## Sanford Veterans' Day parade in jeopardy

By Christopher Patton Managing Editor

For the first time since the World War II ers, Sanford may not have a Veterans' Day parade.

During a special called meeting of the Seminole County Area Veterans Advisory Council Saturday at the American Legion on Sanford Avenue, representa-tives unanimously voted to pull their perade permit.

The council represents the American Legion, Paralyzed Veterans of America, Disabled American Veterans, Fleet Reserve, Submarine Veterans Seminole County, Casselberry Veterans and Veterans of Foreign Wars.

Leaders of these groups said they were making their action known because they felt the city of Sanford was not being fair with parade permit requirements. At the top of their list of complaints for the Nov. 11 parade is a \$1 million liability insurance policy naming the city as a co-insurer.

According to city officials, the same insurance requirements has been asked of the veterans groups for the past three years.

"The same insurance requirements were there for the previous years," said Al

#### St. Johns maintains tax rate

The St. Johns River Water Management District's Governing Board adopted its fiscal year 2003-2004 budget and voted to maintain its current tax rate for a third consecutive year.

Following the second of two public hearings, the board gave its final approval to the district's \$196.8 million budget for the fiscal year that begins Oct.

1. The idopted Sudget reflects \$36.8 million budget for the fiscal year that begins Oct.

In the dispress years that year included in the current year's spending plan but could not be completed by the end of this fiscal year. Those funds, called rebudgets, were not included in the tentative budget introduced in July.

The board also approved holding steady at its 0.462 millage rate. Under a 0.462 millage rate - 46.2 cents for every \$1,000 of assessed property value — the owner of a \$100,000 house who claims the standard \$25,000 homestead exemption would pay \$34.65 per year in property taxes to the district.

From 1960 to 1965, thousands of Central Florida younglings remember Mr. Magic on the children's vari-scelevision show Uncle It's Adventures, airing every weekday afternoon on channel six.

He, however, for seven years lived his lifelong dream during five tours for four different circuses as resident ringmaster and magician. As ringmaster, Wise was also responsible as the general manager of the big top, which was not a small task considering there was about two shows a day for weeks straight. Usually, the only breaks were to travel.

The circus was a hard task but it was fun," he said. "And I always wanted to be a circus ringmaster."

Perhaps Mr. Magic's great-est fame came in the "Dr. Jekyl and his Weird Show." The midnight ghost show promised an array of ghastly sights and Wise delivered with a real-life Frankenstein, Muserny and other horriftent helpen. The show totaled and throughout the United States,

"You're going to tell a Vietnam Veteran he can't be in the parade," he said.

# Firehouse Subs turns up the heat on the competition

By Michelle Donahus Special to the Herald

LAKE MARY — Local sub-connoisseurs are fired up about the Firehouse Subs-shop located at 3579 Lake Emma Road, in the Kmart

shopping plaza. Customers can't help but appreciate the attitude, atmosphere, and most especially, the appetizing menu. The lighthearted tone is set by the hearty greeting given to visitors upon their first step inside the restaurant.

Smiles and courtesy abound while the staff works diligently to quickly customize subs to order. A separate pick up counter insures

that orders called or faxed in can be processed with con-venience as well.

The fun, fire station décor only adds to the easy ambiance, with chairs vividly painted fire engine red sur-rounding tables adorned with Dalmatian spotted tops, and artistic murals of firemen in action depicted on the walls. Other rescue related para-phernalia enhances the visual

But the blazing hot point of the encounter is undoubtedly the food. Firehouse Subs is so unique in flavor that a person has to taste it for themselves to understand the difference. Mike Kelly, area developer for the Central Florida region and

owner of the Lake Mary Firehouse Subs, said that it is the combination of quality product and the sub creation process that is the secret to their uniqueness.

"So many people have told me that Firehouse Subs are the best subs they've ever eaten, though they have trouble putthough they have mouse put-ting their finger on exactly why," Kelly said. "The key is that we steam our meats and cheeses together and then put them on a specially selected roll that we have toasted sep-

The Firehouse Subs menu offers something for everybody, with four different styles to choose from including classic hot subs, old-fashioned sandwiches, and cold tune and chicken saled subs.

The favorites of most patrons, however, are found under the fourth category, "Hot Specialty Subs." Subs like the Hook & Ladder, the Engine Company, and the Firehouse Hero, (to name but three), offer a half pound of meat when ordered as a large. Firehouse also offers signature hot sauce, award winning chili, and brownies that have a distinctive, dark chocolate

In addition to these delicious menu items, every kids' meal comes with a free fire hat, a sure recipe for success for the whole family.

the company is constantly expanding.

"We're getting calls from all over the United States, even as far away as California, expressing interest in opening our stores," Kelly said, and explained that the company has a very methodical expansion plan in place. "We want to do it right, and that means we work at being fully prepared as we launch into new territories."

It is interesting to note that such success sprung from a dream that began in the hearts of two fire-fighting brothers, Robin and Chris Sorensen of Jacksonville. They started the

company in 1994 on a credit card account donated by a relative, and to their pleasant surprise, their idea took off like wildfire. Since then the company has expanded to more than 100 stores in eight states.

While bragging rights are certainly in order, the founders have not forgotten how it all started, and offer the opportunity of Firehouse Subs shop ownership to those who are willing to work hard, through their American Dream Ownership Program. Burke, Hogue & Mills Associates, Inc. is pleased to announce that they have recently completed design of the new. Center for Community Care for Hospice of the Comforter in

Altamonte Springs.
This 24,300-square-foot, 2-story building will provide much needed administration and training space. It is the first of several buildings to be built on the recently assembled prop-erty. Jack Jennings and Sons, as General Contractors, will begin construction soon.

In a separate project, Burke, Hogue & Mills Associates, Inc. announced that

construction has begun on the Environmental Studies Center in Longwood.

This multi-use educational facility for Seminole County Public Schools in cooperation with Seminole County, was designed by Burke, Hogue & Mills, and is being constructed by United Enterprises.

Designed as a replacement for the existing structure, the new 11,500-square-foot

**Environmental Studies Center** allows for public use, as well as updated learning environments for students, a transformed environmental museum, and a multi-purpose room for public

lectures and demonstrations. This Florida vernacular structure is designed as a modi-fied "dog-trot" in a unique angled shape to take advantage of prevailing breezes coming off Lake Jesup. Located off State Road 419 on

Osprey Trail, this new facility is adjacent to the expanded Cross Seminole Trail, and will provide a unique stop-off for individu-als and families utilizing the trail for outings.

The firm also announced that Gary P. Marchese, P.E. has been named a principal in the firm.

Marchese, a licensed engi-neer, has worked at BHM for over five years. As head of the Construction Administration Department, he supervises contract administration, specification compliance, construction design compliance, as well as coordinating continuing educational opportunities as it applies to design and technical aspects of construction.

## Bank construction continues

Herald photo by Tommy Vincent

Construction work continues on Sanford's newest bank facility. AmSouth Bank is opening a branch office in Sanford at the southeast corner of State Road 46 and Rinehart Road. The facility is expected to be complete by the end of the year. City planners expect other businesses to build new facilities in the same general area of S.R. 46.

Burke, Hogue & Mills Associates, Inc., an Architecture and Interior Design firm of over 29 years, is enthusiastic about the progression of its staff.

#### First National Bank of Central Florida opens new branch

#### Airport selects a new name for industrial park

Orlando-Sanford International Airport, which launched a \$1.6 billion expansion program last year that will almost continuously see new construction through the year 2020, has selected "Sanford Airport Commerce Park" as the new name for its adjacent 395-acre industrial park.

Diane Crews, vice president of administration at the airport, said about 240 acres remain to be developed in Sanford Airport Commerce Park and she is currently exploring plans with several commercial developers. According to a Florida Dept. of Transportation Economic Impact Study pre-pared by Wilbur Smith Associates, a major U.S. engineering, planning and economic consulting firm, Orlando Sanford International Airport currently generates more than \$1.7 billion annually in area economic activity.

"Economic activity at Orlando Sanford International Airport effects the entire Central Florida region," said Crews.

Commercial and visitor activity facilitated by the airport generates more than 26,000 jobs with an annual payoll of more than \$574 million, Crews said. The airport has reported record passenger

## Diary

Marthoso through the worst sector of Beginded. The flat tire was on the right rear and we had no space. I put my humvee in the center of the patrai, these vehicles, as it was the one with the flat.

We were going so allow on a back road to the camp that Sgt. Bites jumped out of his truck, which was in front, and started taking photos of the tire while Sgt. Coe and his driver SPC Gleger were calling on the radio, sercastically, about our tire "being a little low." It was both streams and humorous at the same time. However, we realized that we were flopping along on a bushed the through the same areas where we'd been ambushed before.

I felt like a wounded drack flopping.

ambushed before.

I felt like a wounded duck flooping down the street. Hed we been hit there was no way that we could have got out of there on a flat tire, we would have been sitting ducks in a shooting gallery. I thought it was symbolic of this whole operation, hopping around like a duck without a space. The vehicles are always breaking down because of the wear and lear, space parts are scarce, lines are practically non-existent, just like real food is scarce. Anyway we made it back safely but the tire was nothing but mince meat.

My patrol was sent out to a hospital this morning because of a drive-by shooting that occurred there. The assailants fied the some leaving no injuries. While there, I told the [Iraqi] guards [at the hospital] to divide up their ammunition as they only had a few rounds. I inspected one guard's AK-47 and found he had no ammo at all.

3 Sept. 2003 I guess you heard that a car bomb went off at one of our police stations here. I can hear distant Iraci gunfire right now as I write this. We were not involved with the police station bombing, but I was at another station and picked it up on the base radio. I think they said there were 45 casualties. This was the station by the JOC [ Joint Operations Center ] which is a little too close for comfort. There were two MPs killed in Baghdad the other day but not from our unit. This place has got to be the bloodiest place on earth. That UN bombing by itself was enough blood and gore to last a lifetime.

4 Sept. 2003 I have a humorous story to tell. We were on patrol with my A-team vehicle in the lead of two other vehicles. We went through a large mud puddle about the size of a small lake in the middle of the highway.

The water splashed over the hood and thoroughly soaked Raymaker, my gurner. You could not see through the water as it was so much of a drenching, coming right over the hood and roof. Raymaker who was in the turret got soaked. I heard activities yell something but it sounded like he

oiv was gazgling.

We had been instructed to "force "I "Kylinite" ourselves to prevent becoming a heat casualty, so I guess Raymaker got "forced hydrated."

I saw the CSM [Command Sergeant-Major and the regimental commander [2nd US Cavalry Regiment| at chow reading the Fort Mellon to Baghad books and pointing things out to each other. They told me they want to donate some things to the Sanford Museum. They really love these books and the 2nd Cav's connection to Seminole County. That's why they'd like to donate some captured artifacts from here because mey know it would be properly exhibited for everyone to see and not end up in some G.Ls closet where nobody would see it. Also they asked if you can send them three more

copies of "The History of Fort Mellon." [Editor's note: The "From Fort Mellon to Baghdad" and "History of Fort Mellon" books are available at the Sanford Museum and the Museum of Seminole County History. The first book was written by Staff Sgt. Carlson's father, Charlie C. Carlson II. The second book was written by Christine Kinlaw-Best.]

Forrest and Sean Coyle joine the force as fulltime officer and Edward. Edward Genec entr ertment as a reserve minimum of 20 hours of serv-ice per month. The three fulltime officers are all Central Plorida residents, however, Smart is originally from Pennsylvania, Forrest heils from Maryland and Coyle comes from New York.

Smart and Forrest are new

to law enforcement, but Coyle is a former Lake Mary police officer. The trait they do all share, is they sought work on the Sanford force because of its active nature.

"It's just something I've always wanted to do," Forrest said about public law enforcement service. Smart and Covie also desire to eventually become K-9 officers.

"I've been wanting to do it since I was little," Smart said. With the new arrival of officers the police department remains at 111 sworn total

positions as the 'newbies' will

replace several departing police officials.

"I think these four officers here are gled and eager to work in Sanford," said Chief Brien Tooley. "We're happy about the fact that they're here."

Looking at the horizon, boley could also be expect-ng five new officers thanks to the help from the federal Office of Community Oriented Policing Services (COPS). arrived on the scene they were faced with another serious issue. Apparently as the truck tipped, the gasoline tank was punctured causing gasoline to pour from the truck onto the roadway.

According to Mark James of the Sanford Police Department, the truck holds 60 to 70 gallons of gasoline in each of its two tankers. Only one of the truck's tankers was ruptured, so it is estimated that 70 gallons of gasoline were released from the truck, much of which poured into the city's storm water drain and traveled directly to Lake

Because of the gasoline spill, oncoming traffic was detoured in both directions from Mangoustine Avenue to First Street until approximately 10 a.m. while crews cleaned up the wreckage.

Preliminary investigations show that the cause of the accident was a shift in the truck's load while traveling around the bend. However, speeding has not been ruled out at this time.

Benitez was transported to Central Florida Regional Hospital in Sanford with nonlife threatening injuries. He was treated and released Tuesday morning.

Lake Mary Mayor Thomas Greene will kick off this year's festival for artists and patrons with an opening ceremony. The family event has several activities planned for all ages.

For the fourth year, the Rotary Club will host a car and truck show during the festival. The show is open to all makes and models, with trophles being awarded in various categories both

days. Various entertainers will grace the stage throughout the day, including singers Adriane Truex and Bobby Smith. Miriam and Valerie's Schools of Dance Art will also perform.

The festival has something for everyone," said Lake Mary Commissioner Michael McLean, a member of the art festival committee. "Dads like cars, kids like the playground, moms like the art. This is a good way to enhance the enjoyment of the show for everyone. It has worked out really well."

This year's festivities are dedicated to Leo Trepanier, who, since 1988, has donated the use of L & L Acres for the art festival. Trepanier passed away last year, but according to festival committee members, will be at the event in spirit.

## **Mistakes** proving costly to Rams

By Deart Smith Sports Editor

Another gritty and determined effort by the Lake Mary football team was again tamished by mistakes as the Rams fell to Buchholz, 21-14, at Citizens Field in Gainesville last Friday.

While it was turnovers that doomed Lake Mary against Oviedo, It was penalties that proved to be the Rams' undoing this week.

Lake Mary (1-3) took a 6-0 lead early in the sec-ond quarter as the Rams' defense continually stifled the Bobcats' offense.

Led by All-American linebacker Kelth Rivers, the Lake Mary 'D' held the Bobcats (3-1) to only 17 total yards in the openenoa.

The Rams finally broke through when Jon Clark, making his first this season at quarterback, threw seven-yard scoring strike to Justin Scott.

But the Buchholz defense also proved to be very strong, Lake Mary only rushed for 85 yards on 33 attempts in the game with 28 of those carries going for five yards or less, and when unior quarterback Alex Thompson caught fire in the second period, the hosts took the lead for

Jon Clark (top) threw for 109 yards and a touchdown and also ran for a score for Lake Many and Att-American Keith Rivers (No. 45, above) followed up a good offensive game against Oviedo with a monster performance on delense in a losing effort against Buchholz last Friday.

# Liberty Christian teams romp in openers

By Shellie Knowles Special to the Herald

**CLERMONT** — Two-time defending Florida Christian Athletic League state champion Liberty Christian School opened the 2003 football season last Friday with a 102-6 rout of Citrus Heights. It was the team's 23rd straight

Quarterback Jason Williams connected on 30 of 36 pass attempts, five of them for touchdowns. He also rushed for one touchdown, ran back interceptions for two more TDs and ran into the

end zone for a two-point conversion. Considering the Patriots scored more than 100 points, the offense started the game sluggish and was unable to move the ball on its first possession. The Citrus Heights Eagles took over and made it to the 15-yard line before Liberty Christian free safety Dave Barnes intercepted the ball in the end zone and ran the length of the field for the first touchdown of the game.

That opened up a scoring frenzy as the offense was nearly unstoppable after the big return.

Wide receiver Mark Tayanyan led the way with nine receptions, two of which went for touchdowns. Wide out Jason Jenkins led the scoring with 22 points, and also catching a pair of passes for two-point conversions.

Out of the 14 Patriots who played, nine scored.

While the offense was dominant, the defense may have been even better, coming up with a total of nine intercep-

Free safety Dave Barnes had four of the interceptions, returning three for touchdowns. He also had six tackles." Williams led the team in tackles with 14, while Ryan LaRose and Jenkins both had seven.

The lone Citrus Heights touchdown

came at the end of the third quarter. "Our boys have been practicing for six weeks, anxiously awaiting this first game," said head coach Ron Williams. They have been champing at the bit for an opportunity to face a real opponent on the field. They were like caged lions just waiting for the chance to get out there and have some fun. And I must say, they had a lot of fun."

The Patriots host Bear lake in their home opener at 2 p.m. this Friday. The team plays its home games at a field on Airport Boulevard, just inside the

Sanford Orlando International Airport. The Liberty Christian School girls volleyball team began its season in fine

making three touchdown receptions fashion on Friday with a sweep of the

Citrus Heights Eagles in Clermont. The Patriots came out aggressive and played strong the entire game, winning 25-15, 25-16 and 25-14.

The Liberty offense was steady with senior co-captain Shellie Knowles and freshman Brittany Unsworth leading the way

Knowles was the leading scorer with 14 points, while Unsworth scored 13 points, eight of which came on service aces. She also had four kills.

The Patriots' defense certainly didn't take much abuse from the Lady Eagles. Senior captain Susan Clark scored four points, two coming on service aces, and freshman Nicole Miller made four saves and scored four points. Sophomore Shawna Kealoha made three kills and scored four points, while junior Kim State scored four points, including a pair of aces.

"It was a great first game," said Coach Jane Unsworth. "Brittany and Shellie exploded at the line, but we have a lot of areas we still need to improve in before our next game."

That next game is this Friday when the Patriots host Bear Lake in their home opener at 1 p.m. at the Liberty Christian School gymnasium at 2626 S. Palmetto Ave. in Sanford.

## Rivera to start at QB for UCF

Special to the Herald

UCF head football coach Mike Kruczek has named junior Jon Rivera the starter at quarterback for Saturday's home game with Buffalo.

Rivera will replace Ryan Schneider, who is out with a

shoulder injury. Schneider will be re-evaluated next week. The start for Rivers snaps a streak of 34 straight starts at quarter-back for Schneider, the third longest streak in school his-

For just the second time in 13 seasons, UCF will have its starting quarterback miss a start due in injury. Vic Penn was the last UCF quarterback to miss a start due to injury during the 2000 cam-

palgn. Rivera was 3-for-4 for 36 yards and an interception last week at Kent State. The New Jersey native also ran five times for 20 yards.

The Golden Knight (1-3, 0-MAC) hosts Buffalo (0-5. 0-1 MAC) in Mid-American Conference action Saturday at the Florida Citrus Bowl. Kickoff is set for 6 p.m. in the second MAC game for both schools in 2003.

Last week, both schools faced MAC opponents from the state of Onio. UCF committed eight turnovers in a 36-16 loss at Kent State while Buffalo dropped a 38-21 decision at home to Akron.

The Bulls own the nation's longest losing streak as they have dropped 15 straight games. The last time Buffalo won was at Rutgers in 2002. The Bulls topped the Scarlet Knights 34-11 last season in New Jersey.

The Golden Knights are looking to even their record at 1-1 in the MAC and also snap a two-game losing streak.

Tickets are available by calling the ticket office at 407-UCF-GOLD or on-line at www.ticketmaster.com.

Live coverage on the UCF ISP Sports Network (radio) begins at 4 p.m. with the pregame show. In Orlando, the game can be heard on 740 - The Team (WQTM), with Marc Daniels, Garry Parris and Jerry O'Neill calling the action.

Saturday's game is the fifth meeting between the two schools including the fourth game played at the Florida Citrus Bowl. UCF is a perfect 4-0 all-time vs. the Bulls while averaging 49.5 points per game.

Last season at Buffalo, UCF won 45-21 behind five touchdown passes by Schneider. The five touchdowns through the air were a season-high by a MAC quarterback in 2002. Schneider also ran for a score, giving him the only See UCF, Page 8

Continued from Page 7 Teaming with senior receiver Bo Smith, Thompson led the Bobcats down the field

with Smith going the final 45 yards to give Buchhoiz a 7-6 lead. Smith ended the game catching 148 yards worth of passes, 95 in the second

quarter alone. The Rams showed signs that they were ready to get something going, but each time it seemed they were hit with a crucial flag, ending hopes of taking the momenturn away from Buchholz. Lake Mary finished the game with as many penal-ties, eight, as first downs accounting for 72 yards in

Despite being held to only 46 rushing yards on 28 carries by Rivers and company, the Bobcat running game accounted for the rest of the

home team's scoring.

Herman Brown rushed for two touchdowns, including a game-clinching one-yard run 'in"the fourth quarter, that gave Buchholz an insurmountable 21-6 advantage.

Clark tried to rally his charges, capping a Rams drive with a two-yard touchdown run and then getting a

two-point conversion. The highlight of the drive rebound catch and run by Pernell Bush that bounced off the back of a Bobcat defender.

But Lake Mary would get no closer.

Clark ended the night with 109 yards passing, but was only 5-for-13 on pass attempts in the game.

Thompson also threw for a lot of yards, 195, but he was also under 50-percent (9-of-19) on pass completions.
As usual Rivers was the

talk of the game, as he was in on 18 tackles and had a fumble recovery.

Trinity Prep also let one slip away as the Saints dropped a 20-16 home decision to St. Edward's School from Vero Beach. Trinity Prep took a 14-0

lend and was up 14-6 at half-time and 16-6 in the third Ti quarter before the Pirates (2-2) scored two second-half touchdowns to drop the Saints to 0-4.

Trinity Prep's first score was set up by Zack Zimmer's fake-punt pass to wide receiver Ryan Wenass that led to a 25-yard touch down pass from Kyle

Chance to Drew Daugherty.

The Saints extended the lead to 14-0 on their third possession with Luke Adams going the final 11

St. Edward's got back into the game late in the second quarter when junior quarter-back Joe McAuliffe threw an 88-yard touchdown pass to John Snipes.

Trinity scored what would prove to be its final chints of the game on a safety after McAuliffe's knee touched down in the end zone when

he was fielding a punt snap. But the Pirates defense came to the rescue as Burnell Martin jumped on a fumble at the Trinity Prep 20-yard line late in the third quarter. After a holding penalty against the Saints, Dan Casale motored 10 yards for a touchdown and Rowland Ordonez kicked the extra

point to cut the lead to 16-13. Field position would come a McAuliffe punt buried Trinity at the seven and an ensuing punt gave St. Ed's the ball at the Saints' 29.

Six plays after that, McAuliffe swept right for a two-yard touchdown with 3:35 left for the lead.

The hosts mounted a final drive, but it ended when Snipes batted away a desperation pass in the end zone to end the contest.

One local team did have good news on Friday, however, as The Master's Academy evened its record at 2-2 with a 32-0 whitewashing of Jupiter Christian in Oviedo.

This week's schedule finds everyone back to playing on Friday night with several big district encounters on the

The three biggest games find Lake Brantley hosting undefeated Oviedo, which is 3-0 and ranked No. 13 in this week's Class 6A PSWA State Poll, and Lake Mary wel-coming DeLand in Class 6A-District 2 and Lyman heading to Orlando to tackle unbesten Timber Creek in Class 5A-District 5.

In other 5A-5 contests, Winter Springs looks to remain tied for first as the Bears go to Oak Ridge and Lake Howell looks to break into the win column for the first time at winless Freedom. In a 2B-District 4 game, Trinity Prep will host Wildwood.

In non-district games, Seminole will be at Eau Gallie and The Master's Academy hosts Brevard Christian.

## Big bouts dominate MFW October card

Special to the Herald

VFW Post 8093 in DeBary will be hopping next Saturday (October 11th) when Mid-Florida Wrestling holds its monthly card.

The October line-up has four bouts scheduled that could be main events in any given month.

The scheduled Main Event not only has the Tag Team Title on the line, but as a sidelight the current champions, the Crude Alliance of Bill Crude and J.J. Vegas will bet its hair against the masks of Cpl. Wright and Nightmare.

The Semi-Main has Heavyweight Champion NightStalker putting his belt on the line against Devious Danny.

In a Hardcore Texas Bull Rope Match, Levi Mullins goes after the belt of champion Phil Crude.

In a Contendership Match for the Cruiserweight crown, Rouge battles El Diablo.

And in a singles match, Anti Mime takes on Tarantula.

Doors open at 7 p.m. with Bell Time set for 8 p.m. at the VFW at 351 Highway 17-92 (386-668-8640).

Ticket prices are \$8 for adults and \$4 for kids ages 6-to-12 with children 5-andunder free.

As an added incentive if you bring in a canned food item you will receive a \$1 off the ticket price. Bring in additional food items and you will receive ticket towards winning door prizes.

ST, JOHNS RIVER WATER MANAGEMENT DISTRICT GIVES WRITTEN NOTICE OF INTENDED DISTRICT DECISION

The District gives notice of its intent to issue a permit to the ing applicant(s) on September 19, 2003: Maytair Country Club, 3536 Country Club Rd, Santord, FL 32773, application #3827. The District proposes to allocate 0.013 million gallons per day of groundwater to irrigate 4.3 acres of golf course. The withdrawals used by this proposed project will consists of groundwater from the Floridan Aquiler via 2 active wells in Seminole County, located in Section 4, Township 20 Soutti, Range 30 East, known as Maytair Country Club.

The files(a) containing each of the above-listed application(a) are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District Will take action on each permit application issed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120,569 and 120,57, Florida Statutes Chapter 26-106 and 40C-1.1007, Florida Administrative Code (FA.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.599 and 120.57, FS., or all parties may reach a written agreement on mediation as an afternative remedy under Section 120.573, FS. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures tor pursuing mediation are set forth in Section 120.573, FS., and Rules 28-108.111 and 28-108-01-405, FA.C. Petitions must comply with the requirements of Florida. Administrative Code, Chapter 28-106 and be filled with (received by) the District Clerk, located at District Headquarters, 4049 Reid Street, Palatka, Florida 32177.

Petitions for administrative hearing on the above application(s) must be filed within hventy-one (21) days of publication of this notice or within hventy-six (26) days of the District depositing this notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.
