Arab Leaders Close Ranks In World Policy Strategy

American violence bursting out across the Near East. Arab leaders decided today to close ranks and direct their energies to a joint world policy strategy diplomats said.

While reported to be gravely concerned by the rising tensions in the Islamic world, the Arab leaders plunged into a restricted closed-door session in a bid to compose their differences and break their deadlock over how to handle the situation in south Lebanon. But all delegations from the 21 participating nations monitored closely the latest Near East developments.

LONDON (UPI)- The U. S. dollar opened lower on all major European markets today chiefly because of increased tensions over developments in the Iranian crisis and throughout the Near East. Gold jumped \$6.25 in London to open at \$394.75 per ounce against \$388.50 at Tuesday's close. In Zurich it jumped \$6.50 to open at \$394.50, up from \$388.00 at "President Carter's warning of possible other

Bishop Moore Puts Sting On Outmanned Oviedo

Herald Sports Correspondent The Bishop Moore Hornets closed the opening round of the

1979 Rotary Bowl Basketball Tournament by pounding the Oviedo Lions 84-52 at Lyman Tuesday night.
"Our experience helped us tremendously tonight," commented a happy Hornet coach Greg Robinson after the victory. "We started four seniors who got a lot of playing time last year, we've got better size this year and we're a lot quicker.'

Oviedo knows about Bishop Moore's quickness. Before the Lions woke up they were down 20-4. By the end of the first quarter Bishop Moore had blitzed out to a 22-10 lead. The Hornets also dominated the boards as they consistently got two or three shots each time down the floor. Sophomore center Greg Mullee led the Hornet charge with 21

points to pace four players in double figures.

Also adding to the balanced attack were Tim Koepsell with 15, Greg Topper with 13 and Paul Mullee with 12. Leading the way for the Lions was 6-4 junior center Doug Meyer who had 15 points on the night. Junior Terry Jones chipped in 12 and Bill Burgess added 11

Lion coach Dale Phillips, "but he has a long way to go."
"Oviedo was definitely hurt by losing three of its starters for the tournament," understated Robinson. Two of them, Troy Kessinger and Mike Scott haven't even

started working out with the basketball team because they'll be involved in state football playoff action while the third starter, Horace Rolland didn't dress out due to a knee injury. Cooks Of The Week

We Wish You A Festive Holiday Season

With the Thanksgiving holiday upon us, area cooks are digging out their favorite recipes and preparing all the fixings that usually go toward expanding the waistline.

The staff at The Evening Herald are no exceptions.

This week's Cook of The Week is a composite of Herald cooks who are sharing some of their favorite dishes that go well with that Thanksgiving entree—or, for that matter—for any festive

Tom Netsel said he never knew there was any dressing or stuffing other than cornbread until he left the sunny South, but a winter in New York revealed other dishes to tempt the taste Chestnut stuffing takes more time to make, especially

1 teaspoon chopped chives

½ teaspoon thyme ¼ teaspoon marjoram Salt and freshly ground pepper to taste 34 cup soft bread crumbs

½ cup cognac (optional, but not really)
Cut gashes in the flat side of each chestnut. Heat oil in frying pan and add chestnuts, cooking over brisk heat for 3 minutes, stirring and shaking pan constantly. Drain and cool. Remove the shells and inner skin. Cook chestnuts in broth about 20 minutes, or until tender. Drain and chop half the nuts coarsley and mash the rest. Set

Cook the onions in the butter until golden brown. Add the sausage and seasonings and cook, stirring constantly, for 4 to 5 minutes. Add to the chestnuts. Soften the breadcrumbs in water or milk. Press out the excess liquid and add to the chestnuts. Add the cognac, i desired, and mix well.

Heat Pumps Disappear At Sites Of Construction In The County

Two \$300 heat pumps disappeared from construction stence.

Derbyshire Road, Thursday, sheriff's deputies reported.

Deputies said local residents reported seeing an old brown pickup truck parked near the two houses under construction a 6:30 p.m. Thursday. A short time later, the heat pumps were discovered missing.

Three hundred feet of lumber also vanished Thursday from

another construction site, sheriff's deputies reported. The \$600 worth of 2-by-10-foot cedar was reported taken from the garage of a house under construction in "The Springs"

A construction worker at a new home stopped four men from making off with a dishwasher, but the four got away. Police reported a worker at 1038 Whispering Pines Court saw four men carrying an uncrated dishwasher from the house Saturday at 6 p.m. The thieves dropped the washer when they saw him, the report said. Three ran for the woods nearby while
