Want to try a new game? It's called "Label it Want-Adable." The rules are simple: Just clip out the "Label It Want-Adable" tags and take a careful look around your house and garage. When you find an item you can sell with a fast-action Want Ad, put a label on it! If you have a summer cottage, do you need that tent you bought for camping? Label it Want-Adable. How about the camera you've had

Even if you don't want to make a game out of it, aren't there some things around your house that could be sold through Want Ads? Think about it ... and then dial 322-2611.
