## 8 Are Killed, 55 Injured In Train Wreck

### Train Traveling Sixty Miles Per Hour As Cars Are Derailed In California Crash

BAKERSFIELD, Calif., Jan. 17.—Eight persons were killed and at least 55 injured early today when a Southern Pacific passenger train hit a broken rail 12 miles north of Bakersfield, Calif. The train, the Owl, was en route from San Francisco to Los Angeles.

Eleven cars left the rails, with four coaches and a tourist sleeper overturning.

The train was traveling at a speed of about 60 miles an hour. Rescue workers searching the twisted wreckage found eight persons dead and many others crushed beneath the cars. One witness said an uncounted number of passengers were hurled through windows as the cars turned over.

Rescue workers said of a grisly scene, legs and arms torn from some of the victims. At least 55 injured have been removed from the wreck. Most of them were taken to a Bakersfield hospital, where doctors, nurses and interns worked frantically on them. One hospital attendant said: "The halls are full of injured and we are working on them desperately."

The locomotive and ten cars of the 3:58 a. m. express remained upright. The Owl had left San Francisco at 11:30 p. m. last night and was due in Los Angeles this morning.

## Three Persons Are Killed In Blaze At Hotel

WATERTOWN, Jan. 17.—(AP)—Three persons died today and six others were injured during a fire in a three-story hotel in Watertown. Twenty-two other persons fled to safety as flames spread by firemen.

The fire broke out this morning in the second floor of the Hotel Watertown, a three-story structure and second apartment building in the lower part of the three-story structure.

Two elderly men were killed in the flaming wreckage. Another man, also more than 60 years of age, died later of injuries received in the fire, and a fourth victim, who is 24 years old, is described as in serious condition.

Nineteen persons managed to get out of the burning hotel and fifteen persons were injured from the third floor. One man spent several anxious moments hanging from a ledge before the firemen got to him.

After the fire had raged for about an hour, the roof caved in. Cause of the blaze was not definitely determined.

## Russia May Ask U.S. For Loan Of 5 Billion Dollars

Deal Would Be In Return For Lowering Reparations Claims

LONDON, Jan. 17.—(AP)—British sources at the deputy foreign ministers conference in London said today that Russia may ask to scale down her reparations claims on Germany in return for a \$5,000,000,000 loan from the United States.

The deputy foreign ministers are working on treaty drafts for Germany and Austria for presentation to the Big Four ministers in Moscow in March. One of the thorniest issues facing the deputies is the question of German reparations.

In commenting today on the possibility that Russia may seek an American loan in return for scaling down her claims on Germany, the influential London Economist said this today: "Prime Minister Stalin has on two occasions recently referred to Russia's need for an American loan. The whole atmosphere of the coming Moscow conference might be changed if successful loan negotiations had already been completed in Washington."

## Rabbi Morris Skon Addresses Men's Club

Democracy is based upon ideals of brotherhood and the American people had better begin thinking of these ideals, Rabbi Morris Skon, rabbi of the Temple Beth Shalom, said today at a meeting of the Men's Club. These are the only two words, he said, that are missing from the American dream. He said that the American dream is a dream of a better world, a world where the rights of the individual are protected and the rights of the community are maintained.

## House Group Gives Approval Of Luxury Tax

### Voting Is Unanimous; Senate Group Gets Report On Ways Of Reducing Budget

WASHINGTON, Jan. 17.—(AP)—The House Ways and Means Committee today approved legislation continuing the war-time tax rates on such things as liquor, jewelry and furs, for an indefinite time.

The bill was okayed by a unanimous vote. Committee Chairman Harold Knutson of Minnesota said he expects the House to pass the measure early next week.

Knutson said another bill will be introduced continuing the war-time postal rates which raised the local mailing charge from two to three cents. The Minnesota Republican expressed belief that the bill continuing the postal rates will get quick approval.

Meanwhile, the Senate Appropriations Committee received its report showing that some law to provide one and one-half billion dollars off President Truman's budget estimate for the Army and the Navy.

The report to the committee was written by a group of former Army and Navy officers who are described as knowing their way around a budget.

Their study indicates that approximately \$1,000,000,000 could be lopped off the War department's spending estimate of more than \$6,000,000,000. The former officers said \$500,000,000 could be slashed from the Navy's allotment of \$4,500,000,000.

The United States Chamber of Commerce today waded into the conflict over postal-to-portage pay. It charged that the claims would wipe out all net profits.

The chamber stated its case in a brief submitted to a Senate subcommittee by Thomas W. Howard, manager of the Department of Manufacture of the chamber. Howard said that the claims for labor unions for back pay would be a body blow to the nation's economy, and a staggering setback to production. The claims now total more than \$4,000,000,000, which various unions say should be paid to workers for time spent on company property getting ready for work.

## Ye Olde Trading Post Opens Saturday

Another new business has been added to Sanford in the form of "Ye Olde Trading Post," an antique shop which will be formally opened Saturday morning in the Touchton Building.

Mr. and Mrs. Bob Magnusson, owners, will operate the shop which has been attractively decorated and is filled with beautiful selections of furniture and bric-a-brac.

Mrs. Magnusson, well known in Sanford, is the former Frances L. Raymond. Mr. Magnusson, a native of Worcester, Mass., was formerly stationed at the Sanford Naval Air Station. He served in the U. S. Navy for six years, 22 months of which were spent in the Pacific theater.

## Paul Ramadier Named Premier Of France

PARIS, Jan. 17.—(AP)—A 50-year-old economist and lawyer, Paul Ramadier, was nominated today as French Premier by France's new parliament, Vincent Auriol.

Ramadier is a Socialist, and recently was Minister of Justice. Leon Blum, who served as president and premier of the caretaker government, declined the nomination as permanent premier because of ill health. Blum is 74.

Charles Leger, President Auriol, said he had offered the premiership to Edouard Herriot, a pro-war premier. But Herriot's friends said he turned down the job because he felt he could not form a cabinet.

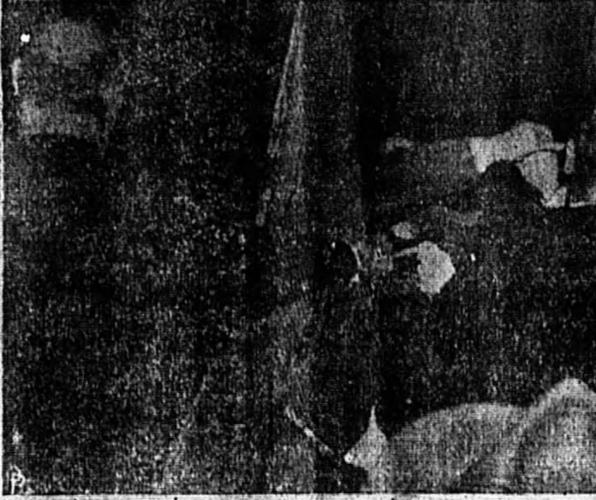

Other cabinet members named today were: Louis Luchaire, Minister of Finance; Jean Luchaire, Minister of Education; and Jean Luchaire, Minister of Health.

WASHINGTON, Jan. 17.—(AP)—The OPA announced today an increase in the maximum price of certain commodities. The increase amounts to 10 cents per 100 pounds for sugar, and 20 cents per 100 pounds for coffee. The OPA said the increase was made necessary by the terms under which the government buys sugar and coffee.

## Arnall And Talmadge Supporters Fight It Out

First they fought in the governor's office in the Georgia State Capitol in Atlanta, when supporters of Herman Talmadge and supporters of Gov. Arnall disagreed as to who was Georgia's Chief Executive. Talmadge was elected as Governor during the 1946 session of the joint House and Senate, but Gov. Arnall refused to recognize Talmadge as the new Chief Executive, and accepted Talmadge as being a "pretender."

## E.M. Armitage Is Speaker At Lions Club Lunch Meet

A summary of activities of the Sanford Tourist Club was today given to the Lions Club by E. M. Armitage, director of tourist activities, who said that the club is getting along fine and "is putting Sanford on the map."

It was reported that in spite of a small evening crowd to see Birch, manager, magician, the Lions had about broken even on the show and after deducting expenses may have made a small contribution to the high school library fund.

Mr. Armitage told of the organization this year of the Tourist Club with a meeting of 25 to 30 members at the start, and of how attendance has grown until at the recent supper, extra chairs, tables, wooden plates and eating utensils had to be borrowed to accommodate the more than 175 visitors.

He added that plans had been considered to take the tourists on a boat trip but that due to the fact that only one boat operator, Fred Bell, was available for such trips, the idea had been postponed.

From 12 to 20 inquiries a day are received from visitors for places to stay, as people are very much impressed with Sanford and its cleanliness, he said, as were Mrs. Armitage and himself when they first drove into Sanford a few years ago. He told of present difficulties of securing accommodations for visitors.

Mr. Armitage suggested to the Lions tourist entertainment committee that they have an evening of games at the Tourist Club. John Ivey suggested that the Lions cooperate with Kiwanis and Rotary in furnishing oranges and celery to visiting Chattanooga ball players. He also suggested the clubs put on a barbecue for George Barr and members of his umpire training school. Lion Ivey and Lion Joe Meisch were named as a committee to further these suggestions.

Clarence Welsh was welcomed back to the club, and Daryl Swan of the Mather Furpigeon store was welcomed as a new member. Secretary H. J. Ribbe reported he had received a letter of thanks from the Elks for Lion aid in the children's Christmas tree program.

## Talmadge Has Control Over State Capitol

### Arnall Is Forced To Vacate Entirely; Herman Is Served With Court Papers

ATLANTA, Jan. 17.—(AP)—It still is not known today whether Herman Talmadge will appear to answer court papers ordering him to show cause on Feb. 7 why he should continue as Governor of Georgia.

Talmadge has control of the state capitol, and the other claimant to the governorship, Ellis Arnall, has set up shop in an office building in Atlanta.

A new move in the bitter fight over the governorship of Georgia came this morning when Herman Talmadge seized the temporary office of Ellis Arnall beneath the state capitol dome. State Representative Jimmy Dykes, a Talmadge lieutenant, moved into the chair which Arnall had occupied yesterday.

The desk at which Arnall sat yesterday and Dykes sits today is used for the capitol information clerk. Mrs. Ida Mae Evans, Mrs. Evans said when she arrived this morning, the telephone had been ripped out and Dykes told her he was talking over.

Talmadge, who holds possession of the executive offices and the executive mansion, held a news conference this morning. He announced that he had assigned four state troopers to as he put it "protect" Arnall whenever Arnall appears at the capitol. This, said Talmadge, is so that "we may have no violence."

He added: "The temper of the people is such that anything might happen. Someone might haul off and slap him, and we don't want anything like that to happen."

A motion by Dr. F. D. Brown for that a paper be prepared expressing appreciation of the Association for the service of the late H. C. Dulose, was approved. A motion that representatives of the local post of the Veterans of Foreign Wars and the Junior Chamber of Commerce be included in the Board of directors was approved. On motion of H. B. Pope it was voted that finance and executive members be the same, with new members added as it is seen fit.

A number of old directors of the transferred to new representation approved. New directors or those transferred to new representation are J. F. McClelland, H. C. Heitzel, Henry Witte, Jr., G. A. Speer, Jr., Mary Rawlins, Lester Tharp, Mrs. A. W. Epps, G. A. Speer, Jr., Mary Rawlins, Dr. Frank Quillman, Mrs. C. Clouts, A. E. Shinholser, Mrs. O. P. Churches, civic organizations and communities are represented by two members each.

Training activity for the Lookout prospects will be held at the Municipal Airport, where the men will be quartered, and at the Municipal Ball Park.

Most of the Lookout training equipment has arrived and is in readiness for the training period.

## British Seek Jewish Attendance At Meet

LONDON, Jan. 17.—(AP)—A last-minute effort was made today to have Jewish representatives attend the London conference on Palestine. The Jewish Agency announced that Chairman David Ben-Gurion will arrive from Jerusalem on Sunday. British sources said he will be invited to confer with Colonial Secretary Arthur Creech Jones on the question of participating in the formal conference scheduled to start Tuesday.

The Zionist conference in Basel last month rejected Jewish participation under existing conditions. Syria, Arab states, Trans-Jordan, Iraq, Lebanon, Iraq, Yemen and Saudi Arabia and the Palestine Arab Higher Committee have accepted conference invitations.

There will be no admission charged, but a free will offering will be taken and the public is cordially invited to attend.

Georgia's Dilemma

The outcome of the deplorable spectacle to which the state of Georgia is now presenting a world may be said to rest more in the lap of the gods than in the hands of man.

Ellis Arnall is governor by right of tenure and the Constitution says he is to remain governor until his successor is duly elected and qualified.

At the last election Gene Talmadge was elected, it is recalled, but has since died. That left the state without a governor-elect. So, is Arnall right in insisting that he remain governor until another governor is elected by the people?

Historic Dumps

Archaeologists have turned from tombs to dumps in their efforts to piece together the evidence of man's progress in time.

Dr. Collier and his colleagues, archaeologists from Yale and Columbia Universities, supervised the digging which must be done by hand, so that no precious pieces of evidence are broken.

Education By Proxy

The returned GI's have set the harassed colleges many new problems, one of which is that some who are married to former stenographers have been sending their wives to classes to take lecture notes.
