Partly cloudy through Tuesday with local mostly afternoon or evening showers or showers north portion and a few widely scattered showers south portion; little change in temperature.

JAYCEE AWARDS ARE PRESENTED to State Rep. Volle A. Williams Jr., Robert Brown and City Patrolman Arnold Williams during the organization's installation program Friday night at the Elks Club. Left to right are Welborn Daniels, Jaycee district vice president; Forrest Brecken-

Strolling In Sanford

Several Sanford Jaycees attended the annual SARCAP held at Cocoa Airport over the weekend, Captain John Andes announced. "This was the first time the boys were really put to hard weather tests and it proved satisfactory to the Army. We had airplanes participating," he stated. Captain Andes was in charge of the parade and the Ground Rescue Area. Those attending from Sanford were Lt. Bob Geiger from Group 6, Lt. John Bennett, Sgt. Chester Cherry, and Corporal Lester Bush.

The American Legion club try originally scheduled for last Friday was rained out and has been rescheduled for this Friday afternoon at the American Legion building at the fair grounds. The meal is being sponsored for the Legion's junior hall team.

The regular weekly meeting of the Sanford Rotary Club, usually held on Monday at the Yacht Club, was set aside this noon in order that members and guests might enjoy the annual spring boat ride Wednesday afternoon. The "Skylark," skippered by Gene Roumalt, will leave the Sanford Boat Works promptly at 1 o'clock for Lemon Bluff where a steak supper and corn roast, prepared by a committee headed by Tom Jones, Tom Brown and E. V. Turner, will be served.

Salvation Army Drive Still Short Of \$7,500 Goal

J. Marion Harman Sr., chairman of the Salvation Army 1955 annual appeal, announced today that the campaign will be continued until it is successful. Harman said, "Just slightly more than ten per cent of the expected goal of \$7,500 has been reached up to the present time." He further stated that, "If the organization is to properly carry out its program in Sanford, many more donations will have to be received."

"Many generous Sanford and Seminole County citizens, who no doubt are interested in the Salvation Army and its ideals, have not yet sent their contributions in," he continued. Harman urged every citizen, whether or not he receives a letter or a telephone call, to send a contribution to the Salvation Army, P. O. Box 1211, Sanford, or phone 350 to have a uniformed Salvationist pick up the donation. Harman further urged everyone to help bring the drive to a close, by making donations as soon as possible.

Monsignor M. Fox Dies This Morning

Monsignor Michael J. Fox died today in Miami. Father Fox was in charge of Sanford All Saints Catholic Church and St. James Church in Orlando from 1902 to 1911. Born in Ireland in 1868, he came to the States and served in St. Augustine for one year prior to coming to Sanford. Funeral services will be Wednesday at 10 a. m. in St. James Church in Orlando. Burial is to be in St. Augustine.

Large Crowd Hears Talk By Cdr. Lemos

"It is our heavy but inescapable duty to maintain a bulwark of freedom," Commander W. E. Lemos told a crowd of about 5,000 at the sixth annual Armed Forces Day observance here Saturday.

Lemos, commanding officer of Heavy Attack Squadron

U. S. Military Advisory Group Is Being Formed

SEATTLE — A U. S. military advisory group is being formed here to make South Korea's armed forces self-sufficient for defense purposes and provide for eventual withdrawal of U. S. forces from Korea.

It still is in the provisional stage, said a responsible source, and its aims are far off.

Commander of the new unit—Provisional Military Advisory and Assistance Group Korea (Provmag-K)—is Lt. Gen. Claude B. Ferenbaugh, deputy 5th Army commander, who led the 7th Division in the bitter Korean fighting of 1951.

The 7th is one of two understrength U. S. divisions still serving in the Korean forward area. The other is the 24th. Both are carrying many Korean servicemen for training purposes.

Provmag-K will have advisers from the U. S. Army, Navy and Air Force, with the Marines represented by the Navy adviser.

Resident's Mother, Mrs. Patrick, Dies

Mrs. Lena A. Patrick, 78, died Sunday morning at her home in Ocoee, after a short illness. She was born in Wilmette, Ill., and lived in Florida since 1910. She moved to Ocoee in 1919 and a year later moved to Ocoee, where she has resided since.

A member of the Ocoee Christian Church she is also a member of the Order of the Eastern Star. Survivors include two sons, W. A. Patrick of Sanford, and Richard J. Patrick of Winter Garden; two daughters, Mrs. T. A. Roth of Wilmette, Ill., Mrs. Louis Borres of Evanston, Ill.; one brother, Louis, of Wilmette; two granddaughters and one great granddaughter.

Funeral services were held today at 3 p. m. at the Brison Funeral Home with the Rev. A. G. McInnis officiating. Burial was in Oak Lawn Memorial Park.

Red Cross Meeting Scheduled Tonight

Tonight at 8 o'clock the Seminole County Chapter of the American Red Cross will hold an open meeting, the main purpose of which is to introduce Miss Edith Olson, Field Representative of Nursing Service for Florida. She will give a general survey of various Red Cross Courses of instruction in the various fields of nursing.

The survey will cover "Home Care of the Sick," "Mother and Baby Care," and "Nurses Aide." The board of the County Chapter is interested in organizing these courses and securing the names of those eligible to take the initial course to qualify as instructors. All interested persons are invited to attend.

Avalon Hotel Fire Sweeps Building Early This A. M.

ORLANDO — The 60-room Avalon hotel, a favorite of traveling salesmen, was destroyed early today by fire which apparently started in a liquor store and bar on the ground floor.

All guests escaped and no injuries were reported. Maury Hurt, manager of the 30-year old hotel, said only nine persons were registered.

Cecil Harris, Atlanta salesman, had to climb down a fire ladder from his second floor room when flames cut off his escape through a hotel corridor. His room was directly above the first floor space where the fire started.

Other guests managed to get out of the building through regular exits after being awakened by hotel employees and police.

The fire was discovered about 2 a. m. It climbed rapidly up a wall and then spread quickly over the roof of the three-story brick and wood structure. Only the walls and part of the first floor were left standing.

Rotary Baseball Little Series Game Set For Tomorrow

The "Little World's Series" of the Rotary baseball league will be played tomorrow night at Memorial stadium, starting at 8 p. m. Chm. Roy Holler announced. There will be no gate charge and the public is invited to see these teams made up of the pennant-winning Pirates and all-stars selected by the manager and captains of the other three teams of the league that has been operating for the past six weeks.

The champion's roster is Corley, Johns, Wiederhold, Hudson, Stothoff, Hittell, Yackels, Butler, Stutsky and English. The All-stars are Russel, Robinson, Wiederhold, Dandridge, Farley, Smith, Scott, Brooks, Brantlett, Howard, Nash, McMurray and Cherry.

The use of the park and the lights has been made available for this youth organization activity by the city officials. Mr. Holler said, as he expressed appreciation for the interest that has been shown not only by the municipal executives but by many others who have been supporting the league during the season.

Good Chance Seen To Override Veto

WASHINGTON — House Majority Leader McCormack (D-Mass.) said today there is a "good chance" the House will override President Eisenhower's veto of the postal pay hike if it gets a chance. Eisenhower turned down a compromise 8.6 per cent average pay boost for the half million postal workers Thursday, saying the bill was too expensive and not fair to some groups it would have affected.

The veto comes up for a Senate test tomorrow, and Eisenhower supporters say they've got enough they fall, the bill goes to the House votes to uphold the veto there.

SLIDES THROUGH GLASS — CHARLOTTE, N.C. — Albert Freeman made a dash for the marquee of a department store yesterday when it began to rain. He slipped on the tile under the marquee, fell flat on his back and slid through a plate glass door. He was uninjured.

Commission Meet Fireworks Forecast

Baseball Heads Seek Opinions Of City's Fans

Pointing out that attendance has been somewhat low at home games, the Sanford baseball organization today asked fans for suggestions or constructive criticism "which will give us better attendance and more interesting baseball for your enjoyment."

In an open letter to the baseball fans of Seminole County the organization said:

"The baseball season has now passed the quarter mark. Our team is not setting the world on fire but we feel that they are trying their best to win games and give you all they can in the way of relaxation and entertainment."

"We are leading the league in batting and are second in fielding. As of this writing, Dan Keith, our manager, is the league leader in batting and has hit safely in 30 consecutive games."

"The management thought the fans would be happy to have baseball after the lapse of one year without it. It was on this promise that they arrived to obtain a working agreement with a major league club. On about April 1, they secured a full working agreement with the St. Louis Cardinals."

"The attendance so far has been somewhat low and the directors of the club are open to any suggestions or constructive criticism which will give us better attendance and more interesting baseball for your enjoyment."

"We know that attendance in other cities in the league is down, and even in the higher leagues it is down also. We think all those who have given us the encouragement to field a team and the fans who come out to the games."

"Send your criticisms and suggestions to the Sanford Baseball Club and we will do our best to please you."

"In the meantime," the letter concluded, "come out to the games and root for the home team. You can't beat a game of baseball where you can yell all you want and at whom you want in a country where we still enjoy our freedom."

A. B. Peterson Jr. Installed As Head Of County Jaycees

A. B. Peterson Jr. was installed as president of the Junior Chamber of Commerce at a bar-becue-dance meeting held Friday night at the Sanford Elks Club. He succeeded Herbert Roller.

Byrd Marshall, Miami, state Jaycee president, was the installing officer. Assisting was Welborn Daniels, Clermont, fourth district vice president.

Others installed included M. L. Raborn Jr., first vice president; Thomas Stringer, second vice president; Clarence McKee Jr., secretary; and David Thrasher, treasurer.

Installed as directors were Jack Barracough, Melvin DeKle, Ed Hunt, William C. Hutchison Jr. and George Andrew Speer. Outgoing president Roller automatically became a director.

Question Of Rights To Highlight Session At City Hall Tonight

Were a defendant's constitutional rights violated in City Police Court?

That is the question, and the City Commission and Police Judge John Leonard will square off tonight to debate it. Fireworks are in sight.

Attorney Gordon Frederick accused Judge Leonard of

pronouncing the defendant, David Pringle, Sanford Negro, guilty without listening to Pringle's testimony. He said Pringle had twice requested to be heard.

Frederick termed Judge Leonard's action a "flagrant" violation of the defendant's constitutional rights.

The case came up in Police Court on May 2 and Pringle began serving a jail sentence the same day on his conviction of driving while intoxicated.

At the Commission meeting that night Frederick aired his charges and declared: "My client is spending the night in City Jail when he hasn't been afforded justice."

Police Chief Roy G. Williams said he offered to turn the defendant over to Frederick and reopen the case.

Frederick replied his client could not afford an appeal to a higher court or further legal costs.

City Attorney A. Edwin Shinholler suggested the Commission summon Judge Leonard and ask him point-blank if he had refused to hear Pringle. Shinholler added: "As an attorney, I'm deeply perturbed by the charge."

Other business to be taken up by the Commission tonight will include a discussion of a resolution and utility agreement from the State Road Department regarding the paving of 27th St.

The Commission will also discuss a County School Board resolution pertaining to the installation of utilities at the new Pine Crest elementary school.

The Rev. John Miller of the First Baptist Church will lead the opening prayer.

Jaybees To Stage Hamburger Supper

The Jaybees will stage a hamburger fry Wednesday night at Ft. Mellon Park, using three barbecue pits purchased by the Jaybees and recently erected by the Jaybees.

Another feature of the fry will be an attempt to recruit new members, Tommy Stringer and Joe Baker, co-sponsors of the Jaybees, announced. They urged boys interested in the organization may purchase tickets from any active Jaybee member.

Robert Reely is chairman of the ticket committee.

Following the fry, the group will enjoy a swimming party from 8 to 10:30 p. m. at the Municipal Pool. The complete entertainment is included in the ticket price, Stringer said.

Lt. James R. Ford Dies Unexpectedly In Deland Friday

Funeral services will be held tomorrow for Lt. James Robert Ford, 37, public information officer of VJ-62, SNAAS, who died in a Deland hospital Friday night. He was born Nov. 11, 1917 in Columbus, Ohio, and was a member of the Masonic Order in Millington, Tenn., Memphis Commandery, Memphis, Tenn., and the Order of Eastern Star.

Lt. Ford was to have completed 20 years of service with the Navy this year and was preparing to re-enter school. During his tour of duty he received four citations and five good conduct medals. Enlisting in June 1935, he trained at Norfolk, Va., and in 1942 was appointed as an ensign.

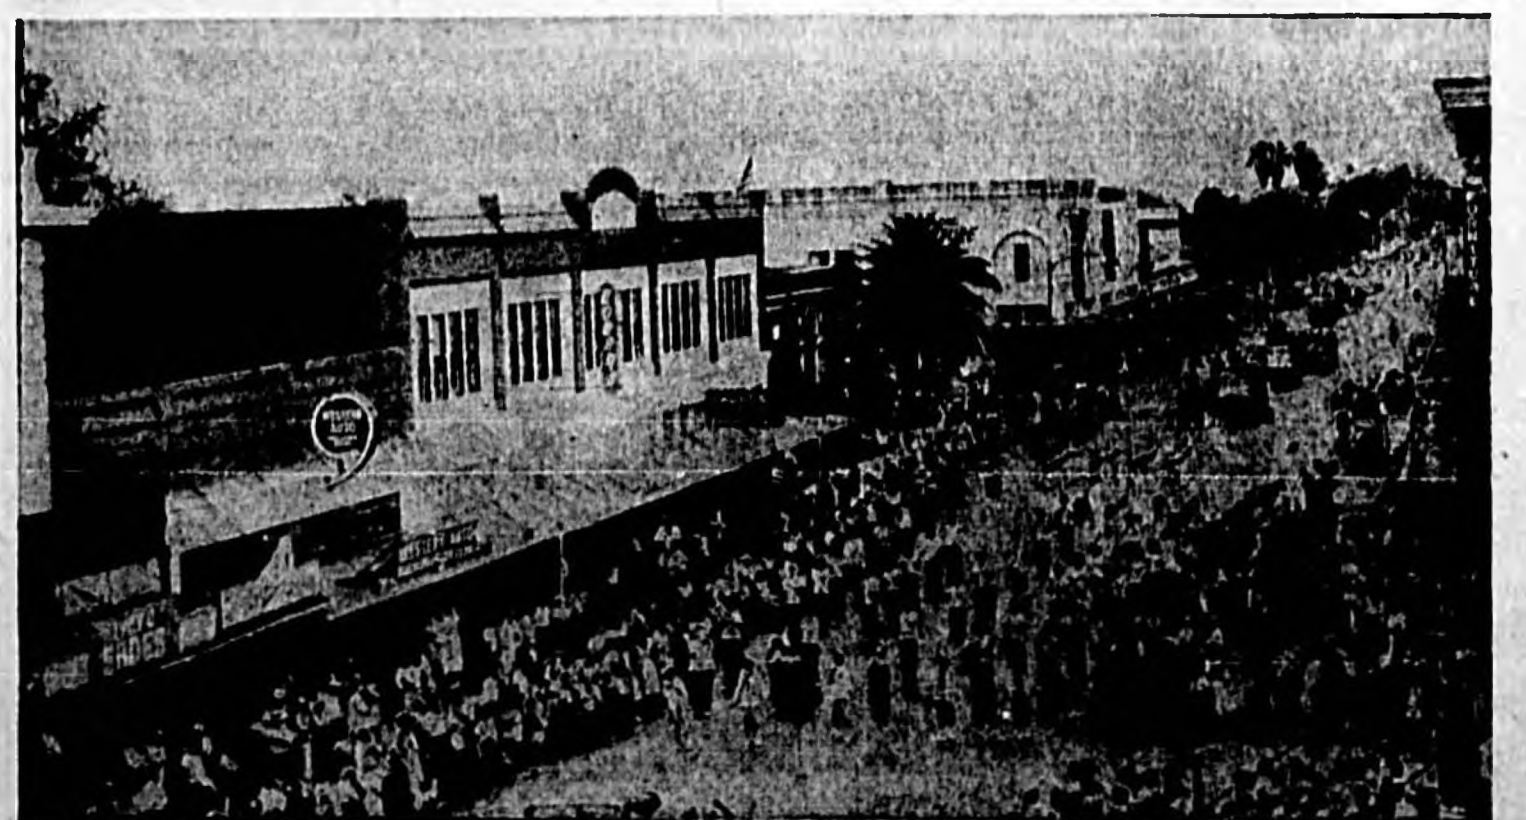

During World War II he was commended for his part in airplane exhaust heat-jacking experiments and in 1946 he took part in the Bikini bomb tests for which he was cited. In 1950 he was cited for contributing to Navy internal and public relations.

After joining the photographic squadron at the Sanford Base in March 1954, he served as photo material officer, service information officer, and photo training officer.

Lt. and Mrs. Ford made their home at an Orange City Trailer park. They were married Oct. 6, 1939.

Besides the widow, survivors include his parents, Mr. and Mrs. A. H. Ford, Deland; a brother, H. E. Ford, Columbus, Ohio; three sisters, Mrs. E. M. Patterson, Savannah, Ga., Mrs. Glenn Pendleton and Mrs. James Johnston, both of Columbus.

Funeral services will be at 1 p. m. tomorrow at the First Baptist Church in Deland with Chaplain Ferrell W. Kempson officiating. Masonic and military rites will be conducted at the graveside in Deland Brison Funeral Home in charge.

THE SEMINOLE HIGH SCHOOL Band was in rare form. They were followed by a well-drilled Navy marching unit and other successors who kept right in step. (Staff Photo)

ETNA KEET

—WASN'T IT UTTERLY FATE?— I MEAN, ACTUALLY—?

SHE'S BEEN ON THAT PHONE A SOLID HOUR.

—BUT YOUR VOICE, IT SOUNDS TERRIBLY FAMILIAR— REALLY, IT DEFINITELY DOES—

I'M EXPECTING AN IMPORTANT PHONE CALL. HANG UP. CALL HIM BACK.

OH BUT, DAD! I CAN'T DO THAT!

I DON'T KNOW HIS NAME?— I PHONED DEBBY AND GOT HIM?— HE'S THE WRONG NUMBER.

SEE, MOM! YOU'LL NEVER GUESS WHO I MET!

LINDA LANE! WE HAD A SODA TOGETHER!

POUR THE COFFEE, DEAR! YOUR FATHER'S STARVED!

AND DID WE HAVE FUN BREEZING ABOUT DATES AND PARTIES AND STUFF?

COME TO FIND OUT SHE'S BEEN ENGAGED TO SIMPLY HEADS OF THE SAME BOYS I HAVE.

I HAVE A MILLION THINGS FOR YOU TO DO OVER THE WEEK END, DEAR.

HURRY, DEAR! THERE'S A LOT MORE!

IT'S A GOOD THING HUSBANDS HAVE JOBS TO GO TO DURING THE WEEK TO REST UP FOR A WEEK ENDS AT HOME.

AN HONORABLE PROFESSION?

WOULDN'T YOU LIKE A NICE, FRESH EGG FOR BREAKFAST EVERY MORNING?

I SURE WOULD!

THE EGGS ARE SEVENTY CENTS A DOZEN.

HERE'S SEVENTY CENTS FOR A DOZEN.

I'LL COME BACK AND GET THE CHICKEN IN TWELVE DAYS.

UNKNOWN TO FLASH, HIS SOUNDPROOF SHIP HAS STRUCK A FREQUENCY BAND OF MUSIC WHICH DROVE HIM OUT INTO SPACE...

MY CONTROLS ARE JAMMED! AND THE SHIP'S BEING DRAWN... ALMOST MAGNETICALLY... TOWARD THAT PLANETOID!

WHILE, IN THE NEXT COMPARTMENT...

IT'S NO USE... FLASH DOESN'T HEAR ME! WHAT'S THAT? THE ENGINES... THEY'RE HUMMING...

...ALMOST IN HARMONY! MUSIC... MAKING ME DROWSY... DROWSY... UH-HUH...

FLASH, HIS HEARING AD TUNED DOWN, IS ONLY AWARE THAT...

I'VE HIT SOME SORT OF MAGNETIC FORCE THAT'S PULLING THE SHIP TOWARD THAT PLANETOID!

IF THIS IS A TRAP, I'M GOING TO SUP OUT RIGHT NOW... AND FOLLOW THE SHIP DOWN ON MY OWN SAILS!

BLONDIE

FLASH GORDON

BETTY BAILEY

THE LONE RANGER

THE GENERAL

SENT US OVER TO GET THE SIX BEST SEATS IN THE HOUSE FOR HIM.

WELL, THIS IS AN HONOR!

TICKETS

Camp Academy VARIETY SHOW

HOW ABOUT THESE SIX SEATS IN THE FIRST ROW CENTER?

FINE! HE NEEDS THEM FOR HIS GARDEN PARTY!

HOW ABOUT BUYING ME A SUNDAY, BEETLE?

CAN'T, I'M BROKE.

DON'T KID ME! I HEARD YOU SAY AFTER THE CARD GAME THAT YOU TOOK GARAGE TO THE CLEANERS!

THAT'S RIGHT.

AND THAT'S WHERE I'M GOING NOW --- TO PICK HIM UP!

CLEANERS

LOOKS LIKE AN INFERNAL MACHINE!

I'LL TIE OUR FISHLINE TO THIS CORD, THEN PULL IT FROM A DISTANCE AND SEE WHAT HAPPENS.

WHOOOM!

THERE GOES YOUR EXPLOSION BLASTER!

WHOOOM!

LIKEWISE THERE GOES ANYONE WHO WAS TALKING US!

HOW THERE'S NO ONE TO INTERFERE WITH US GETTING THE CASH THAT YOU HAD!

Sales get BIGGER! and BIGGER! and BIGGER!

This '55 Buick must have something that folks just won't do without!

Two months ago, in the public print, we said that this looks like Buick's biggest year—and we weren't fooling.

But what has happened—and continues to happen—is almost beyond belief.

People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production—already revised upward several times—keeps forging ahead to new highs every month to meet the mounting demand.

And Buick sales keep soaring higher and higher as higher—outstripping by far the phenomenal success of last year—the success that moved Buick into the "Big Three" of America's best sellers.

What is it about the '55 Buicks that folks by the

hundreds of thousands just won't do without? It's many things.

It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady. It's a new sweetness of handling. It's great power—walloping new V8 power of record might.

But above all, it's a new kind of performance, from a new kind of automatic transmission that was born of flight thinking.

It's Variable Pitch Dynaflow®—engineered from the principle of the modern plane's switch-pitch propeller—and what it brings you in the way of pure thrill, more words can't describe.

Just you drop in on us this very week and try it! That way you can see what a terrific automobile—and a terrific buy—the hottest-selling Buick of all time really is.

*Dynaflow Drive is standard on Roadmaster, optional on other Series.

CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR — CHECK ACCIDENTS.

Meel May Provide Long Awaited Word On Polio Program

WASHINGTON — A government-sponsored meeting today may provide the anxiously awaited word on when the program of inoculation against polio can get off dead center.

Government scientists and representatives of firms making the bulk polio vaccine assembled to study evidence which may lead to (1) early clearance of existing supplies or (2) added time-consuming tests which might further delay clearance.

The group will advise Surgeon General Leonard A. Scheele, who will make the final decision—"as soon as possible," he promised.

Scheele said the session was called to go over the findings turned up by health service inspectors during a plant-by-plant study of testing and manufacturing processes. A health service spokesman said Dr. Jonas E. Salk, the vaccine's developer who has sat in on previous discussions, had sent word he could not attend today.

Man Is Crushed By 4-Ton Elephant

DALLAS — A four-ton elephant, thrown from a trailer truck, crushed a man to death near here yesterday.

The truck jumped a ditch and overturned. Killed were Norman E. Joseph, 30, of Newark, N. J., and Queenie, 23-year-old, 8,163-pound elephant.

Truck driver W. C. Hendricks, 34, of Atlanta, Ga., was treated for an injured nose.

Hendricks said the brakes failed as he tried to turn off an expressway.

Deputy Sheriff H. G. Vayette said Joseph, riding in the cab with Hendricks, jumped out when he saw the truck was going to turn over.

"He landed in the path of the trailer, and the elephant broke through the siding and landed right on top of him," Vayette said.

Ex-Prisoners Ask U. N. To Intercede

NEW DELHI — Forty-three former Korean War prisoners asked the U.N. today to intercede and protect them from "political" pressure to return to North Korea or Red China.

The former prisoners came here more than two years ago after electing to go to neutral nations rather than choose either belligerent side. In a letter to U.S. Secretary General Dag Hammarskjöld today, they asked that they be sent to South Korea if no arrangements are possible to get them to Mexico, Argentina or Brazil.

They complained their leader, former Maj. Ji Ki Cheol, was jailed at an Indian military camp here after a melee May 16 in which the prisoners refused to obey military rule and sought a direct appeal to Prime Minister Nehru.

Lone Gunman Is Captured Singlehandedly

DETROIT — The husky manager of a newly opened suburban bank singlehandedly captured a lone gunman who held up the bank and fled with more than \$2,000 in cash.

When the gunman drove away from the St. Clair Shores National Bank late Tuesday Manager Bernard St. Germain vaulted over the counter, raced to his own car and gave chase.

For a mile and a half at speeds up to 100 miles an hour, the two cars flew along busy thoroughfares.

Then a cement truck lumbered into an intersection and the robber's car plowed into it. St. Germain shouted to bystanders: "Grab that man; he just robbed a bank!"

Nobody moved, so St. Germain grabbed him himself. He held the man until police arrived, then picked up the money which had spilled into the street.

"I just couldn't see letting him get away Scot-free like that," St. Germain said.

Parents Have Problem With Son Who Has High Intelligence Level

CLEVELAND — The parents of 12-year-old John Francis Schivel have a problem. Psychologists told them their son's level of intelligence is so high it can't be measured by standardized tests and most public schools are inadequate for his intellectual gifts.

A strapping 150-pounder who stands 5 feet 8, John is wrapped up in physics and mathematics and says he wants to become a "research scientist."

He is a freckle-faced, bespectacled eighth grader at suburban Maple Heights High School, where he gets straight A's.

Two years ago, during routine testing by Kent State University psychologists, testers said John "broke through the top of the Stanford-Binet intelligence test."

In tests by the department of psychology of Western Reserve University, John attained a perfect score in such areas as language development, memory, ability to compare and contrast ideas and concepts and recognition of words, according to Dr. Corinne F. Baker, assistant clinical professor there.

The boy spends his spare time reading technical publications, studying foreign languages, and is currently absorbed in a biography of the late Albert Einstein.

Dr. Baker said: "It is easily seen that John is out of place among boys of his own age. He has adult reading habits and is bored with school, because there is insufficient challenge."

Dr. Baker said John recorded the highest possible score of 190 in a series of IQ tests in which average children register in a range from 85 to 114.

John's father, a layout inspector in a factory, applied for a scholarship for the boy at a private academy, but says he cannot afford the \$800 yearly cost for the boy's room, board and books.

New Gymnasium Memorial Opened For Famous Son

POPULAR, Wis. — After 10 years of community efforts, Popular has opened a proper memorial to its most famous son and the nation's ace of aces, Maj. Richard Ira Bong.

Dedicated at a simple but impressive ceremony yesterday was a \$115,000 gymnasium-auditorium addition to the town's two-story elementary school.

In one of its rooms are displayed more than 10 medals, ribbons, citations and badges—topped by the Medal of Honor—earned by Bong during a military career in which he shot down at least 10 Japanese aircraft.

Bong died in a jet plane accident near Burbank, Calif., Aug. 6, 1945—the day the first atomic bomb exploded over Hiroshima.

In the schoolyard, a World War II P-51 fighter plane—a Lockheed Lightning of the type in which Bong flew to fame—stands on tall steel pylons at a low-level attack angle.

The airman's mother, called on to unveil the plane, tugged at a canvas sheet over the P-51's cockpit while her seven younger children—Dick was the eldest of eight—looked on.

"I can't get it down," Mrs. Bong said, and her husband Carl stepped to her side. The white-haired farmer gave one muscular pull and the P-51 stood clear.

Gen. George Kenney, top air commander of World War II in the Pacific, told some 3,000 persons at the ceremony that Bong will hold the title of ace of American aces "for all time."

"With the weapons that man possesses today, no war of the future will last long enough for any pilot to run up a score of 40 victories again," he said.

U. NU TO VISIT BELGRADE, Yugoslavia — U. Nu, Burmese Prime Minister, will arrive in Yugoslavia June 6 for a 10-day official visit.

HERB ROLLER, left, outgoing president of the Seminole County Jaycees, congratulates A. R. Peterson Jr., who was installed as the Club's new president at ceremonies Friday night at the Elks Club. (Staff Photo)

Pogo Stick Jumping Champion Retiring

DEARBORN, Mich. — Ten-year-old Eddie Kozlowski, Dearborn's pogo stick jumping champion, is retiring without defending his title.

Eddie bobbed up and down 1,013 times on his pogo stick in setting a local record. But when he stopped he found his stomach continued to go up and down.

For two days he couldn't eat anything but ice cream.

From now on, his mother said, Eddie will work in more useful ways—such as household chores.

Bob Hope Ending Five-Year Contract

HOLLYWOOD — Bob Hope, who concludes a five-year TV contract with NBC tomorrow night, said today he is negotiating with the network for another deal.

Previously the comedian had hinted that he might retire from TV.

"They want me to sign for another five years," he said. "I may do it if I get what I want." He said he wants to do only six shows a season. This season he did 10.

Allies Will Stay; Ambassador States

MINZ, Germany — U. S. Ambassador James B. Conant reiterated today the Western Allies will stay in divided Berlin "until it has become again the capital of a Germany reunited in peace and freedom."

Conant referred to the four-power meeting in Berlin Friday in which the Russians rejected a Western plan for intervention against East German road taxes weighing heavily on Berlin truck traffic.

"I cannot imagine that the Soviet Union will not be ready now, when there is so much talk about relief of tension, to respect the 1949 (Big Four agreement) on normal traffic between Berlin and the West," Conant told Rhineland-Palatinate legislators on a visit to Mainz.

Did You Dig Those Crazy Mad Hatters At The Club Luncheon?

By RANDRA DUNN
Herald Society Editor

Now I know what they mean when they say "Dig those crazy hats..."

When I was invited to attend the Sanford Garden Club's general business luncheon and meeting recently, I wasn't told what to expect so after checking in at the Herald office, I dashed down to McKinley Hall, where the luncheon was to be held. While standing outside the building I brightly spoke to several members who were going in.

I say I spoke but I was thinking to myself, "Hmmm... hats must be on the 'natural' side this year." To clear the mystery of the "mad hatters", I entered the room and was "briefed" with six words, "We're having a crazy hat luncheon."

Believe me... it was no exaggeration on the speaker's part. Down the two rows of white covered tables were ladies wearing every kind, color, shape and size conglomeration of a hat you could imagine... and made of flowers, fruits, vegetables and leaves.

Here was one of green fern topped with three tomato-geraniums; over to my right was a lady bedecked in a palm-leaf, trimmed and tied with a bunch of spring flowers. Above the crowd an elephant leaf splashed with pink and tied with a pink ribbon came into view. Many hats bore hibiscus; some climbing up one side, some surrounding the entire hat and many hanging over the rims. Others had a tossed salad in a cellophane package and carrot leaves framing the sides. Some, who were lucky enough, wore orchids. One member had a white hat sprinkled with rhine stones and topped with a purple throat orchid.

Down on the end, a hat completely covered with lavender and purple straw flowers, bobbed above the others.

The three hats that really caught my eye, and were consequently picked as winners of the contest, were worn by Mrs. C. H. Calla, who "wore" a grapefruit hat which fitted over the top of her head like a beanie decorated with olives on toothpicks. A bright plaid ribbon held it in place under her chin. Mrs. Charles Wilke, who won most original, showed her

originality in the idea of a May-day dance. This was achieved by taking two green paper plates back to back, and creating a scene using figurines. A stick was placed in the middle wrapped with yellow and white ribbon and from this green and pink ribbons were placed in the hands of dolls made of flowers and palm fronds. Fern and flowers formed the grass on which they "danced". Mrs. Fred Ganna made a "practical" hat of a lotus leaf, dried to fit over the top of her head and surrounded by hibiscus. Really a sun bonnet!

After admiring these creations, Mrs. George McCall, president, "insisted" I be third in line for one of the most delicious meals I have ever eaten. I must admit I felt a little guilty when I carried my plate back to my chair because the end of the line stood right at my place.

Mr. and Mrs. Taylor Briggs, the guests of honor, were seated on my left. Mr. Briggs, outstanding in gardening and writer of a continuous newspaper article, remarked that if women wore hats like "this" all the time "nature would be greatly improved."

"But they were all right, as hats go," he went on. (Don't tell anybody but I thought some of them were darling. Wouldn't mind wearing a couple to church.) After the meal Mr. Briggs spoke on "Summer Care of Your Garden". In which I learned that you are not supposed to water your yard every day but twice a week with a good soaking. "Don't cut the grass too short," he warned, "but leave it about 1 1/2 inches above the ground."

He mentioned that it takes a variety of insecticides to kill insects and that spraying the lawn as a precaution was useless unless you find what insect is in it. "Camellias need to be thinned in the middle," he said, "to let light and air circulate through them. This tends to keep scale off the stems."

He ended the discussion with Florida insect problems and the outlook on summer gardens. A question and answer period followed.

Getting back to those hats, I'm still wondering what they did with the hats when they got home. Husbanda, did you nightly salad look brighter than usual??

Mrs. W. G. Fleming Honors Graduates With Lawn Party

In a beautiful natural outdoor setting of hibiscus, day lilies and many plants of various sizes and colors, Mrs. W. G. Fleming honored June graduates, Marianne Strickland and Marilyn Calhoun Friday with a lawn party.

Hibiscus in earthen vases were placed appropriately about the lawn. Yellow day lilies were also used in the back of the yard as a miniature garden with a running fountain in the center with trees surrounding it. Punch was served by Mrs. Calhoun and Mrs. Strickland, the honorees' mothers, from a wrought iron white table framed with blooming magnolias brought out by a wicker basket of colored hibiscus.

Frances Strickland, Mrs. Royd Coleman, and Miss Ethel Riser welcomed the guests as they arrived. Each was presented with a white gardenia and signed the two memo books for the honorees.

The refreshment table, covered with a white cutwork cloth, was centered with an arrangement carrying out the theme. A mirror was used to cast reflections of silhouetted cutout graduates carrying diplomas with joined hands. Hibiscus, gardenias and fern accented each side of the table.

Assisting with the serving of the delicacies were Mrs. John Angel, Mrs. A. H. Beckwith and Mrs. Phillip Marx. Floating hostesses were Mrs. Fleming's mother, Mrs. T. R. Moyer.

Other teachers attending were Mrs. W. B. Wray, Miss Barbara Ruprecht, Miss Ollie Reese White, Roger Harris, and Professor and Mrs. H. E. Morris.

About 75 senior girls were invited.

Men Present Skit For Geneva Club; Ladies Just Watch

The May meeting of the Geneva Garden Club was arranged recently by the men of the club. They put on a humorous skit in the form of a parody of a flower show exhibition. Don Atwood and Charles L. Campbell took the parts of farmers who aspired to be garden experts. The stage was set as the scene of the interior of a potting shed. Various exhibits were displayed, supposedly entered by members of the club, and discussed by the actors in a joking manner.

A business meeting followed, presided over by the president Mrs. Don Perry.

Mrs. Roy Nichols, Ruby Combs, William Briles, J. J. Leffer and W. L. Sieg were in charge of refreshments.

Simple Home Wedding Unites Emily Cook, Charles Swann

In a simple but lovely home wedding, Miss Emily Marie Cook, daughter of Mr. and Mrs. R. S. Cook, became the bride of Charles James Swann, son of Mr. and Mrs. George Leslie Swann, yesterday at 3 p. m. in the home of Mr. and Mrs. Fred Goodwin and Mrs. Elizabeth Mitchell. The Rev. J. M. Durham performed the double-ring ceremony.

The home was beautifully decorated with palms, gladioli, hibiscus, fern and gardenias. Mildred Bepple supplied the music which included "Because" and "I Love You Truly".

The bride, given in marriage by her uncle, Fred Goodwin, was appealing in a white lace and net street length dress. She had a bridal cap with a fingertip veil and wore net gloves. Her bouquet was of white sweetheart rosebuds.

Miss Charlotte Swann, sister of the groom and maid of honor, was gownned in a blue lace and net dress with matching hat and gloves. Her flowers were pink sweetheart rosebuds.

Junior attendant was Miss Gail Coleman who wore a pink nylon lace and net dress. Placed in her hair was a halo of pink rosebuds and net. The bouquet was colonial style of pink sweetheart rosebuds.

Wayne Gilman acted as best man.

The bride's mother chose for the occasion a peach nylon net street length dress with a corsage of gardenias. The groom's mother wore a street length dress complemented with white accessories. She pinned a gardenia

to her hair. The composer accepted the work gracefully and studied it with interest, page by page. At the end he turned excitedly to his visitor and said, "You're right, it is in F."

Episcopal Church

The Holy Cross Episcopal Church will have its family parish picnic, May 25, 4 p. m. at Sanlando Springs. All are requested to leave from the Parish Hall at 3:30 p. m. Those who do not have transportation to the Parish House are asked to call the Parish office and transportation will be arranged.

This is a covered-dish picnic and every family is requested to bring a covered-dish and utensils and dishes for family. All children will be admitted free, provided they receive tickets at the Parish House. The cost of the adult will be 50 cents each. The children are being admitted free due to the action of the Woman's Auxiliary in financing this project.

"Plan now to attend this enjoyable event in the life of our Parish family which we hope will provide a real party for the children of our Church School and a good time for all the members of the parish as they enjoy a real family relationship in the picnic," stated Mrs. Charles Vodopich.

Seminole Band Officers Feted By Robisons

Yesterday afternoon Mr. and Mrs. R. F. Robison entertained the outgoing and incoming officers of the Seminole High School Band at their home on Lake Ross.

During the afternoon the group enjoyed swimming, boating, skiing and aqua-planing after which a delicious supper of ham, corn, baked beans, potato salad and watermelon was served in the yard.

Enjoying the afternoon were Mr. and Mrs. E. H. Cowley, Mr. and Mrs. George Dabbs, Mr. and Mrs. D. T. Daugherty, Miss Jerry Wilkinson, Miss Betty Bryan, Miss Faye Beckham, Ronnie Robison, Robert Newson, Miss Patsy Haught, Larry Burney.

Miss Ollie Giddens, Miss Joyce Milnes, Bob Reely, George Anderson, Larry Dayton, Bill Heximer, Dickie Rountree, Miss Carol Nul, Tommy Hower, Miss Sue Hayes and the hosts, Mr. and Mrs. Robison.

Meet To Be Held

The Norman de V. Howard chapter of the United Daughter of the Confederacy will meet with Mrs. W. P. Carter at her home on Lake Charm (Oviedo) at 3 p. m. Friday, May 27.

Members are asked to meet at

Graduation Tea Given Seniors S. Wall, S. Tyre

A graduation tea honoring the Misses Shirley Wall and Shirley Tyre was given recently by Mrs. Ted Williams and Mrs. Ashby Jones at the home of Mrs. Williams on 400 Plumosa Dr.

The rooms were appropriately decorated with the class colors of green and white and included white gardenias and white daisies in the living room.

Guests were greeted at the door by the honorees and their mothers Mrs. W. W. Tyre and Mrs. Roy Wall.

In the dining room serving at the punch bowl were Mrs. Charles Atkinson and Mrs. J. H. Lee. Junior hostesses were Miss Jane Williams and Miss Leslie Jones. The table was overlaid with a cutwork cloth and the centerpiece was in the form of a graduation cap. On the buffet was an arrangement of white gladioli and fern.

Gifts of lingerie were presented to the honorees by the hostesses. Miss Tyre chose for the occasion a blue and white pin check cotton dress with a bouffant skirt featuring a long torso and a bolero over the sunback.

Miss Wall wore a black and white printed nylon dress featuring a picture neckline and a bouffant skirt of unpressed pleats.

Matching corsages were presented to the honorees and their mothers. About 40 or 50 senior girls attended between the hours of 4 and 6.

W. J. Watt Has Surprise Recently At Birthday Party

W. J. Watt was honored recently with a surprise Birthday Party at the home of his mother, Mrs. Irene Watt in Pinelhurst.

As a part of the entertainment tape recordings were made of the group singing familiar request songs.

Refreshments were served to the following guests: Elder and Mrs. W. J. Ostman, Mr. and Mrs. Walter Trapp, Mr. and Mrs. Carey Reams, Mr. and Mrs. William Vincent, Mr. and Mrs. Ernest P. Williams, Mr. and Mrs. Charles Hill, Mr. and Mrs. William Buckner, Mrs. T. B. Middleton, Mrs. Bob Bates.

Mrs. Roy Schmidt, Mrs. Helen Haskins, Mrs. Bill Baker, Mrs. Effie Mielke and Mrs. Lydia Watt. There were also 13 children present.

at the home of Mrs. F. E. Roumillat Sr., 910 Palmetto Ave at 2 p. m.

Pitcher Roland Manfredi Can't Forget That Game In Philadelphia

CARDINAL PITCHER ROLAND MANFREDI

Brother Hit Two Homers For Other Team

By CLAUDE ROSE
Herald Sports Writer

"I was pitching and my team was leading, 2-0 in the 6th when up comes my brother and hits a homer for the other team," the young man related.

"That wasn't so bad, but what does he do but hit another one in the 9th to make it 2-2 and send the game into extra innings. We finally had to call it on account of darkness because the field wasn't lighted."

Roland Manfredi, Sanford Cardinal righthander, was describing a semi-pro game he played in a couple of years ago in Philadelphia. "I doubt if I'll ever forget that game," he added.

Twenty-year-old Roland is playing his second year of pro ball this year. Last year he was with Erie, Pa., in-

the Class D Pony league for about six weeks before going to Mt. Vernon, Illinois, of the Class C Mississippi-Ohio Valley Loop. He stayed with the latter club for one month before receiving his release. He posted identical 0-2 records with each club.

A native of Philadelphia, Manfredi played a great deal of semi-pro ball around the City of Brotherly Love. In the Connie Mack Conference, he posted an 8-2 record. In three years of baseball at Southern High School he won 5 and lost only 2. He also played two years of varsity and a year of junior varsity basketball at Southern. Southern High has an enrollment of about 5000 students.

He trained at DeLand this spring with Allentown, Pa., of the Class A Eastern league before he was optioned to Sanford.

The toughest team he has faced this year, he says, is Orlando. So far this season Roland has a 5-3 record. If he can keep up this pace, he could become a 20-game winner.

During the off-season last winter he held a job as floor man in a Grant's Department store in Philadelphia.

His brother, incidentally, who broke up the semi-pro game with his pair of homers, is under contract with the Brooklyn Dodgers organization. A shortstop, he has played two seasons of Class D ball.

Roland's draft status at present is 1-A but he doesn't expect to be called during the season. He doesn't intend to enlist in any service but to wait, instead, until he is called for induction.

Pirates Seize Rotary Flag

Daytona, W. Palm Win One Apiece; CBs Edge Pilots

Daytime baseball agrees with Daytona Beach's shortstop Bill Patris although the fans in the Islander city don't care too much for it.

Yesterday, in the first game of a day-night doubleheader, Bill batted in six runs with a homer and two doubles as Daytona defeated West Palm Beach 10-1. Only 341 fans watched the performance.

Patris, a .239 hitter, didn't fare well under the lights before 654 fans. He failed to collect a blow for four trips as West Palm Beach picked up a 5-2 decision.

John Ivory Smith, ace Islander pitcher, gave up only one hit in the night game but his wildness denied his bid for victory No. 9. He twice loaded the bases on walks; a sacrifice and an error brought in three West Palm runs in the second and Ivan Dubois' single scored the other two in the fifth.

League-leading Orlando defeated Lakeland 6-5. The other games were rained out.

Lakeland got three runs in the first inning and Orlando had to come from behind twice to win. The CB's scored four in the second; Lakeland went ahead again in the fifth with two more; and Orlando led it in the sixth with two. Pitcher Joe Valmas scored the winning run on Ed Houseknecht's single.

Sophomore Brings Victory To Auburn In Track Contest

BIRMINGHAM (A)—An unsung sophomore who didn't know the wasn't supposed to win lifted Auburn's out-manned squad to victory in the 23rd annual Southeastern Conference track and field championship.

A mile relay team whose members had never competed together in that event nailed down the victory for Coach Wilbur Hut-sell's surprising Tigers.

The sophomore is stacky Bill Yarbrough, Decatur, Ga., youth who was expected to pick up no more than four or five points. Instead, he won the broad jump, tied with two others for the first in the high jump and placed third in the low hurdles.

The 12 mile Yarbrough collected enabled Auburn to edge Florida, the favorite, and gave the Tigers their second successive SEC title. Auburn scored 48 points, Florida 47.

The mile relay team earned two points for their fourth place finish.

Giants Lose, 4-3; Series Scheduled Tomorrow Night

Battling down the home stretch in true championship style, the Pirates and the Giants played an extra inning game for the Rotary League pennant Friday evening at Municipal ball park with the Bucs nosing ahead 4 to 3. It was Hittell's single.

Following similar blows by Wiederhold and Hudson that drove the fleet-footed Wiederhold in with the winning tally.

The "Little World Series" between the Pirates and an all-star team selected from the other three clubs in the league will be played at Memorial stadium tomorrow night at 8 o'clock.

The Giants had a big third inning to rack up their three runs, while their opponents got theirs the hard way—one at a time.

After Scott fled out to second in leading off the Giant big bracket, Wiederhold and Farley drew passes. Stouthoff took life

in the meet's final event. Members of the team were Ed Newby, Dave Middleton, Tom Merritt and Dave Powell. Newby was running the first relay of his career; Middleton ran a 440 leg, a distance he had never before run; and Merritt and Powell each had run only one previous relay this year.

Florida, trailing by four points, had the favored relay team. And a Gator victory would have given them the title if Auburn failed to place. But the Tigers' patchwork team came through for the two points, which represented the margin of victory.

Florida's team failed to win, however, when the baton was dropped on a relay from Lincoln Knowles to Bill (Bumper) Watson. Alabama took first with a time of 3:29.2.

Yogi's Home Run Spurt Lifts Yanks Into Lead

By THE ASSOCIATED PRESS

Here's a free tip to American League managers. Junk that strategy that calls for putting Mickey Mantle on base to get a Yogi Berra. Although Yogi is batting only

on a fielder's choice as Farley was out at second, Russel ploughed a well hit ball into centerfield to bring Wiederhold home. He and Stouthoff raced in on a single by Dandridge.

Corley accounted for two of the Pirate tallies — one in the first after he had singled to left, the other in the third after being walked and brought around on Wiederhold's single to center.

Hudson's single in the fourth resulted in a run when English's tall fly to center allowed him to score from third and tie up the ball game.

The lineup: Pirates: Wiederhold, 2b; Farley, cf; Stouthoff, p; Russel, 3b; Dandridge, c; Robinson, 1b; Barley, cf; Halligan, ss; Scott, lf. Giants: Corley, 2b; Johns, 3b; Wiederhold, p; Hudson, cf; Hittell, 1b; McMurray, ss; English, ss; Bailey, lf; Butler, cf; Stotaky, rf.

PIRATES: Wiederhold, 2b; Farley, cf; Stouthoff, p; Russel, 3b; Dandridge, c; Robinson, 1b; Barley, cf; Halligan, ss; Scott, lf. Giants: Corley, 2b; Johns, 3b; Wiederhold, p; Hudson, cf; Hittell, 1b; McMurray, ss; English, ss; Bailey, lf; Butler, cf; Stotaky, rf.

.286, his home run spurt has lifted the New York Yankees into the American League lead on a seven-game winning spurt.

Berra hit five home runs in four games against Baltimore over the weekend and four times Mantle was sitting on first base when he connected.

When Baltimore came to town, Berra was hitting only .282. He picked up 34 points, 8 homers and 11 runs batted in, thanks to that "soft touch" Baltimore pitching.

In yesterday's double-header he hit three homers and drove in six runs while the Yanks clouted Baltimore 5-0 and 7-5. This boosted their lead over Cleveland to one full game, despite Early Wynn's one-hitter against Detroit for a 4-0 Tribe victory.

Third-place Chicago split a pair with Kansas City, dropping the opener to Alex Kellner 7-2 but bouncing back with 15 hits and 10-6 edge in the second game. The Boston-Washington game was rained out.

Den Mueller's hot bat helped the New York Giants run their winning streak to six straight, with a double sweep over Pittsburgh 5-2 and 5-3. The Pirates now have lost 11 in a row, only one short of the modern club record of 12, set in 1933.

Although Brooklyn clipped Philadelphia again, 5-3, the Dodgers lost half a game of their National League lead that now measures six games ahead of the Giants.

Roy Campanella's 10th homer with a man on and Carl Erskine's two-run double were the big blows of a five-run spurt by the Dodgers in the sixth inning.

Gene Conley, the towering Milwaukee right-hander, held Chicago to three hits and struck out eight while fashioning his sixth victory 5-1. The loser was Sad Sam Jones, who pitched a no-hitter against Pittsburgh May 12. Four Chicago errors hurt him.

Lula Arroyo, little St. Louis pitcher, held Cincinnati to five hits as the Cardinals won the second game of a double-header 5-2 and in the process snapped the Redlegs' winning streak at six games. The Redlegs had to rally in the ninth to win the opener 4-3.

Berra's hitting wasn't the only comforting development to Manager Casey Stengel of the Yanks. Eddie Lopat, the veteran left-hander who had lost his first four starts, came through with a steady four-hit shutout, facing only 28 men, in the first game.

Fred Hatfield's single in the fourth inning was the only hit off Wynn at Detroit, where Cleveland ended its brief two-game losing streak. After the hit, Wynn retired 16 men in succession. The Tribe bopped Ned Garver and two others for 10 hits.

Second baseman Curt Roberts of the Pirates started the 1935 season in the same manner as last year. He got the Pirates' first hit.

Vukovic Up Front For '500'

INDIANAPOLIS (A)—The 29th 500-mile auto race May 30 will be a 33-car contest for about a quarter-mile.

Time trials which ended yesterday put the seasoned, hard-charging drivers up front — such contenders as 1934-35 winner Bill Vukovich, Jack McGrath, Tony Bettenhausen, Fred Agabashian and Sam Hanks.

At the back end of the lineup will be seven drivers who qualified at slower speeds than the tail-end car in last year's field.

McGrath set a 10-mile record of 142.680 miles an hour. Ten men in the front half of the lineup did over 140, a speed unheard of in the 2 1/2 mile track before last year. But the rear end of the field was so much slower that the field's qualification average is about the same as last year—126.796 as against last year's 125.652.

Eight drivers will start for the first time, two more than last year.

Seventeen drivers made qualifying runs yesterday for the 13 starting positions left open by previous trials. Ed Elisian of Oakland, Calif., made the lineup after the track once was officially closed until race day.

He won an argument as to whether he had used up the limit of three warm-up laps before starting a trial run. Officials flagged him off the track but let him come back for a twilight dash after most of the crowd of about 25,000 had gone home.

Don Freedland of Los Angeles paced the last day's qualifiers with a 10-mile run at 138.966 in the Bob Estes Special, his seventh-place car of last year.

Al Keller, a rookie from Lodi, N. J., had the second-best speed, 126.561 in the Traylor Special.

Other newcomers in the lineup will be Al Herman, Allentown, Pa.; Keith Andrews, Colorado Springs, Colo.; Pike's Peak race winner last year; Ray Crawford, World War II ace and Pasadena, Calif., supermarket operator; Johnny Boyd, Fresno, Calif.; Chuck Weyant, Springfield, Ill.; and Sherry Tomleman, Seattle.

The Rodgers, West Virginia University golf coach, has been on the University coaching staff for 20 years.

Sports Roundup

By GAYLE TALBOT

NEW YORK (A)—Whatever became of all those four-minute miles which were going to be run once Roger Bannister and John Landy had opened the flood gates by proving what a simple feat it was, really?

It was over a year ago, on May 6, 1934, that Bannister electrified the track world by racing the classic distance in 3:59.4 at Oxford University. On June 21, in Finland, Landy lowered the figure to 3:58. On Aug. 7, in their sensational duel at Vancouver, Bannister was timed in 3:58.3, Landy in 3:59.6.

And there she stands, mates, no matter what you might have heard about our own Wes Santee and his wordy assaults on the record. Both Landy and Bannister have announced their retirement, but there remains hope they can be dragged back for next year's Olympic games at Melbourne.

Has anyone thought to tell Don Cockell what happened to Joe Walcott, Ezzard Charles and Roland LaStarza the second time they climbed into the ring with Rocky Marciano?

After the St. Louis Cards golfed two home runs into their now unscreened right field pavilion to nose out the Dodgers the other day, an anguished Brooklyn reporter led off his account of the contest thusly:

"They've turned Gusie Busch's nice ball park into a chop suey joint, with Chinese homers the new house specialty."

The state boxing commission which doesn't have at least one probe of crookedness going on at the moment simply ain't living.

Pitcher Ray Moore of the Baltimore Orioles is a tobacco farmer during the off-season.

NOTICE TO OWNERS OF DOGS

As required by law, all dogs in the City of Sanford, Florida must be vaccinated against rabies, and the vaccination tag continually worn by dogs on collar or harness for the following year.

In order to accommodate dog owners, Dr. Raymond Bass, Veterinarian, will be at the rear of the City Hall May 15 to vaccinate dogs from 1:30 P. M. to 3:30 P. M. and May 25, from 1:30 P. M. to 3:30 P. M.

After June 1 all dogs found without a tag certifying they have been vaccinated for rabies for year of 1935 will be subject to being picked up by the Police and killed.

City license tags for the year 1935 are now available and owners must obtain tags prior to June 1 from the City Tax Collector, City Hall, East of Limes Tag No. 200.

Sanford Set For New Annexation Bid

The need for annexation has jumped from the "it would be nice if" stage to the "it must be done" level.

This was made clear today by city officials as these new developments were announced:

1. The City Commission, representatives of other groups, and interested citizens will go to Tallahassee Thursday for another discussion of the crucial problem with the Seminole County legislature delegation.

2. The Sanford Merchants Association was to study the issue at a meeting this afternoon at City Hall.

3. Building contractors are stymied by lack of land within the city for erection of housing to care for incoming Navy personnel.

City Manager Warren Knowles and City Commissioner Jack Ratigan emphasized that the only area available for construction is the area the city proposes to annex. The annexation plan would extend the city limits south to take in the new 27th St. school and most of the Dreamworld subdivision.

"The expansion of Sanford Naval Auxiliary Air

Station," Knowles and Ratigan said, "makes the need for quick, new, low-cost VA and FHA financing immediate and vital."

The availability of city facilities will insure quick approval for construction, they pointed out. The officials said the extension of facilities should be planned for the whole area in which the city is expanding, not haphazardly.

New construction involving septic tanks and private water systems, they added, "will impose on the home owner a cost from which he will not get full benefit."

Knowles and Ratigan went on to say that expansion of the base will be beneficial to the city from many aspects.

"For every five new families who move into an area," they declared, "one family must move in to go to work serving them."

Pointing out that Congress has allocated \$188,900 for construction work at the naval base, the officials said this will give added impetus to business

within the city.

More money in circulation means a large volume of business for merchants and more job opportunities for the people," they stressed. "This is the first and greatest opportunity for Sanford in more than 20 years."

The City Commission will make the trip to Tallahassee at its own expense because it feels annexation is vital to the development of Sanford, Ratigan said.

In a letter last month to Sen. Douglas Stenstrom, Rep. Volie Williams Jr. and Rep. Mack Cleveland Jr., the Commission revealed that after three conferences, during which the matter was "completely debated," the lawmakers opposed annexation without a referendum.

The Commission made an alternate proposal in the letter that the county legislative delegation "secure legislation, authorizing the annexation, whereby the eligible voters of the entire affected area, including the annexation areas, plus the city of Sanford,

should be allowed to vote in one combined election."

The results would be determined by a "simple majority of the votes cast," the letter said.

Annexation proposals originally submitted by the City Zoning and Planning Commission were altered slightly after it was pointed out that the city would take in swampland by holding to the set-up.

Under the new plan, the southern limits of the city would be extended 330 feet south of 27th St. The new line would run between Marshall and Hartwell Aves. on the southwest side of the city, and, on the northwest side, would run west on 20th St. to the Atlantic Coast Line Railroad's new mainline track. It would then go north to the A. C. L.'s Leesburg track and back to the present city limits.

Although some property owners in the affected areas registered protests at first, the objections have mostly died down and it is probable that annexation will pick up firm support in the sections under consideration, city officials said.

Strolling In Sanford

Forty-two members of the Georgia Tech senior class were recently elected to membership in Phi Kappa Phi, national scholastic honor society. Senior students are chosen for membership on the basis of leadership and character, and must rank scholastically in the upper seven percent of their class. Charles J. Anderson of Sanford, majoring in mechanical engineering, is among those selected.

A called meeting of the Seminole County Education Association will be held at the Southside auditorium Thursday at 8 p.m. Installation of officers will be held and organization of committees for the workshop. An important meeting of the executive board will precede at 7 o'clock.

Western Powers Urged To Call Off Projected Meeting

TAIPEI, Formosa (AP)—The Chinese Nationalist official Central Daily News today urged the Western Powers to call off the projected Big Four top-level conference. It said the conference is mainly a Soviet trap for the West.

The official Nationalist newspaper, the Chung Hua Daily News, took the same tack, urging the West to be on guard against a sudden Soviet military attack.

The Nationalist Interior Ministry's news agency, Taitai, said more than three divisions of Chinese Communist troops, possibly transferred from North Korea, had moved in the coastal areas of Fujian province the past week.

The Defense Ministry said it "had no such information."

Rev. Spear Accepts Unanimous Recall

The Rev. R. E. Spear Jr., pastor of the First Church of the Nazarene, has accepted a unanimous recall to continue present pastoral arrangements for the Convention year 1955-56.

May 1 marked the beginning of the church year and concluded six months with the Rev. Spear as pastor, during which time some \$1,200 was sent to district and general headquarters for missions and operating expenses, 13 members were added to the church, a new Organ was installed, restroom furnishings dedicated, and new light fixtures installed in the sanctuary.

The Rev. Spear is attending the 41st Florida district annual assembly this week which is convening in Winter Haven.

Telephone Strike Ends At Midnight

ATLANTA (AP)—Union members have accepted a new contract with the Southern Bell Telephone Co., picket lines will be removed at midnight tonight and workers will return to their jobs tomorrow.

This was announced today by the Atlanta headquarters of the Communications Workers of America (CWA) which directed the nine-state strike which started March 14.

The union notified the company of the contract's acceptance shortly after noon.

Williams Joins Utility Debate

Sanford's Representative Volie Williams yesterday joined into the dispute between Orlando Utilities Comm. Pres. Roy Brewton and Rep. Mack N. Cleveland, also of Sanford, over building an electric plant in Seminole County.

This bill would have allowed construction of the plant and has been postponed indefinitely.

Three Pistol Shots Fired By Woman Fatal To Ex-Mate

TULSA, OKLA. (AP)—Three shots from a .22-caliber pistol fired by his recently divorced wife in downtown Tulsa fatally wounded 45-year-old Ray Madison Deatherage.

Police arrested Mildred Ann Barton, 44, for questioning minutes after the shooting during the evening rush hour yesterday. Deatherage died shortly before midnight.

A woman traffic officer, who was on duty half a block away, took the gun from Miss Barton. The woman told officers her former husband entered the department store where she worked and threatened her. He then demanded she leave with him. She was divorced from Deatherage in January.

As they got to the door of the store, Miss Barton said, the former oil field worker reached inside his shirt. She said he had a gun but she beat him to the draw. Detective Ed Underhill said a loaded .45-caliber pistol was found on Deatherage.

First Full-Day Talks Scheduled In Negotiations

DETROIT (AP)—General Motors and the CIO United Auto Workers scheduled full-day contract talks today for the first time since negotiations opened April 7.

The UAW and GM extended yesterday's session past 6 p.m. but neither side would comment on what headway is being made on the union's guaranteed annual wage proposal.

Similar talks with Ford were scheduled for today. Meanwhile, the union said yesterday that 103 of 107 GM locals have voted 126,599 to 8,955 in favor of a walkout should new contract talks fail. The other four locals were unreported.

Yugoslavia Says Foreign Policy Won't Be Changed

WASHINGTON (AP)—Yugoslavia has told this country that Marshal Tito's plan to meet with top Russian leaders does not indicate any wavering from a policy of "firm independence."

Ambassador Leo Mates met with Secretary of State Dulles late yesterday and told newsmen upon emerging that "there will be no changes in our foreign policy as a result of the visit to Belgrade."

He referred to the scheduled visit to the Yugoslav capital later this month of Soviet Premier Bulganin and Communist party chief Nikita Khrushchev. There has been Western speculation that they will seek to woo Tito, who broke with the late Premier Stalin in 1948, back into Moscow's orbit.

Memorial Service Planned

A memorial service in honor of former city police officers will be held Sunday in the pavilion of the Evergreen Cemetery, West 25th St., Chief of Police Roy Williams announced today. The service will begin at 3 p.m.

Chief Williams said the service will be held by the Sanford Police Benevolent Association under his direction. Officiating will be the Rev. Milton H. Wyatt of the First Methodist Church and the Rev. Lloyd King, chaplain of the Florida Peace Officers' Association.

Families and friends of the former officers were invited to attend, as well as the general public.

Chief Williams announced a partial list of those who will be honored. It includes:

George W. Harrell, Sam Gardner, A. H. Marshall, G. W. Smith, W. A. Tilly, Sam Smart, C. M. Hand, J. P. McClelland, W. C. Williamson, Cleveland Jacobs, Joseph Cameron.

William Benton, David Speer, George H. Tomlinson, Robert Kennedy, Wes Prescott, F. D. Dixon, R. H. Whitten, J. A. Kilbreath, and Robert C. Wilcox.

Women's Groups Commended By Ike

PHILADELPHIA (AP)—President Eisenhower today commended the General Federation of Women's Clubs for its efforts to increase international good will.

The message from the White House was sent to the opening of the organization's 64th annual convention.

Eisenhower said it is particularly impressive that through their generous contributions for overseas relief, the clubwomen have demonstrated their friendship for women of other nations.

RED CROSS CHAPTER TO MEET THURSDAY

The annual meeting of the Seminole County Chapter, American Red Cross, will be held at 10 a. m. Thursday in the Commissioners Room at City Hall.

All Red Cross members are urged to attend. Election of officers will be held and reports of Chapter activities of the past year are to be given.

CHARLES BRIDGES FUNERAL WILL BE TOMORROW

Elks graveside services will be conducted tomorrow at 2:30 p. m. for Charles Bridges who died Sunday afternoon after a lingering illness. Burial will take place in Evergreen Cemetery.

The widow is the former Dorothy Mickey of Sanford.

Question Of Rights Still Remains Same

Fla. Citrus Mutual To Elect Directors At Meet Tomorrow

LAKELAND—Eighteen of the 21 directors who will guide the activities of Florida Citrus Mutual during the 1955-56 season will be chosen tomorrow at six district meetings. Three directors will be chosen at each session.

A seventh meeting is scheduled June 7 at Vero Beach for the Indian River section. Wednesday's meetings, all scheduled for 2:30 p.m., will follow meetings of citrus growers for nominating members of the growers administrative committee, which operates the federal citrus marketing agreement, which will start at 2 p.m.

Directors chosen tomorrow will be formally seated at Mutual's annual meeting, to be held in air-conditioned Nora Mayo Hall in the Florida Citrus Building in Winter Haven on June 21.

Brief talks are planned at two of the Mutual district meetings with Ed L. Ayers, state plant commissioner, explaining at the Wauchula meeting the serious problem being created by spread-disease. A Mutual director, W. Max Arce of Deland, will speak at the meeting in his hometown, describing Mutual's activities during the current season.

Only two changes in directors were made at last year's elections but in 1955 there were ten new faces when the board organized for the following places:

Tampa, Home Demonstration Room, County Agent's Office, Courthouse; Tavares, Lake Theatre; Deland, Chamber of Commerce; Orlando, Chamber of Commerce; Wauchula, City Hall; Winter Haven, Florida Citrus Building.

Commission Passes Matter After Hearing Inconclusive

City Police Judge John Leonard says he did and Attorney Gordon Frederick says he didn't. So the question of whether a defendant's constitutional rights were violated in Leonard's court retained the same status it did before last night's City Commission meeting.

The Commission heard both sides and passed over the matter without making any decision following a mild and inconclusive airing of the case.

Frederick applied the word "prevarication" to Judge Leonard's description of the court trial and the judge labeled Frederick's charges "untrue."

Two weeks ago Frederick heatedly charged his client, David Pringle, a Sanford Negro charged with driving while intoxicated, was "denied his constitutional right to present his side of the case."

Last night, two police officers, Patrolman Ben Butler and Arnold Williams, and a civilian, Joe Corley, related they heard Pringle attempt to talk three times and each time Frederick stopped him. Frederick admitted he had stopped his client from talking, but maintained these attempts were all made when the prosecution was presenting its case and not at the proper time for him to be heard.

Pringle was found guilty and is serving time in the city jail.

In other action, the Commission directed City Manager Warren Knowles to get all property owners together to agree on a method of overcoming a health problem on Summerlin Avenue.

The move was made after a dozen irate parents living on the street demanded immediate action on clearing mosquitoes and snakes out of the ditch behind their homes.

Knowles said the ditch is three-quarters on private property outside the city limits.

Race Against Time Spurred By Appeal

TALLAHASSEE (AP)—Spurred on by an appeal by President Davis, the Senate Governmental Reorganization Committee has begun a race against time in an effort to come up with an acceptable plan to reapportion the Legislature.

Davis told the committee yesterday that with less than two weeks remaining of the regular 60 day session it was up to that group to come up with something which the Senate could work on.

But the committee talked itself into a lather over the subject without arriving at any decision. One committee member was openly pessimistic about the Legislature solving the problem by June 3.

Third Man Takes Floor In Sheppard Hearing Appeal

CLEVELAND (AP)—Arthur W. Petersilge, third man on the three-man defense team of convicted wife slayer Samuel H. Sheppard, took the floor again today in an Appeals Court hearing.

Petersilge, following two other defense lawyers in the first day of the hearing yesterday, still was presenting his arguments when the session closed in the afternoon.

Over the prosecution's objection, the court decided to convene 15 minutes earlier today so that Petersilge could finish. Judge Julius Krovachy, head of the three-judge court, said he believed the state could conclude its arguments today.

Miami Father Held In Hit-Run Death Of Young Boy

MIAMI (AP)—A 37-year-old father of three was held in county jail today in the hit-and-run death of a Miami schoolboy Saturday night.

Leon Mullis, chief accident investigator for the Dade County Road Patrol, said Kenneth Gaston Tindell, who has a record of six arrests, including three for drunken driving, confessed that he was driving the car that struck and killed David Barron, 13, and injured his brother, Allen, 12.

Tindell, employee of the county waste department, was arrested last night by Chief Harry J. Curran of the Mealey police department. Curran said Tindell admitted his guilt with these words: "Well, I might as well admit it. I am the one you are looking for."

Curran quoted Tindell as saying he didn't realize he was the hit-and-run driver that killed the Barron boy until Sunday morning when his Tindell's mother came to visit and asked what he had hit with his automobile.

Mrs. Sarah Stoner Award Is Presented

Gov. Frank J. Lausche of Ohio recently presented the first Sarah Stoner Award Medal at the Euclid Central High School in Cleveland, Ohio. The medal, which will be an annual award, will serve as a continuing tribute to Mrs. Stoner who was killed instantly in an automobile collision early last summer.

Quoting from one part of the program, "We in Euclid have felt Mrs. Stoner's death very deeply. She was among the most gifted and highly professional teachers in the school system. As a result, the perpetual award has been set up in her honor to keep her memory a living thing."

The medal is to be awarded yearly to the student in the school who is outstanding in essay composition and education.

The above information was received in a Cleveland paper sent to Mrs. Frank Lausche of Sanford, sister of Mrs. Stoner.

Arrests Are High As Sikhs Continue To Seek Self-Rule

NEW DELHI, India (AP)—Agitation by bearded Sikh nationalists seeking an autonomous state entered its third week today with arrests approaching 800.

The movement is centered in north India's Punjab state. The Sikhs have been defying the state government's ban on slogans identified with Sikh autonomy.

The Punjab is a stronghold of Sikhism, a Hindu reform movement which over the centuries developed a powerful military organization. Many of the soldiers in the old British-Indian army were Sikhs.

Reports reaching here from the Punjab said that up to yesterday 779 persons had been arrested throughout the state for carrying banners inscribed with demands or shouting slogans.

TAKING PART in a hearing before the City Commission last night on the Frederick-Leonard controversy were Patrolman Ben Butler (standing at table) and Patrolman Ben Butler (seated, first row). Seated in second row is Judge Leonard. (Herald Photo)
