'Grand' Weekend

With two outs in the bottom of the 14th inning, Sanford native David Eckstein belted his second grand slam in two days to lead the Anaheim Angels over the Toronto Blue Jays and former Lake Brantley star Felipe Lopez. Before Saturday, Eckstein had never hit a grand slam at any level of organized baseball.

McLain throws hat into race for Congress

Supports say rural character of new district makes Feeney vulnerable

By Dan Ping
Editor

SANFORD — Seminole County Commissioner Daryl McLain announced Tuesday he will run for Congress.

A three-term county commissioner and current chairman of the Board of County Commissioners, McLain said he is running for the newly created 24th District congressional seat because state House Speaker Tom Feeney, the presumed Republican nominee, has failed to address the region's important issues.

"I have been, and many other people have been, very disappointed in the lack of leadership Tom has shown in Tallahassee," McLain said. "He hasn't taken a proactive stance on important issues like education and transportation."

He said he has received a "groundswell of support" over the last six weeks encouraging him to challenge Feeney and made the decision after getting the support of his wife, Barbara.

McLain's candidacy offers an interesting twist on what was expected to be an uncontested primary for Feeney, who is leaving Tallahassee because of term limits.

Feeney and his lieutenants created a Republican-friendly congressional district in southeastern Volusia County, northern Brevard and east Orange and Seminole counties. Despite drawing the district boundaries, Feeney may not be a lock to win a contested primary, party insiders say. While the district is pro-Republican, it's not necessarily pro-Feeney.

> "You're talking about a lot of good old boys who aren't going to like a curly-headed carpetbagger. Tom Feeney doesn't really have a hometown."
>
> Republican Operative Regarding the prospect of McLain defeating state House Speaker Tom Feeney

"This is a largely rural district," said a Republican operative who asked for anonymity. "You're talking about a lot of good old boys who aren't going to like a curly-headed carpetbagger. Tom Feeney doesn't really have a hometown."

If voters do in fact vote for "one of their own," the rural character of the district favors McLain, a former rodeo cowboy who is rarely spotted without one of his many Stetson hats. McLain said he expects to benefit from his Seminole County roots and the perception that Feeney

McKee earns contract to build Florida Solar headquarters

Florida Solar Technology Inc. has named McKee Construction Co. of Sanford as general contractor to build its new corporate headquarters facility on SR 46 in Sanford.

Florida Solar Founder and President Skip West said development of the two-story, 26,000 square foot facility is in the permitting stages now and should start construction by the end of the year.

West said construction costs will top $2.5 million.

Florida Solar is the world's largest pool heating systems contractor in the world and last year started its Olympian pool and pest control division. The company recently opened offices in Tampa and will open other offices this year, West said.

Manager robs his own store

By Christopher Patton
Staff Writer

OVIEDO — Who is trying to rob the Oviedo Taco Bell blind? None other than the restaurant manager.

Oviedo police responded Friday morning to the Taco Bell located at 230 West Mitchell Hammock Road after manager Zaeem Mohammed of Orlando called in a report of a strong-armed robbery.

Mohammed told police that an unidentified man approached him in the restaurant parking lot and demanded he turn over the deposit bag containing about $1,900. Within minutes, the entire Oviedo Police Department had cordoned the area.

The only problem was there was no sign of evidence. The K-9 unit couldn't pick up a scent and the sheriff's office helicopter flying above couldn't find anything either.

"We had a lot of our manpower involved in that," said Oviedo police Commander Marc Beaulieu. "When you have that many people surrounding the area and they can't find anything — things start adding up."

A written statement was obtained from Mohammed and investigators noticed the lack of evidence in his account, Beaulieu said. Within the hour, Mohammed admitted to police that he falsely reported the entire incident. The bag of money was recovered by police inside the Taco Bell. Mohammed admitted to stashing the money in a concealed location inside the restaurant.

"We're are always very concerned about any sort of violent crime," Beaulieu said. "That's

Volunteers collect tons of trash

A new name, the same results.

The first annual Seminole County Waterways Day held Saturday morning helped replace the defunct St. Johns River Celebration, which fell victim to the lack of state funding. Working for about four hours, more than 175 volunteers collected trash in eight locations totaling about 9,000 pounds of trash.

During the past six years, the St. Johns celebration was the preferred avenue of educating citizens on the importance of keeping the waterways clean and healthy. Local volunteers removed more than 173,000 pounds of trash during those past six events.

To keep the tradition alive, Seminole County's stormwater division joined forces with the cites of Sanford and Altamonte Springs, Seminole County Parks Department, Florida Park Services, Seminole County Sheriff's Office, Seminole County Public Schools and the Central Florida Zoological Park.

Volunteers worked in eight locations including the zoo entrance, Sanford Marina, Mullet Lake Park, C.S. Lee Park near Lake Harney, the Environmental Studies Center near Soldiers Creek, Lake Lotus Park near the Little Wekiva River, Wekiwa Springs State Park and the Lake Jesup boat ramp.

USDA monitors trees for canker

By Christopher Patton
Staff Writer

Don't be alarmed if white plastic tags appear to be sprouting from citrus trees around Seminole County.

Inspectors of the U.S. Department of Agriculture's Citrus Canker Eradication Program are placing the tags for the Sentinel Tree Survey. Inspectors expect all the tags within the county to be in place by the end of the month, but eradicating the costly disease may take years.

Of all the pests and diseases that threaten citrus crops, Citrus Canker may be the most devastating. The sentinel tree program is the first of its magnitude in the U.S. and perhaps even the world. Inspectors choose healthy citrus trees to monitor for canker, in hopes of catching its early arrival to an area before it consumes a whole community.

"It's all for early detection so we can have less impact," said Lee Newport, USDA's deputy director for emergency programs based in Orlando.

Citrus Canker affects all types of citrus, but usually strikes grapefruit and lime trees first. Canker causes the citrus tree to continually decline in health and fruit production until the tree will produce no fruit at all. The disease does not effect humans, animals or plant life other than citrus. Canker symptoms are the leaves and fruit are brown, raised lesions surrounded by an oily, water-soaked margin and a yellow ring or halo.

In 1910, Citrus Canker was reported for the first time in the United States. Before the disease was declared eradicated in 1933, more than $6 million was spent in Florida alone to destroy about 258,000 grove trees and 3 million nursery trees. The rampage of the disease also effected other states including South Carolina and Texas.

The pesky canker found its way back to the sunshine state in 1995, when a strain was found near the Miami airport. Since 1995, about 1.8 million citrus trees have been chopped down. The concentration of the damage has been primarily in South Florida, but several weeks ago citrus trees infected with the canker were destroyed in Brevard County. In all, ten Florida counties are fighting Citrus Canker.

"The majority of the people were happy to help protect the

Signature GMAC Real Estate recognized as company's fastest growing company

Signature GMAC Real Estate - which has Seminole County offices in Oviedo and Lake Mary - was recently recognized as the fastest-growing real estate company in the GMAC network last year.

Fueled by a record $177 million in home sales, Central Florida's largest locally owned and operated real estate company had the highest sales volume increase last year of all companies under the GMAC banner - a national network that encompasses some 1,500 offices and nearly 25,000 agents.

Signature, which altogether has seven branch sales offices and approximately 175 associates serving a four-county Central Florida market, was presented with GMAC's First Place Growth Award in the United States for its 532 percent increase in sales volume since 1999.

Signature was GMAC's second-fastest growing company nationally in 2000 on the strength of $100 million in sales volume.

In a related announcement, the company also cracked the top 5 in another national GMAC category, improving four places from the previous year to finish second in Company Referrals for 2001.

"We take great pride in both of these awards, which is a culmination of each and every agent working together toward a common goal - to make Signature GMAC Real Estate stand alone from the crowd," said Signature President and COO John J. Nadler. "You can't distinguish yourself any better than to be recognized as No. 1 among 1,500 offices vying for that same distinction."

Nadler was presented with the awards at GMAC's annual convention at the Dolphin Resort in Orlando by John Bearden, president and CEO of Home Services.

"Congratulations on your two significant national achievements," said Bearden. "The productivity of you and your agents demonstrated in 2001 has established Signature GMAC Real Estate as the fastest-growing company in the entire GMAC Real Estate network. We are pleased to present this level of recognition to you and delighted that youíre a part of the GMAC family."

Signature, which is headquartered in West Orange County and has offices in Orange, Seminole, Osceola and Lake counties, has been on a sales tear since 1998, substantially increasing sales every year to a high of $177 million last year.

D.R. Horton posts strong presales at Osprey Lake in Chuluota

D.R. Horton Homes, Inc., one of Central Florida's most active homebuilders, reports strong sales in Osprey Lakes near Chuluota.

Jack Appleman, director of sales and marketing at D.R. Horton, said 24 of the 45 homesites in the first phase at Osprey Lakes have presold before the first model is completed, which won't happen until late May. Appleman said a second phase that's scheduled to open in October may have to be expedited if the current sales pace continues.

Appleman said every home in the first phase at Osprey Lakes front on either water or conservation areas and new homes are priced from $197,900 to the $280s.

There are 100 homesites planned in the second phase. D.R. Horton reported its best year ever in 2001 with sales of 628 homes and a dollar volume of more than $96 million.

Peninsula firm completes projects for area churches

Peninsula Engineering, Inc. of Orlando recently completed two major projects for area churches - one in Longwood and one in Tavares.

John Elsea, president of Peninsula, said McCree Construction, Inc. awarded contracts for both projects to Peninsula.

Peninsula completed design of the plumbing, HVAC and electrical systems for a 22,000 square foot addition to the First United Methodist Church in Tavares. Elsea said the work included a 14,000 square foot sanctuary with space for 700 worshippers.

Peninsula also completed work recently on the 16,000 square foot Wekiva Presbyterian Church in Longwood. Elsea said that project includes an addition to sanctuary and a new reception hall and education building with classrooms.

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

One poem inspires another from bedtyime story lover

DEAR ABBY: I was inspired by the "Old-Timer's Bedtime" poem about the elderly couple who slept in their birthday suits. It inspired me to share what happened to me:

The poem about the couple
Sleeping in the nude
Was really quite revealing
And it put me in the mood.
I talked about it to my wife
And we tried it, bit by bit —

Dear Abby

But with "branches entwined," we quickly saw
Our legs just didn't fit.
And then what happened, Abby,
Is something that we all dread —
Our branches got so tangled
That we fell right out of bed!

VIC MABRY, LAKE HAVASU CITY, ARIZ.

DEAR VIC:

I don't doubt for a minute
What you've said to me is true —
I only hope the two of you
weren't bruised all black and blue.
I offer this advice to you —
And take it, please, I plead.
To you and your beloved —
Don't try everything you read!

•••••

DEAR ABBY: My mother-in-law has two family pictures of my husband and his ex-wife hanging on their living room wall. We have been married for nearly three years and have a 2-year-old daughter. She is starting to look at the pictures. We would prefer that she not find out by looking at pictures that her father was married before. (There were no children from the previous marriage.)

I told my husband that I would like the photos to come down. He agrees, but his family doesn't deal well with "family dynamics." He still has not told his parents how I feel about the photos, and we are scheduled to visit them again next month. I trust your advice.

LOOKING FOR HELP IN PENNSYLVANIA

DEAR LOOKING FOR HELP: Pick up the phone and explain to your in-laws that your young daughter is old enough to notice her father with another woman in the photos — but too young to understand prior marriages. That's a reasonable explanation to justify your request that the pictures be taken down — at least when you're visiting.

•••••

DEAR ABBY: I am the mother of the bride and I just made a whopper of a mistake. When we were planning the wedding, the groom's parents gave me an "A" and a "B" guest list. After budgeting carefully, we realized we could only afford to invite guests on the "A" list. Unfortunately, I mistakenly sent "save the date" cards to everyone on the "B" list.

Is there any way I can undo the damage I've done? I feel terrible about it.

GUILTY MOTHER OF THE BRIDE IN NEW JERSEY

DEAR GUILTY M-O-B: There is no graceful way to "take back" the implied invitations without offending people. Either take out a loan or downsize the reception to accommodate everyone.

•••••

Food & Fun

Your guide to this springs coolest hot spots.

One Of Sanford's Best Kept Secrets...Carlo's Deli

At first glance, the Texaco Food Mart located at the intersection of Airport Boulevard and Old Lake Mary Road is just another gas station. Don't be fooled.

Carlo's Deli calls the gas station market home. Owner Carlo Faria has more than twenty years experience in Italian cuisine. Carlo said a lot of his experience was in New Jersey and New York, so naturally many of his dishes he serves are Big Apple style — saucy, gooey with cheese and very yummy.

The deli offers baked Italian dishes such as baked ziti, manicotti, stuffed shells or cheese ravioli. Other pasta dishes include spaghetti with sausage, meatballs, mushrooms or meat sauce. All are served with garlic bread.

As the name implies, Carlo's Deli also offers a variety of hearty sub sandwiches. The menu of subs includes cheese steak, meatball, cuban and many other hot or cold subs including old time favorites of tuna or bologna and cheese.

What's an Italian dish without a salad? No problem, Carlo's Deli carries several to choose from such as a chef salad, grilled chicken salad or potato salad.

According to Carlo, the motto of the restaurant is "We are here to serve you." From a slice of pizza to a calzone, the staff of the restaurant is eager to help make the customer's dining experience enjoyable. Many customers even use the Texaco Food Mart car wash and wax while they eat at Carlo's Deli.

So if a craving for Italian cuisine strikes, try Carlo's Deli. They're open Monday through Saturday from 10 a.m. to 10 p.m.

McLain

was ordained as the new congressman through back room politics.

"The fact that Mr. Feeney actually participated in the drawing of the district lines only fuels that speculation — and the voters' mistrust of the process," McLain said.

Jim Stelling, vice chairman of the Florida Republican Party, said McLain's entry into the GOP primary is not a detriment to his party.

"Actually their are different schools of thought," Stelling said. "A primary provides more exposure for your candidate, exposure you don't have to try to get during the general election. Primaries are not a waste."

While individual Republicans will choose sides, Stelling said party leadership will stay out of the fray.

"I'm not encouraging Mr. McLain's candidacy," Stelling said, quickly adding, "I'm not encouraging the Speaker's candidacy, either."

McLain, a native of Sanford, said he doesn't expect the GOP leadership to remain neutral.

"I think it's clear Tom will get the support of the national and state party leaders," McLain said. "My support will come from local leadership and the voters of the district."

With a little more than four months until the September primary, McLain does agree with Stelling that Feeney has more than a half-million dollar head-start in fund raising and the ability to raise much more.

> "Tom will need to spend a large portion of that money explaining why we don't have a budget, why we can't pass an education reform bill, and why he can't get along with the men and women in his own party."

Daryl McLain
On trailing the GOP favorite Tom Feeney by more than $500,000 in fund raising.

"It's a challenge, but I wouldn't even consider this if I didn't think I could win," McLain said. As for Feeney's big bank account, "Tom will need to spend a large portion of that money explaining why we don't have a budget, why we can't pass an education reform bill, and why he can't get along with the men and women in his own party."

Party insiders said the mismatch in funds is not insurmountable.

"If money was all that mattered, Jennifer Carroll would be the congresswoman in District 3," a source said. "If money buys elections, then Linda Chapin would be the congressional representative for downtown Orlando."

"Feeney's support is a mile wide and an inch deep," said another Republican insider. "There's a wait-and-see attitude about Daryl right now. A lot of people in the party are afraid to come out and openly support him until he shows he's a viable candidate. Viable means raising $250,000 to $300,000. He doesn't need the million dollars Feeney's going to raise."

"If Daryl can raise 25 percent of what Feeney does, he's got a great shot at winning the whole thing."

Trash

Continued from Page 1A

Helping to tidy up Lake Monroe was none other than Sanford's park director Howard Jefferies. Although "a little disappointed" about the small turnout, Jefferies said, the small group of eight volunteers was able to hit several messy spots including the break wall near the marina.

"We got a lot of trash out of there," he said. "We would have done more if it wasn't for the blind mosquitoes."

Although not a complete success, the first county sponsored waterway clean up will need to build up support just like the former event. In the final year of the St. Johns celebration, more than 980 volunteers helped remove 40,000 pounds of trash from Seminole waterways.

"We have to start off small and work up again," said event coordinator Marie Lackey of the Seminole County Stormwater Division.

Lackey also helped coordinate the St. Johns event for the past six years. The first year of that event had similar results to Seminole County's first Waterways Day as about 200 volunteers collected 10,000 pounds of trash. One aspect of the Seminole County event that was different from its predecessor, is addition of the Lake Harney clean up site. Lackey said it was the first time volunteers worked in that area for a clean-up event.

"We had about 50 volunteers at Lake Harney and that was the first time we've had that," she said.

Herald photo by Tommy Vincent

The dumpster by Lake Monroe began filling up quick Saturday. Trash collected at all eight sites totalled more than 9,000 pounds.

In the next couple of weeks, Lackey will sit down with her site captains to discuss next year's event. Changes that might occur is moving the event back to March where the St. Johns celebration was once held. The Seminole County Waterways Day was held in April to incorporate it into Earth Day, Lackey said.

"There might be a possibility we will move it back," she said.

Lackey is accepting suggestions for the event. Interested parties can contact her by phone at 407-665-5766 or by e-mail at mlackey@co.seminole.fl.us.

citrus industry," said Tyrone Kemp, USDA public affairs director. "Others found it very hard to part with their trees."

Court orders were issued in some cases as Palm Bay residents fervently fought the removal of their citrus trees. Much of the controversy surrounds a new bill recently signed into law by Gov. Jeb Bush. The law extends the infected area from a disease ridden citrus tree from 125 feet to 2,000 feet.

The change was the result of an USDA report where scientists determined the tracking and patterns of the disease. Citrus canker spreads swiftly over short distances by wind driven rain, flooding, air currents, insects, birds, and human movement within groves. Overhead irrigation may also play a role in spreading the bacteria.

"We're more knowledgeable this time, but people are more mobile," Kemp said about the problems with eradicating Citrus Canker for the second time.

The Sentinel Tree Program, which began about a year ago, will extend as far north as Alachua County. Inspectors finished tagging trees in Orange County last month. As many as 144 trees in a square mile were tagged in heavily populated areas, said Newport.

"We've been getting a real good response from the community on this," Newport said. "They're happy were taking a proactive approach on this."

Inspectors will re-survey tagged citrus trees every six to eight weeks depending on the weather. Questions and concerns about the Sentinel Tree Survey can be directed to the USDA office in Orlando at 407-851-5640.

County track stars headed to regionals

By Dean Smith

SANFORD — The Seminole Athletic Conference has once again shown its strength in track and field.

The Seminole boys and Lake Mary girls dominated the Class 4A-District 2 Track and Field Championships at Seminole High School, while Lyman and Lake Howell athletes did very well in the Class 3A-District 7 meet at Lyman.

The Fighting Seminoles boys outscored Lake Brantley, 152.5 to 106, as SAC schools claimed five of the top six places.

The Rams girls were even more dominant, outscoring the Tribe, 160-to-98, pacing a clean sweep of the top five places by SAC schools.

The boys and girls combined to send 102 individuals or relay teams (more than one athlete qualified in multiple events), 51 each, to the Class 4A-Region 1 Meet to be held at Bob Mosher Track at Showalter Field in Winter Park on Thursday.

No team results were released on the 3A-7 meet, but the Lyman and Lake Howell boys teams qualified 40 and the Greyhound and Silver Hawks girls teams qualified 22 for the 3A-Region 2 Meet to be held at Astronaut High School in Titusville tomorrow.

Sanford's David Eckstein hit the first two grand slams, ever, in back-to-back games Saturday and Sunday against the Toronto Blue Jays.

Eckstein has 'grand' weekend

SHS grad hits grand slams in two games

By Dean Smith
Sports Editor

ANAHEIM, CA. — David Eckstein decided not to wait for 27 years to hit his second grand slam.

A day after hitting his first grand slam, ever, the second-year shortstop from Sanford even outdid himself, shaking off a bad day at the plate to hit a two-out, walk off grand slam in the bottom of the 14th inning to give his Anaheim Angels an 8-5 victory Sunday over the Toronto Blue Jays and former Lake Brantley star Felipe Lopez.

Eckstein had never before hit a grand slam in a career that began as a six-year old in the PONY League at five points.

But the 5-foot-8, 170-pound dynamo showed that he could muscle up when necessary when he launched a grand slam in the fifth inning of a 11-4 victory on Saturday. It also marked the first time that Eckstein had driven in five runs in a game.

But on Sunday, the University of Florida walk-on was struggling with the bat, going 0-for-6 with only one hard hit ball.

Then came history as he hit a high tight fastball from Pedro Borbon Jr. about 10 rows deep into the stands for the game-winner. The shot bettered Saturday's blast, which barely cleared the short Anaheim fence down the left-field line.

Eckstein's walk-off grand slam was the first in baseball since Sept. 29, 2001 (Brian Jordan, Atlanta vs. New York Mets). It was the first by an Angel since Tim Salmon accomplished the feat on April 4, 1997, at home against Cleveland, and he became just the second Angel to

Brooks is the star as Lions win 6A-2 title

By Dean Smith
Sports Editor

SANFORD — Nothing to it.

It took nearly five hours, two weather delays and a stellar performance by Brian Brooks, but the Oviedo Lions pulled off what some thought impossible as they won the Class 6A-District 2 Baseball Championship with a 7-6, 10-inning victory over Lake Brantley Friday night at Historic Sanford Memorial Stadium.

Brooks pitched 6-2/3 innings of one-hit relief, retiring the final 13 batters he faced, and drove in Kevin Cominsky with winning run with a two-out, opposite field single as the Lions knocked off the defending district champions.

The victory capped off an emotional roller-coaster ride for Oviedo, opening with the tragic deaths of two classmates and ending with the district championship.

What makes the victory even more special is that the Lions were seeded fifth in the five team district and had two win three games to claim the title, including defeating the No. 1 (Lake Mary) and No. 2 (Lake Brantley) seeds.

Both Oviedo (22-8) and Lake Brantley (22-7) were to have played Jacksonville opponents in the Region 1 Quarterfinals on Tuesday, the Lions hosting Sandalwood and the Patriots at Mandarin, and if either or both won, would advance to the Regional Semifinals on Friday at 7:30 p.m.

If Oviedo won, it would take on the Cypress Creek (23-7)-West Orange (24-5) winner at home, while if Lake Brantley won, it would face the Apopka (28-2)-Timber Creek (23-7) winner. That game will be in Apopka if the Blue Darters won, or at Lake Brantley if Timber Creek pulled off the upset.

All brackets can be checked by going to the FHSAA website at www.fhsaa.org.

As it did in every game of the tournament, Oviedo jumped out to a lead in the top of the first inning.

With one out, Matt Lopez singled and Brooks walked before both advanced on a passed ball.

Justin Young then singled in both runners and went to second on an error from where he scored on a single by Bridger Hunt.

Lake Brantley tried to get right back into the game in the bottom of the first as Jeff Strickland and Nick James walked ahead of an RBI single by Ray Horal and a single by

See Lions, Page 2B

Herald photo by Jim Wentz

Kevin Cominsky (No. 12) set up one run with a sacrifice, singled in another run and was hit by a pitch and scored the game-winning run as No. 5 seeded Oviedo pulled off its third upset with a 7-6, 10-inning victory over Lake Brantley to win the Class 6A-District 2 Baseball Tournament Friday night.

Hawks hold off Lyman in 5A-6

By Dean Smith
Sports Editor

LONGWOOD — Are the Silver Hawks ready to come of age?

Despite featuring a line-up that usually starts four sophomores and four juniors, the Lake Howell baseball team is standing alone atop Class 5A-District 6 today.

And it was three of the youngest Silver Hawks that did the damage as they held off a late rally by host Lyman to win their first-ever district baseball title with an 8-6 rain-delayed victory over the Greyhounds on Saturday.

Sophomore Nick Taft (3-2) scattered 12 hits, and sophomore Buddy Andrade and freshman Monty Bunda combined for five hits, three runs scored and two RBI to lead Lake Howell (13-15) into a Regional Quarterfinal battle with 5A-5 runner-up Deltona.

Lyman (10-18) also advanced to Tuesday's Quarterfinals, going to Port Orange to take on Spruce Creek (19-9).

If the Silver Hawks won on Tuesday, they would host the winner of a game between Tampa-King (17-8) and Plant City-Durant (21-5) on Friday at

Olivia Toporowski scattered seven hits and worked herself out of several jams as Lake Mary held off Oviedo, 2-1, Saturday to win the Class 6A-District 2 Softball Tournament at Lake Mary High School.

Lake Mary holds off Oviedo for 6A-district 2 softball title

By Dean Smith
Sports Editor

LAKE MARY — And the tie-breaker goes to...Lake Mary.

Ashley Bitzer drove in a run on Friday and Maile Keeney drove in what proved to be the game-winning run on Saturday as No. 2 seeded and host Lake Mary edged top-seeded Oviedo, 2-1, in the Championship Game of the Class 6A-District 2 Softball Tournament.

The game was a continuation of an amazingly similar season for both clubs.

There is only a one game difference in their overall records, Lake Mary is now 22-6 and Oviedo is 21-6, and both teams were 9-3 against Seminole Athletic Conference foes and 6-2 in district games during the regular season. The Lions ended up with the No. 1 seed because they were 2-0 against No. 3 seeded Seminole, while the Rams split with the Tribe.

Both teams, along with 5A-6 champion Winter Springs (22-6), played their Regional Quarterfinal games on Tuesday and if any or all of them won, will return to the field tomorrow (Thursday) for the Regional Semifinals.

Lake Mary and Winter Springs were at home on Tuesday, the Rams hosting Mandarin (17-6), which was upset by Sandalwood in the 6A-Region 1 tourney, and the Bears welcoming Spruce Creek.

Oviedo had to head to Jacksonville to take on Sandalwood (17-13).

If lake Mary won, it would host the winner of the Boone (23-4)-Dr. Phillips (17-8) game on Thursday starting at 7:30 p.m.

If Oviedo won, it would take on the winner of the Edgewater (24-2)-University (19-10) game. If Edgewater won, the Eagles would host; if University won, the game will be at Oviedo at 7:30 p.m.

If Winter Springs won on Tuesday, it would host the winner of the Tampa-Chamberlain (23-6)-Plant City-Durant game at home starting at 7:30 p.m.

Thursday's winners would advance to Saturday's Regional Championship Games.

The 6A-Region 1 final would pit the survivor of the Oviedo/Sandalwood-Edgewater/University bracket against the Lake Mary/Mandarin-Boone/Dr. Phillips bracket.

Lake Mary (if it wins both games) would be the host if Oviedo or University is left, while Oviedo(if it wins both games) would host if Mandarin or Dr. Phillips advance. Edgewater would host if it survives.

If Winter Springs wins its first two games, it would take on the winner of a bracket that includes Flagler Palm Coast against Titusville and Tampa-Leto against Plant City.

The Bears would host if Titusville or Plant City win the bracket, otherwise, they would have to go to either Bunnell or Tampa.

The State Finals will take place at the Ed Radice Sports Complex in Tampa on Wednesday, May 8th through Friday, May 10.

Check the FHSAA website at www.fhsaa.org for results.

With the skies turning more ominous by the minute, Lake Mary and Oveido battled through five innings with no score.

The Lions had the best chances to break the deadlock early.

Scott Swanson that loaded the bases with no one out.

But Lions starter Brett Murphy, who no-hit DeLand on Monday, found his groove, striking the next three to get out of the inning with a 3-1 lead.

Both teams left a pair of runners on in the second after which lightning forced the first stoppage of play.

After a short delay, the game went on but was stopped again with two out and a runner on first by a hard rain that forced a nearly two hour delay.

When the rain stopped, a grounds crew made of Seminole High players, led by coach Mike Powers, and City of Sanford Parks Department personnel, did a marvelous job of getting the field back to near perfect condition.

Oviedo appeared like it might have the game in hand when it scored two runs in the top of the fourth inning. Murphy led off with a double, moved up on a bunt by Cominsky, and scored on a single by Lopez.

Lopez went to second on a wild pitch before scoring an out later on a single by Young, making the score 5-1.

But the Patriots refused to give up and rallied in the bottom of the fourth inning.

Ryan Harris reached on an error, Chris Lidfeldt walked and Strickland singled to load the bases with no one out.

After a strike out, Oviedo looked like it might again get out of the jam on a double play grounder, but the throw to second hit the runner and all were safe, with Harris scoring.

Swanson then ripped double just inside the rightfield line, scoring two runs and bringing on Brooks.

The lefthander got a ground ball from Matt Dobbins, but Horal trotted home with the game-tying run.

The Lions regained the lead in the top of the fifth inning when, with two out and no one on, Murphy doubled for the second time and went to third on a wild pitch before scoring on a single by Cominsky.

Oviedo very nearly won the game in regulation, but Lake Brantley got a break in the sixth.

With one out, James singled and stole second, before moving to third on a wild pitch. The next batter struck out and Swanson hit a ground ball that should have ended the inning. But the Lions player slipped trying to make a throw and Swanson beat the throw to first, tying the game.

The only real scoring chance over the next three innings came in the top of the ninth inning when Colin Irvine doubled with one out and went to third on a wild pitch.

But that threat ended when Patriots pitcher Tommy Sutton made a super move and picked the runner off third.

Even though the game would continue, Lake Brantley never threatened, as Brooks did not allow a runner to reach after the error in the sixth, striking out seven of the final 13 batters and only two fly balls.

The game looked like it might continue past the 10th, however, as the Patriots' fourth pitcher, Jason Franks, got the first two Oviedo batters on fly balls.

But Cominsky was hit by a pitch and Lions coach Kevin Wainscott made a gutsy call, having Cominsky steal second.

Lopez then reached on a throwing error with Cominsky moving over to third and the lefthanded hitting Brooks lined a one-two pitch just out of the reach of a leaping Strickland to score Cominsky.

Murphy led Oviedo with the two doubles and a run scored, while Young had two singles, a run scored and three RBI.

Other hitters for the Lions were Lopez (two singles, two runs, RBI), Hunt (two singles, RBI), Irvine (double), Brooks and Cominsky (single, run, RBI), Barry Baxter (single) and Matt McClung (run).

Swanson had half of the Patriots' six hits, including a double, and drove in two. Also contributing were Horal (single, run, two RBI), Strickland (single, two runs), James (single, run), Dobbins (RBI), and Lidfeldt and Harris (run).

Kelly Coates led off the third inning with an infield single and went to second on a wild pitch before advancing to third on a sacrifice bunt by Lisa Davis.

But that's as far as she would get as Rams rightfielder Kristen Patton made a perfect throw to the plate on liner by Irimar Hernandez and third baseman Keeney made a good play on a ground ball.

Oviedo was back in business in the fourth inning.

Nicole Nielsen led off with a walk, but was forced by Megan Miller. Miller then went to third on a single by Bethany Simpkins and Simpkins stole second, giving the Lions runners in scoring position with only one out.

But again the Lake Mary defense rose to the occasion. Shortstop Carlee Wood stopped a hard grounder and held the runners before getting the second out and the next batter flew out to Kristine Good in left to end the threat.

The Rams only had two real chances to score early as Lauren Horwath doubled with one out and was on third with two, but could not score in the third inning, and Caitlin Mahoney singled and got to second with one out in the fourth inning, but could get no further.

Lake Mary finally got something going in the sixth inning.

Wood led off with a single and got to second when Patton reached on a throwing error. Mahoney lined out to third, but Bitzer came through with a run-scoring single and went on to second on the throw to the plate, ending the night for Nielsen and bring on Kelly Raw to pitch for the Lions.

Raw had barely finished her warmups, when rain and lightning forced a suspension of play.

After waiting a half-hour, the lighting stopped, but the showers moved in, forcing a postponement until Saturday morning.

When play resumed, Raw struck out the first batter she faced, but Keeney came up with a big single to left, scoring Patton.

Oviedo tried to answer in the bottom of the sixth inning.

Jennifer Tomasetti led off with a single and Nielsen walked. Tomasetti was erased on a grounder by Megan Miller and when the next batter flew out to right, it looked like the Rams had dodged another bullet.

But Alicia Perez and Sara Miller hit back-to-back singles to center, with Miller's hit plating Nielsen.

Lake Mary pitcher Olivia Toporowski (8-1) snuffed out the rally herself, getting a base-loaded strike out to end the inning.

The Lions had one more shot in the seventh inning and it started good as Raw lined a single to center. But a courtesy runner either lost track of the outs, or the flight of the ball, as she was doubled off of first base after a fly to Mahoney in center. A pop up to Wood then ended the game, handing the crown to the Rams.

Horwath had a double and a single for Lake Mary, while Bitzer had two singles and an RBI. Also contributing for the Rams were Wood (single, run), Keeney (single, RBI) and Mahoney (single).

Providing the offense for the Lions were Tomasetti (two singles), Sara Miller (single, RBI), Simpkins, Perez, Coates and Raw (one single each) and Nielsen (run).

hit grand slams in consecutive games. The first was Willie Mays Aikens, who did it June 13-14, 1979 — also against Toronto.

Eckstein also became the first Major League player to hit grand slams on consecutive days since Albert Belle did it June 14-15, 2000.

He has been one of the few brightspots for an Angels team that is just now starting to play well, having won four straight to improve to 10-14 on the season.

For the season, the second-year shortstop is batting .273 with two doubles and a triple to go with the two 'slams,' among his 27 hits through 24 games. He has also driven in 16 runs and scored 16 times.

The series also probably featured the first-ever matchup of Seminole Athletic conference shortstops in the majors.

Lopez took over as the everyday shortstop for the Blue Jays this season after playing 49 games at third base last year, a position he had never played before.

Despite being only 21, he will turn 22 this month, Lopez is becoming a leader for Toronto and is gaining confidence every day.

In 22 games, the switch-hitter is batting .288 on 21 hits, including five doubles, a triple and three home runs, scored 13 runs and driven in 11.

LYTLE, HOLMES STARRING FOR GEORGIA

GAINESVILLE — Sanford's Chaz Lytle and Oviedo's Justin Holmes both had good weekend's as the University of Georgia won the final game of a three-game series against the University of Florida.

Lytle, a Junior College All-American at Daytona Beach Community College, had three hits on Friday and then hit a three-run home run in his first at bat on Saturday and ended that game 2-for-4.

The lefthanded hitting outfielder struggled on Sunday, though, going 0-for-5 to see his average fall to .399. He was hitting .412, good for second place in the SEC, before Sunday's contest.

Holmes, who transferred to UGA after three years at the University of South Florida, also had a couple of hits off the bench and one start at second base.

Lylte has scored 42 runs and an SEC high 77 hits in 42 games. He also has nine doubles, four triples and three home runs to go along with 25 RBI. The fleet-footed rightfielder also has 25 stolen bases, just six short of the all-time record for a season at Georgia.

Holmes has appeared in 27 games, batting .312 on 24 hits. He also has scored 17 runs and driven in 12.

Sanford's Rick Eckstein is another member of the Bulldogs, serving his first season as an assistant coach and third base coach.

7 p.m.

If the Greyhounds won on Tuesday, they would either go to Lakeland (18-10) or host Tampa-Chamberlain (11-12) on Friday at 7:30 p.m.

The 5A-6 Championship Game was called because of rain after the Lyman was retired in the top of the first inning on Friday and resumed under hot and humid conditions on Saturday.

And Lake Howell took control of the game immediately.

Grant Berman and Richard Bethel walked around a fly out and Berman scored the game's first run on a double by Tony Louka.

Brad Easterday then laid down a perfect bunt on a squeeze play and was safe at first with an RBI single. After another out, Andrade beat out a grounder to deep short and Louka scored the inning's third run.

The Greyhounds broke through in the third inning when senior star Chase Rozell led off with a booming home run over the leftfield wall.

But the Silver Hawks answered with three runs in the bottom of the fourth inning.

Bunda, making his first start of the season at second base, led off with a bunt single. After a wild pitch, the freshman went to third on another bunt single, [illegible] by Andrade, and scored on a single by junior Jason Leaf.

Steve Manana then laid down the third bunt single of the inning to load the bases before Berman hit a one-hopper to third that resulted in Andrade being forced at the plate.

But Leaf scored on the play when the attempt for a double play at first went awry. Taft then helped his own cause with a single to center, scoring Manana, to make the score 6-1.

Lyman got right back into the game in the top of the fifth inning as Kibbee Jelks led off with a single and scored all the way from first when Jimmy Atkins' single was bobbled in the outfield.

Rozell singled Atkins to third from where he scored on a fielder's choice grounder to second by Mike Hussein.

Lake Howell got the runs right back in the bottom of the inning as Bunda singled and scored on a triple over the leftfielder's head by Andrade and Andrade scored on a single by Leaf.

Nick Stram, who won Lyman's opening game on Wednesday, came on to retire all six batters he faced, but the damage was already done.

The Greyhounds did make one final charge at an obviously tiring Taft in the seventh inning.

With one out, Jason Cutlip and Stram both singled and Matt Powhida reached on an error to load the bases.

Bethel made a heads-up play on tapper in front of the plate to retire Cutlip at the plate for the second out, but Kyle Harmon then lined a double into the rightcenter field gap and all three runners scored to cut the deficit to 8-6.

But Taft got a grounder to Berman, who calmly fired the ball across the diamond to Leaf to give the Silver Hawks their first district trophy.

Andrade finished the game 3-for-3 with the triple, scoring a run and driving in two.

Leaf went 2-for-3, scored a run and drove in two, while Bunda was also 2-for-3 with two runs scored.

Also contributing for the winner's were Manana (double, single, run), Louka (double, run, RBI), Taft and Easterday (one single and one run each) and Berman and Bethel (one run scored each).

Contributing to a 12-hit Greyhound attack were Jelks (3-for-4, run), Rozell (2-for-3, home run, run, RBI), Stram and Atkins (two singles and one run scored each), Harmon (double, three RBI), Powhida (single, run), Cutlip (single), Hussein (RBI) and David Figueroa (run).

Brender announces bid for commission

Date of McLain's resignation to determine whether an election will be held

By Michelle Jerla and Christopher Patton
Herald Staff

LAKE MARY — City Commissioner Gary Brender said Thursday he plans to run for County Commissioner Daryl McLain's seat in November — if it actually becomes available.

The Lake Mary commissioner is the first to officially announce plans to run for McLain's seat. McLain, who is in the middle of a four-year term, officially announced Tuesday his intention to run for the new congressional seat against state House Speaker Tom Feeney.

Brender, who is at the end of his fifth term as city commissioner, said until McLain resigns he can't declare his candidacy. But, if the seat does become available, the Lake Mary resident will run in the September primary.

Brender

"I've considered serving the community at a county level for some time," Brender said. "I think in a way, I can better serve Lake Mary from a county level."

The question is whether Brender, or anyone else, will have a chance to run for McLain's District 5 seat. State law is not clear on when McLain's resignation would become effective. If the resignation is effective with more than half his term remaining, a successor would be chosen by election. If less than half of the term is remaining, Gov. Jeb Bush would appoint the successor.

Some believe McLain may make his resignation effective Jan. 6, 2003, the first day of the new U.S. Congress.

However, Sandra Goard, Seminole County Supervisor of Elections, said Friday she received word from Tallahassee that if McLain qualifies as a federal candidate between noon July 15 and noon July 19, he must turn in his resignation as county commissioner effective Nov. 19. That's the day new terms begin for the District 2 and District 4, which are on the ballot Nov. 5. It's also the halfway point of McLain's term.

If McLain's resignation is effective Nov. 19, Goard said the primary and general elections for McLain's seat would occur at the regularly scheduled elections this fall. The primary election would be Sept. 10, and the general election would be Nov. 5.

Lane closure

Motorists using Toll Road 417 will experience periodic outside lane closures between the H.E. Thomas Jr. Parkway exit (CR46A) and the Lake Mary Boulevard exit. The lane closures are underway now and will continue through Saturday, May 11. These periodic lane closures are scheduled for the northbound and southbound lanes between the hours of 6 a.m. and 6 p.m.

The periodic lane closures are necessary while crews are working on the shoulders. Motorists are advised to obey the speed limit and drive with care.

ALTAMONTE SPRINGS — Dozens of community members, area police officials and city employees witnessed a changing of the guard Wednesday at the police department.

Robert Merchant Jr. was sworn in as the new chief, and Chief William Liquori said his final goodbyes after 20 years as Altamonte Springs' top cop.

However, residents who may be expecting a change in the police force now a new leader is in place can think again, said City Commissioner Eddie Rose.

"He's been well trained, and he's a good man," Rose said about Merchant. "When you talk about our police department, how can you improve on perfection?"

Hired in 1980, two years before Liquori became chief, Merchant gradually worked his way through the Altamonte Springs Police Department ranks. During his tenure, Merchant had the opportunity

Arson suspected in Tuesday night blaze

By Christopher Patton
Staff Writer

SANFORD — More than 18 fire emergency units from Sanford, Lake Mary and Seminole County responded Tuesday and quickly extinguished a suspicious apartment building blaze.

At about 10 p.m., firefighters responded to the two-alarm call at 1601 Terrace Drive. Intense fire and smoke poured out of a second story bedroom in the first apartment of the four unit structure. Firefighters soon learned that the residence was vacant and then "took a pretty defensive side" to the incident as the fire was concentrated near the corner of the building, said Sanford fire investigator Tim Robles.

With no functioning utilities to worry about securing and a firewall separating the units, the burning apartment posed little immediate danger to the surrounding tenements. Emergency workers' first priority became evacuating the last two apartments. Within 15 to 20 minutes from the call, firefighters brought the fire under control.

It's the second visit the Sanford Fire Department has made to the area in a week. The previous incident was smaller and less damaging than Tuesday's blaze, which destroyed one unit and caused light smoke damage to another, Robles said. Authorities, however, are suspicious after the two events.

"We strongly suspect an arson," Robles said the following day.

The Red Cross helped the two families who lived in the same building to a local motel for the night. Their apartments were not damaged, but one family had young children and the other was concerned the lingering smoke may worsen an asthma condition, Robles said.

Conference center on Commission's agenda

By Christopher Patton
Staff Writer

SANFORD — County commissioners literally will size up the proposed Sanford convention center at a Tuesday work session.

On slate for the afternoon meeting are discussions about the center's size, funding scenarios, procurement process and project scheduling. County staff has prepared three sample sizes for the facility that range in price from $7 to $19 million.

The first scenario includes a 20,000 square foot facility that will seat between 400 to 700 people and cost about $7.1 million. The second choice is a 41,000 square foot center that will seat between 600 to 900 people and cost about $12.8 million. The final scenario is about 63,000 square feet, will hold between 800 to 1,200 people and cost about $18.6 million.

The major difference between the different scenarios is the addition of a boardroom, theater, and flexible meeting space with partitions. The first scenario offers none of these features only a 2,400 square foot conference room. The second choice includes a theater/lecture hall and boardroom, while the final scenario offers all three amenities.

The city of Sanford is donating the property near Lake Monroe for the proposed convention center. The site is located at the northeast corner of Sanford Avenue and First Street. The center will require the demolition of the Sanford Civic Center, senior center and shuffleboard courts. The cost burden of operating the facility will be with the city.

"The county is building the conference center so they have to find what will fit their needs," said Sanford Mayor Brady Lessard.

"We're not looking to make any short cuts," said Commissioner Daryl McLain. "We want to make sure the center is large enough."

McLain's days as a county commissioner are numbered after he announced his intentions to run for Congress; however, he's confi-

After 30 years, Cardona receives medal

By Michelle Jerla

CASSELBERRY — When Andrew Cardona was honorably discharged from the U.S. Army 30 years ago, his commanding officer recommended he receive the Army Good Conduct Medal. On Wednesday he finally received it.

Cardona served in the U.S. Army from 1967 until 1970, including one tour of duty in Vietnam. As a result of exemplary conduct, efficiency and fidelity during his service, he was eligible for the medal. However, he was told he had to wait a month after his discharge to receive it.

"They told me I would receive the medal within the month," Cardona said. "If I didn't, they told me to call or write the Army so I could receive it."

The medal never came in the mail, and Cardona forgot to call or write. Starting a new phase in his life, the young man forgot about reminding the Army of the honor.

> "After all these years, this country didn't forget. Even though I forgot, they didn't."

Cardona went back to his native New Mexico and served 10 years in the National Guard. He eventually moved to Florida and began working at Seminole Government Television (SGTV) as a video coordinator.

The Army veteran began thinking about his medal recently while working on a World War II documentary for Seminole County.

"What caught my eye was that the veterans, who were in their late 70s and early 80s, couldn't remember some dates and events in their lives. But, one thing they did remember was their military service. They had such pride for their service to the country."

Cardona started thinking about his own father, Jouqine "Jack," who served in the U.S. Navy during World War II. Andrew decided to research his father's military experience and discovered Jack also
