

VAH-11 Returns From Caribbean

Heavy Attack Squadron Eleven today is home at the Sanford Naval Air Station after two months of operations in the Caribbean aboard the attack carrier USS Franklin D. Roosevelt. The squadron's twin-jet A-3B Skywarrior attack bombers returned to NAS Sanford Saturday. VAH-11 support personnel arrived Sunday via bus after the Roosevelt docked in Mayport.

While deployed aboard the Roosevelt, VAH-11 served with the U. S. Second Fleet force in readiness in the important Caribbean area. Operating out of the U. S. Base at Guantanamo Bay, Cuba, the Roosevelt was on station during the recent "Glimo" water crisis.

The cruises also served as a warm-up for VAH-11's seven-month deployment to the Mediterranean scheduled later this spring. The squadron's Skywarriors fulfilled a heavy training schedule while providing an all-weather air strike capability for the ship's air group.

During an intensive flight schedule, Commander John F. Barlow, VAH-11 Commanding Officer, made his 100th carrier landing in an A-3B, earning for him the coveted title of "Centurian." The squadron also enabled Capt. J. A. Pridmore, Commander of the Fleet Training Group at Guantanamo, to receive an orientation flight in the A-3B, as he launched on a training mission with Cmdr. Barlow.

Oviedo Adopts 'Health' Bill

An ordinance designed to improve health provisions in Oviedo was approved by City Council Monday evening.

The new law provides that all new homes and all remodeled structures shall have adequate water supply and sewage disposal for human occupancy. The act provides for a fine of \$200 or a jail sentence of 90 days, or both, for non-compliance.

City Council also returned for revision to a zoning committee proposed regulations for zoning, discussed zoning, building and electrical codes, named March 15-21 as "DeMolay Week" in Oviedo, approved a resolution commending Dr. Edward W. Stoner for action in obtaining improved telephone service for the city, named Councilman Robert Ward and T. L. Lingo as a building committee and recognized Oviedo High School students who will occupy city governmental seats at the April 6 Council meeting.

Exiles Pledge Battle In Cuba By May 20

MIAMI (UPI) — There will be a battle on Cuban soil by next May 20 to overthrow Fidel Castro, the Cuban Exile Revolutionary Junta said Monday.

The junta, led by former Cuban public works minister Manolo Ray, gave no further plans of the group's promise to fight.

Five other exile groups have announced they would take part.

Little Vicki Loses Fight For Sight

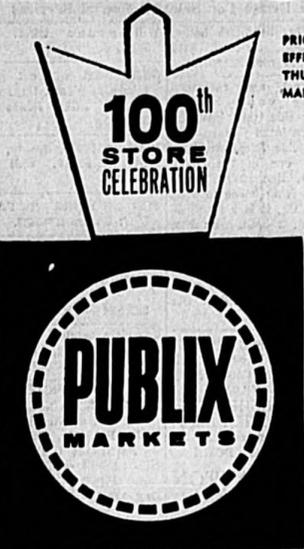

DURHAM, N. C. (UPI) — Blonde Little Vickie Wray, 3, lost her fight against total blindness Monday in a 90-minute operation she probably didn't comprehend.

Doctors at Duke Hospital removed Vicki's left eye to prevent the spread of cancer which had claimed her right eye last July.

There was no alternative, doctors said. Vickie had to forfeit her eyesight to save her life.

The child's mother, Mrs. Robert Wray, said she tried to explain to Vickie before the operation that she would not be able to see again. "I don't know if she understood," the mother said. "She just said, 'Fix my eye.'"

Hoffa Gets 8 Years Behind Bars

Dickinson In Hand-Shaking Street Rally

By Fred Van Pelt
Fred (Bud) Dickinson, the former state senator from West Palm Beach, moved into Seminole County Wednesday evening in his campaign against five other Democrats for the party nomination for governor.

Starting off with an old style political campaign, walking up and down Sanford's downtown streets, shaking hands, and otherwise greeting possible voters in his behalf, Dickinson wound up with a street corner rally at First and Magnolia.

Dickinson, in his street corner speech, highlighted with an amplifier system from a special campaign bus, promised Seminole County more roads, a citrus improvement program, an especial effort to bring state aid to the new state university in Orange County at the Seminole County line.

Later in the evening, at the Capri Restaurant, Dickinson spoke to a group expanded from an expected 30 local leaders to 50. These were local men who are to support the former Senator in his campaign for governor.

Dickinson "lost" his hearers in talking of the homestead exemption act. Several who were in the audience Wednesday night said today they did not understand just what Dickinson was trying to say—whether the present exemption of \$5,000 on homestead properties should be reduced or enlarged. He did point out that one county would be used as an example in his planned program of revising homestead exemption.

He "spoke kindly" of his Democratic opponents except that he renewed his feud with Mayor Haydon Burns, of Jacksonville. The two have been accepted by political news reporters throughout the state of Florida as the leading contenders for the Democratic nomination for governor, which is tantamount to election in the November general election.

Senator Dickinson "hopped on" Burns for his stand that the U. S. Supreme Court should decide the congressional reapportionment program for Florida. Dickinson contended that it should be "strictly a home (state) business."

"The citrus industry is the giant of Florida agriculture and as governor I would give this great element of our economy my undivided and constant attention," Dickinson said.

A proven spokesman in the citrus behalf as the founder of the Florida Council of 100, Dickinson said, "I want to also make it very clear here and now that as governor I would seek to keep the Florida Citrus Commission from becoming a political football... this will not, cannot, and must not happen."

One of his first tasks as governor would be to collect the finest minds in both the industry and science to further the cause of... one of Florida's three giants of economy."

"I would also strive to place the best men on the Florida Citrus Commission that could be obtained, expecting them to do their duty for and with the industry and not allow political bickering and small thinking to become involved in their functions," Dickinson said.

Mrs. Dickinson was entertained by wives of local supporters at a reception at the home of his local campaign leader, Ernest Southward, on Elliott Avenue.

WEST PALM BEACH'S former Sen. Fred (Bud) Dickinson, Democratic gubernatorial candidate, expounded his cause as to why he should be Florida's next governor in an old fashioned street rally Wednesday afternoon at First and Magnolia. He is pictured here with Gen. J. C. Hutchison (left), his Seminole County campaign manager, and Randall Chase (right), his local county campaign treasurer. (Herald Photo)

South Seminole Registrations Set

Registration of potential voters in South Seminole County by deputized committeemen and committeewomen, assisted by the Seminole County Democratic Women's Club, has been scheduled for the next 10 days, according to Mrs. Zetta Morrison, county Democratic executive committee chairman.

The schedule: Forest City - Christian's Motors, March 17-18, 7 to 9 p.m.; Forest City Sporting Center, every day (except Sunday) through March 21, noon to 7 p.m.; Fern Park - Publix, Seminole Plaza, March 13 and 20, 5 to 7 p.m.; March 14 and 21, 4 to 9 p.m.; March 17-18, 5 to 7 p.m.; and March 19, 2 to 8 p.m.; Mrs. Lillian Severs, 409 Lillian Drive, at Fern Park post office, March 13, 9 to 4 p.m.; March 14, Cornett's drug store; March 20, South Seminole Bank, during banking hours, or call any day for an appointment and she will call at the residence.

Altamonte Springs - William P. Medcalf, 103 Hattaway Drive, March 16-20, 7 to 9 p.m.; Railway Express Agency, March 13 and 20, 2 to 6 p.m.; March 14 and 21, noon to 5 p.m.

Tanglewood - 1831 Ivy Lane, March 15, 16, 18 and 22, 8 to 10 p.m.

After March 23, registrations may be made at the office of Mrs. Camilla Bruce, supervisor of registration, courthouse, through April 4.

The British Embassy suffered similar damage as throngs of young demonstrators attacked the buildings. No injuries were reported in the disturbances.

Two armed bandits barged into the auditing department of the Doral Beach Hotel Wednesday night, tied up two employees and escaped with an estimated \$5,000.

One year and one day ago, the same thing happened, police said. The loot was \$15,000 in the first robbery.

Judge Rebukes Teamster Boss At Sentencing

CHATTANOOGA, Tenn. — (UPI) — Teamsters President James R. Hoffa today was sentenced to 8 years in federal prison for trying to bribe a jury that heard conspiracy charges against him.

He also was fined \$10,000. Federal District Judge Frank Wilson handed down the sentence in the small oak-paneled courtroom where the 51-year-old labor leader and three others were found guilty last week following a marathon seven-week trial.

Hoffa stood before Wilson with his hands resting on the speaker's lectern in front of the bench.

Wilson delivered a sharp rebuke to Hoffa seconds after the Teamsters' boss had told the judge: "I stand here today and state I am innocent."

"You stand here convicted... of tampering with the very soul of this nation... the very foundation... the very basis of civilization of itself," Wilson said.

"Everything we call civilization depends on the proper administration of justice," Hoffa had said "that when the evidence is sifted calmly and coolly" it will show that he is innocent.

Hoffa was convicted of two counts of a federal indictment of attempting to bribe a federal jury at Nashville in 1962 which was hearing a conspiracy case against him. He faced a maximum of 10 years in prison and \$10,000 fine.

Wilson sentenced Hoffa to last year on each count—sentences to run consecutively—and fined \$5,000 on each count.

Each of Hoffa's three co-defendants were sentenced to three years in prison.

47,000 Made Homeless By Raging Floodwaters

United Press International — The worst floods since World War II spread devastation from Pennsylvania to Illinois today and the list of homeless topped the 47,000 mark. Authorities feared that before the day's end the number of homeless might exceed 60,000. Kentucky reported that more than 12,000 persons have fled from homes in the Louisville suburbs. Red Cross estimates of the homeless in Pennsylvania ranged as high as 20,000, half of them along the west branch of the Susquehanna River. Indiana listed 4,200 refugees from the floods and feared the total would top 6,000.

CANDIE CONDER, "Miss Seminole County" currently, is the star of a motion picture, "Color Me Red," just completed at Sarasota and to be released in July by Box Office Spectaculars, Chicago. Featured with Miss Conder, daughter of Cdr. and Mrs. Thomas Conder, SNAS, is Jerome Eden. Conder was featured in another movie, "Two Thousand Maniacs," with Eden, filmed last October at St. Cloud, and to be released in June. (Herald Photo)

Ohio and West Virginia had nearly 10,000 persons forced from homes by the swollen Ohio River and its tributaries. Missouri's Black River was receding but the 460 flood refugees still hadn't returned to their homes. There were at least 130 homeless in Illinois.

The week-long weather rampage was blamed for at least 23 deaths. The latest were a Kansas father and son whose light plane crashed during a snow storm at Kankakee, Ill.

The water rolled 10 feet deep through downtown streets in New Martinsville, W. Va., and the town of 4,000 was isolated. Nurses were being shuttled to hospitals by boat.

Pennsylvania's Gov. William Scranton declared a state of "extreme emergency" at Lock Haven and Renovo, Pa.

Louisville, Ky., residents watched the Ohio River edge toward the third highest flood crest of the century. The crest is due Friday. Gov. Edward T. Breathitt asked President Johnson to declare 30 Kentucky counties disaster areas.

Shepherdsville, Ky., reported 7 feet of water from the flooding Salt River in the city's business district.

Near freezing temperatures added to the misery of the refugees and light snow dusted the northernmost parts of the flood area, Zanesville, Ohio, had 3 inches of snow, most of it in a single hour.

Two men were rescued late this morning after their boat capsized while they were fishing in choppy Lake Monroe.

Saved were Jack Hopkins, 42, of 136 Tangerine Street, Matland, and Glenn Collins, 29, of 1090 Louise Drive, Winter Park.

The men told city police they were fishing about 400 yards from the south shore of the lake when the winds kicked up, flipped their boat and tossed them in the water.

They started to swim for shore, the fishermen said, and were about 100 yards out when their cries were heard by two other fishermen working their trollies.

The rescuers were identified as Charles Oglesby, 17, and his brother, Wallace, 14, both of Edward Higgins Terrace.

The brothers maneuvered their boat to the struggling men, hauled them into the boat and took them ashore.

Hopkins and Collins said they lost considerable fishing equipment, but salvaged their boat which was towed behind the rescue craft.

Citrus Record

TALLAHASSEE (UPI) — Agriculture Commissioner Doyle Conner said Wednesday production of registered citrus nursery trees in Florida hit a record 2,306,213 in 1963.

Plane Checks Reported Cuban Boat Gunfire

MIAMI (UPI) — The Coast Guard sent a plane today to check unconfirmed reports that Cuban fishing boats were firing cannon in international waters of the Atlantic about 60 miles east-northeast of Miami.

The report was contained in a radio message from the British freighter Madam Elizabeth at 9:35 a.m.

The Coast Guard dispatched an amphibian shortly after 10 a.m. to the area. The United States Agency also contacted British authorities at Bimini in the Bahamas, 50 miles east of Miami, and asked for their assistance.

The Madam Elizabeth radioed that "three or four" Cuban fishing boats were "firing in the area" about 30 miles northeast of Bimini, the Coast Guard said.

The Cuban boats apparently were not firing at the freighter, a Coast Guard spokesman said.

Water Lines At School Break

Broken water pipes under the asphalt basketball court caused inconvenience to both the students and staff at South Seminole Junior High School Wednesday.

Students were unable to get drinking water, use rest room facilities or take showers after the water was shut off just before noon.

Paper plates were used in the lunchroom as there was no water available for dishwashing.

The pipe was repaired and service has been restored at the school today.

NAS 'Blasts' 3 Towns In 'Nuclear Attack'

The Navy today announced that Heavy Attack Squadron Nine won a mock nuclear bombing exercise conducted at the Sanford Naval Air Station yesterday as a warm-up for the Tenth Annual Bombing Derby, March 16-21.

Results were withheld yesterday following the Bomber Stream, as the exercise was called, pending arbitration on several close finishes.

The exercise involved simulated atomic "strikes" on three Florida training targets, including the city of Jacksonville, by Sanford's A-5 Vigilantes and A-3B Skywarriors, the twin-jet attack aircraft flown by Heavy Attack Wing One's six squadrons.

VAH-9's victory was paced by an A-3B piloted by Commanding Officer James L. Shipman. The bomb drops were performed by Lt. Bill Malczewski, bombardier-navigator, and assisted by third crewman James D. Miller, a first class jet mechanic.

It was the squadron's fourth victory in the five periodic competitions in which it has participated since June 1962.

Following Heavy Nine in squadron standings were VAH-11's Detachment Eight, VAH-11, VAH-3, VAH-5 and VAH-1.

Wednesday's Bomber Stream was similar to one which will be conducted Thursday, March 19, the fourth day of next week's Bombing Derby.

All told 18 aircraft flew in the competitions, in which flight crews dropped small dummy practice bombs on training targets at Marquette Keys and Lake Etowah, then made an electronically scored bombing run on Jacksonville.

In the meantime, a heavy flight schedule is on tap for the Sanford airmen today as they enter the final training period for the big six-day weapons meet staged each year by the Navy's heavy attack forces based in Sanford.

A weapons loading competition beginning at 7 a.m. Monday will be the Derby's first event. Bombing exercises get underway at 10 a.m. and continue through the week.

Climaxing the week of activity on Saturday, March 21, is an air show and open house, where thousands of visitors from all over the nation will see demonstrations of reconnaissance techniques, bombing, in-flight re-fueling and carrier airmanship.

As an added attraction, famous test pilot Bob Hoover will stage a demonstration of split-precision aerobatics in a World War II F-51 Mustang fighter.

No More Room

TALLAHASSEE (UPI) — There isn't any more room in next fall's freshman class for women at Florida State University, assistant registrar Willis Caldwell said today.

Caldwell said the quota of 1,425 women has been filled. The quota for men, 1,475, has not been filled, he said. The fall term begins Sept. 2.

Held In Forgery

Two men, identified by county police as Leroy Dabney and Simmie Miles, both of Sanford, were arrested this morning on charges of forging checks. They were lodged in the county jail pending court action.

Contractor In Dist. Justice Of Peace Race

Bill York, Rolling Hills building contractor for the last 12 years, has qualified as a Democratic candidate for justice of the peace, District 6.

A resident of Florida for 18 years, York served 4 1/2 years as Altamonte Springs town councilman and member of its fire department. He also is a member of Moose lodge.

Married to the former Marie Bailey, a native of Seminole County, they have four daughters.

York said that "I am interested in the safety and welfare of the people of South Seminole County. It is my intent, if elected, to mete justice fairly and impartially, and will fully co-operate with all law enforcement officers."

The Herald inadvertently reported Wednesday that York is a candidate for constable, District 6.

Two men, identified by county police as Leroy Dabney and Simmie Miles, both of Sanford, were arrested this morning on charges of forging checks. They were lodged in the county jail pending court action.

Two men, identified by county police as Leroy Dabney and Simmie Miles, both of Sanford, were arrested this morning on charges of forging checks. They were lodged in the county jail pending court action.

Lyman PTA To Hear Panel Discussion

By Jane Casselberry
A panel discussion on the responsibilities of parents and schools regarding the problems of teenagers will highlight the regular meeting of the Lyman High School PTA to be held at 8 p. m. Tuesday in the school auditorium.

Then panel will be composed of Andrew Hinely and Sandra Tennant, students; Mrs. Mildred Dzurus and William Scheibel, teachers and Edward Lunn and Mrs. David McCoy, parents.

Assistant principal R. A. Pharr will serve as moderator. Questions on the subject may be submitted by the audience prior to the discussion.

Rev. Charles Stewart, vicar of Christ Episcopal Church of Longwood, will give the devotional.

Three members of the PTA will be nominated from the floor to serve on the nominating committee along with the two who have been selected by the executive board. Election and installation of officers for the coming year will take place at the May meeting.

Refreshments will be served following Tuesday night's meeting by sixth grade mothers.

Brain Bowl

Lyman High School's Brain Bowl team will host the Winter Garden Lakeview High team tonight in the Longwood school's auditorium at 7:30.

Nominations

NEW YORK (UPI)—Nominations have been extended to 15 8-year-olds for the \$25,000 added Swift Stakes at Aqueduct March 20. It will be the first added money event of New York's Thoroughbred season.

Mahlstick is a stick with a soft, padded, leather head and is used by painters to support the hand that holds the brush.

FRANK MILLER
Longwood Man
Named Member
Of Tour Team

The Department of Slavic Languages and Literatures of Indiana University has announced that Frank J. Miller, son of Mrs. Jannette M. Shaw of Longwood, has been appointed as a member of the Russian Language Tour Group of Indiana University. The program will consist of five weeks of intensive language study at Indiana University and a five-week tour of the principal cities of the Soviet Union. Miller will work with the staff of the Tour Group.

He is an honor graduate of Marion County high schools and was awarded a four-year State Teacher's Scholarship for his study at Florida State University. He was graduated cum laude, with honors in German, from FSU where he was elected to Phi Beta Kappa and Phi Kappa Phi.

Upon graduation from FSU he received a Woodrow Wilson Fellowship for his first year of graduate study at Indiana University. Last year he received a National Defense Foreign Language Fellowship for further study in the Slavic field.

Last wild wisents of Europe are said to have been killed in the forest of Lithuania during World War II.

HASTINGS, FLORIDA
DISTRICT

Fair and mild.
Cabbage: demand good, market about steady. Domestic round type, 1 1/2 bu. crates, \$1.50 to \$1.75; few small to medium sizes, \$1.35 to \$1.50;

A PROVISIONAL PATROL for the Winter Park Sidewalk Art Festival was formed by Boy Scouts from troops in the Wekiwa District including five members of Casselberry Troop 341.

Local boys, who are among those in the above photo, were John Worrell, Steve Nicarry, David Krohne, Bob Glaze and Rick Casselberry. (Herald Photo)

Raymond School Rites Friday

Funeral services for Raymond N. Schaaf, resident of Sanford for the past 2 1/2 years who died Tuesday at Seminole Memorial Hospital, will be held at 4 p.m. Friday at Holy Cross Episcopal Church. Officiating will be Rev. Arthur Bridges and B. F. Whitner Jr. Burial will be in Oaklawn Memorial Park.

With Eskimos

EDMONTON, B. C. (UPI)—Bob Hocklebridge, a former guard at Louisiana State University, has signed with the Edmonton Eskimos of the will join Lynn Amedee as the second LSU graduate with the Eskimos.

Select Teams

NEW ORLEANS (UPI)—Vanderbilt, Texas Tech, Georgia Tech and Louisville have been selected to compete in the 1964 Sugar Bowl Basketball Tournament at the Loyola University Field House Dec. 29-30.

Europe's remaining wisents, or bison, all live in zoos or carefully protected government preserves.

Auxiliary Members To Assist Longwood Firemen At Dinner

By Donna Estes

Mrs. Judy Snow, president of the Auxiliary to the Longwood Volunteer Fire Department, reported to the regular meeting of the group Monday night that ticket sales at the Post Office and Winn-Dixie Store last Saturday for the Firemen's annual chicken dinner were excellent.

The dinner is scheduled for this Saturday from 4 until 8

Conference Day

Students, parents and teachers at Lyman High School will observe conference day Friday. Students will not attend classes while parents have an opportunity to confer with teachers regarding their children's work in school.

Tests Saturday

Guidance Counsellor J. I. Bowers at Lyman High School will give National Merit Scholarship exams Saturday morning at 8:30 to approximately 40 students.

C.

Science Department Presents Program For PTA Meeting

By Jane Casselberry

The Science Department of South Seminole Junior High School at Casselberry was in charge of the program at Tuesday night's meeting of the PTA.

Rowland Hill, head of the department, introduced other science teachers who are Mrs. Catherine Martin, Mrs. Lorrie Likens, Tom Barnes, Pete Poore, Julian Bornstein and Russell Moore.

Parents were invited to view the exhibits in the Science Fair and demonstration in the Science Lab.

During the business meeting conducted by Mrs. Pat Dome, several important actions were taken. The group voted to become affiliated with the Old Glory Community Blood Bank. A committee was set up consisting of Mrs. Arthur Rhodes and Mrs. C. L. Cooper to plan a "hootenanny" as a PTA fund raising event in April. The committee is looking for local talent to take part in the show.

A nominating committee was elected to prepare a slate of officers to be presented at the election in May. Serving on the committee are Mrs. Missouri Belle Swafford, Mrs. Eula Scott, Mrs. Lorrie Likens, Mrs. Mary Frances Lyons and Mrs. Mary Mobley.

Mrs. Stephen Wolke, chairman of the road committee, reported that the town of Casselberry and the county commissioners seem to be making progress toward a cooperative effort in the improvement of Winter Park Drive which leads to the school.

Mrs. Wolke has been cooperating with representatives from the South Seminole Elementary School in promoting this project. Refreshments were served in the school cafeteria following the meeting.

Charter Board Candidate Gives Statement

Mrs. Etta M. (Ewrightson) Harville, a candidate for the North Orlando Charter Board in March 17 elections, today issued the following statement:

"After much consideration I have decided to run for the Charter Board as I believe

ETTA HARVILLE

that the majority of the people want a careful study made of the Village Charter.

"I am in favor of residents having the opportunity to elect their own mayor. "I will work to the best of my ability for the betterment of the Charter if elected."

Kroencke, Dean Win Twosome

In a scotch lowsome Wednesday at the Mid-Florida Country Club, Art Kroencke and Frank Dean teamed up to take low net first place with a 64.

Sid Gluckman and Phil Pendleton, with a 68 1/2, took second place honors and Lauren Pfauts teamed with Pat Lary to grab third place with a 68.

The event was one of the weekly tournaments held by the Senior Men's Golf Association at Mid-Florida. Pat Lary, spokesman for the group, said there are now 24 members in the senior group. Lary reported, "We're growing in our membership and having a lot of fun."

Altamonte Boy Wins Science Fair Award

By Jane Casselberry
A home built sonar entered by ninth grader Stewart Gibson, son of Mr. and Mrs. R. B. Vollva of Altamonte Springs, won the \$25 Savings Bond for best overall project, as well as first in the physics category, Monday night at the South Seminole Junior High Science Fair.

STEWART GIBSON

Other winners in physics second, were, Allen Sullivan, ninth grader, translator project and, third, Paris Thermanos, ninth grader, electric generator.

Three eighth grade students were winners in the earth sciences division. They were, first, Tim Laymon, solar water distiller; second, Barbara Smith, gravity water system and, third, Vicki Doggett, weather station.

David Johns, seventh grader, was the only winner in the chemistry division with his electro-plating project.

Lone entry in the math category was an analog computer made by seventh grader, George Rishell.

Winners in the botany classification were, first, Carol Sullivan, seventh grade, project on orchids; second, Leslie Komisar, eighth grade, project on effect of different colored lights on plants and, third, Don McElreath, seventh grade, project on food for the astronauts.

In health and medicine, prize winners were, first, Marjorie Purnell, seventh grade, blood typing; second, Terry Carnahan, eighth grade, the eye and, third, Meridel Eddy, seventh grade, cancer.

Winning zoology projects were entered by, first, Barbara Bryant, seventh grade, shells; second, Elaine Malone, seventh grade, habits of earthworms and, third, Sandra Wharton, seventh grade, maze learning for guinea pigs.

Prize winners in the home sciences division were, first, Betty Johnson, seventh grade, four basic foods; second, Karen Barker, seventh grade, nutrition and, third, Melinda Casselberry, eighth grade, synthetic fabrics.

Judges for the science fair were Sal Manfre, chairman of the Lyman High science department; Donald Booth, architectural engineer, and Lt. Robert Tucker, electronics consultant.

Scouts See Photography Lab On Tour Of Air Force Base

By Maryann Miles
The "ins and outs" of good photography were explained and demonstrated for members of Bear Lake Girl Scout Troop 111 Tuesday afternoon during a tour of Orlando Air Force Base conducted by Sgt. Ruth Heeler.

Scouts making the trip were Sara Mostrum, Kay Rellly, Darlene Hall, Cissy Baird, Jean Rupert, Juanita Gates, Nancy Carr, Denise Herota, Jean Stevenson, Marsha Buell, Janice Buckner, Bo Brannon, Debbie Shaster and Mary Lee Shaffer.

The tour got underway in the solarium where each girl was given opportunity to look through the camera eye. It was explained and shown use of background movement, through push button control, gives the illusion of front objects in motion. A/IC Charles J. Smith explained this phase of operations to the group and told them that "Outer Space" and other TV films are made in this manner.

In the portrait studio each girl again looked through the camera to see how one appears with this type equipment. Sgt. Heeler gave them many valuable tips on taking pictures and showed pictures of interest.

Procedures for processing and printing film was explained and demonstrated in the developing lab.

Information received on the tour will help the girls com-

On Honor Roll

Gary Southard of Sanford, a student at the Howey Academy at Howey-in-the-Hills, has been listed on the institution's honor roll, according to Academy headmaster, Dr. A. C. Vaughn, Jr.

Government Day Scheduled By OHS Students

By Bernice Kelsey
Students of the PAD (Problems of American Democracy) Class at Oviedo High School held elections recently to name officials for Student City Government Day scheduled for April 6.

Taking over the various jobs of city officials will be Tommy Minter, mayor; Sandy Peterson, Douglas Reynolds, Larry Tate, Al McCall and Leroy Woods, city council; Judy Jalubcin, city clerk; Tommy Partin, chief of police; Jane Lundy, fire chief and Sharon Hand, justice of the peace.

School officials will be replaced for the day by Kurt Anderson, principal; Sue McClellan, secretary; Lydia Tuhy, senior high teacher; Virginia Stanko, junior high teacher; Carol Beasley, elementary teacher; Diane Gaydick, nurse; Danny Gammage, boys phys ed instructor and Elizabeth Mikler, girls phys ed teacher.

Prior to the elections student nominees were required to consult with each official for information concerning operation of his office. Reports were prepared after the conferences and presented before the class as a whole before election by ballot was conducted.

Teacher of the class is Paul Mikler.

League To Host Church Supper

The Friendship League of the Congregational Christian Church of Sanford will sponsor the Lenten Fellowship Covered Dish Supper at 6:30 p.m. today. Chairman of the League is Mrs. Walter Koeller.

The Men's Club will serve as sponsor for next Thursday's supper.

At 7:30 p.m. each Thursday, a Lenten service of worship and Bible study will be conducted by the pastor, Rev. Walter A. R. McPherson. A number of families have been attending both the supper and the worship service.

—But Will He Make A Speech?

TALLAHASSEE (UPI)—A trained porpoise will leap out of a salt water pool April 22 and cut the ribbon opening Florida's exhibit at the New York World's Fair.

Development Commission Chairman Wendell Jarrard said the trained porpoise will be the main attraction in the Florida display.

Farm Brief

Income from timber sales may be more attractive than equal income from other sources because of capital gain provisions in the income tax laws.

Garden Club To Hear Talk By Lundberg

Assistant County Agent Ernie Lundberg will be guest speaker for today's meeting of the North Orlando Garden Club.

The meeting is scheduled for 7:30 p.m. at the Civic Building with Mrs. Betty Fehl and Mrs. Lois Wallace as hostesses.

Orchid Show

The ninth annual Orchid Show of the Central Florida Orchid Society will be held Saturday and Sunday at the new exhibit hall in Exposition Park, Orlando. Entries should be taken to the hall Friday between 1 and 9 p.m. Show hours are noon to 9 p.m. Saturday and 9 a.m. to 9 p.m. Sunday.

Mahogany is the foremost cabinet wood in the world according to the Encyclopedia Britannica.

FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat or your money back. No strenuous exercise, laxatives, massages or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$3.00 and is sold on this GUARANTEE: If not satisfied for any reason just return the package to your drugist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by: McKeynolds Drug Store—Sanford—Mail Orders Filled

er at a recent meeting of the South Seminole Junior High School Missile Club.

He explained to the club how television works in satellites, in the home and in industry.

Lt. Tucker told the group that when a picture is trans-

mitted it must be changed into electronic impulses which are amplified in the television receiver and transmitted onto the screen.

When the object is scanned, only a small part of the picture is transmitted at a time. There are 525 lines on the

television screen and these are covered 30 times a second, too fast for the mind to perceive the movement.

All these hundred and thousands of dots blend together when you see them and they look like a solid picture, according to Tucker.

Here's the "fine print" that goes with Plymouth and Vallant's 5-year/50,000-mile warranty* on the parts that keep you going.

(READ EVERY WORD. IF YOU DRIVE A CAR, THERE'S NO FINER PRINT AVAILABLE.)

*HERE'S HOW THE STRONG 5/YR WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

These words are written for your peace of mind. All they ask you to do is carry out a normal maintenance schedule that any proud owner does automatically. In fact, this warranty acts as a ready reminder to you when it's time for regular check-ups. It costs you no more than any normal car-care service, but it gives you a priceless bonus—5 years or 50,000 miles worth of peace of mind!

Tribe Comes Out On Top In 4-Way Track Meet

Texas Oilman Seeks 3rd AFL Franchise

CHICAGO (UPI) — A Texas oilman who's held stock in two American Football League teams said today he expected to run a third one, in Chicago, in the 1965 season.

Nash Dowdle, 40, of Midland, Texas, said he was "100 per cent certain" he would obtain a Chicago franchise from the league, probably at its June meeting, and had posted \$25,000 earnest money.

Dowdle said he had decided on his head coach, a general manager, and a talent scout, but that he did not know where the team would play.

He was considering as possible sites the Chicago White Sox' Comiskey Park, Soldier Field, Northwestern's Dwyer Stadium, and Notre Dame Stadium at South Bend, Ind., 90 miles away. However, a Big Ten rule which might be repeated now would prevent Northwestern from renting its facilities.

Five of the league owners, he said, had assured him of support in his bid for a franchise. Eighty per cent of the league owners, or seven of the current eight members, must approve allocation of a franchise.

Bassett Scores 224 And 545

Charlotte Bassett set the high game and series in the Holler Motor Navy Wives League with a 224 game and a 545 series. Rose Patrick topped the pins for a 482 series and a 168 game. Jo Watson walloped the pins for a 198 game and a 405 series. Margaret Bulte rolled a smooth 181.

Betty Washburn had a 176 while Verna Bolton had a 175. Barbara Rohrer topped the pins for a 172 game and a 440 series. Pat Drim had a 170 while Shirley Owens followed with a 169 for a 450 series. Thelma Unger had a 166 while Helen Mauser had a 160. Susy Reno had a 160 game. Jennie Rannels had a 159 for a 543. Evelyn Fitzpatrick also had a 159 for a 441. Durna Betancourt had a 159 for a 440.

Five strikes in a row fell for Charlotte Bassett. The turkeys fell for Joan Adams and Tina Miller.

Susy Reno converted the 8-6-10. Jenny Weeks and Gladys Edwards picked up the 5-8-10. Susy Reno and Shirley Owens picked up the 5-7. Jennie Rannels and Verna Bolton cleared the 5-4. The 2-10 baby split fell for Betty Lillis, Pat Shipley, Barbara Rohrer, Dot Oakes and Verna Bolton.

VAN-8-E Wives took the lead with 64-32. The Ton Pinners and VAN-0-0 Wives are tied for second with 61-35. The Mixed Teams are in third place with 58-32.

Lyman Golfers Meet Cowboys

Lyman High's golf team is meeting the Osceola High Cowboy linkers this afternoon in Kissimmee. Joe Pavlach and Steve Gillispie will meet a pair of Cowboys in one match while Mike Coles and Jimmy Balmer will tangle with another two Osceola golfers.

EXPECTED TO finish the money in the second annual Ocala Quarter Horse Show today, Friday and Saturday, is Jimmie K. Bailey. Owner is H. L. Cherry, Belleview. The show has attracted 100 entries from Florida, Georgia, Alabama and South Carolina. It includes a rodeo and sale of registered quarter horses.

BY BILL VINCENT JR.

Maybe the shad don't know their season is closed for the year... yet they are giving fishermen the best sport since they first began to bite last December.

Anglers daily are reporting to the various fishing camp operators along the St. Johns River the best shad catch during this last week than at any time during the season.

E. G. Weed, of Palo Alto, Calif., and his brother, A. H. Weed, of Jacksonville, tried their luck the other day and reported to Jim Crowe they had hooked 80 shad. E. G. also told Jim he has fished for shad for years in the Sacramento and Russian Rivers in California, and always felt lucky when he brought in two or three for a day's take.

Memo to John Krider: It is apparent that the Florida Development Commission doesn't know of the existence of the Seminole County Chamber of Commerce.

Elgin White, sports editor for the Commission, reports a group of fishermen from the Ontario (Canada) area, calling themselves "Outdoor Canada" and carrying a camera crew, are coming to Florida real soon for some fishing.

White advised "Outdoor Canada" to go to Lake George and Lake Apopka for bass fishing and to contact the Orlando Chamber of Commerce for shad fishing in the St. Johns. The Orlando Chamber told this writer White recommended Jim Crowe's camp.

John Crim says that the water level in the St. Johns and its lakes has dropped 14-16 inches in the last two weeks and should bring about bass schooling, barring weather changes, in the next week or so. He said they should feed off live bait and likely to go for plugs.

John also says the speckled perch has been biting exceptionally well in Lake Jessup, with some specks up to two pounds taken around the pilings near Black Hammock.

Pat Brooks, at Lemon Bluff, joins Crim and Crowe in saying that shad "are really running and the best since the season's start." She also told that one chub hooked a five-pound bass and a three-pounder.

Eleanor Russell, at Marina Isle, says she's taking shiners and spoons, and that some specks have been taken.

Camp Seminole and Wekiva River Haven say bass and bream are picking up in the Wekiva, with fly rods getting a play. Bass are said to be especially good in the Wekiva near where it joins the St. Johns.

A quote from a letter by Secretary of State Tom Adams, anent the proposed St. Johns-Indian River Canal: "May I hasten to say that I am well aware of the feelings of the people in the upper St. Johns area with regard to the shad fishing, and I can assure you that we will do everything possible to see that this valuable asset is preserved."

Some interesting facts: Spending on recreational boating reached an all-time high in 1963, according to the Outboard Boating Club. It is estimated \$2.58 billion was spent for new and used boats, motors, trailers, etc., topping the 1962 mark by some \$75 million and exceeding the previous high, set in 1960, by \$54 million.

Fishing hints: Never forget the spot where you caught a fish! If a certain hole or rock produces a good fish, be sure to try the same place a few days later. Fishing authorities say it's almost certain that another battles has taken up occupancy in this location.

There's no such thing as a "bad" cast. Even when a cast goes astray or drops short, retrieves the lure just as carefully as you would a perfect heave. A hastily jerked-back plug usually will spoil the fishing in the immediate area. Besides, an errant cast may still induce a strike.

Some times a part is better than the whole, observe angling experts. When fish won't tumble to a whole minnow or worm, cut down on the dosage. Try using the tail or a small segment of the worm. Often this does the trick.

Lyman Ball Team Rounds Into Shape

Lyman High School's baseball squad, which will open its season Friday afternoon when it hosts the Oviedo Lions, is rounding into shape and Coach Jim Payne is in hopes of having another winning season at the Longwood school.

Payne, a former minor league hurler of some years past, has trimmed his squad to 15 players. He's planning to go with outfielders Bill Burkhead, Jack Blanton, Bill Chesel, Allen Currens, Paul Rumbley, Chuck Wagner and Marvin Cook.

His mound corps will include Steve Simpkins and Donnie Smith. Receivers will be Duffy Newell in addition to Currens and Wagner who are outfielders but can handle the catching duties if needed.

Infielders will be Mike Sterling at short, Joe Pavlach at third, Bobby Elgin at second and Richard Grant at first. Richard Smith is another sacker and outfielder Jack Blanton is also listed as a third sacker.

During the past 10 years under Payne's coaching the Greyhounds have not experienced a losing season.

The 'Hounds will be competing primarily against Orange Belt Conference nines but will play several non-conference games.

Coaches Clinic Set Tonight

A coaches clinic will be held tonight at 7:30 at the City Recreation Department. The clinic, for all men's and women's league softball coaches, will be conducted by Jim Ferguson, city recreation director. Coaches will discuss the 1964 league plans, rules and regulations, schedules and other pertinent matters.

There are still openings in the league for teams wishing to enter the men's and women's (six-pitch) softball league.

All entries and rosters must be submitted to the Recreation Office no later than March 31. League play will begin April 6. Games will be played at Fort Mallon Park. Further details on the requirements for entrance to League play are available from the office of the recreation director.

Golf Match

Seminole High's golf team will entertain the Edgewater Eagles Friday afternoon in a Metro Conference engagement at the Mayfair Country Club.

Hockey Captain

FRANK HAYES, Conn. (UPI) — Frank Hanson of Greenwich, Conn., a goalie, will serve as captain of Yale University's 1964-65 ice hockey team.

Two Tallest Hurlers Angle For Comeback

By JOE GERGEN UPI Sports Writer

Two of the biggest men in baseball currently are plotting to stage two of the biggest comeback stories of the 1964 season.

That would be 6-foot-8 Gene Conley, the Boston Red Sox' elongated right hander, and Walter Bond, the mammoth 6-foot-6 outfielder of the Houston Colts.

Conley, who doubles as a pro basketball player with the New York Knickerbockers, spent most of last season on the shelf with an overdose of arm trouble probably traceable to a basketball injury. When he did pitch, big Gene was ineffective and finished the season with a ballooning 6.59 earned run average in nine appearances.

But this year the 10-year major league veteran, who was the mainstay of the Red Sox staff in 1962, is determined to start anew. Conley pitched four innings of scoreless ball as Boston whipped the Cleveland Indians, 12-4 Wednesday for their first victory of the exhibition season after four consecutive defeats.

Conley, the tallest player in baseball, surrendered only one hit — a single — as he boosted his scoreless inning streak to seven. Catcher Bob Tillman was the Sox' hitting star with a double and a triple which accounted for four RBIs.

Bond, who was shipped to Jacksonville of the International League three weeks ago after the 1962 season opened without so much as one at bat, was purchased by

INDIVIDUAL ATTENTION — Recruit catcher Don Bryant gets individual instruction from coach Bob Swift, 51, at the Detroit Tigers' spring training camp in Lakeland.

SHS 2 For 2 In Young Season

In a four-way track meet Wednesday Seminole High's trackmen rolled up 87 1/2 points to outclass the Edgewater Eagles and the Oak Ridge Pioneers of Orlando plus Florida Military Academy of DeLand.

It was the second victory for the Seminoles in two outings this season.

Coach Dick Williams' boys took first place in the 100-yard dash, the 880-yard relay, the 440-yard dash, the 180-yard hurdles, the sprint medley relay, the 220-yard dash,

Rufus Jennings Elected Prexy Of Metro Loop

Rufus Jennings, principal of Colonial High School of Orlando, last night was elected president of the Metro Conference for the 1964-65 school year.

Conference officials, meeting in Orlando, worked out the 1965 conference basketball schedule but it is not yet in form to be released for public announcement. The conference completed plans for the league's junior varsity football schedule for the fall of 1964.

Since state regulations permit jayvees teams to play only six games a season and there are eight teams in the conference, the schedule has been arranged so that each jayvee entry will play all but one other school each season on a rotation basis.

When Seminole High resumes junior varsity gridiron play this fall they will take a string of 28 victories into the Metro circuit.

Ermu, Mugueraza Win Doubles

Ermu and Mugueraza joined forces to capture the feature doubles game in a jai-alai action in Wednesday night's SHEBA Program at the Orlando-Seminole Fronton.

Building up a comfortable lead their first time up, they came back the second time around to sail the game away. Martin and Pradera were second with Badiola and Quintana coming in third.

Proceeds from the benefit will go to the Seminole Hospital Eye Bank Association. The SHEBA Night program was sponsored by the Lions Club of Casselberry and Sanford.

Irigo took the opener and Ermu the finale in the Daily Double events to post a 6-5 combination good for \$83.00. Williams said would probably be the Tribe's most formidable opposition this season.

Troubles Pile Up For Pistol Packing Liston

DENVER (UPI) — Former world heavyweight boxing champion and ex-convict Sonny Liston, caught speeding down a Denver boulevard with a pistol in his pocket, today faced the possibility of a 10-year prison term under a Colorado law.

Liston, who lost his heavyweight crown to Cassius Clay two weeks ago, also received more bad news Wednesday when he was sued for \$1,150,000 for breach of contract.

Last week, Liston's former publicity manager, Ben Bentley, sued him in Chicago for back pay.

Liston served two terms on felony charges in Missouri in the 1950s, totaling more than three years. Denver police said they had asked the Federal Bureau of Investigation in Washington to forward Liston's police record to Denver.

Detective Harry Wolfer said officers were trying to determine whether a concealed weapon charge filed against Liston Tuesday constitutes a felony under a Colorado law passed by the Colorado Legislature in 1963.

The law provides felony charges may be filed against a convicted felon found to be carrying a weapon. Conviction carries a 2-10 year sentence.

SHS 2 For 2 In Young Season

In the 100-yard dash, sophomore Rick Walstrom turned in a 10.4 second performance to break the tape ahead of Edgewater's Horne, FMA's Durbin and Oak Ridge's Dunlap who finished in that order.

The Sanford quartet covered the 880 relay event in 1:35.9 with Edgewater's four-some second and Oak Ridge third.

Harry Barks hit the finish line first in the 440 with Filtholt of Oak Ridge second and Edgewater's Remski third. Barks' time was 51.8 seconds.

Billy Brown of Seminole took the 180 low hurdles with a 21.8 second performance. He finished ahead of the Pioneers' Majewski. Scarborough of FMA and the Seminoles' Walstrom crossed the line in a dead heat for third spot.

In the sprint medley relay, the Sanford sprayers made the distance in 2:08.8 for first place with Oak Ridge and FMA finishing in that order. Clarence Johnson broke the tape first in the 220 with a 23.9 second performance. The Seminoles' Brown was second and another Sanford youth, Jeff Whiting, finished third. Seminole took all the points in this event.

Dave Noel of Seminole tossed the discus 125-feet-4-inches to take first place in this event and Denver Vodopich taped an 18-foot-8-inch broad jump for top honors in the effort.

In the 120 high hurdles, the 880 and the pole vault Seminoles was unable to gather any points. However, Harold Unger of Sanford finished third in the mile, the locals took second place in the mile relay and Clarence Johnson finished third in the high jump event.

Majewski of Oak Ridge took the 120 high hurdle event with a 16.2. Jenking of Edgewater posted a 4-4-4 to capture the mile. Lombard of Oak Ridge was first in the 800 with a 2:04.4 performance, and Oak Ridge won the mile relay in 3:42.4.

Edgewater's Lester put the shot 45-feet-11-inches for top honors and DeVans of Edgewater captured both the high jump with a 5-foot-3-inch leap and the pole vault event with an 11-foot-6-inch performance.

"We're always pleased when we win," said Williams, "but we have a lot of room for improvement. We've worked very hard but it's evident now that we're going to have to work even harder to make the kind of showing we'd like to post in the Metro Conference." Williams concluded, "I imagine we'll have to step up the pace."

Seminole will meet Winter Park here in Sanford Wednesday afternoon in what The Matinee Daily Double was shared by Miota and Juanchu.

Rufus Jennings Elected Prexy Of Metro Loop

Rufus Jennings, principal of Colonial High School of Orlando, last night was elected president of the Metro Conference for the 1964-65 school year.

Show Director Names Cast Additions

By Jane Casselberry
The curtain goes up for the Lyman High School PTA Fun Show, "Lucky 13," this Friday at 8 p.m. in the school auditorium.
Late additions to the show's cast have been announced by the director, Mrs. Pauline Stevens. Judi Wehster, a professional tonmeister, will serve as master of ceremonies. Wayne Joiner will do an imitation of Victor Borge and "the Old Smoothies." Mr. and Mrs. George Baumach, will do a dance routine. One surprise act will be Lyman's answer to the Beatles. The Blue Flames, originally scheduled for the show, will be unable to appear as one of their members has been transferred.
Stage sets will be furnished by Winter Park Floral Plastics and Ken Whitehead. Mrs. Edward Lunn will be in charge of refreshments which will be served at a nominal charge.
The Variety Show will be the major fund raising event of the year for the PTA which sponsors the school beautification project as well as scholarships for the top senior boy and girls.
The public is invited to attend and enjoy an evening of fun and entertainment.

Lake Monroe Jottings

By Mrs. H. L. Johnson
Ah! A touch of spring is in the air. How nice. * * * Sure hope it will be nice on Saturday because Lynn Giles and I will accompany the High School Band and their director, Ernest Cowley, to Daytona for District Band Meet.

F. L. WOODRUFF IV
SHS Graduate Gets Rating

Frank L. Woodruff IV, son of Mr. and Mrs. Frank L. Woodruff III, 1308 Magnolia Avenue in Sanford, has received his airman's rating. Woodruff is currently stationed at Saufley Field, Pensacola Naval Air Base.
Woodruff graduated from Seminole High School in June, 1963. He immediately enlisted in the Navy and received his boot training at San Diego. He attended Parachute Rigors School at Lakehurst, N. J., before being assigned to Saufley Field.

Victory Called Regional One

ATLANTA (UPI)—Southern Republican leaders today generally regarded the write-in victory of Henry Cabot Lodge over Sen. Barry Goldwater in the New Hampshire primary as having little national significance.
"It was more of a regional vote with favorite son significance," said Georgia GOP Chairman James Dorsey who added that if New York Gov. Nelson Rockefeller had led Goldwater, there would have been more of a trend toward a national line-up.
"Goldwater is still strong in the South," Dorsey said.
John Granier, Alabama GOP chairman and co-chairman of Goldwater's campaign for the Republican presidential nomination in the South, said he thought the results in New England were no great surprise.

Heads Field

PARIS (UPI)—Relko, winner of the 1963 Epsom Derby, heads a 23-horse field in the 60,000 francs (\$12,000) Prix Boyard race at the Saint Cloud track March 21. Jockey Yves Saint Martin will ride Relko, owned by Francois Dupre.

Nielsen Victor

LONDON (UPI)—Billy Nielsen, of Omaha, Neb., stopped England's Billy Walker Tuesday night in the eighth round of their heavyweight bout. Nielsen weighed 194½ pounds and Walker scaled 186½.

Of course, ratings of superiors will come back with us. Very confident aren't we? Of course. * * * Emery Kriebing is now on his way to Germany where he is stationed with the Army. * * * Mr. and Mrs. J. C. Sapp, Mr. and Mrs. J. C. Greene, Mrs. G. B. Sapp, Verdie Hartman, Myrtle Nettles, Juanita Rachel, and Hamp Wainwright remained in Tampa for a short visit but the others returned home the same day.
* * * Our sympathy goes out to Mrs. Walter Price in the sudden passing of her mother, Mrs. Merrill, who passed away in Ocoee Friday. The Merrills are former residents of Lake Monroe. * * * Also our sympathy goes to Mrs. Charles (Kay) Johnson in the passing of her father, Clinton Bass, in Kissimmee. Charles and Kay have recently moved to DeBary from Monroe. * * * Sorry to hear that Mrs. James Lappin is confined to her home because of illness. * * * Mr. and Mrs. Alvin Hittell Jr. have moved into the Irving Smith home on Orange Blvd. * * * The Lake Monroe Home Demonstration Club meets tonight in the Community Building. Hope every member can attend. The 4-H Handy Helpers will serve as hostesses. * * * Hope you got to attend the Cooking School Tuesday evening at the Civic Center. It was well spent two hours. All too short though. * * * Frances Warren's mother, Mrs. Benton, of Wauchula has been visiting with Frances, Doc, Elizabeth and Melvin for a few days. * * * The Semiacle County Lady School Bus Drivers surprised Jessie Mae (Mrs. Herbert) Muse with a shower party Wednesday morning at her home on the Wekiwa River. * * * Little David Wells is able to be out and to go to school again after a bout with pneumonia which put him in the local hospital. Also out again is little Dale Austin who had his share of the measles. * * * Carol Hobby is also home with the mumps. She can now sympathize with her sister, Betty, who now has mumps on both sides. * * * Be sure and check the Herald when you get your "Polio PILL." You can get your "dose" on April 12th from noon 'til 5 P. M. at the Monroe School. This is on a Sunday afternoon and we urge everyone to take this opportunity to do it. It will not be regretted. * * * So be sure and keep that date in mind and also keep in contact with your local paper. * * * Vallie Wilson sort of feels on the ailing side. * * * I am very glad to reprint the various thoughts of the week as they are requested. We have a request for the one on New Friends and Old Friends, so here it is.
Make new friends, but keep the old
Those are silver, these are gold!
Brows may wrinkle, hair grow grey
Friendship never knows decay.
Cherish friendship in your breast
New is good, but old is best.
So make new friends, but keep the old
New ones are silver, but the old ones are gold.

Florida Sends Gitmo 9 Million Gallons Of Water Weekly

P O R T EVERGLADES (UPI) — This South Florida port is supplying nine million gallons of water a week to the U. S. naval base at Guantanamo Bay, Cuba.
The navy has been hauling the water to Cuba in two tanker ships since mid-February when Fidel Castro cut off the base's supply of fresh water. The U.S.S. Sumico and the U.S.S. Tallulah, each with a

4,000,000-gallon capacity, make one round trip each every six days.

Lt. Cdr. John Cassen of the Naval Test Ordinance Laboratory at nearby Fort Lauderdale said the shipments more than meet Guantanamo's needs of 500,000 gallons of water a day. He said he did not know how long the shipments would continue.

Personnel at the base in Cuba are constructing a plant to make the base self-sufficient.

A third U. S. ship, the Abaton, is anchored in Guantanamo Bay and is capable of converting 100,000 gallons of sea water to fresh water every day.

The navy is buying Florida's water from the Port Everglades Port Authority at the rate of 25 cents per 100,000 gallons.

The contract providing for the water was signed in 1961 in anticipation of the day when Castro would give the U. S. trouble over Guantanamo's water, which it had been buying from the Cuban government.

Clay 'Black Muslim' But No Arabian Knight

WASHINGTON (UPI) — Cassius Clay, a Black Muslim who wants to visit the Holy City of Islam, appears doomed to disappointment.
The odds against the new heavyweight boxing cham-

Champion ever seeing Mecca are far higher than the 8-1 he faced in dethroning Sonny Liston—they're prohibitive.
A spokesman for the Saudi Arabian embassy diplomatically refrained today from

saying either yes or no when asked whether the talkative Louisville boy, who says Islam is the true religion of peace, could get a visa and permission to visit the shrine.

Circle Meets At Elks Club For Initiation

The Anna Miller Circle met recently at the Elks Club. The members initiated Mrs. John C. Brown into the circle during an impressive candlelight ceremony.

It was reported that the Valentine Dinner Dance was a financial success as well as a social success. Mrs. William Lystrott was crowned Queen of the Ball on the night of the dance.

Final plans were made for the Rummage and Bake Sale to be held this weekend by circle members. A large variety of out-grown clothes, household items, jewelry and other items will be on sale. Also some baked goods will be offered by the members.

Mrs. William Kleinfelder is chairman of the sale, with co-chairman, Mrs. Jim Wehry. The sale will be at the old Sears building on First Street from 4 to 8 p.m. Friday afternoon and from 9 a.m. to 5 p.m. on Saturday.

Mrs. Harry Adair, president, appointed a committee of three to be in charge of the selection of Easter gifts, for the youngsters at the Harry Anna Crippled Children's Hospital. The committee consists of Mrs. Leslie Thompson, Mrs. Jim Wehry and Mrs. Layman Goodman. After the gifts are purchased the members of the circle will gather to wrap and prepare them for delivery to the Children's Home on Easter Eve. This is an annual event of the Anna Miller Circle.

The next meeting of the circle will be held at the Elks Club on March 17 at 8 p.m. Those attending were Mrs. Helen Hale, Mrs. Charles Stafford, Mrs. E. G. Neville, Mrs. J. F. Wehry, Mrs. L. E. Thompson, Mrs. Roy Howell Jr., Mrs. Clayton Smith, Mrs. Emma Bashara, Mrs. Edith Tyre, Mrs. Roy Chopening, Mrs. W. J. Clarke, Mrs. William Kleinfelder, Mrs. W. T. Gordon, Mrs. Ruby Ginder, Mrs. Clarence Collins, Mrs. J. A. Hooehlan Sr., Mrs. Rusa Spencer, Mrs. J. R. Hooehlan Sr., Mrs. Harry Adair, Mrs. Layman Goodman, Mrs. Frank O. Wight and Mrs. John C. Brown.

Fashion Flair To Be Presented By WW Club

THE COMMITTEE members and models met at the home of Mrs. Benn Shaffer to finalize plans for the coming show. Several ladies modeling for the show are: (left to right) Mrs. Edward Schwab, Mrs. David Thomlinson, Mrs. Walter Blevins, and Mrs. John Pugh.

The Welcome Wagon Club of Sanford is sponsoring a Fashion Flair to be held at the Policemen's Benevolent Building on March 17 from 12:30 to 4 p.m.

Virginia Petroski is hostess for the club and acting as chairman for the show is Mrs. Benn Shaffer.

The public is invited to attend. Refreshments will be served and cards will be enjoyed following the display of fashions. Also doorprizes will be given.

Dresses, suits, sports wear and bathing suits will be shown through the cooperation of Garrett's Department Store.

(LEFT TO RIGHT) Virginia Petroski, hostess for the Welcome Wagon Club, Mrs. Ben Shaffer, chairman for the Fashion Flair, and Mrs. David Thomlinson, model for the show.

MRS. DAVID THOMLINSON (above left) models a cute two piece bathing suit; (above

right) fifteen year old Karen Thornell sports a fun-type Bermuda outfit with matching sun hat.

Diagonal Weaves Will Challenge "Sew Manship"

Diagonal fabrics add a new slant to fashions and to sewing. You are seeing many diagonal fabrics—some woven with a prominent diagonal rib or bias effect on the face of the cloth, some in reversible weaves.

These fabrics will challenge your "sew manship." More and more pattern styles are appearing with versions designed for this type of fabric. Some styles, however, are not meant for diagonals, and the pattern envelope states not suitable for diagonal fabrics.

Select the pattern style with special care. Kimono or raglan sleeves can create problems in cutting diagonals, so select styles with set-in sleeves.

Skirts with flared or goared lines tend to distort the diagonal, so choose a skirt with slim lines.

Patterns with many pieces, and numerous seams, will present many difficulties in cutting. It's safest to choose simple classic lines that permit the diagonal fabric to enhance the style.

A chevron effect can be achieved with a diagonal fabric that is woven so that the right and wrong sides are exactly the same. If fabric is not reversible, you can

Bacon should be eaten within a week for best quality; a quick-cured half ham should be eaten within five days; quick-cured whole ham keeps a little better but should be used within two weeks.

FASHION ORIGINALS

The young miss will be delighted with this perfect pinafore with an embroidered motif for every month of the year.

Garden Gate

Palm Circle

No garden is really a garden without our feathered friends, that is without birds. About 136 species of northern birds spent the winter in Florida. Then there are about 70 kinds of birds that regularly pass through in the spring and fall as they change habitats. Add to these figures about 134 species of permanent bird residents of the state, and 50, or so, species that make accidental or occasional visits here and you have a total of more than 400 kinds of birds that may be seen in Florida.

Because Florida is divided into three temperature zones, not all birds are seen in the entire state. Some species even winter in the southern part of the state and spend their summers in the central and northern sections. One of these is the gnatcatcher that nests in central and northern Florida and winters in the southern part.

The bird population depends a great deal on migratory lanes, weather and food supply, for instance the robin comes south for the winter, but if the weather is mild, they do not always go to the south of the state. This winter I have seen more robins in this section than ever before.

No article on birds would be complete without mentioning the mockingbird, which is our state bird, and lives in Florida year round, and is the most widely distributed bird in the state. This is probably the first bird of the new world of which there is any record; Columbus wrote of

bearing them and calling them nightingales.

The most beautiful of all birds, the cardinal, will make your garden gay with color, if you will scatter cracked grain late in the afternoon. In fact, you will be amazed at the riot of color which will result when other species join the red bird for a feast.

Insurrection on an old sundial: "Hope closes the door at night, Faith opens it in the morning."

Don't buy frozen food which has a torn package. The tear allows air to enter, causing loss of color, absorption of other flavors and loss of vitamin.

Stability Of Mattresses Control Amount Of Sleep

When your mattress reaches the "hill and valley" stage, it has outlived its normal comfort—service expectancy, says Myrtle Wilson, Home Demonstration Agent.

Even the best mattresses wear out. When is a mattress worn out? You can check for these signs of age. Is it dish-shaped in with a flabby, packed-down look? Do the borders sag, is slitching broken? Are there lumps and depressions? And how do you feel when you get up in the morning? That's the final test.

A worn out mattress doesn't give you the even, equal support that you need for relaxing, restful sleep.

When you replace that worn-out mattress, you'll want to buy one that's long enough and wide enough for your sleeping comfort. If you're more than five feet 10 inches tall, you'll need a mattress that's longer than standard size. And allow at least

39 inches in width for each adult sleeper.

Long-size twin or double bed mattresses allow extra length; king sizes provide extra length and extra width. You'll find three basic types of mattresses. They are innerspring, foam and solid upholstered.

Innerspring mattresses consist of strong coil steel springs with insulating material and padding on both sides of the coil unit. There are two types of coil spring construction. In one, they're sewn into separate pockets. In the other, the coils are linked together with steel spring wire.

Foam mattresses are formed from milk of rubber trees or a synthetic into foam of

various thicknesses and core construction. Usually they're sold in combination with a box spring.

Solid upholstered mattresses are stuffed with cotton, horsetail hair, cattle tail, horse mane or hog hair.

Good mattresses have sturdy tickings and borders with reinforced ticking edges. You can't judge mattress comfort by sitting on it or

punching it. The only way to test a mattress is to lie down on it. Stretch out and see if it's long enough, wide enough, and firm enough for you.

Circle To Meet

The Ethel Root Circle of the Congregational Christian Church will meet Monday evening in Fellowship Hall of the church. All members are asked to bring an item for the Sunshine Box. Mrs. Walter Bethea, president, will conduct the meeting.

Club To Meet

The Oviedo Women's Club will hold a luncheon and business meeting this Friday at 12 noon at the clubhouse. The guest speaker will be Morris S. Hale Jr., president of the Orlando Junior College. Mrs. A. C. Hopkins is luncheon chairman.

FLORIDA STATE BANK MEMBER F.D.I.C.

Chapter Elects Officers And Donates Money

The Gamma Omexa Chapter of Epsilon Sigma Alpha met recently to elect its new officers. They are: Mrs. Henry Tooke, president; Mrs. Pete Baker, vice president; Mrs. James Brodie, recording secretary; Mrs. John Higgins, corresponding secretary, and Mrs. Milner Osborne, treasurer.

Mrs. Frank C. Woodruff was the guest speaker at this meeting held at the home of Mrs. James Brodie. Her topic was the Eyebank of Sanford. This was a very interesting and informative discussion. Several members volunteered their eyes to the bank and Mrs. Woodruff was presented with a \$30 check.

It was announced during the meeting that the cookbook the chapter is sponsoring has been sent to the publisher and will be available soon for purchase.

The group discussed its spring rush parties. A card party will be held March 24 at the home of Mrs. Terry Smith, for the members and their guests.

Those attending the meeting were Mrs. Buddy Bass, Mrs. Edgar Bruce, Mrs. Ernest Calley, Mrs. Gene Estridge III, Mrs. Kirby Fite Jr., Mrs. John Higgins, Mrs. James McKee, Mrs. Jack Schirrad, Mrs. Terry Smith, Mrs. Henry Tooke and Mrs. Ely White.

MRS. WALTER A. MIDDLETON

Walter Middleton Weds Miss Willett

Miss Marlene Lola Willett, daughter of Mr. and Mrs. Russell G. Willett, Miami, repeated vows with Walter Arthur Middleton, son of Mr. and Mrs. Arthur R. Middleton, Sanford, in a double ring candlelight ceremony, March 7, at Sylvania Heights Baptist Church, Coral Gables.

A reception immediately followed the wedding. The newlyweds will tour the Keys, then return to Shaw Air Force Base, in South Carolina, where the bridegroom is stationed.

Enterprise

Personals

By Helen Snodgrass

The bride, given in marriage by her father, wore a long silk organza gown with a bodice of applied lace. Her veil of fingertip illusion was highlighted with a pearl tiara.

Matron of honor was Mrs. Leonard Henne, cousin of the bride, of Bay City, Mich. She wore an aqua peau de tigre sheath with an overskirt and carried a bouquet of yellow roses.

Mary Jo White, Diane Thal, Barbara Middleton, and Mary Ann Millmore, were the bridesmaids. They were dressed identically to the matron of honor.

The bride's mother wore a peau de tigre sheath with white accessories and a corsage of white orchids. The groom's mother wore a turquoise brocaded suit with white accessories and a white orchid corsage.

Raymond Middleton, brother of the groom, was best man. Ushers for the ceremony were Tim Willett, Richard Brown, Buddy Keaton, and Mike Jackson.

Family Honored At Supper By Casselberry Church Unit

By Jane Casselberry
The Sunshine Circle of the Casselberry Community Methodist Church honored Sgt. and Mrs. John Gee and their son, John Jr., and daughter, Pauline, at a buffet supper recently held at the home of Mr. and Mrs. John Howard on Lake Dr., Casselberry.

They live at 2152 Linden Rd., Tanglewood, and Sgt. Gee will soon be transferred from Orlando Air Force Base to Germany. Mrs. Gee and Pauline will accompany him, but young John is also in the Air Force and is stationed at Patrick Air Force Base.

Members of the circle, their families, and guests attending were Rev. and Mrs. Delmas Copeland and son, Matt; Sam Bowden of Louisville, Ky.; Mrs. Donald MacLeod and daughter, Linda; Mr. and Mrs. Phillip Caser, Miss Phyllis Caser, Mr. and Mrs. Henry Duncan and children, Linda, Glenn, and Steve; Fred Pullen;

SGT. AND MRS. JOHN GEE, and their son, John, and daughter, Pauline, were the guests of honor at a buffet supper given by the Sunshine Circle of the Casselberry Methodist Church recently.

Homemakers

Corner

By Mrs. H. L. Johnson

From the Nabisco Cracker Chatter pamphlet which we received there are several good recipes using crackers. One of them is Stuffed Lamb Chops. Another is a Surprise Breakfast Cake.

STUFFED LAMB CHOPS
2 lamb chops
2 cups cooked and ground chicken
1/2 tsp. salt
1/2 tsp. ground pepper
1/2 tsp. onion juice

6 tbsps. heavy cream or enough to moisten
2 eggs, slightly beaten
1 1/2 cups French Onion Thin cracker crumbs, finely rolled
Pan fry chops on both sides until browned. Drain on paper towels. Combine chicken, salt and pepper, onion juice and enough heavy cream to moisten. Spread 1/2 of the mixture on top of each chop. Coat each chop with Onion Thin cracker crumbs and dip in the beaten egg and coat again in the cracker crumbs. Place in a shallow roasting pan in a hot oven, 425 degrees, 20 minutes or until golden brown. Serves 2.

SURPRISE BREAKFAST CAKE
1/2 cup light brown sugar
2 tbsps. margarine
1/2 tsp. cinnamon
10 Fig Newton Cakes, crumbled
1 1/2 cups flour
3/4 tsp. baking powder
1/2 tsp. salt
2 eggs
1/2 cup sugar
1/2 cup margarine melted
1 tsp. vanilla
1/2 cup milk

Mix together light brown sugar, margarine, cinnamon and crumbled Fig Newton Cakes. Set aside. Sift together flour, baking powder and salt. Beat eggs until frothy,

then beat in sugar and melted margarine until well combined. Add vanilla and milk. Beat in flour mixture until well combined. Pour half of mixture into 8-inch square pan which has been greased and lightly floured. Sprinkle half of Fig Newton topping over cake batter, spread rest of cake batter over and top with remaining topping. Bake 35 to 40 minutes in a moderate oven 350 degrees. Serves 6 to 8.

Fix these dainty EASTER PARTY BASKETS.
16 Vanilla Wafers
1/2 cup strawberry jam
1 pt. vanilla ice cream, softened
1/2 cup flaked coconut, colored green

Jelly Beans
colored pipe cleaners
Place vanilla wafers in the bottom of 8 paper cups (muffin). Layer about 1 teaspoon jam on top. Add second layer of wafers and strawberry jam. Spoon softened ice cream over all. Place cups in muffin tins and freeze until firm. Bend colored pipe cleaners to form handles and set into ice cream cups. Decorate with colored flaked coconut and jelly beans. Makes 8 baskets.

Winnie Visits Parliament

LONDON (UPI)—Sir Winston Churchill, who will be 90 in November, Wednesday visited his "favorite club," the House of Commons, where he took his usual seat.

He has been showing up regularly at Parliament since he announced last year that this session would be his last. General elections will be called before Nov. 1.

Geneva Girls Talk Sewing

Members of the Geneva Girls 4-H Club discussed the importance of buying correct sizes of pins, needles, thread and thimbles at this week's meeting of the group.

The meeting was held at 2:30 p. m. Tuesday in the Community Hall with eight members and one guest, Claudia Watkins, in attendance.

The value of keeping sewing equipment clean at all times also was discussed as was the advantages of a sewing box. Members will make skirts as their first project.

State Midwife Ranks Thinned

JACKSONVILLE — Florida's midwife population decreased to the 200-mark in 1963 for the first time in the state's midwife history.

Miss Enid Mathison, director of the State Board of Health Nursing, said the steady increase of hospital deliveries by physicians has reduced the need for midwives to the point where they deliver only about 4 per cent of all births in the state.

"But in spite of the increase in hospital and physician services," she said, "we expect that midwives will still be in demand in Florida for a number of years, particularly in areas where hospitals and physician services are not readily available."

But there are exceptions even to the commuting expense rule. For example, the

What is important to most taxpayers about the phrase "away from home" is that they cannot generally deduct their commuting expenses. (A taxpayer like a salesman can, however, deduct his transportation expense on the job even though he is not "away from home," says the IRS, just as long as the expense is directly attributable to the actual conduct of his trade or business.)

But there are exceptions even to the commuting expense rule. For example, the

Meat, Poultry, Fish And Eggs Week's Buys

WASHINGTON (UPI) — Shoppers will find good buys in meat, poultry, fish, eggs and dairy products this weekend.

Meat shoppers will find most lamb cuts, primarily legs of lamb, the top feature at local markets this weekend. There'll also be fair offerings of beef, pork and poultry. Veal and calf will not be as prominent as in the past weeks.

Best vegetable buys include beets, broccoli rabe, Brussels sprouts, Texas carrots, chives, miscellaneous greens, endive, escarole, green onions, parsley, parsley root, radishes, spinach, potatoes, turnips, rutabagas, dandelions and watercress.

Top fruit values will be rhubarb, honeydews, apples, Florida oranges and grapefruit.

Eggs and dairy products continue to be good buys. Fish shoppers will find good supplies of clams, filets, halibut, scallops, smelt and oysters.

Widener Heir Weds Airline Stewardess

PALM BEACH GARDENS (UPI) — Millionaire sportsman Peter A. B. Widener III

married an attractive young woman and photographers were barred from the ceremony.

Sterilization Bill Passes

JACKSON, Miss. (UPI) — The Mississippi House of Representatives passed a bill Wednesday that could send parents of illegitimate children to prison unless they submit to voluntary sterilization.

Sponsors said the proposal was aimed at curbing welfare problems caused by an estimated 8,000 illegitimate births in the state each year.

The measure, yet to be passed by the state Senate, would make it a felony for any person to become the parent of more than one child born out of wedlock. Conviction would carry prison sentences up to five years unless the offender agreed to sterilization.

The 39-year-old Widener is a former Palm Beach County sheriff and a horse breeder. Heleah Park's \$100,000-added Widener handicap race is named after his family.

The couple plans to honeymoon in Paris later this month.

Miss Crenshaw quit her job as a stewardess (for Delta Airlines) four days ago and moved out of the apartment she shared with several other girls at Miami Beach.

The marriage was kept secret until the last minute, and

PTL To Meet

The Parent-Teacher League of St. Luke's Christian Day School in Slavia will meet at 8 p. m. Monday in the school auditorium. A 40-minute film, "Faith of Our Family," explaining home devotions will be shown.

Pair Duel Over Book Dispute

PARIS (UPI)—A writer and a publisher's agent duelled with sabers Wednesday in front of Victor Hugo's home to settle a dispute over a new book.

Hungarian author Eszkanasy pinked Jean Mordacq to honorably win the conflict. Mordacq, who received a superficial flesh wound in his side, had challenged Eszkanasy after the latter criticized a biography of French author Leon Daudet, which Mordacq's firm published.

Europe's Rabbis Blast Russia

ROME (UPI)—The Conference of European Rabbis has called on the Soviet government to halt "flagrant discrimination" against Jews.

The Rabbis, representing Jewish communities in eight European nations, delivered their message to the Soviet Embassy here at the end of a three-day conference. They listed 17 Soviet measures "that threaten the very survival of Jewish religious identity in the U.S.S.R." such as the closing of 354 synagogues.

Pair Duel Over Book Dispute

PARIS (UPI)—A writer and a publisher's agent duelled with sabers Wednesday in front of Victor Hugo's home to settle a dispute over a new book.

Hungarian author Eszkanasy pinked Jean Mordacq to honorably win the conflict. Mordacq, who received a superficial flesh wound in his side, had challenged Eszkanasy after the latter criticized a biography of French author Leon Daudet, which Mordacq's firm published.

Widener Heir Weds Airline Stewardess

PALM BEACH GARDENS (UPI) — Millionaire sportsman Peter A. B. Widener III

married an attractive young woman and photographers were barred from the ceremony.

The 39-year-old Widener is a former Palm Beach County sheriff and a horse breeder. Heleah Park's \$100,000-added Widener handicap race is named after his family.

The couple plans to honeymoon in Paris later this month.

Miss Crenshaw quit her job as a stewardess (for Delta Airlines) four days ago and moved out of the apartment she shared with several other girls at Miami Beach.

The marriage was kept secret until the last minute, and

Permanent Prosperity

Sanford's economy right now hinges on two things—agriculture and the Sanford Naval Air Station.

Consider these possibilities: One night of sub-freezing temperatures could wipe out the agricultural economy for at least a year.

A stroke of a pen in the Pentagon could phase out the air station here.

The first possibility is always with us. The second could be simply a matter of time.

Manned aircraft will, without a doubt, be phased out of its present important status as missiles are perfected and others are taken from the drawing boards. This is inevitable.

Yet, Sanford has an alternative which can be pushed and which will ease the economic impact when the two blows occur.

It's a 30-mile strip of ditch to the Atlantic Ocean.

The Sanford Port Authority, now in its formative stage, is inching toward full accreditation. Legislative

action is being sought to give the authority, authority to construct docks and warehouses in the Sanford area.

Such action will assure Sanford and the surrounding area of permanent prosperity. It will be followed, as sure as night follows day, with industry, diversified industry.

This has been proven repeatedly where similar facilities have been installed. A large canal to the Atlantic Ocean will open a new era, a new world, for Sanford. Official formation of the Sanford Port Authority will show industry this area means business.

We urge all phases of Sanford and Seminole life to get behind this project, the one item that has been overlooked for too long by too many persons, except for a dedicated few who have worked for it for long, long years.

Sanford is at the starting line, awaiting the verbal gun to be fired by the populace.

Dog-gone Insurance

While neither rain nor sleet nor all the rest of it can do it, a dog often does. Stop, that is, the U.S. mail.

About 7,000 postmen are bitten by belligerent dogs every year. Many thousands more are threatened and intimidated by vicious or suspicious animals.

No more. The letter carriers are going to fight back with a new weapon—an aerosol spray can of dog repellent.

Under threat of attack by a dog, the carrier will deftly unclip the can from his belt and let him have it. The resulting yellowish spray is said to blind a dog temporarily up to a distance of 12 feet.

By the time the animal recovers, the swift courier is well away on his appointed rounds. Fido will think twice next time.

The antidog spray will cost the de-

partment \$90,000 annually, which is a lot of money going to the dogs. It's cheap, though, compared to the \$1 million now spent every year on medical and hospital expenses, work time lost and compensation because of dog bites.

Thought For Today

Remember then from what you have fallen, repent and do the works you did at first. If not, I will come to you and remove your lampstand from its place, unless you repent.—Rev. 2:5.

More sorrow, which weeps and sits still, is not repentance. Repentance is sorrow converted into action; into a movement toward a new and better life.—Marvin Richardson Vincent.

Dick West Says

The Lighter Side

WASHINGTON (UPI) — In order to qualify for old age insurance benefits under the Social Security program, a self-employed person must have a net income of at least \$400 a year for a certain period before his retirement.

I should now like to acquaint you with the trials and tribulations of a Tennessee farmer who has been trying to convince the government that his income for 1962 was sufficient to make him eligible.

In support of his claim, the

farmer submitted a statement listing the following sources of income for that year:

"Two beagles raised and sold"	\$ 50.00
"One coon dog raised and sold"	30.00
"Tobacco"	137.10
"Eggs"	10.00
"Tomatoes"	50.00
"Vegetables picked berries"	165.60

As any fool can plainly see, all of this adds up to \$442.75. But hold on a second. There is more to this than meets the eye.

In its report on the case,

the Social Security administration set forth the following additional findings:

—The berry picking was performed by the farmer's wife and children and therefore the \$165.65 'was not includable in his gross income.'

—The \$80 he collected from the sale of the two beagles and the coon dog was "not incidental to the farming operation and is, therefore, not includable as farm income."

—The farmer "did not show any depreciation for his mule," which he purchased in 1960 for \$115 with the expectation that it would last for eight years.

Accordingly, the administration rules that the farmer did not, in fact earn the necessary \$400.

The farmer complained about the matter to his congressman, Rep. James H. Quillen, R-Tenn., who in turn took it up with the Social Security administration.

"Would you," Quillen wrote, "be kind enough to explain to me how the mule-depreciation scale is set up."

"Depreciation of a capital asset, be it mule or whatever, is a business expense," the agency replied. "We figure it like any other capital assets, i.e. cost divided by useful life in years equals annual depreciation."

By this reckoning, the mule depreciated in the amount of \$14.72 1/2 in 1962.

That settles that, apparently, but Quillen still has hopes that the agency will modify its position to the extent of allowing the berry picking and the beagle and coon dog sales to count toward the farmer's retirement.

Political Notebook

WASHINGTON (NEA) — An interesting, new development has quietly occurred in the continuing Puerto Rican struggle among forces advocating, variously, an updated commonwealth status, statehood, and independence.

In late January, registrations for the 1964 gubernatorial and other elections were held on the island. They seem to indicate a definite drop-off in support for statehood.

The 1960 gubernatorial contest, the Republican Statehood Party gained 32 percent of the total vote. This was a new high. Gov. Luis Munoz Marin and his Popular Democratic Party supporters of an improved commonwealth status, collected just 60 percent. Independence supporters got just 3.8 percent.

The 1964 registrations gave Munoz' party 67 percent. A small percentage, possibly 5 percent chose at this stage not to identify themselves with any party. The remainder, less than 30 percent, was split among all other parties.

No reliable breakdown of this remainder can be had from official sources, but some estimates suggest the Statehooders' total is now down to 25 percent or less.

Munoz' party in past elections has often received a vote percentage higher than its share of registrations, picking up two or three points from among the unaffiliated.

By this reasoning, assuming the venerable governor stands as expected for reelection this year, he might obtain 70 percent of the total vote.

Whatever his share of the November total, it will be impossible this time — as before — to separate support for commonwealth status from the islanders' overwhelming sentimental attachment to Munoz.

It is this which most upsets such Republican Statehood leaders as Miguel Garcia Mendez, Luis Ferré and Arturo Ortiz Toro. They and men like Raymond Acosta, young head of Citizens for State 51, feel statehood never will have a fair test at the polls so long as the popular

Munoz is on the ballot.

Awareness of the new registration trends comes just as President Johnson is preparing to name his three members to a 13-member commission newly created to study Puerto Rico's future political status.

The commission, set to undertake its labors soon, will be rounded out with two members each from the U.S. House and Senate, and six from the island, to be chosen "according to Puerto Rican law."

The group probably will take from a year to 18 months to do the job, and its purely advisory recommendations to Congress will in no way affect the coming elections.

All possibilities — refined commonwealth status, statehood and independence — will be reviewed.

The ultimate expectation is that Congress finally will propose a new course of action, to be voted upon by Puerto Ricans in an island-wide plebiscite some years hence.

Munoz presently opposes statehood on the ground that Puerto Rico, for all its remarkable advances in the last decade, does not have a strong enough economic footing to get along without the special advantages it enjoys under commonwealth status.

Statehooders argue that this status is fundamentally a fraud, that the freedom Congress granted under it can be taken away at a stroke, that the island thus is still in colonial bondage.

I believe there will never again be a great world war . . . and I believe that it is the discoveries of scientists . . . that is now forcing us to move into a period in the history of the world, a period of peace and reason.

—Nobel chemist Dr. Linus C. Pauling.

Barbs

By Hal Cochran

About the easiest way to lose your standing is by lying.

Why do men work hard to save their money so their sons won't have the problems that made mine of their fathers?

Some informers jaws get an awful lot of exercise out of some of the teenage dances.

When you have more guests than chairs just call it a buffet dinner.

It's as hard to make much money last as it was to make it first.

It's your own fault if you're called into the income tax office because of untold wealth.

Quotes

The mad, almost weird scramble of television and radio stations to push as many commercials as possible at the audience has become a national scandal.

—Rep. Emanuel Celler, D-N.Y.

I believe there will never again be a great world war . . . and I believe that it is the discoveries of scientists . . . that is now forcing us to move into a period in the history of the world, a period of peace and reason.

—Nobel chemist Dr. Linus C. Pauling.

Dr. Crane's

Worry Clinic

Cal Hershberger is a shrewd salesman. He moved over to the newspaper field after 20 years in merchandising and large scale selling. But he says he is puzzled by many newspapers which act like sheep, or even offer aid to the enemy!

Study this case with care. CASE S-410: Cal Hershberger, aged 45, is Sales Manager for the newspaper syndicate that handles this column.

"Dr. Crane," he said as we had lunch together recently, "I am dumbfounded by the action of a few big newspapers. For example, one of the largest papers in this country is spending thousands of dollars on ads to tell its readers about its swanky week-end TV magazine supplement.

"But why should a newspaper go out of its way to 'plug' for its major rival, namely, TV station?"

"It's had enough to run a free TV log to advertise one's rival, but why spend \$100,000 additional on car cards and billboards and even ads in other newspapers, just to tell your readers about TV programs?"

"That would be like asking the railroads to pass out beautiful brochures, extolling the praises of airlines! I don't get it!"

Myopic Promoters

Well, Cal is entirely correct. "Never even mention your competitor," is a truism which we still emphasize in college courses dealing with the "Psychology of Advertising."

And to spend \$100,000 of a newspaper's funds to advertise the local TV stations and their programs via beautiful week-end magazine supplements, is plain folly!

It is high time such journalistic executives re-analyzed their own aims and purposes. "I don't care what you say about me," said P. T. Barnum, "just as long as you mention the name P. T. Barnum."

This adage of advertising says Barnum's keen understanding of human nature, Barnum thus wouldn't spend his money even to attack a competitor by name.

But to spend his own money to LAUD the enemy — that would have been intolerable to Barnum and all other smart advertising experts!

Newspapers are still the major educational force in America, not even excepting the public school system. But a lot of them are blindly acting like sheep and stampeding after any big named paper that leads the way. Instead, a newspaper that

expects to be a profitable enterprise even 10 years hence simply MUST take stock of its basic aims and reason for existence.

Some editors bemoan the fact they must carry a page of comics.

Yet that comic page is supposed to recruit children and convert them into newspaper addicts early in life—before TV steals them away.

Also, the usual comic page doesn't have even THREE comic strips that are slanted to children in grammar school. Look for yourself!

"Oh, we have a dozen good child comics," many an editor has told me.

But he thinks just because a child character is in a comic, that such a comic strip is fascinating to kiddies. That's not true!

Most of the so-called child comics today, though possibly very funny to ADULT, leave grade schoolers cold.

For they simply put adult words and ideas into the mouths of youngsters, which thus appears comical to adults, but not to children.

Children want suspense comics with brief balloons and of the "continued story" format. Also, there aren't THREE such child comics in America today! Check me!

Phil Newsom Says . . .

English Voters Switch

When Winston Churchill led his party to victory in the British elections of October, 1951, it was the beginning of unbroken Conservative party rule extending to this moment.

In elections generally predicted for June, under the new leadership of Sir Alec Douglas-Home, the Conservatives will try for their fourth consecutive victory.

And for the first time in many months, they are being given a chance to win. Latest public opinion polls show the Labor party of Harold Wilson leading the Conservatives by 5.5 percentage points, a gain of 2.5 points for the Conservatives in a week.

At the peak of the Profumo sex scandal within the government last fall, the polls showed Labor leading by a seemingly insurmountable 20 points.

Credit for the apparent voter switch is being given to two sources. One is the current wave of prosperity which Britain is enjoying.

The other is Douglas-Home whose selection to replace the ailing Harold Macmillan as British Prime Minister split the party in bitter debate which brought glee to the Laborites.

Traditionally, the British voter has ignored the idiosyncrasies of politicians and voted according to his pocketbook. Financially, he is feeling fine.

Unemployment is down to less than two per cent and

wages are at a record high. Industries are expanding and some are complaining of a shortage of skilled men, particularly in construction.

So headlong has been the rush of the British economy that the government, which last year cut taxes to spur it on, lately felt impelled to put on the brakes by raising the bank rate on borrowing.

More of a surprise, especially to his detractors, has been Sir Alec Douglas-Home. When Harold Macmillan named him foreign minister in his government in July, 1960, the appointment was met by derision and ridicule.

He was dubbed the "faceless earl." He was an earl before stripping himself of all of his titles but one.

But he proved himself a more than competent foreign minister.

When Macmillan named him to succeed as head of the party and prime minister, the howls rose again. So deep was the split within the party that one writer, surveying possibilities of the coming election, described the conservatives as displaying a "collective death wish."

The one man who seemed above the quarrel was Douglas-Home himself. He toured the country

side, travelled to Washington and exposed his engaging smile and thin-faced, bony features on television. The result, Douglas-Home, the "faceless" one, was making his impression as prime minister. He also was emerging as a political fighter.

To Harold Wilson's claim that Labor could best lead the way to a renewal of science, education and industry, he replied by calling Wilson a "salesman of synthetic science."

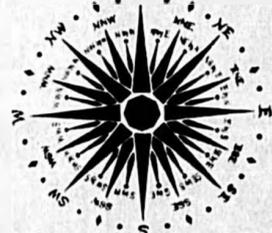

Replying to Wilson's demand that Britain "sweep away the grouse-moor conception of national leadership," he showed a sense of humor.

He quietly advised his ministers against grouse-shooting. It was, he said, becoming a dirty word.

Highlights TV Time Previews

7:30-8:30 p. m. (NBC) "NBC White Paper." The subject is the much-publicized, highly controversial congressman from New York's Harlem, Adam Clayton Powell. Powell discusses the problems facing a Negro in Washington and the subject of changing race relations. He seems willing to talk about most things. The show also examines Powell, the man and the paradox, and whatever your feelings about him may be, you won't be able to deny that he is one of the more interesting figures in contemporary politics.

Dear Abby: By Abigail Van Buren

DEAR ABBY: What does a mother do when a son she loves almost forgets she exists? His wife writes all the letters from both of them, and they all go like this: "Hi (no 'Dear Mother'—nothing, just 'hi'): We are fine. How are you? It is raining out. Just had coffee with a friend. (No name) 'Bye now, I have to get supper.'"

Jacoby On Bridge By Oswald Jacoby

Barbara Kachmar gives advice to bridge players. Here is the effusion that goes with today's hand. "Dear Barbara: 'I was playing with my husband and sitting North. A heart was led. He won in his hand, chased the king and queen of spades, returned to my hand with the ace of hearts, cashed the ace of spades. Looked mad when the jack failed to drop. Played a diamond. Finesse the jack. Lost to a doubleton queen. West down.'"

We The Women: By Ruth Millet

More and more women are discovering for themselves middle-age isn't so bad after all—that, actually, the middle years can be a woman's happiest time of life. All a woman has to do to make this discovery for herself is to— "Quit trying to compete with women years younger than she is and settle for looking like an attractive woman of her particular age."

Petersen Fires 644 Series

While bowling in the All Star League Pete Petersen, rolling for Bob's Restaurant rolled games of 236, 198 and 208 for a 644 total. Also rolling along with his team mate was John Wright who posted games of 178, 222 and 233 for a 633 total.

Fight Results

NEW YORK (UPI)—Oscar Bonavena, 303, Argentina, stopped Wendell Newton, 211, Nassau, B.W.I. (3).

BERRY'S WORLD

Advertisement for Berry's World featuring a man and a woman, and a list of items.

Advertisements for TV Rental, Cineplex, Ritz, and other services.

Boating is big business. . . . And it's that time of the year again. But one of these springs in the not too distant future it'll mean more than ever to Sanford and Seminole County.

Imagine Sanford playing host to 20,000 to 25,000 pleasure craft a year! It's certainly a possibility . . . in fact it's a probability . . . when the Sanford-Titusville canal becomes a reality. And this is in addition to the commercial barge traffic that'll be using our river and the canal.

If there's anyone who cannot foresee the potential of the canal and the growth of Sanford and the county that will follow they must be blind. Which reminds us of a sign in an office window . . . not in Sanford . . . which reads: "Eyes examined while you wait."

One of the busiest men in Sanford right now is Sam Dow — Heavy Attack Wing One's PIO (public information officer) — getting everything in order and handling the publicity on the Bombing Derby.

Parents of South Seminole Junior High students were advised today by Principal John Angel that report cards will go out next Monday. Memo to some Civics students out there we know: Sorry kids . . . but that's the way this ball bounces!

Col. Byron R. Patton, chief of the Social Security office in this district, says that faulty notification of address changes by beneficiaries can cause delay in receipt of monthly checks. He said the Administration processes some 18 million actions each month and a sizable portion of them involve changes in address. So if this applies to you by all means use the change of address cards you have or get them from Patton's office.

Two young armen, obviously just back from sea duty, sauntered into a local drug emporium, ordered double banana splits, walked to the juke and asked if there were any of those Beale records on the machine. "We've heard about them but haven't heard their records," they informed the waitress.

But they had to go somewhere else to hear the Beatles. This particular store is sparing customers from such an experience.

Ron Greene, a sports writer for the "South Seminole Satellite" — the school's newspaper, reports that a candy sale sponsored by the Hurricane's athletic association so far has netted \$3,102. And, it's all in the bank!

And here's a reminder to Korean vets: GI Bill education benefits for these vets will not be available after Jan. 31, 1965.

Anybody with a tooth for some real "Southern" fried chicken can get his fill at the annual Volunteer Fire Department dinner Saturday afternoon in Longwood City Park. It'll be served from 4 until 8 p.m. Free delivery is available to those living within Longwood's city limits. Take out orders will get prompt attention.

Someone reminds us that our forefathers fought for taxation without representation. What they should have fought for is representation without taxation. Someone also said: "If Patrick Henry thought taxation without representation was bad he should experience taxation with representation."

ONLY 18 Days to Register For the Primaries

SPEARHEADING the movie ticket sale this weekend by Seminole High School seniors, to finance class functions, will be (from the left) Jennifer Thompson, Eddie Kosky, class president, and Sandy Slayton. The movie, "Captain Newman, M. D.," starring Gregory Peck, will be shown March 22-25 at the Ritz Theater. (Herald Photo)

10 In County Unopposed

M. H. WHARTON
Wharton Seeks Re-Election

Mason H. Wharton, vice chairman of the Seminole County Board of Public Instruction, today qualified as a candidate to succeed himself in that group from District 2.

Wharton, owner of City Transfer and Storage, is a member of Holy Cross Episcopal Church, Sanford (Past President), Sanford Rotary Club, Seminole County Chamber of Commerce, Florida School Board Association, National School Board Association and Seminole County Sportsmen's Association. He serves as a member of the City of Sanford Zoning and Planning Commission, Co. M. 1111 Member of Boy Scout Troop 501, and served four years on Board of Directors of the United Fund.

He is married to the former Sylvia Melich of Sanford and resides with their four children at 2118 South Park Ave.

Wharton, a native Floridian, was educated in the public schools of Orlando and served with the U.S. Navy during World War II. He was graduated from John B. Stetson University with a Bachelor of Arts Degree in Education. In 1954, he taught for three years in the Ocala County school system.

"I consider it a privilege to have served as a member of our County School Board and to have been a part of the advancements made by this board in the past two years. I feel that my educational background, business experience, and experiences derived from community service will enable me to continue to contribute to the future successful operation of our county school system," Wharton said.

Seminole Karl Group Formed
Some 25 persons, mostly educators, organized the Seminole County Karl for Government or Committee Thursday evening at Jim Spencer's restaurant.

Reid B. Hughes, Daytona Beach, state campaign manager for Rep. Fred Karl, outlined plans for those present to recruit others in an all-out drive to win this county for Karl in his campaign for the Democratic nomination for governor in the May 5 primary.

Ten candidates remain unchallenged in their respective races for county office, subject to the May 5 Democratic primary elections. Jim Birkenmeyer Jr., of Casselberry, and Mason H. Wharton, Sanford, today qualified for reelection to the School Board.

With qualifying books to close at noon Tuesday, Clerk of Courts Arthur H. Beck with Jr. said today that no Republicans have qualified, although two have announced for public office.

Should no others qualify by the Tuesday noon deadline, these Democrats will be elected automatically (*) denotes incumbents): Beckwith (*), clerk of courts; B. A. Johnson, Justice of the peace, district 3; George Kelsey (*), constable, district 3; J. L. Hobby (*), sheriff; Camilla Bruce (*), supervisor of registration; W. Hugh Duncan (*), Justice of the peace, district 4; Mary Earle Walker (*), assessor; A. C. Doudney (*), surveyor; Birkenmeyer (*), board of public instruction, District 3; and Wharton (*), board of public instruction, District 2.

Other filings to date are: Karyl Housholder and Harlan Tuck, for county judge; Gen. J. C. Hetchings (*), A. C. Smith Jr., Edward Yarborough and Hal Culbert, county commissioners, district 1; R. T. Millwee (*), and Jim Pigott, superintendent of public instruction.

Troy Ray, Roy R. Wright Jr., Marjorie Shepard, W. B. Ellerbe, James P. Avery Jr. and Rudy L. Sloan, tax collector; Ford Cavanaugh, W. Lawrence Swofford, county commissioner, district 3; J. T. Baggerly, Charlie Thomas and J. U. Lee, constable, district 4.

Kenneth McIntosh and Thomas A. Speer, prosecuting attorney; John Fitzpatrick (*), Harry F. Cushing, Jess Gregory and G. W. Bell, county commissioner, district 5; L. L. Cox (*), Raymond Morris and Bill York, Justice of the peace, district 6, and Grady Hall (*), George W. Reek, Billy Joe Young and Charles Fagan, constable, district 6.

Industry Award Panel Named
A three-man committee was selected Thursday afternoon to name the person who has done the most for industry in the county during the last year.

The recipient will be honored at the Industrial Show and Beauty Contest slated for April 23, 24 and 25 and sponsored by the Seminole Chamber of Commerce's Industrial Committee.

Serving on the committee are Bill Hemphill, Howard Hodges and Robert Shedd. They will report to the full committee at a late date.

CHARLES E. KERN
Kern In Race For Constable

Charles E. (Chuck) Kern, Altamonte Springs, formally announced his candidacy for the Republican nomination for Justice of the Peace for District Six.

Kern, his wife, Lucy, and his two boys, Charles, age 18, and Michael, age 13, are presently residing in the Rolling Hills section of Altamonte Springs. He came to Florida in 1950 from Camden, New Jersey, and has been living in Central Florida since that time.

Kern has been active in the law enforcement field for the past 12 years and is presently serving in the capacity of special deputy sheriff for Holling Hills.

He owns and operates the Statewide Detective Agency, working closely with state, county and municipal law enforcement agencies as well as financial and business institutions. Mr. Kern also belongs to the Justice of the Peace Association and the Constables Association of Florida.

Kern is a member of the Methodist Church and is active in numerous civic clubs including the Young Republican Club. Kern has designated the South Seminole Bank as his campaign depository and he plans to file his qualifying papers within the next few days.

FBI Nabs 2 In FEC Bomb Plot
FORT PIERCE (UPI) — The FBI, acting at the urging of President Johnson to end sabotage on the strike-bound Florida East Coast Railway, announced early today the arrest of two men on charges of planting dynamite on a trestle.

They were the first arrests since Johnson, who was within 30 miles of one of the dynamitings that have plagued the railroad for 14 months, urged the FBI to throw its full weight into investigations. Agents said they recovered a 50-pound bomb made of 15 sticks of dynamite tied together and rigged to go off with the passing of a train over the trestle.

Bombings To Show Navy Might

2,000 To Take Part In SNAS Bomb Derby

More than 2,000 members of Heavy Attack Wing One at the Sanford Naval Air Station will participate in next week's Tenth Annual Bombing Derby, one of Naval Aviation's most demanding exercises in weapons employment.

Yet underlying the importance of the exercise as a test of heavy attack aircraft, weapons and personnel is another very important ingredient: The competitive spirit.

Heavy Attack Wing One is composed of seven units, six squadrons and a six-plane detachment of one of the squadrons. One of the units, Heavy Attack Squadron Seven, is deployed to the Mediterranean and won't participate in the Bombing Derby.

Navy personnel feel a strong identity with their units. They feel a competitive pride in comparing their unit with others. That's the feeling that will be on the line as the Bombing Derby gets underway Monday, sparking the performances of flight crews and ground support men alike.

All told, 18 trophies and immeasurable squadron pride are at stake. Heavy Attack Squadron Five, now the first squadron to receive the famous R-C Vigilante reconnaissance-attack aircraft for fleet deployment, has won the lion's share of these trophies in the past while rolling to five overall victories in the nine previous Derbies.

VAH-5 won the last Derby in 1961. The "Savage Sons of Sanford," as the unit is nicknamed, began their winning ways with victories in three of the first four Derbies in 1957-58, when the Bombing Derby was a quarterly event.

A triumph in the annual event of 1959 completes the list of "Savage Son" laurels. VAH-11 won a quarterly Derby in 1957, another in 1958 and the Eighth Annual Derby in 1960 for a total of three victories, second highest.

VAH-9 is the only other squadron to enter the winner's circle, with a victory in the December 1958 Derby, the first time it was held on an annual basis.

NATIONAL DEMOLAY WEEK will be observed by the Seminole chapter next week. Mayor A. L. Wilson (left) is shown discussing "city plans" with Harold Unger (center) Charles Stein (right). Unger is the muster counsellor of the Seminole Chapter, Order of DeMolay and Stein is a senior counsellor. (Herald Photo)

Altamonte To Celebrate

Dedication and open house for the new \$350,000 municipal water system at Altamonte Springs will be held Sunday beginning at 2 p.m.

The dedication address will be given by David Lee, sanitary engineer of the State Board of Health.

Master of ceremonies will be former councilman Frank Gerhardt. Rev. E. W. Miller will offer the invocation and Mayor Lawrence Swofford will give the welcoming address.

Other speakers will include S. J. Davis Jr., the town attorney, and Harold Radcliffe, president of Grace Engineering, who designed the system and supervised its construction.

Following the ribbon cutting by children of the mayor and council members, the plant will be open for inspection of the public.

Wives of the council members will serve refreshments.

New Sub

WASHINGTON (UPI) — The Navy's 36th Polaris missile submarine will be named George C. Marshall to honor and World War II Army chief of staff.

Schedule Of Events For Bombing Derby

MONDAY
7 a.m. Weapons loading exercise; competitive drill involving loading of dummy training weapon by ordnance crews of five competing squadrons.
11 a.m. Medium Angle loft Bombing: Tests nuclear weapons bombing accuracy (using dummy weapons) of A-3B Skywarrior/A-5A Vigilante flight crews. RA-5C entrants to fly reconnaissance mission.

TUESDAY
10 a.m. Close Air Support Mission—Tests A-3H/A-5A conventional weapons ability in two delivery modes, RA-5C entrants to make two bomb drops, then fly reconnaissance mission.

WEDNESDAY
9:50 a.m. Profile Bombing Mission: Tests bombing accuracy on simulated nuclear mission against complex targets.
THURSDAY
1:30 p.m. Bombing Derby briefing for press, other special interest groups.
4:30 p.m. Radar Bomb Scoring Bomber Mission: Tests bombing accuracy on simulated nuclear mission against multiple targets.

FRIDAY
9 a.m. A-5A/A-3H/A-4B Skyhawk Left Bombing Competition.
SATURDAY
9:10 a.m. Aircraft launch for Air Show. (Open House begins one hour earlier).
9:30 a.m. Air Show with 24-plane fly-by.
10:30 a.m. Carrier Airman'ship competitions.
11:45 a.m. Heavy Attack Wing One review and presentation of awards.
12:45 p.m. (Approximately) Navy Appreciation Day Picnic, Lake Golden Recreation Area, Sanford Naval Air Station.

Longwood Dedicates Its New City Hall

Dedication and open house for the new \$350,000 municipal water system at Altamonte Springs will be held Sunday beginning at 2 p.m.

The dedication address will be given by David Lee, sanitary engineer of the State Board of Health.

4 Die In Fire

CLEVELAND, Ga. (UPI) — Flames from an exploding oil furnace swept through a rest home preparing for a state inspection Thursday, killing four elderly residents and injuring two other persons.

Space Shot Fails

CAPE KENNEDY (UPI) — The United States today failed in an attempt to rocket a tiny gold-plated laboratory 22,000 miles into space to learn more about the earth's magnetic field.

Citrus Plan

WASHINGTON (UPI) — The board of directors of the Virgin Islands Corp. met here today to discuss proposals to convert 1,700 acres of its sugar cane land to orange groves.

LBJ Flood Flight

DALLAS (UPI) — Jack Ruby's defenders closed out all testimony at his murder trial today with an expert who said the slayer has a "particular, very rare" form of epilepsy, but he could not say whether the slayer knew right from wrong.

Statewide

WASHINGTON (UPI) — The government today sought a court order to require Alabama to desegregate all its public schools. It was the first time the government has asked for desegregation on a statewide basis.

SHS Band To Be In Contest

The 51-piece Seminole High School band will take part in the annual Florida Bandmasters Association District 5 contest Saturday at Daytona Beach.

Twenty-six bands will compete in the event slated at Mainland High School. Ensembles include the horn quartet, trumpet trio, trumpet quartet, clarinet quartet, flute trio, trombone quartet, brass quartet, clarinet quartet with two groups appearing in the latter. In addition to the band participation, the ensemble groups and individuals will compete to qualify for the state contest.

10th Annual Derby Opens Here Monday

Navy long-range reconnaissance and air striking power will be displayed over Florida and the Southeast next week as Heavy Attack Wing One stages its Tenth Annual Bombing Derby at the Sanford Naval Air Station.

Simulated nuclear strike missions, close air support exercises and competitions in weapons handling and employment scheduled Monday through Friday will attract scores of military officials, headed by eight of the flag officers most concerned with the fleet's attack readiness.

On Saturday, March 21, the NAS Sanford gates will swing open to the public at 8:15 a. m. for open house and an Air Show headed by bombing and reconnaissance exhibitions, in-flight refueling and an aerobatic demonstration by famed test pilot Robert (Bob) Hoover.

Kicking off the Derby at 7 a. m. Monday will be a weapons loading exercise followed by the week's first bombing competition at 11 a. m. This will be the medium angle loft event, testing the fliers competence in one of the most unusual methods ever devised for the delivery of nuclear weapons.

Much of the attention will focus on the twin-jet RA-5C Vigilante, the Navy's new mach two (twice the speed of sound) tactical reconnaissance and attack aircraft.

Intimately concerned with the sleek Vigilante's prowess will be such high-ranking visitors as Vice Adm. John B. Thach, who as Deputy Chief of Naval Operations for Air is the Navy's top aviation advisor in the Pentagon.

Other visitors with obvious vested interests in the versatile airplane's capabilities will be Vice Adm. Charles H. Harrel, Commander of the U. S. Second Fleet; Vice Admirals Paul H. Ramsey and Paul D. Stroup, Commanders of Naval Air Forces in the Atlantic and Pacific respectively, and Vice Adm. Robert J. Street, Deputy Director of the Joint Strategic Target Planning Staff at Offutt AFB, Neb.

A group from the Navy's Bureau of Weapons, headed by Rear Adm. Earl R. Eastwood, will also have its attention focused on the RA-5C, newest aircraft to enter fleet use under a Bureau contract.

Other ranking attendees include Rear Adm. Louis J. Kirm, Commander Key West Force, and Rear Adm. Edward C. Outlaw, Commander of the Naval Aviation Safety Center in Norfolk, Va.
