Garbage Plan Hit By 203 Residents

By DONNA ESTES

LONGWOOD — Petition said to have been signed by 203 residents of the city protesting plans to initiate city-owned and operated garbage service has been presented to the City Council. No action was taken on the petition, however, and no indication was given on whether the city has abandoned its former plan.

Percy White, former councilman, presented the petition. He said 207 persons had been contacted and only four declined to sign the document. "The people want freedom of choice," White declared, pointing to the present situation whereby property owners can choose which of a number of garbage collectors operating within the city to serve.

White made it clear at the same time that the petition was not against city trash collection. While with others at a Council meeting two weeks ago insisted the city should provide trash collection free of charge

Revised Water Rate Eyed At Longwood

By DONNA ESTES

LONGWOOD — City Engineer William Palm has suggested to the City Council a revised rate schedule for water service to "correct inequities."

In a written report to the City Council Palm urged that rates be changed to provide that "higher users pay a rate sufficient to pay for operation and maintenance costs of the system."

Palm said a review of the existing water rate schedule and operating expenses of the water system over the last two years has revealed that there are inequities which need adjustment in the present rate structure.

"The current schedule unduly penalizes the minimum user, who is usually a person with low income using small quantities of water," the engineer said. He contended the existing schedule allows 6,000 gallons for a minimum charge of \$3.50 while experience in other communities has shown that many low income people use 4,000 gallons or less per month.

"For these people the allowance of 6,000 gallons is in excess of their actual needs. On the other end of the scale the very large users of over 50,000 gallons per month pay only 20 cents per thousand gallons," Palm said.

He added that review of audits of the last two years indicates the average cost per thousand gallons for operation and maintenance only was approximately 21 cents per thousand gallons in 1969, ris-

Now at George Stuart's Buy the New Royal Apollo Electric Typewriter for only \$79.95... and Get a \$25.00 U.S. savings bond for only \$10

City Superintendent Ralph Fisher told the Council the non-coal tar product disolves with gasoline.

—Heard Mayor Robert Kallonski declare the week of Oct. 11 through 16 Clean up, Paint up, Fix up Week in the city. Kallonski said citizens during the period will be encouraged to beautify their homes and a city truck will be sent around town on the Saturday ending the period to pick up trash, etc. collected around town.

The mayor also proclaimed Sept. 17 through 23 "Constitution Week" to accord official recognition to this memorable anniversary and to the patriotic exercises that will form a noteworthy feature of the occasion.

—Adopted on first reading ordinance setting historic preservation zoning, annexing PRN Inc. properties on State Road 434 and on second and final reading rezoning the Webb Drug Store property on State Road 437.

64th Year, No. 20 Price 10 Cents

AROUND THE CLOCK

By JOHN A. SPOLSKI

Probably moments from the time you're through reading this, you'll gather the clan and head for one of the local high school football games.

A couple of things I'm hoping for... that your favorite team comes out on the top end of the score; that if there is any disappointment after the game, it'll be for nothing more than your team losing AND NOT BECAUSE THERE WAS AN INADEQUATE SOUND SYSTEM (and how many years have we been writing about that "jewel") and that the coaches will remember how hard ALL OF THE BOYS gave of their time and efforts during the practice sessions, and therefore would give each a chance at playing during the game.

If there was one wish I could have and it be granted... there'd be a statewide rule adopted requiring all those who earned the right to wear a high school uniform, be also recognized by playing a few minutes in each game, too. (And for the coaches who've now turned to another part of the paper... good luck anyhow, fellas.)

Salvation Army Captain Billy Lyons called... having one heck of a time keeping those in need with sufficient foodstuffs, etc. Their "pantry shelf" is depleted, what with an average of 5 to 10 families coming in to his office EVERY DAY and asking for help.

Perhaps some of the service and civic organizations around town could come to the Salvation Army's rescue? Give 'em a call at 321-2642 or 322-7895.

Aw, come on... will the guy who "borrowed" that cute brown dachshund puppy from the area of Lake Avenue and Myrtle Avenue in Sanford, please return it... with no questions asked?

The family's grief-stricken... In case you didn't know... Sanford's Halfway House has been closed, and NOT for the prevalent rumor going around that the kid there were smokin' pot... just isn't true. They're trying to reopen it again and will have a meeting for that purpose Monday evening at 8 in room 1195 at Seminole High School.

If you wanna help, then be there.

By-the-way... Dr. Perez will resume his Generation Gap Meetings again, the first of which is Sept. 27th at the Sanford Civic Center.

Political repressions, the likes of which we haven't seen around these parts since the last election, will take place at the Seminole County Commission meeting this coming Tuesday.

Is it true that there'll be a "hiring and a firing"...

In case you didn't remember... starting today and continuing through next Thursday, it's "Constitution Week". Do we really have to ask or remind you to fly the American Flag, especially so during this time period?

Those tickets we mentioned a couple columns back for the Florida-Georgia game in Jacksonville, in November via rails excursion... for the record, that same night, all of the tickets were purchased... there just "ain't no more"...

WHEREAS: Pollution is uppermost in the minds of all citizens of the United States and especially in the great and sovereign State of Florida, and

WHEREAS: The peoples all over the world know the sun shines the brightest and the air remains the purest in the great State of Florida, and

WHEREAS: Our several windshields, as we gather together for deliberations in Seminole County this evening are covered with the mangled bodies of "love bugs", so that we, as love, are totally blind, therefore,

BE IT RESOLVED: That we of the Seminole-Orange Legislative Delegation of the great and sovereign State of Florida resolve that love bugs shall be now and forevermore banished from the shores and the meadows and from the highways of the great and sovereign State of Florida.

Sterilization The Only Way!

By MARION BETHA

"The love-bug will getcha if 'ya don't watch out..." The popular ditty of a few years back was the note of a presentation by John A. Spolski to the hearing of the Orange-Seminole Legislative delegation last night, requesting state assistance in eradication of the pest.

Although Spolski elicited much laughter from the audience when the topic was mentioned, he nevertheless pointed out that it is a serious problem which is being overlooked, and which has gone beyond a local problem.

Spolski attacked the issue from four salient points, noting that safety was a predominant factor in driving with the clustering of bugs from all directions. Further, he said, there is an economic problem affecting the building industry in that painters and carpenters are hindered in their occupation.

Also, he said the unfavorable image of the "romantic" relative to tourism, with a consequent waste of taxpayer's money in advertising.

Rep. Eugene Mooney told Spolski that he is a member of the Agricultural Committee and would contact Tallahassee to ascertain the plans of this agency as well as the University of Florida entomologists.

Spolski "broke-up" the audience by his suggestion that the ultimate solution to romantic interlude of the amorous insects was sterilization of the love-bug. Rep. William Gorman answered "Yes, that's the way we controlled the screw-worm."

Following this statement bilirity was rampant, and continued with the statement by Sen. Ken Plante, and the matter should be turned over to Orange County Solicitor Tom Powell because "he's against obscenity."

However, in a serious vein, Plante said the problem was of magnitude because the love-bug has no known predator.

Rep. Robert Milburn, in a tongue in cheek attempt to placate the "bugged" newsmen offered a hastily prepared resolution culminating with the statement that the love-bugs are "forever banished from the sovereign state of Florida."

Headlines Inside THE HERALD

MIAMI—New indictments will be sought against state Rep. Carey Matthews of Miami and four others on charges of milking the now-bankrupt State Fire & Casualty Co., a government attorney says. (Page 5A)

JACKSONVILLE — It's a tough beat in Zone 3 on Jacksonville's near east side. There, policemen say they can expect a confrontation with a group of unruly youths almost any night. (Page 5A)

ORLANDO — Ready or not, the Walt Disney World entertainment complex will be coming to Central Florida Oct. 1. Many people feel Central Florida isn't ready. (Page 5A)

WASHINGTON — President Nixon says secret talks on his forthcoming trip to China are going well and hopes they will lead to a productive meeting in Peking. (Page 5A)

WEATHER — Yesterday's high 95 low 70. Partly cloudy through Saturday with a chance of mainly afternoon thunder-showers. Highs near 90 and low tonight in mid 70s.

Blame Laid On Judiciary Quality Of Education Attacked

"Democracy is degenerating into a despotism of the judiciary," So stated state Rep. William Gorman in an emotional discussion on education at a hearing of the Orange-Seminole legislative delegation.

Rep. William Gibson noted the quality of education is deteriorating due to the fact that the learning process is being slowed to the slowest learner in the class.

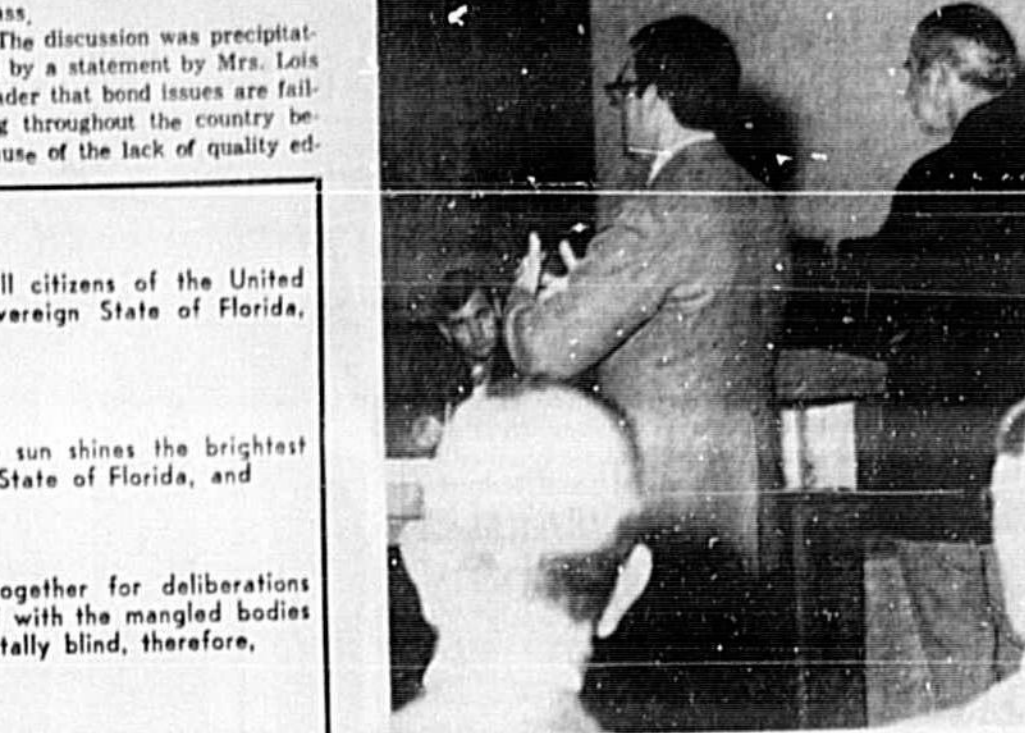

The discussion was precipitated by a statement by Mrs. Lois Hader that bond issues are falling throughout the country because of the lack of quality education and school boards are becoming a "rubber stamp" for federal programs.

She cited the non-graded system and pod concept, which were programmed to prevent failure, she said, but instead needs additional instruction, she said, they obtain it themselves since the teachers are busied with others in the class. She suggested a return to the self-contained classroom with a small teacher-pupil ratio.

Mrs. Hader also attacked the child guidance, program with its object of reaching every child in school. Mrs. Hader contended that more individual attention be given students with parents called if the need arises in emotional and educational problems. Gorman stated, "In other words, you'd like to teach the children to read?" Receiving an affirmative answer, he said "So would I."

John Butler Book, pastor of Northside Presbyterian Church, gave an impassioned dissertation, noting the parents should retain control of the child and the unlimited amount of money spent on education is not necessarily providing the child with the ability to read, etc. He contended that the three R's are being replaced with "omniscience, reproduction and revolution."

Rev. Book attacked forced busing and suggested the removal of the compulsory attendance law as a solution. He also castigated the non-graded system, saying a child must have a goal.

NORTH ORLANDO questions were presented by Mayor Granville Brown (right) and Village Attorney Thomas Freeman, at Rep. Eugene Mooney's listening session. (Don Vincent Photos)

Teenager Arrested In Arson

By BILL SCOTT

A 14-year-old Sanford youth was arrested Thursday by police on arson and breaking and entering charges, according to Det. Sgt. William Lyons.

Lyons said the teenager is accused of starting a fire that caused damage to the kitchen area of a house owned by C. C. and Nellie Lawrence and located at 2543 Palmetto Avenue.

The Lawrence are away on vacation. Lyons said, and added that someone took three trousseaus from a rear window, entered the kitchen and started a fire that burned the room curtains, table cloth and caused damage to a wall clock and wood paneling.

The detective added that the intruder also took time to eat ice cream and drink a cola before lying down in the bedroom for a snooze.

Several burned matches were found in the kitchen and outside a rear window by the detective, called by the Sanford firemen, who arrived in time to prevent the blaze from spreading to other sections of the house.

The detective added that a daughter of the Lawrence, from Casselberry, discovered the fire when she came to check on the house while her parents are away.

The accused was arrested after investigators found shoe prints in the sand beneath the rear window. The youth, who reportedly lives in the area, was observed by police and after a brief interrogation, admitted looking in the rear window but Lykens said a school notebook found in the house was identified by the father of the child as belonging to his son.

In a county report, an Orlando man has complained that he was robbed early today by two men who not only took his wallet after taking him for a ride along I-4 in Longwood but also took his pants.

The Lawrence Eugene Barnes, who lives at the Angelbit Hotel.

Hospital Building Sliced

Seminole Memorial Hospital trustees building committee this morning tentatively set \$10,200 from the proposed renovations and expansion of the hospital.

Entire trustee board action will be required before Watson and Company, hospital architects, can proceed with plans to delete certain items from the proposed expansion of the pathology laboratory, intensive care unit, surgical entrance and emergency room.

The morning's deletions reduced the expected total renovation costs to \$24,800 from the \$36,000, which was the low amount bid in an opening a month ago.

Of the \$24,800, the federal government through the Hill-Burton Act will fund at least \$80,000 and possibly more, to decide certain items from the federal funds allotted to other hospitals not used in the required time.

The expected actual costs to the Seminole County facility is placed at \$24,332 after today's plan changes.

The trustees have elected to go ahead with a planned hospital expansion instead of participating with the county in buying the Seminole Lodge Nursing home for a combination mental building facility and a hospital adjunct for the ambulatory patients.

Trustees still have not accepted the low bid since it came in higher than the \$36,000 the architect had indicated it would. Today's action is part of an effort to lower the overall cost to allow acceptance.

Legislative Needs Aired For Solons

BULLETIN

A woman was critically injured shortly after noon today when a Seaboard Coast Line train sliced her automobile in half at a crossing immediately south of the Lake Mary School. The woman, who was not identified, was taken to Florida Hospital.

City Asks Opinion On Laws

Sanford Mayor Lee Moore, in an appearance before the Orange-Seminole legislative delegation hearing last night, requests that the delegation ask the Legislature to propose an amendment in the state's public housing enabling laws, citing the problems encountered by the Sanford Housing Authority.

Moore requested the law be amended to include a minimum of five members and a maximum of nine. Mayor Moore said the interim mayor due to its ineffectiveness. Brown said that the legislative route with a referendum would be more expeditious.

Village Attorney Thomas Freeman explained that the best interest of the people of the village.

Senator Ducker, still presumed by the home rule route, noted a lengthy time consumed by consideration of the Legislature, but Freeman contended that the present charter calls for the election of a charter board and that it was difficult to get interested people, especially if they have to run for office.

Rep. Harvey Matthews questioned along the line of objections of citizens and negation to which he received a negative reply. Mayor Brown said that possibly five per cent of the people will "raise the devil" concerning the charter change.

Delegation Chairman William Gorman told the mayor to prepare the charter, with the inclusion of the referendum, and that the delegation would cooperate.

Also appearing relative to a charter change was Ronald Margman, city manager of (Continued on Page 3A, Col. 2)

Twin Forces

As Evident This Week 'Church Affairs Are Like Politics'

By REV. JOHN H. SIBLE
First Baptist Church

Decision and determination are twin forces of almost irresistible power and it is upon these forces we will center our thoughts today.

Decision is the forerunner that guides us out of the hazy wilderness of doubt and uncertainty into the sunshine of clear vision and starts us on the open road.

The world is in need of people who will stand on their own two feet and not depend on others all the time. We must start early in life for those who meet the smaller issues of life in a manly way, who have a conviction, who make definite decisions, are therein successfully preparing against the day of reckoning with larger ones.

Decision brings one to a definite conclusion, while determination brings the necessary power of will into action to force your purpose to accomplishment. Big things are done, as rule under stress and strain. "A man will make more progress in a storm than in a fog," says Dr. Gordon. Opposition develops the power to overcome. The person who forges ahead prefers a difficult task.

Paul, the apostle, said, "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

Let us all copy his decisiveness and determination as we live this day to the glory of God. His expression, "I press toward the mark," leads us to realize that Paul considered his task to be difficult. He never considered the ministry to be an easy responsibility. He was willing to suffer hunger, loneliness, poverty and imprisonment in order to carry out God's intentions for his life.

The greatest example of all is seen in the life of Jesus as He determined to give Himself as a sacrifice for our sins. Nothing could change His mind. He set His eyes on the cross and He refused to follow any other course.

As Jesus and Paul determined to carry out God's will for their lives, let us have equal conviction to face the difficult tasks of life with courage and boldness.

By GEORGE W. CORNELL
At Rehoboth, Del.

NEW YORK (AP)—Church affairs, like politics, produces some unexpected twists, shifts and potential alliances, all of which were evident this week in a couple of situations in Roman Catholicism.

In one case, the appointment of two U.S. priests for the Church's international synod in Rome next month ranked the National Federation of Priests' Councils, even though it regards the two men as friends.

Voicing disappointment, said that two other priests who have been representatively elected by their colleagues should have been named—but were passed over by the bishops.

In the other case, a conservative lay group, Catholics United for the Faith, sought to enlist both liberal and conservative groups in a combined protest against a move to replace temporarily steps for a representative Church council.

"The bureaucratic setup is simply not listening to lay organizations despite all the talk about broader contact and participation," said Kirby M. Sheridan, New Rochelle, N.Y., executive director of Catholics United.

"We believe this a problem in which all of us, whether liberal or conservative, can join in a united protest."

The unusual tactic was aimed at finding a committee, set up by the U.S. bishops, that formation of a nationally representative Church body, including both priests and lay delegates, is not feasible at this time.

The committee said some mechanism of shared decision-making is needed, however, and suggested its own pattern group, a 50-member advisory council designated by the bishops to assess the matter, might serve the purpose on an interim basis.

"This would mean the same old bureaucratic team still would be running the show," Sheridan said.

The call of the 6,800-member conservative group for joint simply not listening to lay

administrative board of the U.S. Catholic Conference, of Washington, D.C., joint operational arm of the U.S. Bishops.

As for the possibility of combined action by conservative and liberal groups on the matter, Ternes said it was an "encouraging idea."

The matter was being weighed this week by the administrative board of the U.S. Catholic Conference, of Washington, D.C., joint operational arm of the U.S. Bishops.

As for the possibility of combined action by conservative and liberal groups on the matter, Ternes said it was an "encouraging idea."

The matter was being weighed this week by the administrative board of the U.S. Catholic Conference, of Washington, D.C., joint operational arm of the U.S. Bishops.

In Chicago, the Rev. Francis J. Bonike, president of the National Federation of Priests' Councils, said it felt that trying to form a national representative body at this time would be premature.

Despite today's vote, the months long Senate fight over the draft bill will go on. Vietnam war critics and foes of any draft law have vowed to filibuster against Senate approval of the measure.

President Nixon reportedly agreed late Thursday to support a move to add \$30 million for military pay raises to a separate bill in an effort to increase Senate support for the house-passed draft bill.

And Vermont Gov. Deane C. Davis, responding to what he said was a request from Nixon, Thursday night appointed Republican Rep. Robert T. Stafford to fill the unexpired term of Sen. Winston L. Prouty, who died last Friday.

A spokesman for the Republican governor said the appointment was timed to provide an additional vote today against a motion by Democratic Leader Mike Mansfield of Montana to table or kill—the draft bill.

Stafford, a Republican, flew to Washington from Burlington, Vt., on a presidential jet to be on hand for the crucial vote.

Antwar fact said, however, today's vote would make no difference because they plan to mount a filibuster to block passage of the bill if Mansfield's motion fails.

Pastor's School To Last 3 Days

LEESBURG — A three-day "pastor's school" for United Methodist ministers of the Florida Conference will be held here Oct. 5-8 at the church youth camp.

The Rev. Walter N. Kalaf, Tampa, is dean of the school, and the Rev. John Simon of Deland is registrar.

Daily discussions on "The Role of the Church and the Minister" will be led by two guest ministers, Dr. James Thomas Laney of Atlanta, Ga., dean of Emory University's Candler School of Theology, and the Rev. Robert A. Raines, pastor of First Community Church, Columbus, Ohio.

The layman's "View from the Pew" will be presented by William Strangefellow, a Rhode Island attorney, author, and Episcopalian lay leader who was recently described by Time magazine as "one of Christianity's most persuasive critics from within."

Bishop James W. Henley, Lakeland, will lead the daily "Bishop's Hour" discussion on pastoral objectives and responsibilities.

The school will be followed Oct. 8-10 by the first of four consecutive weekend retreats for a total of 2,000 United Methodist laymen from throughout Florida under the direction of William A. Meadows Jr., Miami, state lay leader.

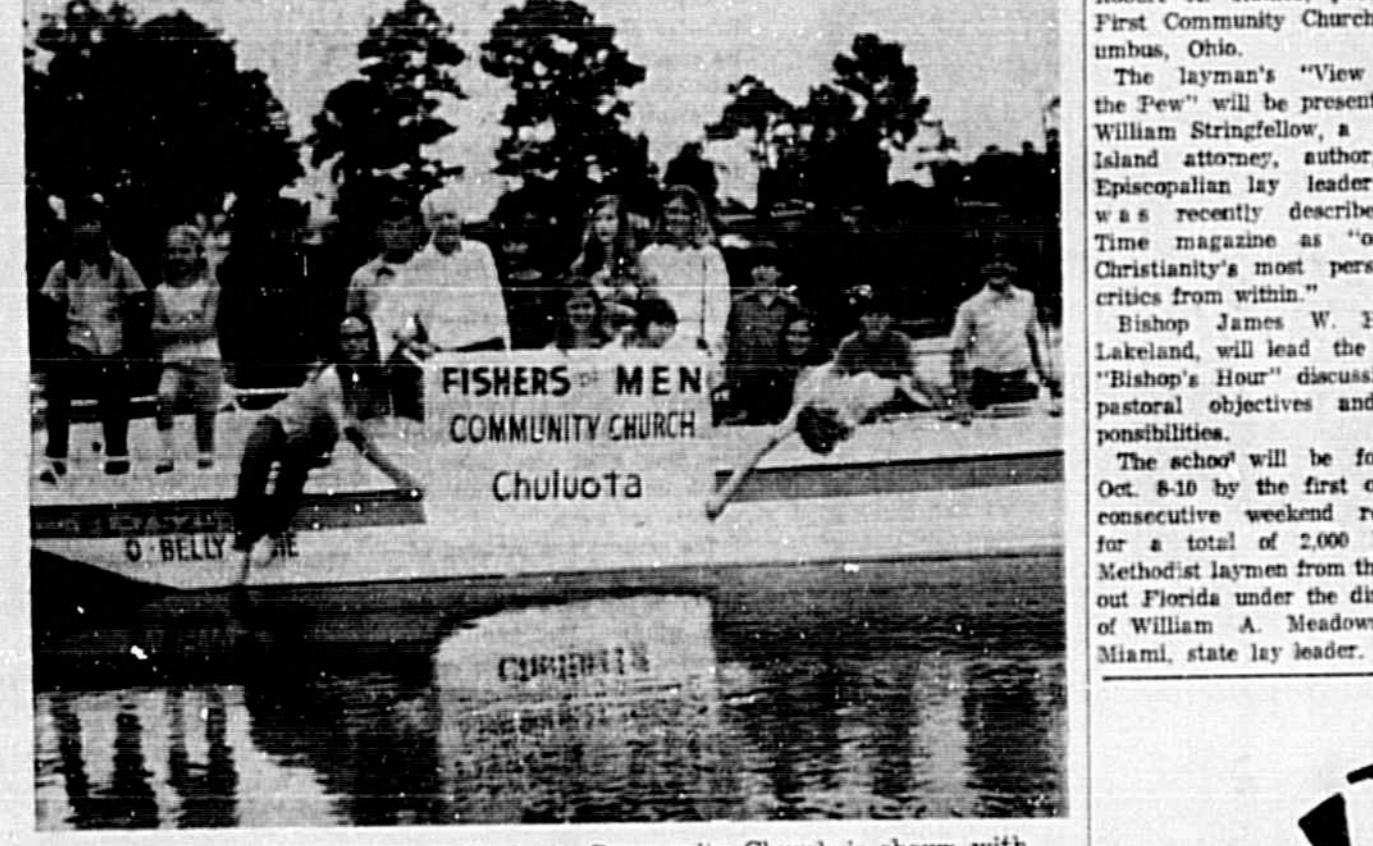

PREPARING for the high holy days — Michael Goodman, Cantor, (center) of the Temple Shalom of Deltona will officiate at the first Rosh Hashanah services in Deltona to be staged in the auditorium of the United Church on Providence Boulevard, Sunday, 7:30 p.m. and Monday, Sept. 20, 9:30 a.m. He will be assisted by choir members Jack Krueger (left), Mrs. Nathan Goodman, Jack Levinson and Albert Messman. (Staff Photo)

Presentation In Deltona Rosh Hashanah Services Set

The first Rosh Hashanah services will be presented by Temple Shalom in the auditorium of the United Church on Providence Boulevard, Sunday, 7:30 p.m. and Monday, Sept. 20, 9:30 a.m. Cantor Michael Goodman, assisted by the Temple choir, will officiate.

The quality and character of the High Holy Days differ from all other holidays in the Jewish year. The ten-day period beginning with Rosh Hashanah and concluding with Yom Kippur is known as the Days of Awe. The Jewish people are held up as a yardstick through worship, but the responsibility remains with the individual. This requires each to exercise self-control, insight into himself, and the ability to make the necessary changes in his life style.

The single most telling symbol of Rosh Hashanah is the blowing of the shofar, echoes in layers of mysticism and homiletical interpretations over the centuries. Today, the shofar calls remind us of the serious introspection demanded of us, and its sounds have a bone-chilling effect, reaching to the marrow of the human soul.

REV. GEORGE DOWNS of Chuluota Community Church is shown with a load of Sunday School students who are participating in the 90 day "Fishing Contest" which began Sunday. Each will receive a gold fish hook pin in the Junior and Teen classes and for each guest they bring to Sunday School, a gold fish stick pin. The one bringing the most will receive a medallion in the shape of a large gold fish with ICHTHUS engraved on it for "Jesus Christ Son of God, Savior." (Liza Baker Photo)

AREA CHURCH NEWS

THE TRUTH THAT HEALS

Church Celebrates Anniversary

DELTONA—Lutheran Church of Providence will celebrate the fifth anniversary of the first service of the church Sunday at 10 a.m. and all members and friends of the church are invited.

Special recognition will be given those who were present five years ago to charter members.

Rev. Wesley Ternes, son of Mr. and Mrs. Walter Ternes of the congregation, will preach.

The anniversary offering has been designated toward reduction of indebtedness on the church building. Following the service, there will be a buffet dinner with meat and beverage supplied. Afterward, there will be a social hour with film, community sing, and informal fellowship. Reginald Ford is chairman of the anniversary committee.

Deacon Will Be Ordained

Morris Ernest Leggett, of 809 Cherokee Circle, will be ordained a deacon Sunday at the 7:30 a.m. service by Elder Springs Baptist Church, Rev. B. H. Griffin, pastor.

Born in 1942, he attended several different schools in Central Florida, graduating from The Florida High School in 1960, where he was active in sports especially football.

He entered the Marine Corps in 1961 serving four years. After which he attended Lake Bumler Junior College for a year and a half before going to work for the Florida Highway Patrol in 1966.

Annual Meeting Planned

The Women of the Church of First Presbyterian Church will install officers for the coming year Monday at 7:30 p.m. in the sanctuary at the annual meeting.

All old and new officers are requested to be present. Annual reports will be heard.

There will be a dedication of the Least Coin Fellowship and all participating are asked to bring their contributions.

A Memorial Service will be held and the Life Membership Award will be presented.

Refreshments and fellowship will follow in Fellowship Hall.

The district women's meeting will be held at Ormond Beach Presbyterian Church at 9 a.m. to 1 p.m., Thursday, Sept. 23.

ST. LUKE'S LUTHERAN

CHURCH OF SLAVIA—Two classes of 30 adults in each class will start the Bethel Bible study Wednesday, Oct. 18, at 8 p.m. in the classrooms of the junior high building. Teachers will be Andrew Duda and Mrs. Jennie Cottam. Another class is scheduled to begin in January of 1972 and a fourth class in April.

All eighth grade students of St. Luke's Christian Day School are invited to attend the Wednesday afternoon Confirmation classes between the hours of 8:45 to 9:30 p.m. The first class will begin on Oct. 20. All eighth graders in the congregation are requested to call the church office by Sept. 10 so that an adequate supply of study aids will be available.

There are still openings in the church choir for persons from 16 to 61 so you who love to sing come along.

FIRST PRESBYTERIAN CHURCH will observe Church School Rally Day Sunday at 10 a.m. and a special program is planned.

The Women's Club held its regular meeting Monday and plans for the October Fall Festival at Camp San Pedro were discussed. Mrs. Meyer LaBellman (Anne), president, was hostess recently at her home to women of the parish. Refreshments were served and Fr. Michael Troy, pastor, told of some of his experiences on a visit to Ireland this past summer.

HOLY CROSS EPISCOPAL CHURCH rector, Rev. Leroy Soper attended a conference of all clergy of the Diocese of Central Florida at Camp Wingmann Monday through Wednesday of this week.

An Enquirers' Class for adults will begin Tuesday, Sept. 22, at 8 p.m. at the rectory at 161 W. Woodland Dr. Those who seek confirmation and are in the last years of high school or older are invited to attend.

STS. PETER AND PAUL CHURCH of Goldrod will sponsor a rummage sale this week-end from 9 to 6 next to the Goldrod Tire Company.

The Choir is now in full swing as two new members have been added. Mrs. Diane Bryan and Mrs. Kathleen Keenan.

The Women's Club held its regular meeting Monday and plans for the October Fall Festival at Camp San Pedro were discussed. Mrs. Meyer LaBellman (Anne), president, was hostess recently at her home to women of the parish. Refreshments were served and Fr. Michael Troy, pastor, told of some of his experiences on a visit to Ireland this past summer.

Nixon Scores Key Victory: Draft Bill Fight Goes On

WASHINGTON (AP)—The Senate defeated a compromise draft extension and military pay raise bill already approved by the House.

The vote was 47 to 36.

The action, a key victory for President Nixon, came on a motion by Majority Leader Mike Mansfield, D-Mont., to table the bill.

The President's draft authority expired on June 30.

Nixon, who made an eleven-hour concession on the bill's pay raise features to win over crucial votes, told a news conference Wednesday that scuttling the draft would jeopardize negotiations aimed at a mutual East-West arms reduction.

Despite today's vote, the months long Senate fight over the draft bill will go on. Vietnam war critics and foes of any draft law have vowed to filibuster against Senate approval of the measure.

President Nixon reportedly agreed late Thursday to support a move to add \$30 million for military pay raises to a separate bill in an effort to increase Senate support for the house-passed draft bill.

And Vermont Gov. Deane C. Davis, responding to what he said was a request from Nixon, Thursday night appointed Republican Rep. Robert T. Stafford to fill the unexpired term of Sen. Winston L. Prouty, who died last Friday.

A spokesman for the Republican governor said the appointment was timed to provide an additional vote today against a motion by Democratic Leader Mike Mansfield of Montana to table or kill—the draft bill.

Stafford, a Republican, flew to Washington from Burlington, Vt., on a presidential jet to be on hand for the crucial vote.

Antwar fact said, however, today's vote would make no difference because they plan to mount a filibuster to block passage of the bill if Mansfield's motion fails.

Vermont Aids Nixon's Bill On New Draft

MONTPELIER, Vt. (AP)—Spurred by President Nixon's appeal for help in today's Senate vote on the draft extension bill, Republican Gov. Deane C. Davis appointed Rep. Robert T. Stafford, R-Vt., to the U.S. Senate.

The surprisingly quick interim appointment Thursday night came one day after the burial of Sen. Winston L. Prouty, R-Vt., whose seat Stafford fills.

The Republican congressman is to be sworn in as a senator in time to vote in favor of the draft bill. Nixon said Thursday that defeat of the measure "would be one of the most irresponsible acts on the part of the U.S. Senate that I could think of."

Stafford is a lawyer who began his political career in 1947 as state's attorney in Rutland County.

A World War II Navy veteran who returned to active duty in 1953, Stafford later served two terms as state deputy attorney general, two terms as attorney general, then served as lieutenant governor and then governor before going on to Congress, where he was serving his sixth term.

Peter Martin, Gov. Davis' press secretary, said the governor had planned to make the formal announcement Saturday and as a matter of courtesy informed the White House of his decision.

Martin said that at about 4 p.m. Thursday, approximately the same time President Nixon was conducting an impromptu news conference during which he urged adoption of the bill, White House counsel Charles W. Colson phoned Davis.

Girl Fatally Injured By Falling Bldg. Part

By DONNA ESTES
LONGWOOD — Eleven-year-old Karen Lee Pulliam, daughter of Mr. and Mrs. Frank Pulliam Sr., of 825 Land Avenue, died at 10:55 p. m. Thursday from injuries received in an accident at a building site on Seminola Avenue between Wayman and Highland Streets.

A Longwood police officer today described his and neighbors' efforts to save the child's life within minutes after a roof truss and Mrs. W. J. Weaver and her son, James, pulled her to safety.

"But her heart had stopped beating. While I massaged her heart, Mrs. Weaver gave her mouth-to-mouth resuscitation. It sure felt good when her little heart began beating again under my hand. When the ambulance arrived to take her to the hospital, Karen was alive and I felt great."

"I love little children," Escalvan father of six, declared. "and Karen was just about the same age as my little girl."

"When I was called from Florida Hospital last night and told Karen died, I just couldn't do any more work. I just can't try to get her body from beneath the truss with help from neighbors (Herman Taylor and Kenneth Ohler). I lifted the

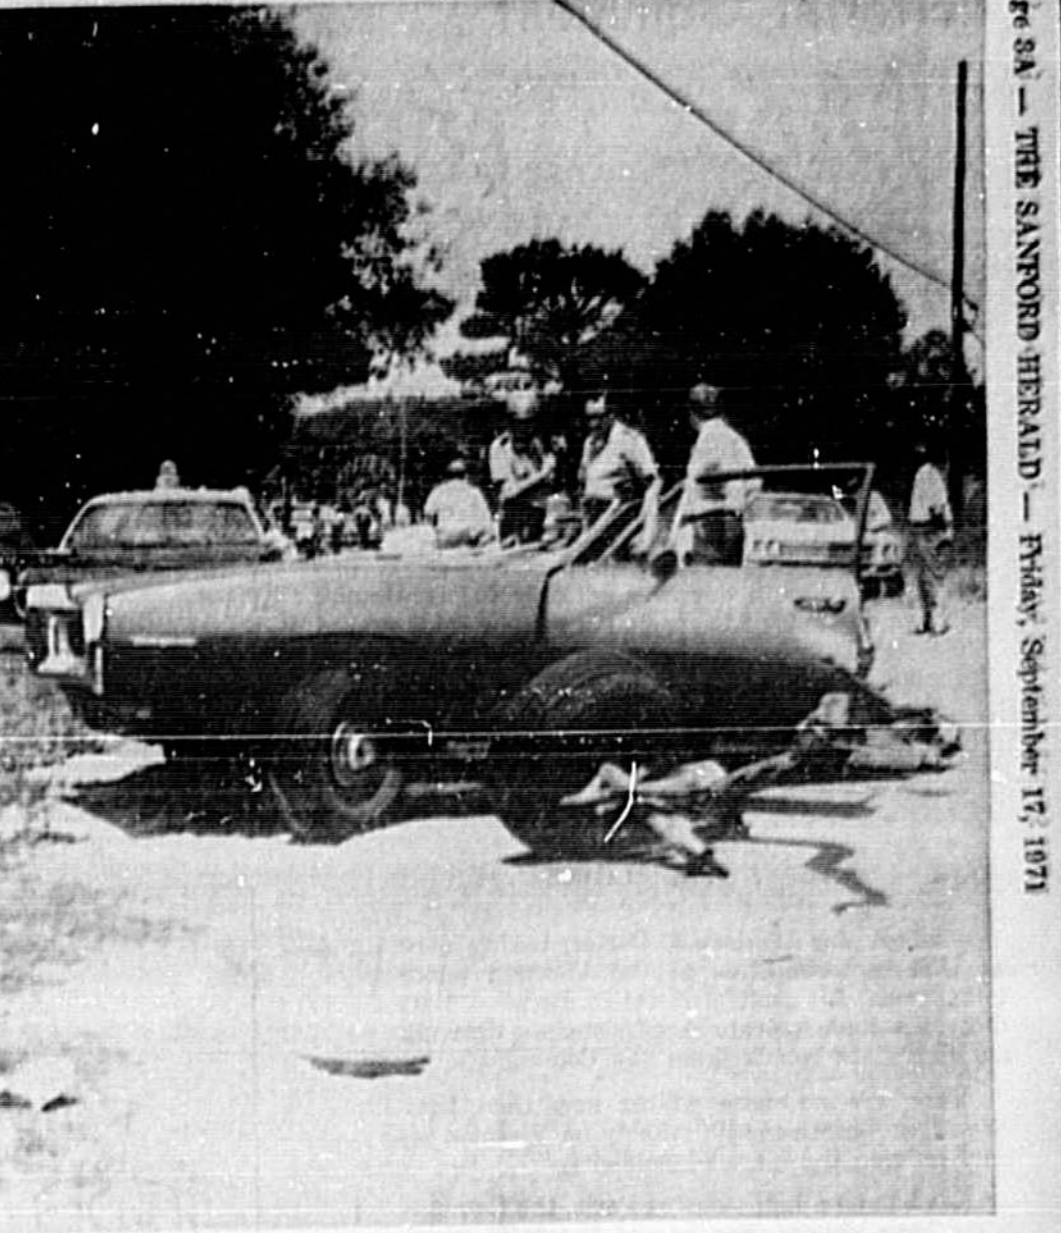

GI Recovering From Gunshot Wounds

FORT BRAGG, N. C. (Sp.)—Cumberland County (Fayetteville) sheriff's deputies are investigating the shooting, said to have occurred while Hudson Woodner Boulevard, Sanford, is progressing satisfactorily at Fort Bragg Army Hospital after suffering three gunshot wounds. It was reported today by the post's public information office.

Survivors include in addition Frank Jr. and Michael Pulliam, grandfathers, Mr. and Mrs. Richard Pulliam, Martinsville, Va.; and Mrs. Ruth Morris, Clinton, N. C., and great-grandmothers, Mrs. W. C. Haynes, Martinsville and great-grandmother Mrs. Lilly Dickens, Pleasant Gardens, N. C.

Seminole Funeral Home is in charge of arrangements. Funeral arrangements are incomplete but services probably will be Monday morning at First Baptist Church with Rev. Jack Lindsay officiating.

The parents are here while their son recuperates.

WOMAN DRIVER of this smashed automobile is in Florida Hospital in, according to hospital attaches, an unconscious condition. Her identity at press time was unknown. The car was sliced in two by a Seaboard Coast Line train at a Lake Mary crossing shortly after noon today.

Legislative Needs Aired For Solons

* Continued From Page 1

Casselberry, who told the delegation that the city is proposing a charter change to annex unincorporated islands within the corporate boundaries of the city.

County Commission Chairman Greg Drummond told the delegation that the county is proposing a special act which will add acreage to property deeds indicating that the deed restrictions will not be enforced by county governmental entities, and said that the county is constantly being asked to look into matters of zoning and deed restrictions. Drummond continued that the people should look to their own deed to find that they must initiate action.

County Attorney Harold Johnson explained that the matter was simply to let the people know that the county was not the instrument to enforce deed restrictions.

Gorman noted that the county could go ahead and prepare the bill, which the delegation would consider, but likened the situation to "shooting an arrow with a shotgun." Ducker concluded that restrictions are contracts, and there was no purpose in putting into the contract that it could not be enforced by governmental agencies.

Drummond also presented two resolutions to the delegation, one of which dealt with a request that the delegation review a section of the new state law on factory built housing. Drummond maintained that this is an attempt to ramrod modular homes into established neighborhoods.

The other requested that the special election called for Nov. 2 upon the corporate tax referendum be held either in the primary of 1972 or the general election of 1972, on the basis that it is a needless expense to hold a special election costing the taxpayers \$1 million. Rep. William Gibson shouted "Hallelujah!"

However, Ducker stressed that it is a closed issue and Sen. William Gunter said that three-fourths of the Legislature had adopted a resolution calling for the special election, and that probably "The County Commission has wasted a few dollars in passing resolutions."

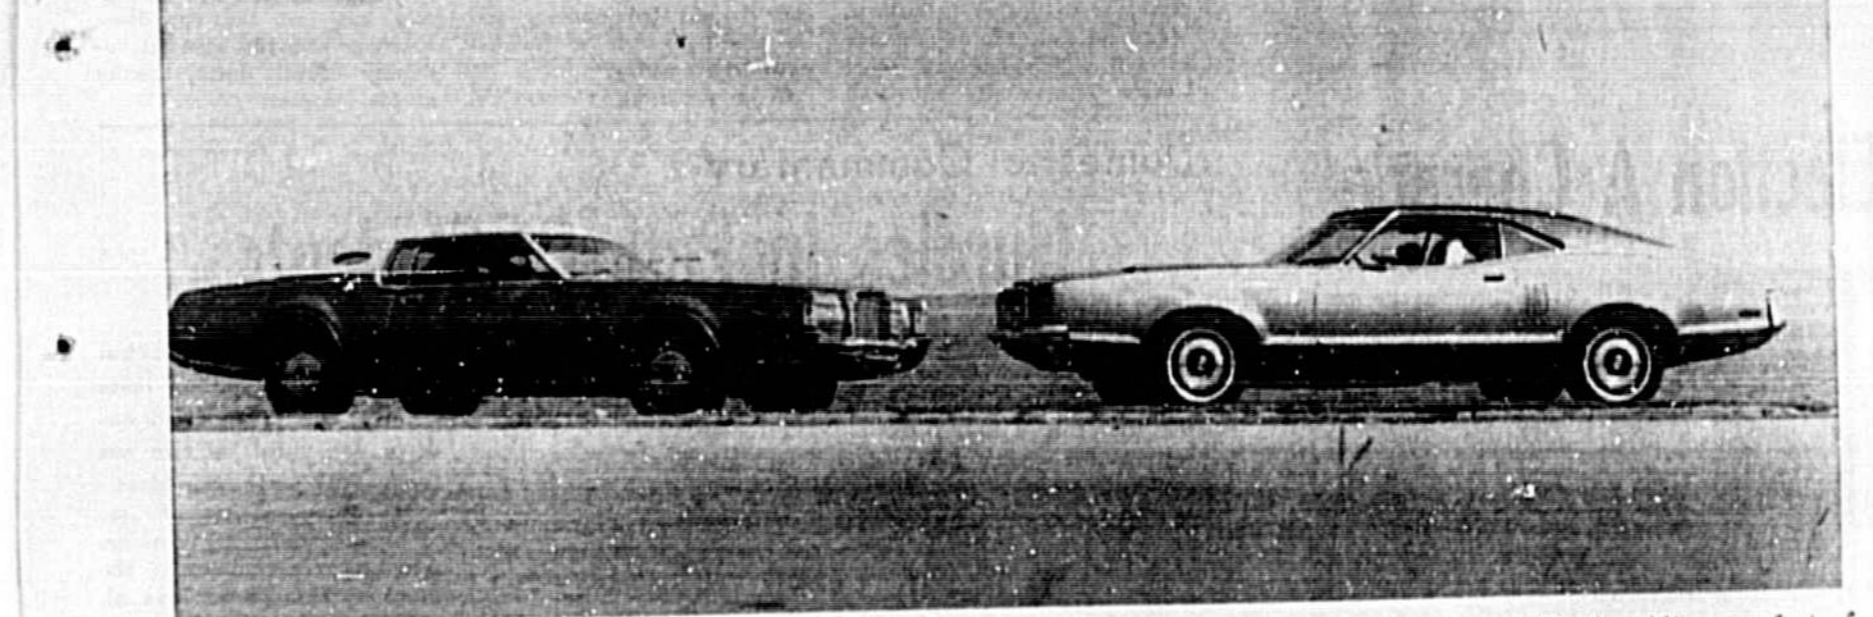

Businessmen Approve \$ For Yule Parade

The Downtown Business Association, sponsor of the annual Christmas Parade, called a special meeting Thursday to formulate plans and approve allocation of funds to Jaycees representatives John Morris and William Reed to begin work on the project.

Nov. 27 was designated as the parade date. The scheduled starting time will be 10 a.m. and it will last approximately two hours.

In addition to the parade the Jaycees plan to set up kiddie rides and concession stands.

The winner of the Christmas Parade theme contest will be announced by the Jaycees on Oct. 21.

Public Housing Law Hundreds Of Troops Start Counterattack

By PHIL PASTORET

Why are you so indispensable when you want a day off, and so expendable when you want a raise?

Best way we know to keep friendship is to return it.

One of the things that go best with Martinis is moderation.

The neighborhood tavern is having a clam bake — and a number of fried persons are expected by the end of the evening.

SAIGON (AP)—Hundreds of Vietnamese troops launched counterattacks in the U Minh forest in the Mekong Delta and inflicted the heaviest losses on South Vietnamese artillerymen and armored cavalry troops were positioned.

Field reports said the heaviest fighting erupted at Bien Hoa Fire Base, where about 700 South Vietnamese infantrymen, artillerymen and armored cavalry troops were positioned.

Official reports said 47 South Vietnamese were killed and 97 were wounded in dawn to dusk fighting Thursday in the canal-laced area 45 miles southwest of Saigon.

The South Vietnamese command said 100 North Vietnamese troops were captured and a large number of enemy weapons seized.

The command said the South Vietnamese losses were the heaviest since May 31 when North Vietnamese troops overran government positions at Snuol in eastern Cambodia and inflicted more than 300 casualties.

The North Vietnamese forces Thursday simultaneously attacked a South Vietnamese fire base in the forest, a reconnaissance company and an infantry company.

Hundreds of South Vietnamese reinforcements were ferried into the battle by U.S. helicopters. Rocket firing helicopter gunships, jet fighter-bombers and artillery blasted North

on Frosty's Fairway

by Ron Frost

A special thanks to Hal Pauley who called me this past week to explain what a "jigger" is. It's apparently a club that looks much the same as a blade type putter only with a bit more loft. It was used quite a bit for pitch-run shots, when there wasn't any sand traps to cope with. This club was also called an approach stick. Oh, thanks to Mr. Pauley for taking the time to help us out.

Mayfair

The 44th time that most of the members of the Mayfair Men's Golf Association have been informed of the annual meeting next Tuesday, Sept. 21 at 7:30 p.m. at the clubhouse. A free hamburger supper is on tap. Election of officers will be held and I have personal knowledge of a new and exciting tournament to be scheduled in the very near future. We certainly would like to urge all old, new and prospective members to be at this meeting Tuesday night.

Valley Forge

The Valley Forge Men's Golf Association is playing a 36 hole doubles tournament. The highs and lows were paired off for the first round which was played last Saturday. In first five shots separate which was 138 are the teams of John Davis-Bill Bowen and Joe Wilke - par. At 129 Russ Clark-E. C. French. At 140 C. T. Craven-Bagard Smith and Ed Mioducki-John Collins. At 141 John Bryon-Bob Smith, Ernie Hall-Dan Taylor, Wilder Wright, Mat Mathewson-Fred Richter and Jack Smith-John Lyons. At 142 Butch Steink-Truman Orson.

The ladies scored even holes this week using half handicaps. "A" Flight Rose Mary Wiloughby was first with 35. Finky Mioducki, J. Taylor and Margie Thompson all had 34's and a share of second place. With a 32, Wanda Steink was alone at third.

Rolling Hills

It was STAG DAY at Rolling Hills last Saturday. Prizes were given out for individual and team effort. There was also a blind bogey draw.

Individual honors, Herm Homie fired a two over par 74 in winning top money. John O'Brien was second at 75 while at still another stroke back was Bill Carr who won third place. Taking low net in individual honors with a 66 was Dick Smith who had to do in a match of cards with Jim Cooper. Second place went to Cooper. Ken Jenkins won third place with 67.

In the team categories, three teams tied for first place with 71. In a match of cards, the results were first, Eddie Miller-Mike Moore, second, Bill Mann-John North; and third, Stan Cramer-Pete Galdis.

In low net, first place also ended in a tie. Bill Carr-R. Lee won in a match of cards over Virgil Johnson-F. Langly. Both teams finished at 60. Alone in third place with 61 were Dick Haelling-A. Ferdinandson. In at 62 and fourth spot were Dick Smith-D. Williams.

The first blind bogey draw was 78. The winner was John North. Joe Cusick and Jim Clark. Second number was 71. Those lucky winners were Fred Wolfe and Paul Kobyak. The third and last number drawn was 74. The winners were Fred Haelling, Con Hilleck, Pete Galdis, Gerry Varni and Paul Besting.

A hole-in-one was recorded last week at the par three fifth hole. Col. John Franklin fired a six iron straight into the hole. I would think that 25 to 40 years would be a fair estimate at the number of years John had been playing. This was his first one. John also had hole-in-one insurance which picked up a large bar bill and gave him a fabulous trip.

The ladies at R/H played a four partner, best ball tournament yesterday. Eighty-four was low gross and it was attained by the team of Cary Strong, Bert Resnick, Cookie Klaus and Midley Fry.

Low net was decided in a match of cards as two teams finished with identical 63. The team of Sally Cusick, Laura Evans, Betty Johnson and Joan Daily won the match over Joe Ann Basso, Sofia Galdi, Mona Jackson and Jean Ballard. Third place went to Freddie Taylor, Mary Nicholson, Kathleen Marshall and Florence Lunn. They finished a 64 and won in a match of cards over three other teams.

A luncheon and business meeting followed the play. The meeting was conducted by president Bert Masten who we understand is fresh out of a leg cast and back on the links.

Looking For 1970 Repeat

Seminoles Open At Stadium Tonight

By GARY TAYLOR
Herald Sports Editor

With a tough reputation to live up to, the Fighting Seminoles open their 1971 regular season tonight with an 8 p.m. battle against cross-county rival Oviedo. The Seminoles were 10-0 on the regular season for 1970. They started things rolling with a 31-22 win over Oviedo in last year's 12-lifter.

Prep Predictions

Taylor selected Seminole as a 42-17 victor over the Oviedo Lions in their game tonight at 8 p.m. at the Sanford Municipal Stadium. Newly listed Seminoles to win 32-12, while CASH calls for a white-neck with Seminole to win 44-0. CONSENSUS: Seminole 28-Oviedo 15.

Lions Seeking An Upset In Cross-County Rivalry

By LARRY NEELY
Herald Sports Writer

The Oviedo Lions would like nothing better than to hand the Sanford Seminoles a bitter pill. The two teams are likely to fight just that much harder. Oviedo won't be as satisfied if they succumb to the Seminoles as they would if they were to win.

Saints Tampa Bound To Meet Tampa '11'

Trinity Prep will be going with a group of seasoned veterans tonight when they meet Temple Heights in Chamberlain Stadium in Tampa. Ever with the Saints this year, Coach Bob Fox will have the best showing yet.

The only serious setback for the Saints is the cast on John Kennedy's leg. The Saints are suffering from torn cartilage with the loss of Jeff Shankland and Craig Clayton, but the Saints still have depth this year which will be of tremendous help.

Not all is lost with the loss of Kennedy. In fact, most everything else is on the plus side for Fox and his assistants Steve Stevenson and George Austin. They have the returning talents of senior Dale Parsons to guide the offensive unit of Trinity. Backing up Parsons is Jerald Faden. Faden saw action last year at Oak Ridge as the signal caller for the JV squad.

Sanford Half-Pints 'Opener' Tomorrow

Sanford's Pop Warner League of football is set to get a taste of game action tomorrow morning at Sanford Stadium when they take part in an exhibition contest. In two and a half weeks, coach Dale Coppock has been putting together a team which he hopes will be respectable and thus far he feels he has. But he'll know a lot more after tomorrow.

FIGHT RESULTS

THURSDAY'S FIGHTS
By HIGH GAMES PRESS
COPENHAGEN - Tom Goo, Denmark, stopped Jose Chirino, Argentina, 5, middle-weights.
NORTH BERGEN, N. J. - Chuck Weiser, 218, Bayonne, N. J., stopped Jesse Crown, 207, Portland, Me., 4.

Defense again appears to be the strong point of the Seminoles. In preseason jambores action, they didn't give up a point in two quarters of action. They defeated Oviedo 13-0 and tied host Lakeview 0-0.

The defense, as well as the offense, has a heavy load of returning players. Leading the way on both squads are all-stars Dallas Brown and Clifford Martin. Martin and Carlton Edge are listed as defensive ends in the probable starting lineup for tonight's game. Brown will be joined by Willie Bennett at the two tackle spots. Joe Steffens will likely start at middle guard.

Dolphins Pose Threat? Struggle Seen For Colts

By BRUCE LOWITT
Associated Press Sports Writer

NEW YORK (AP) - Quite a few teams seemingly refused to take the Miami Dolphins very seriously most of last season. But not any more - which is why the Baltimore Colts are likely to regain their hold on the top spot in the American Football Conference's Eastern Division.

Nevertheless, the AFC East could come up with a start-to-finish two-team struggle equal to the Western Division's where Oakland and Kansas City have traditionally gone down to the wire before deciding that title.

Despite the loss of Warren Wells, the Raiders still have wide receivers in Fred Biletnikoff, Rod Sherman and Eldridge Dickey - and with southpaw Ken Stabler joining quarterback Darly Lamonia and George Blanda to tie the ball to them, Oakland seems to have the edge on Kansas City's Chiefs.

Colonial Has Big Boys But Hounds Should Win

By HERKY CUSH
Herald Sports Writer

"I look for Colonial to run over" - that's the way to put it. Thus were the words of Lyman coach Dick Copeland when asked what he looked for against Colonial in tonight's season grid opener at the home field of the Grenadiers.

Of course, Copeland isn't saying the Grenadiers "will" run over his Greyhounds but since the Colonial team does have an abundance of big running backs and have an undrafted quarterback it's expected they'll attempt the overland route against the Hounds.

Copeland has had to rebuild much of his team from last year and several of the returning veterans have lost their jobs for the present, at least, to make the rebuilding job even more extensive.

The Hounds will have three familiar faces in their offensive backfield which may delight their fans as well as Coach Copeland. Billy Maas is a 6-2, 168-pound senior who split end while on the other end of the forward will be light end Raymond Smith, a 6-3, 197-pounder.

Also expected to see duty on the offensive unit are Rodney Dowling, Phil Beikel, Tom Gooch and Mike Glavich. The Hounds' defense isn't made up of Robert Rediff and Glen Hill at ends, Mike White and Roger Eyerday at tackles, Leo Hammond, Richard Tennyson, and Greg Wallick at linebackers, Randy Blaylock is the rover. Carl Hoffman and John Mikabe are halfbacks and Tom Baeuchus is the safety.

Rounding out the backfield is LeRoy Jackson, a 6-9, 174-pound junior. Along the line Mike Zink-

It's too early to tell if the 1971 edition of the Fighting Seminoles will live up to the reputation of last year's squad. Playing against smaller class AAA teams in the jamboree, the Seminoles didn't have much of a test. Tonight, as in the jamboree, they aren't expected to pull any surprises. The surprises will come against the bigger class AAAA teams.

Seminole, though undefeated last season, didn't win their district due to the number of class AAAA teams on the schedule. The Seminoles were reclassified to AAAA after the state of the season.

ST. LOUIS - (AP) - Youth and the prospect of continued cool weather stood in Great Britain's immediate favor as Ryder Cup golf matches resumed with four-ball competition over Old Watson County Club's sprawling course today.

Nicklaus, rallying from what he termed an "incredibly poor" morning round, teamed with J. C. Sneed to trim Britain's lead to 4-3.

America's best in the biennial tests appeared to have earned a 4-4 deadlock, until the muscular Jacklin, unannounced with his wedges, clipped in from 50 feet on the 18th hole of the final match to forge a tie for himself and Harry.

Steady rain early Thursday delayed play one hour and 16 minutes and kept morning temperatures below 60 degrees. Today's forecast was for continued unseasonably cool temperatures and more rain.

"It's just like home," said a smiling Gallacher, a 22-year-old who teamed with fellow Scotsman Banerman to upset veterans Billy Casper and Miller Barber 2 and 1.

SD 'Having Fun' Keeping Dodgers Away From Giants

By KEN RAFFPOPORT
Associated Press Sports Writer

"We haven't had much fun all year," said Manager Preston Gomez of the San Diego Padres. "We're having fun now."

Well, his team is finally getting some laughs at the expense of the Los Angeles Dodgers.

The Padres, last in the National League West with the worst record in baseball, beat Los Angeles 4-1 Thursday night and halted the Dodgers' drive toward the top of the division.

The loss prevented Los Angeles from moving into a tie with San Francisco after the slumping Giants lost 8-1 earlier in the day to the Cincinnati Reds.

"The only thing we can do is knock off some of the contenders," said Gomez, whose Padres also won the opener of the two-game set at Dodger Stadium Wednesday night.

The Padres not only had the Dodgers talking about them, but also talking to themselves. "One divisional race is already over and the other is all but decided."

So while the season plays it self out, most fans look ahead to the playoffs and the World Series.

But there are still plenty of squabbles going on in the clubhouse. "They're bawling with Washington to stay out of the East Division cellar. A victory Thursday night would have moved the Tribe within half a game of the Philadelphia Senators."

Like the Cleveland Indians, the Padres are trying to stay out of the East Division cellar. A victory Thursday night would have moved the Tribe within half a game of the Philadelphia Senators.

Orioles New Uniforms Draw Yankee Whistles

By GORDON BEARD
Associated Press Sports Writer

BALTIMORE (AP) - "I just wish," said pitcher Dave McNally, looking at his new orange uniform, "that the guys who ordered these, would have to wear them."

The Orioles, standouts of baseball in recent years, stood out more than ever as they donned their brightly colored double-knit uniforms for the first time Thursday night.

The Orioles drew whistles from opposing New York Yankees' players and a few of the fans when they took the field for a pregame fielding drill. They had worn their normal white home uniforms for batting practice.

The reaction from the players was mixed, although a majority seemed a bit self-conscious even before leaving the privacy of the clubhouse.

Boog Powee, the big first baseman, stayed inside during infield practice, and right fielder Frank Robinson also was absent after changing into his new uniform.

"I'm going to stay here until the last possible minute," Boog said, as he pulled on the orange outfit with black lettering and numerals, and a white "Orioles" script trimmed in white.

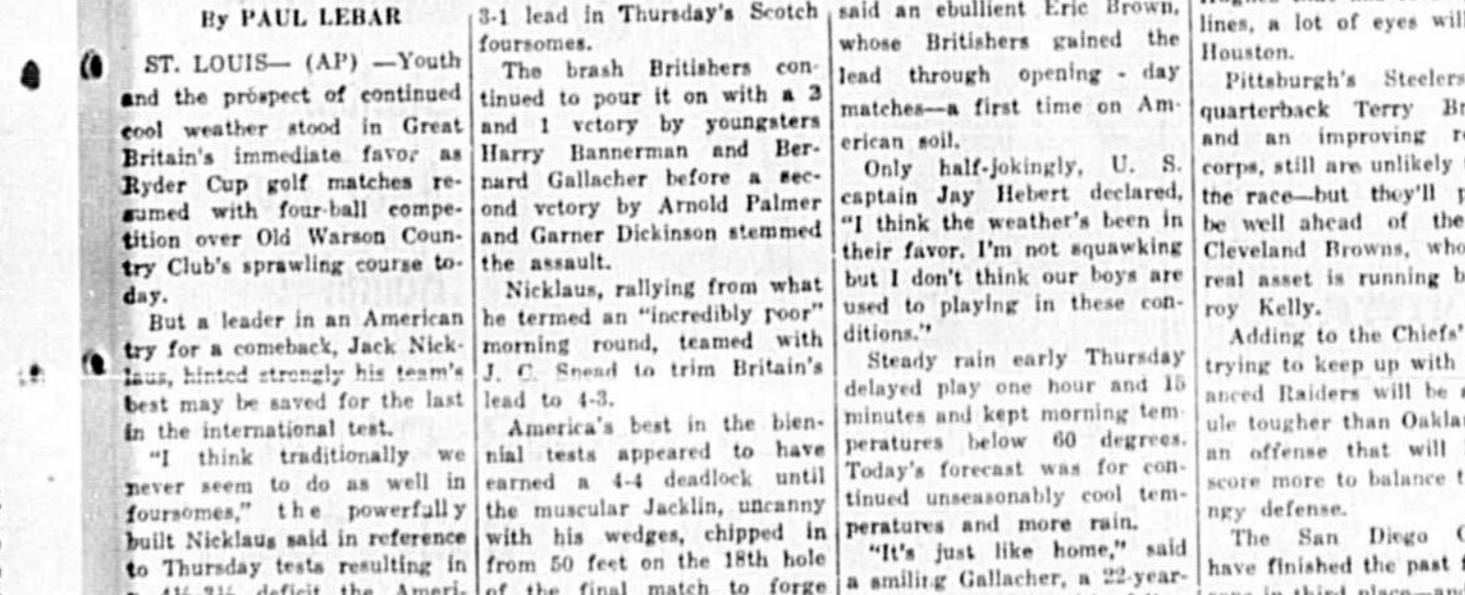

"The trimming of the sleeves and the pants' piping is black and white, and the socks are black. 'Oh, you're not so bad,' he served outfield Curt Motton said.

Around Seminole County 4 Cities Elect In November

By DONNA ESTES
The fact that there are some mean people in the world was illustrated in the City of Altamonte Springs last week. A Herald reader, apparently having seen the picture of a stray dog who delivered seven fat puppies after she was picked up by a police officer, went to city hall to claim her pet.
She said police officials her animal had disappeared about two months previously. When the woman was led to the animal pen behind the city facility, she called "Dolly" and the female dog happily responded with tail wagging. But when the woman found the seven pups had to be claimed with "Dolly" she was not interested and left all eight animals.

Meanwhile, even though the staff at city hall is well aware that it is an impossibility to keep eight dogs indefinitely at the municipal facility, all have been contributing various kinds of dog food, canned milk, and other food for Dolly and her family. So if anyone would like to give a good home to a delightful and fat, fluffy, brown, black or white with black spots — take your pick — the caddy pups can leave their mother in about another month.

While the staff was worrying about Dolly, who they have named "Mama Dog," another furry creature makes its home behind the city hall. This time it was a black cat, who promptly gave birth to two kittens. "Mama Cat" as she is called is also being fed well by the staff.

REGISTRATION CHANGES
The 1971 year is usually considered an election time with only the state constitutional amendment to permit state profits of taxes on corporate profits on the ballot in the Nov. 2 special election.
However, four of Seminole's cities—Altamonte Springs, Cas-

Lovebugs: Use 'Em For Fish Bait

By BILL SCOTT
"And the lovebugs will get you if you don't watch out."
That familiar line from an old song was popularized by Guy Lombardo and other bands in the 1940 era of the large orchestras but in Sanford and all over Central Florida the lyrics have come alive in the form of small pests that have managed to "bug" the entire populace. (Related story on page 1A.)
It seems there is no escape from the insect that somehow seems to infest every street, yard, home and business with its sickening uninvited presence.
As Sanford played host Thursday morning to a large group of state and county officials in the Transportation Forum held at the Civic Center, one of the main topics of conversation was "How do you people stand those bugs?"
The remarkable thing about the entire "bug" problem is, there does not appear to be anything available that proves lethal to the critters. Birds come from an old fisherman, sitting with pipe between his teeth today along the lakefront. "Use 'em for bait."
Perhaps the best suggestion to rid the area of the pest is to come from an old fisherman, sitting with pipe between his teeth today along the lakefront. "Use 'em for bait."

China Trip Plans 'Going Very Well'

By FRANK COHMER
Associated Press Writer
WASHINGTON (AP) — President Nixon says secret talks on his forthcoming trip to mainland China are "going very well" and he sees promise of a productive session in Peking.
Holding an unannounced news conference in his Oval Office Thursday, Nixon told reporters neither he or Premier Chou En-lai is approaching the historic confrontation with "naïve, sentimental" ideas.
The President, recognizing ideological differences and the vastness of the two countries from each other for nearly a quarter century, said: "We have agreed to discuss the differences. That is all that has been agreed. There are no other conditions."
Nixon, apart from saying arrangements are going well, was

drained by acknowledging that American and mainland Chinese representatives are involved in planning his trip. He spoke only of talks about timing and agenda, "that may be under consideration."
Another White House source said the American-Chinese arrangements are now being worked out. And while no one at the White House would say there has been increasing speculation that Nixon will journey to Peking this year.
The President's 30-minute news conference lasted 27 1/2 minutes, effective follow-on program that will seek to restrain labor and management in major industries and "vitally important, it will have teeth in it."
U. S. policies in Vietnam will be unaffected by the scheduled Oct. 3 election in which President Nguyen Van Thieu is unopposed. While Nixon said the United States would have preferred a contested election, it must "keep its eye on the main objective and that is to get the American involvement out of Vietnam as soon as possible, which is a South Vietnam ally."

Drainage On City Agenda
By BILL SCOTT
Sanford City Commission will meet at 8 p.m. Monday to discuss city-wide drainage and select a site for the proposed public security complex.
The work session will permit commissioners to consult with Clark Dietz and Associates, engineering firm, over the best route to follow in formulating a policy to be designed to at least a portion of the \$4 million costs to provide drainage improvements.
It has been suggested by Commissioner Vincent Roberts a bond referendum be set to allow the voters to approve or disapprove a bond issue that might require up to five mills from each city taxpayer to fund the project. Leonard's city fiscal agent, is expected to attend the meeting to explain bonding procedure.
Some instances are being reported where qualified couples purchase 235 homes, perhaps separate or for other reasons, let their homes go to a second party and the second party receives benefit of the subsidy for the two-year period whether qualified or not.
U.S. Rep. William Chappell might be interested in looking into this.

Who In Israel?
REHOVOT, Israel (AP) — The World Health Organization (WHO) has opened a training center for advanced study in immunology at the Weizmann Institute of Science in Israel. It is the first such center outside of WHO headquarters in Switzerland.
The work session will permit commissioners to consult with Clark Dietz and Associates, engineering firm, over the best route to follow in formulating a policy to be designed to at least a portion of the \$4 million costs to provide drainage improvements.
It has been suggested by Commissioner Vincent Roberts a bond referendum be set to allow the voters to approve or disapprove a bond issue that might require up to five mills from each city taxpayer to fund the project. U.S. Rep. William Chappell might be interested in looking into this.

Longwood City Council
The Longwood City Council last week was interested in discussing with Lester Mandel of Greater Construction the possibility of the city purchasing his Sandalco Utilities Company little attention was given to one of the contingencies which he required before an annexation of his 45 acres of property.
Mandel asked in his annexation petition that his property adjacent to the Woodlands be rezoned R-2 which in Longwood allows homes with 650 square feet floor space.

BRIDESMAIDS LUNCHEON — Photo shows, from left, Miss Carrie Blake, bride-elect; Mrs. F. D. Scott, hostess; Mrs. Paul Stokes, hostess; Mrs. Reagan Ramsey, Miss Donna Miller and Mrs. David Lee. (Staff Photo)

Miss Blake, Bridesmaids Honored

In a festive pre-nuptial setting, Sept. 10, at the P. D. Scott home on Rosalia Drive, Miss Carrie Blake, bride-elect, and her bridesmaids were honored at the traditional bridesmaids luncheon.
The hostesses, Mrs. Scott and Mrs. Paul Stokes, received the guests wearing colorful, long printed gowns, adding to the charm of the occasion. They presented the honor guest with a gift of silver in her registered pattern.
Arranged on the dining room table, which was overlaid with an exquisite cutwork cloth, bordered in lace, was a silver bowl, wreathed with carnations, daisies and baby's breath, and the guests received as mementoes of the happy occasion.
The hostesses served a luscious luncheon featuring individual shells of fresh crab and grain, molded broccolis salad with Imperial dressing, broiled fresh tomato slices, homemade spiced peas, petite biscuits, coffee, creme de menthe parfait, and cake.
Miss Blake presented her bridesmaids with ornate silver thimbles.
Others sharing the delightful luncheon were Mrs. Gilbert Blake, the bride's mother; Mrs. William H. Miller, mother of the bridegroom, Columbus, Ga.; Mrs. Reagan Ramsey, sister of the bride, Denver, Colo.; Miss Donna Miller, sister of the bridegroom, Columbus, Ga.; Mrs. David Lee.
Also enjoying the luncheon and hospitality of the gracious hostesses were F. D. Scott, Capt. Blake and Doris Williams.

Kathleen O'Malley, David Tyson Wed In Chuluota Church Rites

By LIZA BAKER
Miss Kathleen O'Malley and David Tyson were united in Holy Matrimony Sept. 11 at 2 p.m. at the Chuluota Community Church.
The bride is the daughter of Mr. and Mrs. Peter O'Malley, 2814 Route Road, Union Park and the bridegroom's parents are Mr. and Mrs. M. C. Tyson of Osteen.
Rev. George Downs, officiated at the double ring ceremony. Given in marriage by her father, the bride chose for her gown a gown of white brocade accented with pearls and veil of white lace. She carried a nosegay of white miniature carnations with green fern and white satin streamers.
Marsha O'Malley, sister of the bride, serving as maid of honor, wore a pale green brocade gown with matching satin slippers and carried a bouquet of pale green and yellow carnations.
Flower girl, sister of the bride, Andrea O'Malley, wore a pale yellow brocade dress and carried a bouquet of pale yellow and green carnations.
Wayne Hines, of the USN-AP, served the bridegroom as best man. Jerry O'Malley, brother of the bride and Peter Tyson, brother of the groom were ushers. Chris Ayers served as ring bearer, carrying the rings on a tiny white pillow.
Diane O'Malley, sister of the bride and Greg Ayers preceded the wedding procession carrying lighted tapers to the altar to light the candles.
For her daughter's wedding, Mrs. O'Malley chose a beige double knit dress with matching jacket trimmed with beige satin. Her accessories were beige and she wore a corsage of white carnation adorned with a white satin bow.
Mrs. Tyson was attired in a grey double knit dress with black accessories, and a corsage of one white carnation with white satin ribbon bow.
Immediately following the

Distinctive Bath Decor Now Easier
Fixing up your bathroom so that it's perfectly color-coordinated and in step with the latest fashions is being made much easier with a series of modular displays created by General Bathroom Products Corp. Elk Grove Village, Ill.
In the displays, General has put its cabinets, vanity bases, basins, accessories, and lighting fixtures in complete sets. Each display is an individual scene, color-coordinated down to the wall-paper, towels, colored soap, and pictures on the wall.
The idea is to make it easier for the consumer to select bathroom products with full confidence, and to make it easy for the dealer to display and stock the items," explained Jerry Epstein, General's vice president.
The series of 10 displays is provided to plumbing and electrical contractors, building supply dealers, remodeling contractors, and department stores.

Open House This Sunday
Clarence C. Priest, who will celebrate his 90th birthday Sept. 21, will be honored at an Open House on Sunday, Sept. 19, 1971 from 1:30-5 p.m. at his home, 299 Sanford Avenue.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
All friends and relatives are cordially invited to attend. No gifts, please.

Miss Clemens And Richard L. Poovey Married In Double Ring Ceremony

Miss Elaine Clara Clemens, daughter of Mr. and Mrs. Joseph J. Clemens, 5401 Ashland Rd., Orlando and Richard L. Poovey, son of Mrs. Virginia C. Poovey and James Franklin Poovey, both of Sanford, were united in Holy Matrimony Sept. 11, 1971 at 7 p.m. in the Sanford American Church, Rev. G. Blair McGarvey, pastor, officiated at the double ring ceremony. Organist was Mrs. G. Blair McGarvey.

The church was decorated with arrangements of white glads and carnations in two white urns on green candelas, 15 brass candelabra and potted palms. Family pews were marked with magnolia leaves and white ribbons and a prie-dieu was used.
The bride, given in marriage by her father, wore a formal gown designed of imported organza over bridal tulle in a simple silhouette featuring a high collar and long sleeves and a cascade of white cattleya orchids with miniature ivy and removable corsage.
Miss Marilyn Clemens, sister of the bride, was maid of honor and wore an American Beauty formal length gown designed in simple elegance of Alie-imponte Spring at the House of One-o'clock in the morning they drove to Miami to catch the plane.
Upon arriving at the King's Inn they were told they had reservations. However, they eventually did straighten that out leaving them at this point two days of vacation instead of planned five days. When the big day to depart arrived, all the past passengers were told to be in the lobby at 6 a.m. with their luggage for transportation to the ship for the crew gathering. By their assorted possessions, the bell captain notified them the ship had left. It seems they developed engine trouble and had to leave early. No one bothered to notify the hotel.
Poor Janice and Bill never even got to see the ship much less cruise, but there is more to this misery. They grabbed their luggage and rushed to the airport. Because Bill was second in line at 8:30 in the morning they managed to fly out by 7:30 that night. The only catch was they had to fly out of Fort Lauderdale instead of Miami where their car was waiting. Our hero Bill had to take the limousine to Miami while the other three sat in the airport waiting.
Did they have a good time in spite of all this? "Yes," said Janice "but I still want to take a cruise."
The Whirl and Twist Square Dance Club has been in a whirl. The Country Quik outdoor jig off with the trophies were John and Nancy Criswell for the youngest couple and Elmer and Hilma Thompson for the oldest. Glen and Polly Bryce for coming from the greatest distance (Mount Don) and Louise and Arlene Dowell for the best dancers.
Great Shadouts of Taran, word has gotten out that goodies for the white elephant sale are arriving by caravan.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
All friends and relatives are cordially invited to attend. No gifts, please.

Marilyn's Merrily-Go-Round

By MARILYN GORDON
If you haven't heard Ken and Ruth Monroe won the feline prize at the club's recent Black Cat Dinner. It is rumored that Bill O'Brien is trying to work out a trade with Monroe's for graduate on Oct. 6.
Casselberry's former police chief Donald Brumley and his wife Jo Ann, Jo Ann and Don are leaving for the Virgin Islands where he has accepted a new job. They plan to remain for a year. Both however will be back. They plan to rent their home in the meantime. Brumley's, you will be sorely missed.
Betty Conklin has just accepted a new job with Stromberg Carlson. Good luck to you, Betty.
Pat and Melinda Edmiston spent a few days with her parents, Leonard and Jane Casselberry, before leaving Casselberry for Wilmore, Ky., where they will be living with Melinda, a June bride, finishes her Senior year at Asbury College with an eye to a degree in Social Work.
Ruth Ann McMurdo, U.S. Air Force nurse stationed at Homestead AFB has been promoted to lieutenant colonel. She is the daughter of Mrs. Kathryn McMurdo of Casselberry. Lt. Col. McMurdo will be transferred to Ankara, Turkey.
So much to spin on, I will have a lot to spin to you next time. So you now, around and around Seminole County.

Mrs. C. J. Newell Honored With Stork Shower
The Paola home of Mrs. T. E. Denmark was the site of a stork shower, Sept. 13, given in honor of Mrs. C. J. Newell, the former Mary Lynn Thomas of Sanford.
A lovely carnation corsage dipped in blue was presented to the glowing mamma-to-be by the hostess.
Traditional shower games of wit and observation were one of the highlights and prizes going to the honoree.
Highlighting the evening was the opening of the gifts for the little one in the wug. The gifts were presented in a most delightful and surprising manner.
The "shuk" presided over a refreshment table of a blue and white cake, pastel-colored mints and lime punch. Also served were nuts and candies, to the delight (and despair) of weight-watchers.
Chat-catch and fellowship was enjoyed by the honoree, her mother, Mrs. A. L. Thomas, her sister, Mrs. O. L. Thomas, and Mrs. M. E. Thomas. Mrs. Michael McDaniel, Mrs. Lucy Sherwood, Mrs. David Furr, Mrs. H. E. Long, Jr. and the hostess, Mrs. Tom Denmark.

Tournament Planned In DelBary
DelBary Duplicate Bridge Club will hold a club tournament Tuesday, Sept. 21, at 1 p.m., in the Fireman's Recreation Hall. Refreshments will be served.
There were 12 tables in play at the last session with Miss Ethel Johnson directing.
North-south winners were first, Mrs. David Signer and Dr. R. R. Roseborough (playing a 72 per cent game); second, Nora Ann Meyer and Don MacNaughton third, Mrs. Virginia Kolsan and Mrs. Richard David; fourth, Mrs. Frank Austin and Mrs. Mabel Andrews; and fifth, Mrs. Alvin Faehin and George Jaeger.
East-west winners were first, William Stone and J. J. Showmaker; second, a tie between Charles Daglia and Mrs. Luella Thompson and Mr. and Mrs. E. A. Pietrow; fourth, Mrs. George Crooke; and fifth, Mrs. Alvin Faehin and George Jaeger.

Bear Lake Club
The Bear Lake Community Club will meet Tuesday, September 21, at St. Andrews Church at 1 p.m. Because this is the first meeting of the year, there will be no guest speakers, there will be a special program.

Club Observes Birthday Birthdays Events
By MARILYN GORDON
Dr. James Doyle of Orange County Health Department was speaker at the regular monthly meeting of the Carriage Hill Women's Club. He showed a film and gave a very informative talk on drugs and drug abuse.
Members enjoyed a birthday cake celebrating the second birthday of the club, which was organized in September, 1969. Charter members present were Sylvia Barto, Linda Michener, Jackie Martinson, Judy Baker and June Marie Michels.
Mrs. Baker announced further plans for a bazaar which will be held Oct. 29, at the Winter Park Hall. All members are busy making items to be sold.
Sandy Nelson, chairman of the Christmas Dance reported it would be held Friday, Dec. 10, at St. Augustine Catholic Church Hall.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
The next meeting will be on August 15, 1971, at 8:00 p.m. at the St. Augustine Catholic Church Hall.
All friends and relatives are cordially invited to attend. No gifts, please.

Dear Abby: By Abigail Van Buren

DEAR ABBY: The letters from people who are hard of hearing interest me because my mother has had that problem for years. Now she wears the strongest hearing aid she can get.

I wonder how many of you readers know about a small piece of equipment the telephone company can attach to the telephone receiver to amplify the sound? We put one on my mother's telephone two years ago and it has been a godsend.

She can push a little button with her thumb and raise the volume of the caller's voice. There's a small installation charge and only \$1 added to her telephone bill each month.

I can't understand why the telephone company doesn't advertise this item as it would be such a tremendous help to so many. Perhaps if you print this, others will inquire. It would be a kindness.

DEAR LUBBOCK: Now if Mr. Bell would just come up with a gadget that would signal those nonstop talkers to say goodbye.

DEAR ABBY: This morning's paper had a cartoon of a man at a bar being asked how he would like to have dinner with a lovely woman.

He jumped at the offer only to have the gal suggest that he go home to his wife!

I wonder how many other men identified with that funny-odd situation.

I have been married 17 years, and for the last 15 years I have been "lonely."

He jumped at the offer only to have the gal suggest that he go home to his wife!

I wonder how many other men identified with that funny-odd situation.

I have been married 17 years, and for the last 15 years I have been "lonely."

DEAR ABBY: The letters from people who are hard of hearing interest me because my mother has had that problem for years. Now she wears the strongest hearing aid she can get.

I wonder how many of you readers know about a small piece of equipment the telephone company can attach to the telephone receiver to amplify the sound? We put one on my mother's telephone two years ago and it has been a godsend.

She can push a little button with her thumb and raise the volume of the caller's voice. There's a small installation charge and only \$1 added to her telephone bill each month.

I can't understand why the telephone company doesn't advertise this item as it would be such a tremendous help to so many. Perhaps if you print this, others will inquire. It would be a kindness.

DEAR LUBBOCK: Now if Mr. Bell would just come up with a gadget that would signal those nonstop talkers to say goodbye.

DEAR ABBY: This morning's paper had a cartoon of a man at a bar being asked how he would like to have dinner with a lovely woman.

He jumped at the offer only to have the gal suggest that he go home to his wife!

I wonder how many other men identified with that funny-odd situation.

I have been married 17 years, and for the last 15 years I have been "lonely."

Jacoby On Bridge

You shouldn't use Blackwood when you hold a worthless doubleton. You also should not use it when you are void of a suit. With that kind of hand, you want to explore the slam by some other method.

Worry Clinic

By GEORGE W. CRANE
Ph. D., M. D.
CASE 1: Bob and Johnny B. aged 15, is a colored orphan. Recently he was sent to a local dentist for a check-up.

Attend Church This Sunday

"I am the resurrection and the life; he who believes in me, even if he die, shall live; and whoever lives and believes in me, shall never die." John 11:25-26

NEXT TO GODLINESS

Sony became a part of his daily life long before he understood it. He's still more concerned with his hobbies than his cleaning regimen — but he knows soap is mighty important.

And no one ever thought of postponing his bath until he was old enough to make decisions for himself!

Why parents never postpone a child's religious training. Long before he is able to reason, he needs the character-building and guidance of the Church. Christianity should become important to him in his daily experience before its truths can be fully grasped by his mind.

Our churches are equipped to instill a vital Christian faith in the youngest child. Formative is the boy or girl whose parents begin his religious training early.

Only One Barbara Stanwyck

Copy News Service
HOLLYWOOD — When the Blackfoot Indians named Barbara Stanwyck "Many Victor," they couldn't have been more right. She has been a star since the days of silent pictures, and she has been a star since the days of television. She has been a star since the days of motion pictures, and she has been a star since the days of television. She has been a star since the days of motion pictures, and she has been a star since the days of television.

Barbara Stanwyck has been a star since the days of silent pictures, and she has been a star since the days of television. She has been a star since the days of motion pictures, and she has been a star since the days of television. She has been a star since the days of motion pictures, and she has been a star since the days of television.

'5 Easy Pieces' Coming

Eerie Story At Plaza

Two top features are on the film fare for the next week at Sanford Plaza's Bookend Club Theatre: "Night of Dark Months" and "Five Easy Pieces".

"Night of Dark Months" is a horror picture directed by John H. Auer. It stars a young girl who is kidnapped and held in a dark, underground passage. The film is a classic of the genre.

"Five Easy Pieces" is a comedy starring Bill & Betty's. It is a parody on the "Easy" series of films.

'Love Story' Opens Tonite

'Love Story' Opens Tonite

All Richard's A.W. and Paul O'Neil at they appear in "Love Story" opens tonite at the Sanford Plaza Theatre. The film is a romance set in the 1950s.
