# Once again: 1st Street project goes to bid

By Dan Ping Editor

SANFORD — Renovations to 1st Street will be delayed as city officials have decided to put the project out to bid for a second

Bids for the project came in substantially higher than the Downtown Community Redevelopment Agency's (CRA) budget of \$1.7 million. Gomez Construction of Winter Park was the low bidder on the project with a \$2.7 million bid.

In order to meet budget, CRA board members instructed city staff to work with Gomez on "value engineering" the project. One of the savings Gomez and city staff suggested was to close

Redevelopment agency recommends downtown project be put out to bid for the second time

major change from the way the project was put out to bid. In its project specifications, the city had requested 1st Street remain open

After studying the proposed changes, City Manager Al Grieshaber recommended the project go through the bid process because the project specs had changed so significantly he was concerned with legal issues. The CRA unanimously approved the recommendation.

1st Street during construction, a bid, not because I want to, " said CRA chairman Bob Parsell, "but because city staff feels more comfortable rebidding."

> Parsell said depending on how quickly city staff act, the project could be under construction by mid summer.

Renovations to 1st Street include replacing stormwater and electrical infrastructure under 1st Street from Sanford Avenue to Oak Avenue. The project also includes extensive streetscape work including rebricking por-"We're putting it back out to tions of the street, widening side-

walks and installing landscaping and street lights. In addition to Gomez,

Wharton Smith of Sanford submitted a bid on the project. Wharton Smith's bid was \$3.4 million, double the CRA's \$1.7 million budget.

When the bids came in over budget, the CRA had two options: scale back on the project or find additional revenue sources. Reducing the scope of the project has be difficult because CRA members, particularly Parsell, has been adamant

about installing enough infrastructure underground to serve downtown's needs for at least 20

"We don't want to dig up the street five years from now because we didn't provide enough electrical or stormwater capacity," Parsell.

Likewise, Parsell said the CRA doesn't want to skimp on the above-ground amenities

"We want this to be a first-class project," Parsell said, "There is no way I would agree to do this job halfway."

Gomez had identified \$515,000 in cost savings and Grieshaber was working to find additional revenue sources. Grieshaber has yet to identify which, if any, sources may be tapped.

## County schools foundation makes a difference

By Steve Paradis Herald Correspondent

**SANFORD** — A Pinecrest Elementary teacher wanted to purchase a cash register to educate her first graders about the concept of money. She turned to a program offered by The Foundation for Seminole County Public Schools and received a small grant.

This past year that same teacher, Deborah Partridge, received another foundation grant. This time the money bought a couple of word processors so students could practice spelling, write book reports and improve typing

The person charged with monitoring the distribution of funds is Executive Director Tina Calderone. She said every school in Seminole County benefits from the non-profit foundation, but not everyone knows it.

The foundation sponsors the program that names the teacher of the year as well as awards for principals and school-related employees of the year, for example.

The organization also raises and disperses money to enhance what Calderone calls the "superior performance" of our teachers and students. The foundation helps low-income students, but also rewards those who excel, Calderone said.

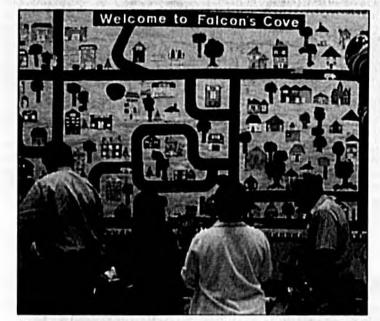

She calls donations to the fund "phenomenal." She points to a long list of corporate sponsors. Corporations such as Progress Energy and Darden Restaurants give more than half o the sponsorships, gifts and donations taken in by the foundation. Individuals donate about a quarter of the money with government contributing another 15 percent.

Idyllwilde Elementary School's second grade hosted Community Day on Friday, April 23. It all centers on the city of Falcon's Cove.

"Each year, students in the second grade, studying communities, create a fictitious city," said Principal Dave Scott. "This year, named after the school's mascot, the falcon, they chose the name Falcon's Cove, and base their studies on what makes a community such as this exist."

The day's events will began at 10:45 a.m., with the "mayor" of Falcon's Cove, Angela Kaplan, welcoming visitors to the city. "The children elect the mayor for their city," Scott explained. "The second graders have created the city and mayor for this unique social studies and

math project." Following a ribbon cutting ceremony, visitors went to the Falcon Cove "Bank" to withdraw money (Monopoly style) then proceeded to the businesses the students had set up in their classrooms for

## 'Smash and grab' robber suspect sought by SCSO

From Staff Reports

Late Sunday evening, April 25, Investigator Jeff Bean of the Seminole County Sheriff's Office responded to a convenience store at 5690 W. State Road 46, just outside the city limits of Sanford.

A white male reportedly entered the store and purchased several pieces of candy. He then requested change for a quarter. When the clerk was making

change, the suspect jumped on top of the counter, pushed the cash register drawer open, and grabbed the money. He then ran from the store with an undisclosed amount of money.

The suspect is described as a white male in his 30's or 40's, approximately five feet ten inches tall, weighing about 160 pounds. He was wearing a gray T-shirt, blue shorts and a dark baseball cap. He also had a moustache.

Bean questioned the clerk and two customers who reported seeing the incident. The clerk reported that the man had told her he had a wife and 3-year-old daughter waiting for him outside the store at the phone booth.

One customer was entering the store when the robber was making his escape. He said he tried to stop the man, but was holding his daughter at the time. The suspect reportedly ran into him which

knocked the suspect into a newspaper rack, but he recovered and ran out of the store heading toward Orange Blvd.

Another witness told the deputy she heard the man yelling to someone to hurry up, that the police were on the way. She then said she heard a car's engine rev up and the squealing of tires as the vehicle drove away.

## Citizens to supply input on Lake Mary's park project

By Christopher Patton **Managing Editor** 

A series of small parks in the Lake Mary's downtown are subject to change over the course of the next year as the public is invited to comment Monday, May 3,

on the proposed restoration plan. The five parks averaging about one third of an acre apiece were originally laid out in 1916 as part of the Crystal Lakes Winter Homes plat. They extend in a diagonal row from north of Crystal Lake Avenue, across Wilbur and Lake Mary avenues to about the city community center on North Country Club Road. In conjunction with revitalized

downtown development, the stair-stepped park restoration plan was developed over the past year by city staff. City officials are now soliciting comments from the community at a scheduled public meeting to incorporate any concerns or changes from citizens.

"We sat down as staff and developed a plan for each one of the parks," said Shannon Suffron, senior planner with the Lake

ground near the community center is the only one not subject change. The next park in the stair-step sysacross tem, North Country Club Road, is currently a basketball court, but it's slated to be the first to undergo

changes If approved by the City Commission this summer, the park restoration plan implementation could begin by the end of the year. Staff is proposing a plaza-like park for the basketball court that would feature a clock tower, patio chairs and tables and a brick designed floor.

"We would like to get that done and then maybe the rest would fall into place," she said.

By changing the parks the city expects to "make more of a system where people in the downtown can take advantage of them," Suffron said. The other options for the remaining parks are a sculpture and rose garden, a covered gazebo and picnic shelter. and an interactive water fountain.

"It's a mixture of passive and active uses," she

said. At one point the series of parks were connected with a diagonal connector trail known as the Morris Walkway. Over the years, Suffron said, it has faded and is being rarely

used. "Ultimately, we would like to make a trail system in the downtown and maybe connect to Rinehart Road (trail)," she said.

Notices of the Monday public meeting to be held at the Lake Mary Community Center at 6 p.m. have been posted at the Lake Mary library, community center and mailed to surrounding property owners in the downtown area. educated work Calderone said.

"I know there are individuals who want to help our schools and kids, but they just don't know we exist," she said. "Our biggest challenge is just name recognition."

Donating money to the foundation contributes to the economic development of the community, she said, by investing in future leaders. These investments make a difference, according to Seminole High School Principal Walt Griffin. He cites the teacher mini-grant program as one of his favorites.

Called "Grants for Great Ideas," the program funds ideas like those of Pinecrest teacher Partridge. Teachers are given \$500 to \$1,500 grants. Griffin pointed out how "userfriendly" the grants are.

"With some grants you have to jump through so many hoops it's not worth it," he explained.

He said the ROTC program at his own school has benefited from Great Ideas grants. Science labs and equipment have been purchased with the

Griffin is involved in another of the foundations innovative programs, "Take Stock in Children." Eighth-graders apply to the program. When chosen, the middle school students are paired with a mentor who meets with them weekly during high school.

"I have a Take Stock child myself," Griffin said of the ninth-grader he mentors. "The program gives him extra motivation to stay in school. It's kind of a carrot for him."

That's because if he stays out

"They recognize the need to keep these kids off the streets and in school," she said.

A series of programs and endowments aids the needy and rewards those who excel in school and in the classroom. About a third of the foundation's fund distribution goes to student and staff recognition, according to the foundation's 2002-2003 annual report.

The Paul J. Hagerty Endowment Fund, for example, rewards county teachers raiser held each fall has raised of trouble and does well who show the best use of tech- more than \$250,000 to support in school, when he graduates nology in the classroom. Before the school year starts, the foundation sponsors a Back to School Fair. Calderone said more than 3,000 eligible children receive new backpacks containing school supplies. They also have the chance to obtain health screening and receive a \$10 voucher for clothing. One of Calderone's wishes is to help the 15,000 or so elementary and middle school children who could use these materials.

"Any time you fill a need, you see how big that need really is," she explained. "I guess anything we do we want to do bigger, better."

The foundation also wants to expand its support for the arts in school. A black-tie fund-

money and fund-raising events, including an annual Golf for Education tournament, Calderone pointed to the Support Education license plates as a way people can help county schools. She suggested that most people do not know

where that money ends up. The additional \$15 that auto owners pay for the license tags in Seminole County goes to the foundation. The tags with a red apple surrounding a graduation cap and diploma shows teachers that they are supported, Calderone said.

"The media sometimes questions the quality of education, but this is a great way to champion the cause," she said. "Some may think it's a small gesture of support, but buying a Support Education tag is more important than one might

supplies."

Calderone has lived in Florida since 1980 and Seminole County since 1985. Her husband, Joe, is a cosmetic dentist, and they have two children, Alexis in eighth grade, and Tyler in fifth grade.

For a community to remain healthy, she said, everyone has to realize that the children helped by the foundation programs may be their own. At least they may be a neighbor or might be a classmate of their child or a relative. The students may belong to their churches or synagogues or may even play on their child's soccer team.

'We are only as good as the whole," she said. "It's the weakest link theory."

## Seminole in Top 10 in State Weightlifting

By Dean Smith Sports Editor

Spruce Creek won the war, but the Seminole Athletic Conference can claim something the Hawks can't.

A state champion. Spruce Creek handily won it's 11th consecutive team state championship. but Winter Springs' Anthony Segretario was an individual champion in heavyweight at the 2004 FHSAA Boys Weightlifting Finals, held at the Stephen C. O'Connell Center in Gainesville this past weekend.

The Hawks did not have a single individual champ, but still accumulated 24 points to double the total of runner-up

The 284-pound Segretario totaled 745 pounds with a 455-pound lift in the bench and a 290-pound clean & jerk to edge Venice's Dusty Bear by five pounds. Oviedo's Andrew Lark was fourth with a total lift of 730 pounds.

Lamar Myles, a 219-lb. lifter from Lake Region (Eagle Lake), broke the overall record for total weight lifted with a total of 830 lbs. and also set records for his weight class in the bench press with 455 lbs., the clean and jerk with 375 lbs., and total weight lifted.

In the 169-lb, weight class, Andrew Hutchinson of River Ridge (New Port Richey) set a new record for the bench press with a lift of 390 lbs., and Spruce Creek's Chad Jensen fied the clean and jerk record with 315 lbs.

The SAC also had a couple of Silver Medal winners in Seminole's Jamaal Neal and Lake Mary's Keith Rivers.

Neal was second at 139 with lifts of 285 (bench) and 265 (clean and jerk) to finish with 550 pounds, while Rivers hefted 380 (bench) and 315 (clean and jerk) for 695 pounds to finish a distant second to the remarkable Myles at 219

Other local finishers were Seminole's John Pullman (fourth at 129) and Clarence Stephen (seventh at 183), Lake Brantley's Eric Benrevy (fifth at 169) and Winter Springs' Ricky Burgos (10th at

## Lake Brantley rolls in softball

By Dean Smith Sports Editor

The diamond playoffs for the 2003-04 school year kicked off in fine fashion for Seminole County on Monday as the Lake Brantley softball team shutout Edgewater, 4-0, in the Class 6A-District 3 **Tournament at Lake Mary** High School.

Marla Stevens hurled a three-hitter and struck out eight to record her fourth shutout of the season.

The southpaw was nearly unhittable as she held the Eagles (12-12) to no hits until the fifth inning and had a one-hitter for 6-1/3 innings.

Patriots coach Mike Ferrell was probably starting to sweat when the Eagles got back-to-back singles, but Stevens stifled the threat by striking out the final two batters she faced.

University also advanced, eliminating Winter Park, 1-0, to set up semifinal matchups between Lake Brantley (15-11) and No. 1 seeded Apopka and University against No. 2 Lake Mary on Tuesday.

The winners, both of whom will advance to next Thursday's regionals, will meet for the district championship at 7 p.m. on Friday.

The Patriots took the lead for good in the second inning when Stevens was hit by a pitch, Nikki Hall reached on an error and Sandel bunted for a single to load the bases when no one covered. Stevens then scored on a

fielder's choice and Natalie Ruff singled to plate Hall. Catcher Heather Uvino

helped her batterymate with a two-run, two-out single in the fifth inning following a walk and an error.

The Patriots were to have joined the host Rams, University and Apopka in Tuesday's semifinals with the winners to play for the championship at 7 p.m. on Friday. The baseball season entered its final week of the regular season with Grant Berman (fielding bunt, above) hurling a four-hitter to outduel Paul Cinder as host Lake Howell edged Lake Mary, 2-1. Baseball will open its district playoffs next Monday.

Lake Mary Prep (4-7) finished the season on a high not by outscoring Central Florida Christian Academy, 15-11. Higgins (3-for-3, two RBI) and Vest (2-for-4, two RBI) led the way at the plate for the Griffins.

The other two games were five-inning run rule wins with The Master's Academy (13-6) routing Lighthouse Christian, 10-0, and Trinity Prep (18-7)

thumping Bishop Moore, 11-1. Flood hurled a no-hitter, striking out seven, while

Munyon was hit a home run, scored twice and drove in three for the Eagles, while the Saints got a five strike out effort from Griffin, while Burmeister paced the hitters, going 2-for-2 and driving in three runs.

By Dean Smith Sports Editor

Trinity Prep made short work of its opponents, while the Lake Howell girls saw their stellar season come to and end as tennis drew toward a close last Friday.

The Saints girls swept past Seminole County doe Orangewood Christian, 7-0, while the boys waltzed past Father Lopez, 6-1, to advance to the Class A state tournament which will wrap up in Tallahassee today (Wednesday).

Leading the way for the Trinity Prep girls was senior Mariah Hoover, who is making her fifth consecutive trip to the state tournament. Hoover breezed to a 6-0, 6-0 victory against the Rams' Haley Jones in No. 2 singles.

Also winning singles matches were eighth-grader Katharina Rosler at No. 1, senior Colleen Ryan at No. 3, senior Amanda Rosen at No. 4 and eighth-grader

Sonali Ranjit at No. 5. Rosler and Hoover won at No. I doubles, while Rosen and sophomore Jessica Overmeyer won at No. 2 doubles.

Sophomore James Moye led the way for Trinity Prep's boys at No. 1 as the Saints won all five singles matches.

Other winners were senior David Freedman at No. 2, sophomore R.J. Cubarrubia at No. 3, seventh-grader Parker Sitkowski at No. 4 and senior Kedar Kirtane at No. 5. The Green Wave forfeited at No. 1 doubles, then got its only victory in No. 2 doubles, when Patrick Rabitaille and Peter White edged Kirtane and senior Robby Waked 6-3, 1-6, 7-6 (12-10).

The Silver Hawks saw their season end at 9-6 in a 4-1 defeat at the hands of 17-1 Brooksville Central in Class 3A. DeGrood was the lone winner for Lake Howell, defeating Etchison in straight sets, 6-1 and

its final two weeks with Class A and 2A running their state meet and Class 3A and 4A holding regional meets this week.

The Class 3A-Region 2 Meet is today (Wednesday) in Kissimmee at Poinciana High School, while the Class 4A-Region 1 Meet is tomorrow at Showalter Field.

Last week's district meets were very good for the locals as the Lyman and Lake Mary girl's and the Seminole boy's teams all won district team titles.

Quawandis Grubbs and Nefia Benefield combined for 70 points to help the Greyhounds nudge Edgewater, 111.5 to 110, in the Class 4A-District 3 Meet at Showalter last Thursday, but it was Oviedo's Jennifer Barringer that made the headlines by running a 10:35.21, the unofficiasl fastest time in the 3,200 meters in Florida history, and also winning the 1,600 in a district record 4:57.10. State records can only be set at the State Meet.

Special to the Herald

The earth will move this Saturday night at New Smyrna Speedway as the Tampa Bay Area Racing Association comes to town with the fastest machines around, the Wing Sprints.

Coming in to their 10th race of the season it is Dude Teate who holds a 26 point lead over second place Wayne Reutimann, Sr. But Doug Heveron leaves little room for Reutimann to make a mistake since Hevron is only four points behind Reutimann.

David Slawiak and Keith Butler stand fourth and fifth as Slawiak holds a 16 point lead over Butler. Coming in sixth is Wayne Reutimann Jr. followed by Shane Butler, Gary Gimmler, Stan Butler, father of Keith and Shane, and Mark Gimmler.

"These guys make the earth move and their show is the best. That four wide salute takes your breath away," said long-time fan Shelia Miller. "I love these guys and their show, nothing is better. Your heart feels like it is going to jump out of your chest when they fly by."

Also on the program will be the popular Mini Cups plus Late Models, Sportsman, Super Stock, Mini Stock and Strictly Stocks. Gates open at 5 p.m. and

grandstands at 6 p.m. with racing action at 7:30 p.m. every Saturday night at the track located at the corner of SR. 44 and CR 415, between New Smyrna, DeLand and Daytona. Cost this week will be \$15 for general admission, \$10 for seniors and students, and \$20 for reserved seating.
This Friday night Orlando
Speedworld will hold heats

and features in the regular FASCAR classes of Open Wheel Modified, Mini-Stock, Sportsman, Super Stock and Strictly Stock.

Gates open a 6 p.m. and racing begins at 8 p.m. every Friday night at the track located 17 miles east of Orlando between Orlando and Titusville on Highway 50 at the 520 Cocoa Cutoff.

For more information, call the FASCAR offices at (407) 568-1367 (Orlando) or (386) 427-4129 (New Smyrna), or check the Internet site at www.FASCAR.org. In other local racing news:

 Crew Chief Robbie Loomis, a Lake Brantley graduate, helped Jeff Gordon pull off a big upset as the Pepsi/Dupont Chevrolet ended a six-race winning streak by Dale Earnhardt, Inc. by edging Dale Earnhardt Jr. in the Aaron's 499 at Talladega Sunday.

\* Orlando Speedworld Dragway will be hosting **Funday and Outlaw Street** Drags this Sunday from 10 a.m. to 5 p.m.

Admission is \$10 and it only costs \$5 more to run. The local track also hosts "Street Drags" every Wednesday and Friday night

from 6 p.m. until 10:30 p.m. The track is located 17 miles east of Orlando between Orlando and Titusville on Highway 50 at the 520 Cocoa

Cutoff. For event, ticket and race day weather information call 407-568-5522.

## 'Other' Earnhardt's Talladega run ruined

By RICK MINTER Cot News Service

ith just less than 150 miles left in the Aaron's 499, the excitable Talladega crowd rose and cheered another Dale Earnhardt Jr. run to the front. The sound rolled down from the grandstand and washed over a very different scene involving the

Dale Earnhardt's eldest son, the one who at 34 is trying to break into big-time racing, had an encouraging run going

and half-brother Dale Jr. even raced together among the top 10. "[Dale Jr.] gave me a thumbs up; I thought that was pretty cool," Kerry said.

Then, at the 300-mile mark, he got caught up in an accident not of his making. Above him

on the track, Jeff Gordon and Michael Waltrip tangled. Waltrip (his brother's teammate) shot down the track toward Earnhardt, sending him spinning into an infield wall. "People don't see it that way. All they know is that I ed and I'm out of the race," a disappoint ed Earnhardt said.

This was the first of a five-race deal he had with his father's former car owner, Richard Childress. He also is scheduled to run at Charlotte, Daytona, the second Talladega race and Atlanta. If this race was any indication, this Karnhardt, whose main racing success has been at the ARCA level, proved he

Taking solace where he could, he said, "A lot of people came up to me and told me to hang in there. They thanked me for being smooth and calm out there."

## Earnhardt adds to points lead

Even though he lost the race, Earnhardt Jr. boosted his Nextel Cup points lead from five to 94 points. With his fourth place finish, Jimmie Johnson moved to second. Gordon's win moved him up four spots to third.

Matt Kenseth blew an engine, finished 42nd

and dropped from third to fifth. His teammate Kurt Busch was involved in a creak, wound up 36th and fell from second to fourth in points.

## Talladega's tradition realized in crash

Cox News Service

Talladega, Ala. he Hig One at Talladega

Superspeedway on Sunday turned out to be The Medium One. By traditional Talladega wreck standards, the 10-car pileup on Lap 83 of the Aaron's 499 produced less mangled sheet metal and frayed tempers than

The wreck didn't eliminate any contenders, but four cars were knocked out of the race and six others lost a lot of

time in the garage for repairs. It all started, apparently, when Tony Stewart's No. 20 Chevrolet tangled at Turn I with Kurt Busch in the No. 97 Ford. The contact sent Busch spinning, and the usual chaos ensued, amoke and

careening cars causing crashes. "I got underneath (Busch) and then got him in a compromising position and started to back out," Stewart said. "I just didn't back up enough to get him out of it. Everybody can say what they want, and the fans are going to say what they want to. This is a product of restrictor-plate racing."

COMMENTARY

As for the beer cans that rained on Jeff Gordon's extended and excruciating Aaron's 499 victory laps Sunday, well, that was nothing but a highly recyclable consumer-satisfaction survey. It is what one does when one's stock car race goes

Hey, if only they'd serve beer in the Talladega infleld press center, I might have chucked a can or two, as well, at this day's great anticilmax. You spend all afternoon in the grips of a wildly contorting race. You tolerate more yellow flags than fly at any two Raiders games. You witness Dale Earnhardt Jr. marrying his bumper to Jimmie Johnson's at 190 mph. Then the big payoff appears to be coming. Everything seems to be pointing to this classic finish between two of the great forces competing for the souls

of Nextel Cup racing.

And then .. (Insert void) Some guy in the back can't keep his car

straight at the end. The final four laps grind away under caution, while back at NASCAR central, video forensic experts determine that Gordon had inched his car ahead of Earnhardt's at the moment of

chaos. Under Nextel Cup rules, Gordon then coasted to his first victory of the season while the boos and the bile built in the stands.

Maybe it's acceptable to muddle presidential elections with interpretations, but not something as important as a Southern car fight. This was akin to Auburn beating Alabama during a timeout. Only this time, they messed with Dale's boy, a more unanimous idol in these parts.

Earnhardt or teammate Michael Waltrip had won the last five races here.

momentarily hush the conspiracy theories that have followed Earnhardt through his every success in the three years since his father's death. See, he isn't above every rule. He doesn't benefit from every break.

Outrage at the fan reaction? Strangely, nowhere to be found among those most closely involved. "In a way, I look at it as a pure form of

expression, which is really rare in this sport. It's really the only outlet left of telling it like it is," Earnhardt said.

# SHE'S NOT WEARING A FLOATING DEVICE. THANKFULLY, SHE IS ONE.

# SAFE STAR

A ONE-OF-A-KIND DROWNING PREVENTION PROGRAM THAT GIVES YOUR CHILD THE SKILLS TO SURVIVE.

Protecting your child against drowning is a serious responsibility. Drowning is the number one cause of accidental death for children under four, and 11 children will die today from drowning in the United States alone. Thankfully, there is a program that teaches children water survival techniques. Safe Start teaches your child the skills of floating and swimming to safety, both in swimwear and everyday clothes. Throughout its history, Safe Start has taught survival swim skills to over 100,000 children. Of those, over 740 have saved themselves in a drowning situation.

SAFE START is available through participating YMCA Family Centers in Orange, Seminole and Osceola Counties. For more information, please call (407) 644-3606. Visit our website at www.safestart.cc

## Winn-Dixie announces 156 store closings

With a decrease in profits from last year, Jacksonvillebased grocery chain Winn-Dixie announced Friday it would be closing 156 stores in the Southeast and Midwest.

Winn-Dixie will operate a streamlined core of 922 stores in Florida, Alabama, Louisiana, Georgia, and certain North Carolina, South Carolina, Mississippi and Tennessee areas. The plan includes pulling out of the state of Kentucky and closing other unprofitable stores in the southeast, but the company did not indicate if any stores in the Orlando area would be closed.

Among stores that will be exited in the Midwest are Bowling Green, Ky.; Cincinnati and Evansville, Ind.; Greenville-New Bern, N.C.; Lexington, Ky.; Louisville, Ky.; Memphis, Tenn.; Myrtle Beach, S.C.; Nashville, Tenn.; Norfolk-Portsmouth-Newport, Va., Paducah, Ky., Richmond-Petersburg, Va., Roanoke-Lynchburg, Va., Tri Cities Tennessee Valley, Tenn., and Wilmington, N.C.

"We have made meaningful progress with our strategic initiatives, most notably the completion of our comprehensive review of Winn-Dixie's markets to identify which are core and non-core to the company," said Frank Lazaran, president and CEO of Winn-Dixie, in a press release. "We are making and implementing the tough decisions we believe are necessary to streamline the Company and return it to consistent profitability."

Winn-Dixie anticipates that about 10 percent of its workforce, or bout 10,000 positions, will be affected by the plan within the next 12 months.

This was difficult decision. but it is a necessary part of our strategic plan to restore Winn-Dixie to consistent profitability," Lazaran said. "We will make every effort to ensure and fair and smooth transition for affected associates."

## State passes FCAT costs on to school district

By Steve Paradis Herald Correspondent

SANFORD — The Florida Department of Education caused some scrambling at Seminole County Public Schools when material showing third-grade FCAT results did not include hard copies for students' permanent files.

The state neglected to send the usual two paper copies, one for

the student's family and the other meeting April 27. In addition, the page," Pinnell said Thursday. He which the district is required to place in the student's cumulative file, said Ron Pinnell, executive director of secondary education in Seminole County. His office oversees testing in the county's public schools.

The state expects school districts across Florida to pick up expenses for producing the sec-ond hard copy, Pinnell told the Seminole County School Board

SANFORD - Mayor Brady Lessard says he's joining the "Rat Pack."

Not the Hollywood hasbeens of Sammy Davis Jr. and Frank Sinatra, but the fan base for Sanford's newest baseball team, the River Rats.

**Organizers** unveiled Thursday the first squad of the four-team Florida Collegiate Summer League. In its inaugural season, each team -Sanford River Rats, Daytona Beach Barracudas, Winter Park Diamond Dawgs and Orlando Shockers — will play a 30-game schedule starting June 7 with an All-Star game at Sanford Memorial Stadium July 4.

The maximum number of games played per team each week is five. Three-game sets are scheduled for each weekend with games on Friday and Saturday at 7 p.m. and Sunday at 1 p.m., and then possibly

SANFORD - One of the nation's largest retailers has put the bull's eye on Sanford for its latest expansion in Central Florida.

Target, the Minnesota-based department store, will open a SuperTarget Store off Rinchart Road in Sanford by March 2005. The formal announcement

was made Wednesday by the developer of the project, North American Properties, in a ground-breaking ceremony on the site of the 500,000-squarefoot shopping center to be called MarketPlace at Seminole Towne Center.

In addition to the SuperTarget, other tenants committed to the center include Circuit City, Linens & Things, Cost Plus World Market, Marshalls, PETCO and Dress

Barn. The development will also include six outparcels and 60,000 square feet of small shop

"The time is right for a new, significant retail center in Sanford," said Jeff Pape, vice president of development for North American Properties. "Infrastructure improvements along with a surge in the region's population growth make this location prime for our MarketPlace brand of shopping centers

"Although Seminole Town Center Mall has been a center of commerce for the past 10 years, the recent opening of the Central Florida GreeneWay extension has redefined the retail node's accessibility by creating a new front-door entrance," Pape added.

## Sink hole closes I-4 ramp on C.R. 46A

By Nick Pfelfauf Staff Writer

Shortly after Thursday evening, a slight depression was noted on the Interstate 4 off-ramp, east-bound, at County Road 46A (West 25th Street).

By Friday morning, the depression, according to Department of Transportation spokesman Steve Homan, was eight to 10 inches deep, and about 50 feet wide.

"It's closed all three lanes in that area," Homan said.

He described the area as, "If you're coming from Orlando toward Daytona Beach, and got off on the ramp to County Road 46A, to head east toward Sanford, that's the place, about 300 yards into the ramp. We have closed it entirely."

Officials dealing with sink holes arrived at the scene early Friday morning, and were to make what Homan called "grounding" in the area, to

## County faces \$2.6 million in cost shifts

Managing Editor

SANFORD - "It's an interesting time in Tallahassee right now," said Deputy County Manager Sally Sherman Tuesday during a regular edi-tion of a legislative update to the Seminole County Board of Commissioners.

Commissioner Randy Morris may have better characterized the situation as a "train coming down the tracks." For the fifth year in a row, counties are facing the possibility of reduced revenues as state lawmakers consider another round of cost shifts and unfunded mandates as they wrapped up their legislative session last week.

Since 1999, the Florida Association of Counties estimates Seminole County has lost nearly \$4.5 million as a direct result of impacts imposed by the state legislature. The lion's share of the reductions came in 1999 and 2000 when county revenue sharing was pared down for a total of \$3.4 million. This year, however, may leave the biggest annual dent in the county's budget as County Manager Kevin Grace informed commissioners he foresees a total hit of \$2.6 million.

"Every year we have \$7 million less than we had in 1999," said Steven Lee, deputy county
