting rights.

There also was a possibility that the seating of the Alabama delegation would be challenged—but on different grounds. There were reports that it might level this challenge if no one else did but that he preferred to concentrate on Mississippi.

Gov. George C. Wallace of Alabama, a crusading segregationist, was scheduled for an afternoon appearance before the Democratic Platform Committee late today at its final hearing. He was to be followed by Rep. Adam Clayton Powell of New York from the other end of the civil rights spectrum.

Testimony from both Wallace and Powell was expected to contrast with the proposed soft answers offered Thursday by another southerner, Gov. Carl E. Sanders of Georgia.

Sanders told the platform committee that the party must stand with the new civil rights law but that recent racial disturbances had shown that law alone could not solve racial problems. (See companion story on Page 3).

HEATING APLENTY in this huge auditorium, the Atlantic City Convention Hall, where the Democratic National Convention opens Monday, but it appears now that there will be a heated battle over the seating of a Mississippi delegation and maybe an Alabama delegation also. Workers are shown here rushing to completion the seating arrangement in time for the opening.

Area Planning Spelled Out

By Harry I. Johnson Managing Editor

A massive coordinating effort in the East Central Florida Planning Council area was spelled out today as council members cope with the predicted growth of the section contiguous to Cape Kennedy.

Meeting in the Seminole County Courthouse were members of the council, state authorities, city and county officials, the latter chiefly from the Seminole-Orange area.

The study will affect transportation, utilities, natural resources, public facilities and every other facet involved in coping with the growth of the area.

"The problems show no respect for city or county boundaries," Robert H. Doyle, executive director of the council, pointed out. He noted that an estimated 400,000 persons are involved in the two counties of Orange and Seminole.

He called for "orderly plans" concerned with urban growth and to preserve "that which is good." Land uses for parks, schools, businesses and other facilities are included in the exhaustive study the council is making.

The Joint Orange-Seminole Planning Commission is currently involved in the study and was told by Gordon Orr, county planning director, that Cape Kennedy soon will become the greatest tourist attraction in Florida.

He said all phases of growth, including housing trends, need for transportation, utilities, natural resources such as water and others will receive a careful analysis.

A huge map depicting the present uses of Seminole and Orange counties was displayed and showed the residential, agricultural, industrial, business, parks and other sectors in the "metropolitan complex."

The council represents the seven county area of Seminole, Orange, Brevard, Lake, Volusia, Ocala and Indian River.

Consulting firms from throughout the United States are being used in the overall planning director, that Cape

Thousands See Mall Opening

After a 15 minute ceremony which got underway at 9:45, thousands of Central Floridians swarmed into the Winter Park Mall.

The new \$15 million shopping center, is highlighted by a 300-foot high fountain under the central skylight of the air-conditioned structure.

Among a large and varied number of shops of lesser size, the two principal stores are Ivey's and the largest regional store the J. C. Penney Co. has established in the south.

Among the dignitaries participating in the opening ceremonies were Robert H. Jacobs, owner and developer; President William M. Batten of the J. C. Penney Co., New York City, and John Fielder, executive vice president of the J. B. Ivey Co., Charlotte, N. C.

Also taking part in the ceremony was Mrs. Joan Penney of Coral Gables, the current Mrs. Florida.

A reception was held immediately following the ribbon-cutting at the huge fountain. By the time of the reception the mall's parking area, which can accommodate some 3,000 cars, was jammed.

RFK Announcement Set For Tomorrow

NEW YORK (UPI) — Political attention was focused today on city hall where Mayor Robert F. Wagner was expected to bestow his personal blessing on Atty. Gen. Robert F. Kennedy's candidacy for the U. S. Senate.

Wagner was expected to give his okay to the Kennedy candidacy before leaving for the Democratic National convention in Atlantic City this afternoon.

Kennedy had expected to throw his hat in the ring in

Wind Building Up; Moving Fast To West

SAN JUAN, P. R. (UPI) — Hurricane warnings went up on islands at the southeastern corner of the Caribbean Sea today as tropical storm Cleo built up rapidly in the Atlantic and sped westward.

The San Juan weather bureau ordered warnings posted at noon on the island stretching from St. Vincenta northward through the Grenadines to Barbados, and thence to Martinique and in "Safety precautions should be started immediately," a midday advisory said. "Winds will begin increasing early Saturday and should reach hurricane force Saturday forenoon in the area of hurricane warning display."

Navy reconnaissance planes found highest winds in Cleo to be about 70 miles an hour this morning. The weather bureau said the storm was increasing slowly in size and intensity and surely would become the season's first hurricane with top winds of 75 mph within 12 hours.

The Navy hurricane hunter planes found Cleo had moved toward the west at a fast clip during the night.

At noon, Atlantic Standard Time, the weather bureau placed the center of the storm near latitude 12.9 north, longitude 52.4 west. This was about 970 miles southeast of San Juan, and 400 miles east of Barbados.

The budding hurricane was moving toward the west at about 14 mph a course it was predicted to hold for the next 12 hours.

The weather bureau also ordered gale warnings for the Grenadine Islands south of St. Vincenta, including Grenada, and for the area north of Martinique and including Guadeloupe.

Forecasters said gale force winds fanned outward 110 miles to the north and east of the center and 45 miles in the southern semicircle.

The storm's noon location placed its center about 2,000 miles east-southeast of Miami.

"Bible Obsolete?"

There are many people, who we all know, who agree that the Bible served a useful purpose in the past but now seems to be of the opinion that this is a day when something else can take its place. Others may think that it is something to keep nearby as a symbol of faith but knowing what is in it may be another thing. One story relates the experience that a minister had when he was making a visit in the home of one of the families of his church. When the minister arrived for an astorial call the mother sent her little girl to the door with instructions to talk with the minister a few minutes until she finished a telephone call. The family Bible was on a table near the minister's chair, so he asked the little girl if she knew what was in it. She replied that she certainly did, in fact, she knew all that was in it. Such a statement was rather unusual so the clergyman asked her

to tell him something of her knowledge of the contents. The reply was, "Well, there is sister's boy friend's picture, a lock of baby brother's hair, mama's favorite recipe, and daddy's pawn ticket for his watch."

The Bible should be more than a fetish that demands a traditional reverence. The Bible is to be read and lived by as a basis for our lives. It is a type of constitution that is accepted by the Christian as God's Word and thereby, to be helpful, it should be known. Americans should not have much difficulty understanding the meaning of a constitution since, in the United States, we have a constitutional government. The constitution of our country gives us knowledge of our rights and privileges as citizens. It tells of responsibilities of leaders as well as the honor that should be shown them. Americans should accept it and although we do not worship it we respect it and should know its meaning. The Bible is a divine constitution and therefore should be used as such.

If you would receive help, and in turn be helpful, as you use the Bible you should first ask God to give you the faith to accept it as God's Word. Until you do, you will not have the desire to study it nor will you be willing to obey it because sometimes it seems expensive to do so. Actually the most expensive thing in the world is to not believe and live by it, but this is not seen always.

Once you have accepted the Bible as God's Word you will find a need for prayer along with your daily study. In prayer we talk to God and through the Bible He speaks back to us. As we read in this way we will find ourselves reading expectantly. We will find that there will be a personal message for us daily. The more willing we become to hear, the more we will find God speaking to us.

There are many helps for Bible study. One should have a good commentary, a Bible Dictionary, a Bible story book, at least two different translations (one modern English) as well as other things that your ministers will advise. Be sure and contact your pastor for his advice on how to get most from Bible study. You will be utterly amazed at how much your life will change from using the Bible as your rule of faith and life. You will find that it is just as modern as moon travel.

Church Hears Reports From Conference

Reports on the recent conference of the Southern Methodist Church held in Baton Rouge, La. were presented at last Sunday evening's service of the newly organized local church by conference delegates, Mr. and Mrs. R. D. Priest.

It was explained that all committees of the conference are made up of an equal number of clergy and laymen and resolutions and recommendations from the various committees were presented and questions answered.

The delegates noted that much of the conference business involved examination and screening of prospective pastors and churches desiring affiliation with the denomination. Their reports included suggestions and explanations which would be helpful to the new Sanford church.

High point of the conference was the final sermon given by Rev. Lynn Corbett of Orangeburg, S. C., president of the Southern Methodist Church, followed by reading of the pastoral appointments.

Worship services of the local group are held at 7:30 p.m. each Sunday at the Sanford Women's Club. Last week's service was in charge of Jim Talmadge who led the singing with Mrs. Eecar Neider as piano accompanist. Rev. Durward H. Knight, newly appointed supply pastor, will conduct this week's service.

Rev. Reason To Be Speaker For Program

By Donna Kyles
Rev. Hubert J. Reason will be guest speaker at a program sponsored by the Women's Guild of St. Mary-Madalen Catholic Church of Altamonte Springs Monday evening following Novena services at the church.

Title of his talk will be "Misunderstood Parents" and will include a discussion of teenagers. Men and women of the parish are invited to attend.

Following the service and talk, a brief business meeting of the Guild will be held in the school.

Grace Methodist Has Successful Youth Week

Youth Fellowship Week at Grace Methodist Church was climaxed Thursday with a covered dish supper and swim party at the home of Mrs. J. W. Crawford on Lake Mary.

The week's activity began last Sunday at 5 p. m. and continued each night through Thursday. A sandwich supper was enjoyed with desserts provided by the WSCS and beverages served by the counselors, Mr. and Mrs. Gay Bennink and Mrs. F. J. Murray with assistance of Mr. and Mrs. John Martin.

Games and songs were enjoyed following the suppers after which study sessions were conducted. Junior highs were instructed by Philip Monroe and Rev. John H. Hires Jr., pastor of the church, was instructor for the senior highs.

Guest minister for the concluding service each evening was Rev. Lawrence Horne, minister of Youth and Music at St. Mark Methodist Church, Pensacola.

Some 35 young people attended each meeting. Theme for the week was "Christ Above All."

Vacation Church School Has Closing Program In Oviedo

By Evelyn Lundy
Closing program for Vacation Church School at First Methodist Church of Oviedo was presented last Sunday evening using the school theme, "He Was Called Jesus," to depict events in the life of Jesus in which He was shown to be kind and compassionate.

Marilyn Partin introduced the program and the devotional was given by Wynn Laihart and Sue McClellan. Musical numbers were given

by the kindergarten rhythm band and chorus while the junior department presented skits and plays portraying many of the things they had learned.

Mrs. C. B. Dawsey, wife of the minister and chairman for the two-week school, spoke briefly about its success. She reported an enrollment of 63 students and advised that the daily offerings, including that of Sunday evening, would be sent to Brazil to a new Sunday School which is being formed there.

Rev. Jackson To Fill Pulpit In Geneva

By JoAnn Hays
Rev. M. D. Jackson, who often has served as supply minister for First Baptist Church of Geneva since the former pastor, Rev. Bennie Baker, moved away, again will fill the pulpit for services this Sunday.

Rev. and Mrs. Jackson are well known and loved throughout the area. In the ministry for the past 41 years, he is now retired. However, both are active in the Geneva church where Mrs. Jackson serves as teacher for the Young Adult Ladies in Sunday School while his services are always available where needed.

Jamison Retires From Navy

Leadr. Billy D. Jamison, U. S. Navy, was detached from Heavy Attack Squadron 7 on July 24 to proceed to the United States for retirement on Sept. 1. He was piped over the side and rendered traditional side honors by the VAH-7 squadron officers, as he departed the quarter deck of the nuclear-powered carrier Enterprise at her anchorage in Naples, Italy.

Jamison first enlisted in June 1942, and served in the Navy for over 22 years. After advancing through all enlisted rates to chief petty officer, he was commissioned an ensign in May 1953 and has since been promoted to his present rank of lieutenant commander.

Jamison's outstanding contribution to the Navy has been in the field of aircraft maintenance. He has served in various assignments in the maintenance area, the most recent being that of assistant maintenance officer of Heavy Attack Squadron 7. In this capacity, he was instrumental in directing the maintenance effort which permitted the squadron to set a new monthly flight hour record for the A-5A Vigilante airplane.

During his career, he has been awarded the American Theater Medal, the Asiatic-Pacific Theater Medal, the Good Conduct Medal (three awards), the World War II Victory Ribbon and the Air Medal.

Married to the former Miss Georgia L. Buckner, of Memphis, Tenn., Jamison resides with his wife and three children at 219 E. Jinkens Circle, Sanford. After the first of September, Jamison will retire with his family to Memphis.

Walter Huston and his son, John, were the first father-son team to receive "Oscar" awards in the motion picture industry.

Griffins Lead In Contest

The "Family Month" contest being conducted through August at the Lake Mary Church of the Nazarene this week is led by Mr. and Mrs. J. W. Griffin who scored a total of 20 points last Sunday for visitors at the service. Bill and JoAnn Lowdermilk, who formerly held the high score, now have a total

of 10 points. This Sunday, Bill and Juanita Price will be competing.

All contestants are reminded that Sunday, AUG. 30, will be the final day of the contest and all visitor points will be tripled on that date. Rev. James Gray is serving as supply minister at the church in the absence of Rev. W. L. Helcombe and his family who are on vacation.

He urges a local solution to civil rights problems with as little federal involvement as possible.

Adoption of such a plank for one thing, could immediately rule out the possibility of Sen. Hubert Humphrey — a strong civil rights advocate — as President Johnson's running mate.

For another, it would move Negroes almost as far from the Democratic camp as they are from the Republicans.

Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People, told the platform committee earlier this week that "the federal government cannot assume a posture of neutrality toward compliance with the Constitution."

Wilkins went on to term the Republican plank on civil rights "aqueamish circumlocution," and added: "The history of the past 90 years has demonstrated clearly and conclusively that the states have failed to act reasonable speed or adequacy."

But Sanders' proposal, if adopted, could counter much of the so-called "white backlash" to racial violence; and it could soothe many dissident Southern states.

There is every reason to believe the shrewd Georgia Governor has been tapped by the President for some cloak-and-dagger work at the convention. And Sanders is a man who has won many more political battles than he has lost.

White Sox Take AL Lead; Phils Roar To 7 1/2 Game Margin

Chicago Takes 4-Game Series From Yankees

By United Press International
They're No. 1 in the Windy City and it couldn't have come at a better time.
The Chicago White Sox gained first place by a half game in the American League Thursday for the first time since June 18 by completing a four-game sweep of the slumping New York Yankees and tonight they play host to the Baltimore Orioles, who have just suffered their worst "break" of the season.

In the next nine days, first-place Chicago and second-place Baltimore face each other eight times to conclude their season series. The Orioles Thursday lost a 4-3 decision to the Red Sox, but more important, they lost slugger John (Boog) Powell, who fractured a bone in his left wrist while chasing a fly ball.

Chicago has a healthy stable entering the four games with the Birds at Comiskey Park and comes off a 5-0 blanking of New York, the team they couldn't beat the first 10 times they met.

The Yankees were 8-16 over the last two weeks while playing the two top clubs and have dropped 4 1/2 games off the pace.

Thursday the Sox poked away at long-time nemesis Whitey Ford for nine singles and five runs and broke the Yankee southpaw's scoreless inning streak over 4 1/2 in, which spanned two seasons, at 46 with two runs in the second inning as skipper Al Lopez celebrated his 56th birthday.

In the only other American League game, Kansas City downed Cleveland 7-4, and Los Angeles beat Detroit 4-3.

IN FINALS
COLUMBUS, Miss. (UPI) — Myrtle Grove, Fla., meets Halifax County, Va., here tonight for a berth in the championship game of the ninth annual Dixie Youth World Series.

NBC Refuses To Say If It Is In Market For Club

By Milton Richman
UPI Sports Writer
NEW YORK (UPI) — Is NBC in the market now for a major league ball club? Baseball men say yes; NBC officials, however, politely decline to say yes, no or even maybe.

Nevertheless, the fact remains most major league baseball franchises can be had for the right price. That goes for most professional football franchises, too. And while they won't officially admit it, NBC officials certainly couldn't help thinking about that fact after rival CBS purchased controlling interest in the New York Yankees last week.

Carl Lindemann, the capable and energetic 41-year-old vice president of sports at NBC, steered clear of any conjecture on the subject, however.

To the point-blank question of whether his network is interested in buying either a baseball or football club, Lindemann offered a point-blank "no comment."

He did emphasize there was "no panic" at NBC over CBS' purchase of the Yankees. By the same token, he added that no one at NBC rushed out to send a congratulatory wire, either.

"If the Yankees do manage to win the pennant, we might have a little trouble getting decent seats," Lindemann laughed, "but we don't see how this sale will change things much."

Yogi Finally Loses Patience With His Skidding Yankees

NEW YORK (UPI) — Yogi Berra was in the front of the bus when Linz began looking on his harmonica. "Shut that thing up," Berra roared. Moments later when Linz began playing again Berra rose from his seat and advanced toward Linz. "I told you to stop that!" he bellowed. Linz flipped the instrument toward the manager who knocked it aside with his hand. It hit Joe Pepitone on the right knee. After an exchange of words Berra returned to his seat muttering, "I'll take care of you," according to the News. Frank Crossed, a longtime Yankee coach and player who told Berra reprimanded Linz, "this is the worst thing I've seen in 33 years with the club."

The newspaper gave the following account of the incident:

About Sports Thinking Out Loud

By Julian Stonetrom
Herald Sports Editor
Each year at Daytona's International Speedway, NASCAR officials run the annual Firecracker 400. Probably no man did more for stock car racing in Daytona Beach and having a role in making Daytona the stock car racing capital of the world than "Fireball" Roberts.

We'd like to propose that consideration be given by speedway officials and sponsors and promoters to the possibility of naming the annual July Fourth event the "Fireball 400" in memory of Roberts.

Roberts was a native of Appleton but he spent most of his adult life in the speed business and it all centered around stock car racing in Daytona. Nevertheless, Roberts was known throughout the nation as the heavy-footed driver with guts enough to go with his tremendous driving talent to win any race he entered.

Roberts died a month after suffering extreme burns in a racing accident at Charlotte during the summer. We think it would be appreciated.

Head Coach Bill Peterson and his staff will be on hand tomorrow to greet Florida State University candidates for the Seminole grid machine and workouts will get under way Monday. Peterson plans dual workouts daily for two weeks since he has only four weeks to get ready for FSU's opener with the Hurricanes of Miami.

While Peterson has 27 letterman returning, he's also expecting 43 sophomores to be among those returning. Among them will be Butch Riser, a Seminole High standout here in Sanford, particularly during the 1963 season. Riser played defensive halfback for the FSU freshman last season.

"We're going to need sophomores help all around," says Peterson. Joel Field, American Legion official who accompanied the local Post 33 junior baseball team to Fort Pierce for the recent area tournament, today paid a big compliment to Frank Thomas, manager of the local nine, and the players.

Thomas' club went to the finals but were eliminated from a berth in the state tournament at St. Louis in the only game scheduled in either league tonight.

Five NFL games and two American League games will be played Saturday, with the greatest attention focusing on the clash between the NFL champion Chicago Bears and the Green Bay Packers at Milwaukee.

The latest hero for the pennant hopeful Phillies is Speedy Gonzalez.
Formerly known as Tony Gonzalez, the Philadelphia outfielder scored the winning run from second base Thursday night and now, as far as the Phils are concerned, it's call me anything but second place.
The hustling Phillies took two thrillers from Pittsburgh 2-0 and 3-2 to increase their league lead to 7 1/2 games.
In the second game, after Johnny Callison, often a hero in the past, matched solo home runs with Blue third baseman Bob Bailey, Philadelphia loaded the bases on two singles and an error in the eighth inning against Pittsburgh's Don Schwall and Al McBean.
Callison then lifted a fly ball to deep center. Pitcher Rick Wise tagged up and scored easily from third and Gonzalez, on base via Dick Schofield's miscue, never broke stride in the 150-foot dash and left Manny Mota abandoned in centerfield.
Callison thus drove in all Philadelphia's second game runs while ex-Met Frank Thomas did the same in the opener.
Rookie Rick Wise (5-1) went eight innings in the nightcap and was yanked in the ninth when the Pirates scored once in favor of veteran Ed Roebuck.
Once again Callison showed why he is a prime candidate for most valuable player honors. Roebuck got pinchhitter Jerry Lynch to lift a fly ball to the Phillies rightfielder, who grabbed it and then called Bill Maseraki trying to move from second to third.
In the first game, Thomas eluded his third homer as a Phillie, squalling the total he had in New York, with Clay Darymple aboard, in the last of the ninth to break a scoreless tie and give Art Mahaffey his 11th triumph of the season.

Denver Captures 32-20 Victory Over Oilers

By Joe Gergon
UPI Sports Writer
Jacky Lee, facing his old team for the first time, and veteran Gene Mingo sparked the Denver Broncos to a 32-20 come-from-behind victory over the Houston Oilers in an American League pre-season game Thursday night.
Lee, who was "loaned" to the Broncos last week by the Oilers, completed 18 of 38 passes for 198 yards, including a 10-yard touchdown pass to Lionel Taylor. Mingo booted four field goals from 35, 21, 28 and 43 yards out.
The Broncos scored 26 points in the final quarter on two field goals by Mingo. Lee's touchdown pass, a 65-yard pass interception run by Willie West and a 34-yard run by linebacker Marv Matukas after he recovered a Houston fumble.
Rookie Ed Blanks scored two touchdowns and quarterback George Bland passed for another for Houston.

Connery At Movieland

DANIELA BIANCHI plays the voluptuous girl friend of James Bond (Sean Connery) in the Ian Fleming story of international intrigue, "From Russia With Love." Filmed in Technicolor, the United Artists release will open Sunday at the Movieland Drive-In Theatre.

"From Russia With Love," in color and starring Sean Connery, is the feature film at the Movieland Drive-In Theatre starting Sunday and continuing through Tuesday.

The United Artist release shows Connery as the suave secret agent in a spy story which also features Pedro Armendariz, Lotte Lenya, Robert Shaw, Bernard Lee and Daniela Bianchi.

Co-feature is "Sunday in New York" with Jane Fonda. Both films are in color.

Wednesday and Thursday the management has obtained another double feature, "Tammy Tell Me True" with Sandra Dee and "The Last Sunset" with Kirk Douglas.

A triple header is on tap for Friday and Saturday. "The Patsy" stars Jerry Lewis; "The Mouse That Roared" features Peter Sellers; and "The Lawless Breed" stars Kirk Hudson.

Highlights

TV Time critics preview coming television shows by attending rehearsals, watching screenings, studying scripts in New York and Hollywood. Here are their previews for today:

7:30-8:30 P.M. NBC. International Showtime. "New Vienna Ice Show." (Rerun) Overlook the fact that there just isn't such a thing as a "new" ice show and you should enjoy this outing from Innsbruck, Austria.

7:30-8:30 P.M. ABC. Destry. "Blood Brother-in-Law." (Rerun) Thanks to a blood transfusion, Destry finds himself embroiled in a death feud between two clans. Think logically and you won't have much trouble figuring out how he gets out of this ridiculous situation.

8:30-9:30 P.M. ABC. Burke's Law. "Who Killed Andy Zygmunt?" (Rerun) This may be about the murder of an art dealer, but luckily, the show avoids even the slightest taint of the artistic. The victim specializes in weird curios, long whom were his clients

now suspected of promoting his demise.

8:30-9:30 P.M. NBC. Bob Hope Presents. "Slow Fade to Black." (Rerun) (Color). This concerns a power struggle for control of a Hollywood studio. The all-star cast is headed by Rod Steiger, Robert Culp, James Dunn and Anna Lee.

9:30-10 P.M. NBC. On Parade. It's Diahann Carroll's turn to be starred and since she's a vital and exciting performer, you should enjoy her half-hour songfest. Forget the production values and just enjoy Diahann's singing.

10-11 P.M. CBS. The Alfred Hitchcock Hour. "The Gentleman Caller." (Rerun) Roddy McDowall is very good as a fugitive from justice with two problems: How to safely hide his loot till the heat's off and how to keep his greedy wife (Diane Sawyer) from getting her hands on it.

10-11 P.M. NBC. The Jack Paar Show. (Rerun) (Color) Woody Allen, does his hilarious night-club routine on his problems with a conspiracy of machines and steals the show. A lot of time is spent on a

TV Time Previews

consideration of Lawrence of Arabia and this includes some unique footage of T. E. Lawrence, an interview with his brother A. W. Lawrence.

SATURDAY P. M.

7:30-8 P.M. ABC. "The Woman's Touch in Politics." ABC Correspondent Lisa Howard talks with the wives of Minnesota's vice presidential potentials Hubert H. Humphrey and Eugene McCarthy among a group of politically inclined Washingtonians in this convention preview.

7:30-8:30 P.M. NBC. The Lieutenant. "Alert." (Rerun). This one involves a battle exercise and the way it affects the lives of several members of the corps. Lieutenant Rice (Gary Lockwood, who suffers a frustrated romance, and a sergeant, who has to leave his wife while she's undergoing dangerous premature childbirth, are the chief victims.

8-8:30 P.M. ABC. "A Conversation with the First Lady." This is not a hard-hitting documentary, so don't expect ABC newsmen Howard K. Smith to put Mrs. Lyndon B. Johnson on the spot.

HAVING A PARTY? Arranging up coffees, luncheons, brunches, banquets and other festive get-togethers is a specialty of the Capri Restaurant under the capable direction of Joy Manross, who has had lots of experience at this sort of thing.

Of course, you are invited to drop in any time for lunch for the happy hour, or for dinner and dancing. Good food, good drinks, and a cool, friendly atmosphere.

HAVE YOU LADIES been to the Caribe and had that drink, which only costs as many pennies as you have years?

It's ladies hours between 4:30 and 8:30 p. m. so after work, or a hard day's shopping, meet hubby or a friend downtown at the Caribe for that special drink. We understand they do not ask for a birth certificate.

Course you know they are open until 2 a. m. on Friday and Saturday nights if you want to make an evening of it. Good food too, from Rose and Wilk's Restaurant, next door.

Cinema: 'Blue Dolphins'

A book that is fast becoming one of literature's modern classics, "Island of the Blue Dolphins," made its bow as an exciting and memorable motion picture Thursday at the Seminole Plaza Cinema. From Universal, and in color, it was produced by Robert R. Radnitz, and entirely photographed among breathtakingly beautiful sites.

Moviewgoers will find in this beautiful color adventure film the same type of appeal they found in "Treasure Island" and "Robinson Crusoe"—both likewise classic read by children which became very enjoyable screen fare for adults.

is matchlessly written, directed and photographed.

The photoplay by Ted Sherdeman and Jane Klove carefully transfers to the screen the John Newbery Medal award novel by Scott O'Dell, which also has won numerous other awards. In the process it becomes a more intense adventure and a tribute to the inevitability of the human spirit. This is the story, based on an actual incident in California history, of an Indian girl who, on the order of Robinson Crusoe, finds herself alone on a deserted island. It is this island which gives the tale its name; the story having very little to do with dolphins.

Celia Kaye, in her first feature film role, plays the lead so convincingly that it is difficult to realize she is not really living the part. Of the other human players, most of whom are seen briefly, Larry Domasin and Ann Daniel give powerful performances. George Kennedy, as the Aleut captain; Carlos Romero, as Miss Kay's father and tribal chief; Hal John Norman, as the sub-tribal chief; and Martin Garralaga, as the mission priest, are memorable.

This is another masterpiece from producer Radnitz whose previous films were "A Dog of Flanders" and "Misty." He has taken infinite care in all departments, again exhibiting his great capability.

CELIA KAYE teaches a bird, one of her few companions, to say her name, "Karana," as her puppu, Rontu-aru, looks on in this scene from the Universal adventure story in color, "Island of the Blue Dolphins." The Robert B. Radnitz production is based on a Newbery medal award book by Scott O'Dell. The film is now being shown at the Cinema in the Seminole Plaza at Casselberry. A special merit award has been presented to the film's makers by Parents Magazine in recognition of the outstanding family appeal of the picture to all types of audiences.

"Candid Chatter"

By Doris Williams
Society Editor

FOLLOWING a summer crammed full of elaborate pre-nuptial parties, including coffees, luncheons, teas, dinners and what have you, Marilyn McDaniel and David B. King are altar bound tomorrow night, filled with excitement and awaiting the big event with anticipation.

Marilyn is a statuesque sophisticated blue-eyed blonde with the lustrous glowing peaches and cream complexion. Her sweet, unaffected personality is accented with refined grace and charm and she possesses an abundance of humility. Her "press agent" has immensely enjoyed working with her this summer.

David is a tall dark 'n handsome young man, very

ant upon graduation, before going into law practice for himself.

Marilyn graduated from Vanderbilt this past spring, majoring in Philosophy, and plans to teach in Nashville this fall. She confided she is "not much" in the kitchen, but is willing. She concentrates on preparing pretty dishes rather than palatable ones. Being artistically inclined, she loves flower arranging, and Mamma Jo has been righting, and fancy sewing. She

MARILYN MCDANIEL

clever with a keen sense of humor. The couple met while Marilyn was a student at Agnes Scott on the social committee to entertain the debating team David was on. He has been working for a Law Firm in Tampa this summer and will graduate from Vanderbilt Law School next year. David, who is from Cookeville, Tenn., will enter the Marine Corps as First Lieutenant.

FRANCES BOWDEN

plays the piano, preferring classical music, and would like to write. She is a graceful talented dancer and engages in water sports.

Mamma Jo has been tight in there pitching with her lovely daughter, and is equally as charming and attractive as Marilyn. She has made all the party rounds with Marilyn and related that all the wedding plans are jam-up. Dr. McDaniel is very happy for the young couple, and Marilyn, being prejudiced of course, feels her parents are the very best in the whole world.

Marilyn and David will reside on the campus of Vanderbilt this year in apartments designed for married students. They would love to settle down in a future home featuring traditional architecture with antique furnishings and lots of room for their three children.

ANOTHER CHARMING young lady who has already had her turn at the altar is Frances Bowden. Frances and Tom will have been married a year the 21st of this month. Frances has been in the midst of all the bridal parties this summer. She was Kay (Prey) Lindsey's attend Marilyn McDaniel as bridesmaid. Having grown up in Sanford, Frances graduated from Seminole High School, where she was very popular and actively engaged in all school activities. She graduated from Wesleyan College in Macon, Ga., this past June with a degree in Fine Arts. Frances, who is a ravishing brunette

PAT LARGEN

with beauty queen potential, will teach at Southside School this fall. She loves to play golf and definitely appreciates the fine arts. She is a wizard at print-making, loves all phases of ceramics and enjoys dabbling in heavy oils.

Frances and Tom have been living with her parents, Mr. and Mrs. M. R. Strickland, following their graduation from college in June. Tom received his L.L.D. from Mercer University in Macon, Ga. He has been studying in Tampa this summer and went before the bar this week. He "falls in love" with this area of Florida, and anticipates settling down here in some phase of legal work.

Frances confided they would love to live way out in the country in a large colonial home with a big pool and spacious grounds for their four kids to romp in.

PAT LARGEN is not a bride nor bride - elect, but one of the females who has everything; beauty, brains, personality and the works. She has an affinity for worthwhile projects and never sends a dull moment.

Dr. Largen and Pat met in Cincinnati while she was an airlines stewardess, and, oh well, you know the rest. Both their lives have been extremely colorful and romantic. Pat, who is originally from Chicago, attended Rockford College, Rockford, Ill., and then on to Northwestern for a crack at accounting. The Largens have been in Sanford for six years, and love it here. They are presently living on Lake Golden, awaiting construction to begin on their new home. Pat and Tom have two children, Susan, eight, and Jeffrey, seven.

The lovely and versatile Mrs. Largen is chairman of the Candy Strippers of Seminole Memorial Hospital and a member of the Ladies' Auxiliary (Pink Ladies) at the Hospital Auxiliary Board. She is president of the local unit of the American Cancer Society, a district delegate of ACS, which is composed of six counties, and is on the State Crusade Committee for the American Cancer Society. She is sponsor for the Paramedical Association of Seminole High School and a member of Theta Epsilon Chapter of Beta Sigma Phi Society. She also keeps books for her hubby, and swims for diversion.

Pat was listed last year as being one of the best dressed with her.

Mrs. M. R. Strickland Hostess To Elaborate Bridal Tea Honoring Miss Marilyn McDaniel

The gracious M. R. Strickland home on Palmetto Avenue was the site of an elaborate bridal tea reception last Friday afternoon complimenting Miss Marilyn McDaniel, popular bride-elect of David B. King, with Mrs. W. A. Kratzert warmly greeting the guests at the door.

Mrs. Strickland headed the receiving line and was attired in an elegant pastel blue sheath enriched with hand sewn jewels. Marilyn received in a beautiful white lace frock, belted in pink and wearing the pink sweetheart rose corsage with white satin leaves presented her by the hostesses. Mrs. Thomas F. McDaniel, mother of the honoree, chose a white linen sheath with overall pink embroidery. She received a lovely white sweetheart rose corsage with white satin leaves from the hostesses. Mrs. W. B. Kirby, co-hostess, received in blue linen with a blue lace yoke. Co-hostess, Mrs. H. Wade Rucker, chose a colorful yellow and green floral print featuring a low cut back, and Mrs. Tom Bowden (Frances Strickland) was stunning in a print of vivid hues of blue and green with a low cut fitted bodice.

The reception area contained magnificent floral arrangements with an antique porcelain container featuring hand painted roses centering the mantle and holding an arrangement of pink roses, pink and white glads, and tiny pastel sweetheart roses. American beauty roses, artistically arranged in a milk glass compote adorned a marble topped coffee table and miniature nosegays were used throughout.

Centering the serving table, which was overlaid in an elegant cut work, hand embroidered cloth, was an antique silver compote containing a decorative arrangement of red roses, pink roses, tube

roses, and Gerber Daisies combined with white tipped fern. Two three branched silver candelabra held tall white tapered entwined with Lilly of the Valley. Sparkling lime punch in a crystal container floated an ice ring of pink roses creating a striking combination. White petit fours adorned with dainty pink rose buds, toasted nuts, tea

sandwiches and assorted miniature delicacies were attractively arranged on silver and crystal service.

The buffet held antique silver coffee service, accented by silver candelabra holding white tapered with delicate china cups attached.

Miss McDaniel received gifts of silver in her chosen pattern from the hostesses.

Pouring between the hours of four and five was Mrs. Charles Park, Sr., with Mrs. Harry Woodruff pouring from five to six. Assisting in serving were the Meses. J. H. Lee, Harold Appleby, J. O. Laney, Ray Herron and Albert Jarrell.

Floating hostesses were Mrs. Curtis Fisher (Judy Herron) and the Meses Rose Kratzert, Anne Crapps, Merritt Phillips and Sherry Lee.

Face Powder From Corn Cobs

In 1949 more than \$5 million corn cobs turned up as the result of the harvest. Taking advantage of a large number of these is a manufacturer in Decatur, Ill.

He now is marketing a face powder made primarily of micro-porous cellulose derived from the ground inner core of the cob.

According to the company's tests, women say they like it because it is smooth and less irritating to hyper-sensitive skins.

President Johnson To Be Sponsored Next Wednesday

WASHINGTON (UPI)—President Johnson is a man of his word when it comes to women.

The President has promised to end "stag" government and put more women in the top federal jobs. On that score, he has called up a solid record of accomplishment without male backlash.

Last January, Johnson set a goal of placing 50 qualified women in upper strata government jobs within a month. There were the skeptical, wary and those who thought he was kidding.

By prodding his cabinet and agency chiefs, he proved again what is well known in Washington — "What Lyndon wants, Lyndon gets."

So determined was Johnson to make good on his campaign he held a special cabinet meeting to discuss the problem. "What have you got against women?" he asked his top advisers.

They knew he meant business when he followed up his question with a firm memo to agency heads, directing: "It is imperative that an intensive

NOTICE OF SUIT TO ALFRED H. TITIKHAULT and VICTORIA A. TITIKHAULT, his wife. YOU are hereby notified that suit has been commenced against you in the Circuit Court of the Ninth Judicial Circuit of the State of Florida in and for Seminole County, the abbreviated title of which is: THE PROBATION INSTITUTION FOR WASHINGTON IN THE TOWN OF BOSTON, etc.

ALFRED H. TITIKHAULT and VICTORIA A. TITIKHAULT, his wife.
In Chancery No. 1215
The nature of this suit is a foreclosure of that certain mortgage from said defendant to plaintiff, dated May 26, 1949 and recorded May 31, 1949 in Official Records Book 303 page 313 of the Public Records of Seminole County, Florida, comprising that certain piece or parcel of property located, situated, and being in said County and State, to-wit: Lot 7, Block 1, Weatherfield First Addition, as recorded in Plat Book 12, page 37 of the Public Records of Seminole County, Florida.

EACH OF YOU is REQUIRED TO file your answer or other written defense to the Complaint with the Clerk of the Circuit Court of Seminole County, Florida, in this proceeding and to file a copy thereof upon the plaintiff, together with names and addresses as hereinafter set forth, on or before the 15th day of August, 1954. In default thereof the cause will proceed as aforesaid upon the entry of a Decree Pro Confesso against you.

WITNESSE my hand and the official seal of said Court in Seminole County, Florida, this 15th day of August, 1954.

Arthur H. Beckwith, Jr.,
Clerk of the Circuit Court

Anniversary Service Honors Rev. Zehnder

REV. C. R. ZEHNDER and Mrs. Zehnder of Ascension Lutheran Church, Casselberry, cut the beautiful three-tiered cake at a reception held Sunday afternoon in honor of the pastor's fortieth anniversary of his entry in the ministry. (Herald Photo)

GROUNDBREAKING for the new eight-room parsonium of Longwood's First Baptist Church was held last Sunday (top photo) after the Oxford Street building site was cleared Saturday by Rev. Jack Lindsay (on bulldozer, bottom photo). Taking part in the ceremonies Sunday were, from left, Al Morris, Frank Ballentine, Rev. Lindsay, Earl Showers, Jerry Van Dam and Tom Howard. Construction is scheduled to be completed by Jan. 1. (Herald Photos)

LAKE MARY Elementary and Seminole High will have five and three new teachers, respectively, for the forthcoming school year. Lake Mary's new instructors (front, from left) will be Mary Hornsby, Helen Bagley, Mary Talyor, Mary Sewell and Evelyn Boblitt. Seminole's new instructors (back row, from left) are Mack Blythe, Herman Rozolsky and Norman Leach. (Herald Photo)

By Jane Casselberry
A special service was held at Ascension Lutheran Church in Casselberry last Sunday in observance of the 40th anniversary in the ministry of the Rev. C. R. Zehnder. A reception followed.

Pastor Zehnder was graduated from Concordia Seminary, St. Louis, Mo., in June, 1924. He has served churches in Holsington, Kans.; Muncie, Ind.; Winfield, Kans.; and Mexico City before coming to Casselberry in 1960 to organize Ascension.

The church was filled with well wishers. Rev. August Bernthal, president of the Florida-Georgia District of The Lutheran Church, Missouri Synod, delivered the sermon and Rev. Henry S. Abram, pastor of Prince of Peace Lutheran Church, Orlando, served as liturgist.

Special music was provided by the children's choir and Mrs. Shirley Schmel, soloist. Mrs. Wayne Evers was organist.

Plans for the surprise anniversary celebration were made by Edwin Ferguson, president of Ascension, and the church council who presented to the pastor and his wife a 15,000 B.T.U. air conditioner for their home and a marble desk set for the pastor, with an inscribed plaque.

Ferguson read some of the many messages of congratulation including correspondence from Rev. and Mrs. Zehnder's sons and daughter. Their son, Rev. Robert Zehnder, pastor of St. Mark's Lutheran Church, Hollywood, with his wife and children, attended.

Other members of the clergy present included Rev. H. Goers of Lutheran Church of the Redeemer, Sanford; Rev. John Watkins, Our Saviors Lutheran Church, Orlando; Rev. James Kunze, Trinity Lutheran, Orlando; and Rev. W. Kimberly, chairman of the District Mission Board.

Chairman of the reception committee was Mrs. Viola Flessner and her co-chairman was Mrs. E. Larson. They were assisted by members of the Ladies Guild.

A beautiful three-tiered cake decorated with red roses was donated by Robert and Wray Hazel Cookles, mints, coffee, or punch also were served. Paston Zehnder's favorite color, red, was used in decorations.

Business Briefs

PHILADELPHIA, Aug. 18 —Food Fair Stores, Inc. reported record sales for the first quarter of the current fiscal year at the annual stockholders meeting today.

Sales for the 12 weeks ended July 25, 1964, rose to \$245,583,909 from \$241,805,658 in the similar period a year ago.

Earnings were severely affected by a prolonged strike in the Baltimore area, it was reported by Samuel Friedland, chairman, and Louis Stein, president. Net income for this year's first quarter declined to \$1,428,225 as compared with \$2,582,358 for the same year-ago quarter. Earnings for the current period are equal, after preferred dividends to \$20 per share, against last year's \$36 per share, both calculated on the average number of common shares outstanding on July 25, 1964.

Rev. Anderson Is Appointed For Free Methodist

Appointment of Rev. Carl Anderson, recently of Belfast, North Ireland, as new minister of the Free Methodist Church of Sanford, 510 W. Fourth Street, was announced this week.

Rev. Anderson has completed 38 years in the ministry. He served eight years in the pastorate and 16 years in the superintendency in New York State and Maine. He has just received a 20-year pin for service on the church's Commission on Evangelism.

A native of Massachusetts, Rev. Anderson and his wife, Dorothy Myrtle Anderson, pioneered in the opening of new work in Alaska and in Maine. Mrs. Anderson is author of many religious articles.

In 1961 they were sent to Ireland where he served as pastor of the church while organizing another and working towards a third. Speaking of his work there, Rev. Anderson notes the difference in meeting families in Ireland and in this country. In Ireland, he says, one meets the entire family in one room, from the eldest to the youngest, and often married children and their families, all grouped around the coal fire. Here, he comments, one is apt to find each member of a family busily engaged in work or hobby in a different room.

Cuba Suspends Its Overseas Purchases

NEW YORK (UPI)—Cuba has ordered its foreign trade representatives overseas to suspend further purchases abroad, bank sources said today.

They said that only parts and supplies needed for the sugar and nickel industries and a medical research center were excluded from the order.

The drastic curtailment was interpreted to mean that Cuba has spent more than it has taken in, and now must retrench.

The order confirmed recent National Foreign Trade Council (NFTC) speculations based on reports from the financial Times of London and the New York Journal of Commerce that near chaos in its own finances would force Cuba to suspend credit for foreign purchases.

Bank sources said the stop-buy edict issued from Havana last week also ordered an end to all negotiations not falling within the exempt categories, and suspension of all letters of credit including those for purchases already made.

The order clarified hitherto unexplained recent shifts in top Cuban economic posts. In the past seven weeks, Cuba has ousted Regino Boti as economy minister, Marcelo Fernandez as president of the Cuban National Bank, Maj. Alberto Mora as minister of foreign commerce and set up an unprecedented sugar ministry.

Geneva Youths Plan Saturday Activities

By JoAnn Hays

The Geneva Youth Club will hold a wiener roast, business meeting and a dance at the Community Hall in Geneva this Saturday. The wiener roast is scheduled to begin at 6 p. m., the business meeting at 7:30 p. m. and the dance at 8 p. m. All members and their parents are encouraged to attend.

Membership in the club is open to all young people of Geneva and surrounding areas 13 years through high school age. A dance is held at the Community Hall every two weeks.

Officers of the club, which now has 35 members enrolled, are Jack Tillman, president; Horace Johnson, vice president; J. V. Stowell, secretary; Jennifer Coe, treasurer and Margaret Ellis and

Tony Whiting, recreational directors. Serving as adult sponsors for the group until October are Mr. and Mrs. Oliver Mathieux who urge parents of teenagers and all other responsible adults in the area to give their support to this organization. Attendance of at least one adult man and woman is required at each club activity. Those interested in assisting may call Mrs. Mathieux or the club president for additional information.

Area Cub Packs To Participate In Cub-O-Ree

By Jane Casselberry
Cub Scout Packs 340 of Casselberry and 240 of Altamonte Springs will participate in the Wekiwa District Cub-O-Ree to be held Saturday from 1-7:30 p. m. at Mead Gardens, Winter Park.

Theme for this year's cub-o-ree will be "Family Fun" and a day of varied activities is planned for the cubs and their families.

Registration is from 1-2 p. m. and the pinewood derby, space derby, skills, handicrafts and activities for the younger children will take place from 1-4:30 p. m. Pack activities are scheduled from 4:30-5:30 and each family should bring its own picnic supper to eat from 5:30-6:30.

At Akela's Council, to be held from 6:30-7:30, all awards, cub-o-ree patches and participation ribbons will be presented. A bon fire will be lit by Explorer Post 38 of Altamonte which will also present authentic Indian dances to climax the day. Closing ceremonies will be at 7:30 p. m.

Pack 240 is in charge of the shot put and some of the other events include discus throw, javelin, electric eel and fish pond.

PFC. Lavender In Exercises

Army Pfc. Henry M. Lavender, son of Mr. and Mrs. James M. Lavender of 121 E. Jenkins Circle and a member of the Seventh Infantry Division, participated in Exercise CAFE, a two-day combined firing exercise in Korea last month. The exercise

stressed the teamwork of armor, artillery and infantry in tactical situations under simulated combat conditions.

Lavender, 19, is assigned as a rocket launcher in Company B, First Battalion, of the division's 17th Infantry, regularly stationed in Korea. He entered the Army in June 1963 at Fort Gordon, Ga., and is a 1963 graduate of Seminole High School.

Finishes Course

Army Pvt. Douglas O. Cruce, son of Mr. and Mrs. Leonard H. Cruce of Star House, Sanford, has completed advanced training as a Hawk missile crewman at Fort Bliss, Texas. Cruce, 20, entered the Army last February and completed basic training at Fort Jackson, S. C. He is a 1961 graduate of Oviedo High School.

Longest Show On Earth

The longest running show in the world is not a Broadway musical but, of all things, the armistice talks at Panmunjom, Korea.

The word "show" is used advisedly because these negotiations—the longest in history, now going into their 12th year—have become real tourist attractions.

Civilians and servicemen on pass, from both North and South Korea, visit the steel corrugated hut at Panmunjom where they can look through open windows to see the long table placed exactly on the truce line. Americans on one side of the table and Communist Koreans and Chinese on the other trade stares and charges day in and day out.

Actually, Panmunjom is only one scene in the longest running show of all—the one called the Human Comedy.

Here's Cork In Your Eye

A West German medical bulletin reports an increasing number of patients coming to the Berlin Clinic with eye injuries. The cause: prosperity.

It seems that people in the Bundesrepublik are getting smacked right and left with corks from champagne bottles, which are discharged with a force of 60 pounds per square

inch, four times normal atmospheric pressure.

The rise in eye injuries corresponds exactly with an increase in the consumption of champagne—from two million bottles in 1952 to 70 million in 1960.

A new class of society has grown up, inexperienced in the technique of opening bottles, the bulletin explains.

Care To Join?

Undoubtedly the most eggheadish organization in the world is a society called "Mensa." The only qualification for joining it is the brains to score higher than 98 per cent of the general population on an intelligence test.

Purpose of Mensa, which has some 5,000 members, chiefly in Britain and the United States, is to promote contact between intellectuals and to spark the interchange of ideas on any and all subjects. Chapters in different cities hold regular meetings to bring members and minds together.

Recently, the American branch of the society queried a large number of former members to find out why they had let their memberships lapse. The most common reason given was: "Did not like other members."

Thought For Today

When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come.—John 16:13.

Dr. Crene's

Worry Clinic

Prof. Richardson mentions two good points so you teenagers must beware lest you become costal-riders. Many young men use their dad's car as a status symbol and imitate the Prodigal Son's supposed popularity.

CASE T-453: Willis Richardson is a former college professor of Earlham and Franklin Colleges.

"Dr. Crene," he began, "I am now retired but serve as pastor of a Friends Church."

"My interest in teenagers still persists, so I wonder if you could outline the psychology of money, both as a status symbol and also as a proper reward for diligent work."

Many young people are deluded into rating their companions on the basis of the brand of automobile the latter's dad owns.

Or the Country Club membership and similar recreational privileges enjoyed.

But everybody should face up to the terse fact that it is really your own personality that must carry you through life.

Your dad's swanky car can't make you a self-reliant, popular person any more than the Prodigal Son's dad could help him.

In that Bible story, you may recall that the Prodigal Son fastidiously pater out of his share of the inheritance.

Then the Prodigal went to the neighboring metropolis and patronized the night clubs.

The THOUGHT he was very popular, falling to note that it was his dad's money that surrounded him with false friends.

For when his purse was empty, nobody offered him a drink or even a hamburger.

In fact, he got a job feeding hogs and had to eat their fodder to keep alive!

So beware that your apparent popularity isn't due to your dad's car or your family's Country Club membership!

Real popularity arises from a person's ability to pay sincere compliments and smile and make his comrades feel happy.

You can do this without money, for a smile doesn't demand even the spending of a dime.

A lot of giddy girls may surround the boy with a sports model car, but they usually want to be able to boast later about riding in such a machine.

It isn't fondness for the boy that makes them flock around him, but their own selfish vanity, which will be inflated by casually mentioning their familiarity with this brand of car!

Social climbers of all age brackets will thrus affect friendship for celebrities just so they can boast later.

As regards money, kids who are given an allowance, are being trained to a false notion of economics.

Instead, every erid should earn his own spending money preferably on the piece work plan.

Parents should set a fair price on certain standard chores around the house, even for kindergarten tots!

Adjust the work to the child's age and strength. But don't teach children to expect something for nothing!

Life makes no allowances for you, so parents should realize that fact and quit offering children an allowance.

"Easy go," is the slogan that applies to folks who have been reared on gift money (allowance plan).

So send for my booklet "20 Ways to Earn Spending Money," enclosing a long stamped, return envelope, plus 20c.

IS THERE NO END TO THIS SEA?

Truth-In-Advertising

WASHINGTON, D. C. — Franklin, a businessman, called honestly the "best policy," and Menden, a close observer of the human comedy, defined conscience as "the fear somebody's looking." A letter has come to me from assistant secretary of commerce, James Merton, who commends a study in self-regulation by the \$12 billion advertising industry. Secretary Merton says it's "a significant report on the operation of private enterprise in . . . public responsibility." Well, maybe.

Historically, of course, honesty was invented by businessmen. There is literally no other method of conducting trade and credit. Indeed, under modern conditions, the advertising industry has to live by "conscience" because somebody's always "looking." Among the States, only Alaska, Arkansas, Delaware, Georgia, Mississippi and New Mexico, do not have truth-in-advertising laws and, of course, the

federal surveillance and harassment are what caused the Advertising Advisory Committee to submit this pious self-survey to the Commerce Department. There is a lot here to prove that the advertiser doesn't commit any deliberate and outrageous wrongs. But do they take much "public responsibility?"

Something can be said, I suppose, for the incessant huckstering of soap and deodorants. The radio-television commercials on these subjects are tiresome and insulting to the adult mind, but there must be some social gain if people are encouraged to keep themselves cleaner and nastily inoffensive.

The Commerce Department report makes a great deal over the legal staffs which clear advertising copy at Lever Brothers and Proctor & Gamble, and over the 122 laboratory workers, including physicians and other scientists who develop or pass on Revlon advertising. In a country that is hurting for highly educated specialists to win the Cold War, you can't help but think that useful manpower could be put to higher purpose.

The good that advertising does in the distribution of products and stimulation of competition stands entirely aside, or above, the regulatory factors. It's encouraging to note, still, that a good many Americans are literate and in no need for absurdities of auditory and visual huckstering.

The media of print has long held to high standards and protects its readers by editorial integrity. The New York Times will permit a shoemaker to boast of "an" outstanding value in footwear, but not "the" outstanding value. The New Yorker regularly turns down \$400,000 a year rather than accept bogus or bad-taste claims by manufacturers and retailers. The Reader's Digest won't accept ads for tobacco or alcohol, not because the publishers are prudish but because they will not have the magazine's articles tell one story and the ad-columns another.

It is probably a safe generalization that most newspapers and magazines are masters of their own shops, whereas it is notorious that radio-television live by its advertisers. The big firms which buy the airtime are positioned to take a lot more social responsibility than they do.

We saw a degrading example of irresponsibility during the Republican Convention when the Huntley-Brinkley team went to great lengths of stage-acting to pretend that their reporter, John Chancellor, was a victim of news suppression. I don't suppose NBC will be cited under the California truth-in-advertising statutes, but the network was certainly violating truth, making the USA look like a country where cops molest reporters—and doing all this for the sake of selling a sponsor's goods.

This misrepresentation is far worse than an ad which gulls a few customers. Public opinion, rather than federal-state regulations, eventually will do the correcting. But the advertisers would be smart to make a policy of honesty before it becomes a necessity.

Political Notebook

WASHINGTON (NEA) — The major problem I found in South Viet Nam is the instability of the Khanh government.

This instability leads to indecisiveness. Orders are given, then changed. Plans are made, then altered and altered again.

Important posts aren't filled because Gen. Nguyen Khanh's government can't agree on the appointees. Men of small ability remain in high office; first-rate generals languish in unimportant posts.

Field generals and province chiefs too frequently are given vague orders or conflicting instructions, I found on my tour of the war area.

As a result, the over-all program for winning the war limps along. In a few spots, the new concepts are being carried out with dispatch. But many bureaucrats, local officials and local army leaders are marking time, waiting to see what is going to happen.

Meanwhile, top men in the Khanh government fight among themselves. Some ambitious general try to expand their spheres of authority. There are frequent reports that a coup is imminent.

U. S. government representatives here have made up their minds that an overthrow of the Khanh government would be disastrous. They are, therefore, working on steps to prevent either.

U. S. officials are co-operating with Khanh in the development of personal security measures that would make it more difficult for an assassin to reach him. They're helping in the reorganization of his personal intelligence setup. They have given him advice on the formation of a crack unit of troops to defend Saigon in the event of an attempted coup.

U. S. military advisers stationed through South Viet Nam now carefully watch the movement of Vietnamese field army troops to make certain that none make a sudden drive for Saigon to help put over a coup. These U. S. Army advisers have been ordered to "discourage" any such troop movements.

In Saigon, high U. S. officials have made it clear to South Viet Nam's top Army leaders that the U. S. would consider a coup disastrous in its effort.

At the same time, U. S. Ambassador Maxwell Taylor, Deputy Ambassador U. Alexis Johnson, Lt. Gen. William C. Westmoreland and the heads of the U. S. Information Agency and of the Agency for International Development in South Viet Nam have started meeting regularly with Khanh and his top military, economic and propaganda aides every Friday morning as a sort of joint war strategy board that will work out the over-all conduct of the war.

This will, it is hoped, give the war more firm direction from the top.

The coming sharp step-up of U. S. advisers in the province and with Vietnamese divisions, regiments and battalions will make certain that the new firm top direction will be carried out in the field.

U.S. Gains From Aid

By Walter W. Heller
President's Council of Economic Advisors

While America's current record-breaking prosperity is common knowledge, we often overlook its human benefits. This nation's 42 straight months of continuous economic expansion has meant new jobs, more take-home pay, steady prices, and higher profits. It has meant personal as well as national well-being.

Today, 1.2 million more people have jobs in the United States than six months ago. Unemployment is down and there are over 2 million more people working today than in 1960.

Average weekly earnings in manufacturing hit a new high of \$103 in May. This is a gain of \$3.74 in 12 months.

American businesses large and small are reporting record profits. This has led to new investment and new high in the Dow-Jones average of stock prices. In the past eight months alone, the Dow-Jones average rose 140 points.

Incomes generally have reached new levels. The \$11.3 billion Federal tax cut enacted last February coupled with overall prosperity have together meant a gain in the past year of about \$500 in annual income for a family of four. Taken together, the estimated after-tax income of the American people in the second quarter of this year was running about \$20 billion above a year earlier.

At the same time, the U. S. has enjoyed unusually stable prices. The wholesale price level is the same as it was a year ago and "lower" than it was six years ago. Similarly, consumer prices have remained stable, up only 1.5 percent in the past year.

The Federal deficit for fiscal 1964 was down \$3.6 billion from the estimates made in January, 1963.

This deficit drop resulted from (1) a gain in Federal revenue and (2) a decrease in Federal expenditures. The U. S. government showed an increase in revenue of about \$2.5 billion over the estimates made a year ago. Coupled with a drop in the number of Federal employees, the closing of unnecessary government facilities, and other efficiency programs, we are in the unusual position of showing a "lower" deficit than originally estimated.

Finally a special note on retail sales. The advance reports for June shows that sales maintained the strong May rate, despite two slow weeks. Sales were 4.2 percent above June of 1963 and almost 14 percent above June of 1960.

The vigorous showing of the retail trades is but one more proof that we are enjoying the most comprehensive prosperity in U. S. history.

off to the pleasure that beckons.

AQUARIUS (January 21 to February 18)—Starting out early to the outside activities that are vital to you and kin is only what is kind and good wise. Be a good friend. Speak when talking about associates.

PISCES (February 19 to March 20)—Deep meditation and study is required if you are to get the ideas that bring more success, happiness in the future. Don't think you have to go to far-off places. Your gold mine is nearby.

IF YOUR CHILD IS BORN TODAY, he or she will find it relatively easy to comprehend all modern trends, but the desire here is to become successful in whatever has been well established, orthodox. However, a happy combination of the two is the right path for your enterprising and intelligent progeny. Smart education along both lines for best possible results.

"The Stars Impel, they do not compel." What you make of your life is largely up to YOU!

MONDAY, AUGUST 24, 1964

GENERAL TENDENCIES: A wonderful day for you to combine your overall aims and wish for what you really want and then confiding in one who can help you to attain aims is wise in a m. You are thinking very clearly, you find the more than anxious to combine their ideas and talents with yours. Much that is profitable and cultural can be accomplished. Dig up old friends.

ADVICE (March 21 to April 19)—Some time spent in thinking about what you really want and then confiding in one who can help you to attain aims is wise in a m. You are thinking very clearly, you find the more than anxious to combine their ideas and talents with yours. Much that is profitable and cultural can be accomplished. Dig up old friends.

TAURUS (April 20 to May 20)—If you get in touch with your own feelings, you find the more than anxious to combine their ideas and talents with yours. Much that is profitable and cultural can be accomplished. Dig up old friends.

GEMINI (May 21 to June 21)—There are many opportunities for you to gain your aims and ambitions, but you must make the effort to go after them. Show that you have the ability. Be on the quiet.

CANCER (June 22 to July 22)—If you are cognizant of what is expected of you by higher powers and that you can now be more affectionate, live more harmoniously. Follow your husband. Intuition is accurate.

LEO (July 23 to August 21)—If you are cognizant of what is expected of you by higher powers and that you can now be more affectionate, live more harmoniously. Follow your husband. Intuition is accurate.

VIRGO (August 22 to September 22)—If you cooperate with associates, you find that your aims are far easier to reach. Get out and celebrate with them. Keep them on time, buy, sell, etc. with vim.

LIBRA (September 23 to October 23)—Offering your best performance should have your stamp of artistic and meticulousness. Others will follow your lead if you labor diligently.

SCORPIO (October 24 to November 21)—By joining with persons whose talents are similar to yours, you can make a new and interesting career for yourself. Progress quickly. Please read item all the mental tension in p. m.

SAGITTARIUS (November 22 to December 21)—Offering your best performance should have your stamp of artistic and meticulousness. Others will follow your lead if you labor diligently.

CAPRICORN (December 22 to January 19)—Seeking vital data in an interval part of today's work, but don't neglect regular duties either. Set up appointments early. Keep them on time, buy, sell, etc. with vim.

AQUARIUS (January 20 to February 18)—If you spend more time taking care of your own affairs instead of trying to help others so much, this can be a very profitable day. Later you can be for more generous.

PISCES (February 19 to March 20)—You have the humility of the truly great, but you can make great strides forward. Know what you want and get it!

Miami To Build Medical Unit

CORAL GABLES (UPI)—The University of Miami said Thursday it will use a \$1,654,000 grant to build and equip a medical research facility.

President Henry King Stanford said the federal grant, which must be matched by donated funds, is the largest in the history of the school.

The money, from the U. S. Department of Health, Education and Welfare, was part of \$29,492,366 in grants which were spread among 60 institutions.

First woman medical doctor in the United States was practicing as early as 1869, according to the encyclopedia Britannica.

Come to Church Every Week

NEW HOPE

Sometimes the future looks black; we can't see a glimmer of light anywhere . . . and we ask for help without really expecting an answer. But we're wrong. Even that small word, "help" means that we have realized our own inadequacy and turned to something outside ourselves for guidance.

Called, or not called, "God is an ever-present help in trouble." And whenever we ask Him to intervene, our lives are filled with new hope and inspiration.

He does not ask us to worry about the future. In fact, He doesn't intend us to worry at all. Worry indicates uncertainty and fear, and these have no place in Christian living.

Perhaps you are thinking "That takes greater faith than I'll ever have!" But you forget God's help. Perfect trust . . . serene peace of mind . . . these are your birthright. And your Church will teach you to attain them.

THE CHURCH FOR ALL - BE FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every citizen should attend services regularly and support the church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the church itself, which needs his moral and material support. How to go to church regularly and read your Bible daily.

Civil Rights Plank OK'd

ATLANTIC CITY (UPI)—Democratic platform drafters approved unanimously a plank today asserting that the new civil rights law "deserves and requires full observance by every American and a fair, effective enforcement if there is any default."

They then went on to other sections of the party document, including an anti-extremist plank denouncing by name the Communist party, the Ku Klux Klan and the John Birch Society.

The civil rights plank was described as acceptable to delegates from both the North and South. It declared:

"We re-affirm our belief that lawless disregard for the rights of others is wrong—whether used to deny equal rights or to obtain equal rights."

"We cannot and will not tolerate lawlessness..."

Meanwhile, the party was trying to resolve a convention fight over the Alabama and Mississippi delegations and avert a split which could only help the Republicans in November.

The party was all set to nominate Lyndon B. Johnson for President and his still unannounced choice for running mate, whoever he may be.

That will come on Wednesday night. But the controversy over seating the two Southern delegations was a blow to party harmony and officials hoped it could be settled before the opening gavel falls at 7:30 p. m. EST in Atlantic City's mammoth Convention Hall.

Under a decision made Sunday by the credentials committee, the Alabama delegation could take its seats by taking a loyalty oath to support the national ticket in November against the GOP's Harry M. Goldwater and William E. Miller.

But most of the Alabamians refused on the ground that they should not be asked to take a pledge not demanded of all delegations.

An Alabama delegate, Earl Goodwin, said members of the group will take their seats at tonight's opening session of the convention but will leave if they are refused full standing. He said they would not stay in the hall if "they don't want us."

Hardin also predicted "a vast majority" of the delegates who voted 33-3 against the pledge Sunday are now willing to sign it. He said the delegation was under pressure from other Southerners to stay in the convention to preserve both Southern and party unity.

"I feel," Hardin said, "that I have resisted up to the point where it is pointless to resist." The Mississippi case was more complicated inasmuch as it involved a seating contest between an all-white regular party delegation and a predominantly Negro Mississippi Freedom Democratic party group.

Meanwhile, the party was trying to resolve a convention fight over the Alabama and Mississippi delegations and avert a split which could only help the Republicans in November.

The party was all set to nominate Lyndon B. Johnson for President and his still unannounced choice for running mate, whoever he may be.

That will come on Wednesday night. But the controversy over seating the two Southern delegations was a blow to party harmony and officials hoped it could be settled before the opening gavel falls at 7:30 p. m. EST in Atlantic City's mammoth Convention Hall.

Under a decision made Sunday by the credentials committee, the Alabama delegation could take its seats by taking a loyalty oath to support the national ticket in November against the GOP's Harry M. Goldwater and William E. Miller.

But most of the Alabamians refused on the ground that they should not be asked to take a pledge not demanded of all delegations.

An Alabama delegate, Earl Goodwin, said members of the group will take their seats at tonight's opening session of the convention but will leave if they are refused full standing. He said they would not stay in the hall if "they don't want us."

Hardin also predicted "a vast majority" of the delegates who voted 33-3 against the pledge Sunday are now willing to sign it. He said the delegation was under pressure from other Southerners to stay in the convention to preserve both Southern and party unity.

"I feel," Hardin said, "that I have resisted up to the point where it is pointless to resist." The Mississippi case was more complicated inasmuch as it involved a seating contest between an all-white regular party delegation and a predominantly Negro Mississippi Freedom Democratic party group.

Mobs Storm Four South Viet Towns

SAIGON, Viet Nam (UPI)—Howling mobs of anti-government rioters today stormed through at least four of South Viet Nam's biggest cities and stoned a hotel where 500 of the U. S. troops helping fight the anti-Communist war are billeted.

The American GI's took shelter behind the smashed windows of their rooms in the city of Da Nang while student-led mobs battled with Roman Catholic villagers armed with guns and hand grenades.

Crowds of demonstrators estimated at more than 15,000 persons surged through city streets as a nationwide wave of anti-government lawlessness threatened to boil over into religious warfare.

Ten thousand Buddhists burned Roman Catholic stores and houses in the coastal city of Qui Nhon, battering their victims with clubs and sending scores of persons to hospitals.

Students headed a mob of 4,000 to 5,000 rioters who roared through the oil imperial capital of Hue, overturning desks and furniture and setting it afire while police outside directed traffic and refused to interfere.

Mrs. Gottlieb, now an honorary president of the Florida Federation and also a director of the American Humane Association, said that in Florida only 18 of the state's 67 counties have a dog ordinance.

Asked if she approved leash laws which are now being enforced in various cities and counties, Mrs. Gottlieb replied: "I certainly do. It's not only good for the protection of the people and property but it's also a protection for the animals. Dogs," she said, "should not be permitted to roam the streets any more than children."

Johnson said that once a local society was established, "We will need a full time employee and part time administrative help. Our one employee would be salaried but administrative work could be carried on with volunteer personnel."

Temporary officers were named along with a nominating committee. As soon as the committee is ready to make its report another meeting of interested persons will be held to elect officers and set up a program.

Shot Accidentally
Robert E. Averett of 850 In-salia Dr. was treated at Sem-nole Memorial Hospital Sunday after he accidentally dropped a .32 pistol and the pellet entered his left leg.

Two public hearings upon which action was tabled at the last meeting, will be continued.

Asked if she approved leash laws which are now being enforced in various cities and counties, Mrs. Gottlieb replied: "I certainly do. PARTICIPATING IN EFFORTS to organize a Seminole County Humane Society Saturday were (from left) Mrs. Ruth Gottlieb, a director of the American Humane Association and immediate past president of the Florida Association of Humane Societies, R. T. Johnson of Sanford, and Miss Edith Sweetzer, president of the DeLand Humane Society.

Humane Society Being Formed

First steps in organizing a county-wide humane society were taken here Saturday. R. T. Johnson of Sanford conducted a meeting of interested Seminole citizens and Mrs. Ruth Gottlieb of Pensacola, the immediate past president of the Florida Federation of Humane Societies, explained how to get the group established.

Mrs. Gottlieb was assisted by Mrs. Edith Sweetzer, president of the DeLand Humane Society.

"Our purpose," said Johnson, is to obtain the necessary land and funds to construct a shelter. Meanwhile," he added, "we will be seeking to obtain memberships in the organization and to arrange a feasible agreement with city and county authorities to enforce the Sanford dog ordinance and any wishes the County may have in this area."

Two public hearings upon which action was tabled at the last meeting, will be continued.

County Board To Meet Tomorrow

The Board of County Commissioners will convene at 9 a. m. Tuesday for its bi-monthly meeting. Chairman James P. Avery said this morning that "As far as I know there's nothing on the agenda other than routine matters."

Two public hearings upon which action was tabled at the last meeting, will be continued.

Island Due To Be Hit Late Tonight

SAN JUAN, P. R. (UPI)—Hurricane Cleo, leaving 14 dead and mounting damage in Guadeloupe, raked the southern coast of Hispaniola today and aimed 140 mile an hour winds at Jamaica.

The coast of the Dominican Republic received a glancing strike from the small but violent hurricane when the center passed 40 miles offshore. But the southwest peninsula of Haiti took a pounding from the winds, torrential rains and storm tides.

The weather bureau warned Jamaica that the hurricane, first of the season, was expected to pass over the island late tonight and Tuesday morning.

Southeastern Cuba was expected to escape the brunt of hurricane winds but the Havana weather bureau warned by radio today that residents of southern Oriente Province should take precautions. Premier Fidel Castro ordered many farm families moved out of low-lying areas along the southeastern coast of Cuba.

Cleo's center was passing just south of the southwest peninsula of Haiti this afternoon. Forecasters predicted it would pass about 40 miles south of Les Cayes, Haiti, near the western tip of the peninsula, about 5 p. m. EST.

The center was located at 11 a. m. (EST) about 90 miles south-southwest of Port Au Prince, Haiti, near latitude 1.2, north longitude 72.8 west. This was about 270 miles east of Kingston, Jamaica. Cleo was holding on a course between west and west-northwest at a slightly reduced speed of 14 miles an hour.

Cleo's progress recalled the battering hurricane Flora gave Haiti, Cuba and Jamaica last year. That storm isolated the southwestern Haiti peninsula for weeks and killed an estimated 4,000 persons.

Flora also killed an estimated 2,000 persons in southeastern Cuba before moving into the Atlantic. Although Jamaica was on the southern "weak" side of Flora, flash floods accounted for 11 deaths and \$12 million in property damage.

Commissioners are expected to authorize Bill Hutchison, city attorney, to prepare an ordinance for adoption of the 1964-65 budget; consider recommendations of the Zoning and Planning Commission.

Goldwater In New York To Woo Business

NEW YORK (UPI)—Republican presidential candidate Barry M. Goldwater flew here today to mend fences with eastern business leaders and left angry pressmen behind at the barricades.

Police and Goldwater aides kept reporters and photographers behind barricades at La Guardia Airport when Goldwater's private plane touched down after a flight from Washington.

The one question that Goldwater answered was whether he planned to see Mrs. Claire Booth Luce, who refused his telephone request last week to give up her plans for the senatorial candidacy on the ticket of the Conservative party of New York.

"No-o-o," shouted Goldwater.

The first fall meeting of the Seminole-DeBary Division of the Florida Heart Association will be held Tuesday at 8 p. m. Plans for the coming year will be formulated at that time, Merla Warner, secretary, reports.

Casselberry's Town Council goes back into session tonight to complete a meeting it is continuing from Aug. 10. The session will get under way at 7:30 p. m., according to Town Clerk Mary Hawthorne.

From the mailbag to Dottie Austin, city editor of The Herald: "I wish to take this opportunity to express for the boys and girls committee of the Kiwanis Club, our appreciation for the very excellent and timely coverage you gave us in connection with the 'Kids Day' program." A soothing balm to all scribes. The letter was signed by John W. Wilson, committee chairman.

Inland Waterways Attract Industry, Make Jobs

By Julian Stenstrom Associate Editor

"Because of the heavy traffic the waterway bears throughout the year, a great deal of commercial activity, which gives employment to thousands, has sprung up along its shores," writes Frank A. Montgomery Jr., author of an extensive article entitled "Waterways Along
