10th Inning Spree Gives Locals Lead

After Tosses Nine Innings As Sanford Gets 15 Hits Off DeLandHurlers

More than 900 people jammed Conrad Field stand in DeLand yesterday to watch the Sanford Lookouts put on a seventh inning home run spree to blast the Red Hats and revenge a 14-3 opening day defeat handed them here on the opening day of the 1939 season.

The Lookouts, garbed in their new red uniforms, clubbed DeLand pitchers Tomes and Haddon for 14 safeties in seven innings and then climbed aboard the home run spree of Harrington, manager of the Lookouts, and the Red Hats' pitcher, Haddon, for another safe blow.

Haddon led the Sanford attack with three hits, one of them a home run in three trips to the plate. "Daddy" Langston walloped in four, while Steen, slim centerfielder, banged two home runs, one of them a double.

Haddon grabbed off a one-run homer on the first when "Daddy" Langston poked out a double that landed in the right field wall, and then on the third when Marion swung an error. Barrett then drove home two scores after the first on Alexander's long fly to right.

At the last of the second DeLand scored the count when two home runs by Haddon and Smathers, an infield hit by Valci, and a sacrifice fly by Barrett, all based with none away, struck out Anderson. Haddon then came on home to score after a sacrifice fly by Barrett.

Tomes grounded out to second for the third out. The Lookouts grabbed off the lead again in the first of the eighth when Lane was safe on Smathers' wild peg to first, advanced to third when Barrett grounded out to short and then came on versus when Steen swung a ground ball into right for a single.

In the first of the fifth inning Steen counted again when Haddon went to first on a pass, advanced to second when Carroll struck out and then pushed on home when Marion connected for a double to left.

The crimson bonnets made an uncharacteristic rally in the last of the sixth which netted one tally when Clark batted a single on the second down, the third base line, and a second on Smathers' safe fly. Valci, Red's first baseman, batted a single down the third base line, scoring Clark.

Baseball Makes Regal Return In Major League

Roosevelt To Toss Ball In Yankee-Washington Fray

NEW YORK, Apr. 17.—(AP)—Baseball, 100 years old and some say older, makes a regal return this week to its major league supremacy.

Two games today, weather permitting, will sound a fanfare for the 1939 centennial season's general broadcast today.

With President Roosevelt pitching for the people, the world champion New York Yankees will inaugurate the American league campaign against the Senators of Washington, while the Pittsburgh Pirates and the Cincinnati Reds will lift the National league drapery at Cincinnati, birthplace of professional baseball.

These events should bring forth capacity crowds somewhere in excess of 20,000 at both Griffith stadium and Crosley field.

Forecast of showers has clouded the ceremonial contents in a degree of uncertainty, but all reserved seats are sold for both games, and it will take some pretty mean weather to stop the show.

Full schedules Tuesday are likely to attract an additional 200,000 fans to the ball parks of the eight other major league cities.

In the American league the Boston Red Sox will be at New York, Washington at Philadelphia, Chicago at Detroit, and Cleveland at St. Louis. In the National League Cincinnati goes to Chicago, the Phillies to Boston, the New York Giants to Brooklyn and St. Louis to Pittsburgh.

The fans as well as the players have been conditioned by two months of training camp fun and facts. All agree that baseball is enjoying, if not a second childhood, certainly a very wild summer.

No one is talking much about catching the New York Yankees, but it would be difficult to disprove the claims of all clubs that they are strengthened this year. The American league race may be hotter and the National, which couldn't be, is an uncertain few persons can even agree on the makeup of the first division, let alone the identity of the winner.

As they go to the post Cincinnati is the sentimental and Chicago the betting favorite in the senior circuit. The Reds jumped from last place to fourth in 1938 with a shaky infield and their best pitching but out of condition. The infield has been strengthened and the pitcher, Lefty Lee Grissom, is in shape.

The Cubs, on top of the heap, have made more revisions in their roster since winning last year's pennant than most managers would undertake at the bottom. On the success of their operations, naturally, hinge Chicago's chances of repeating.

Lookouts To Meet Red Hats From DeLand In Initial Game At Municipal Field

Mayor Edward Higgins, and the Campbell-Loring Post, Sons of the Legion Drum and Bugle Corps will be on hand for the opening ceremonies to be held 15 or 20 minutes before the Red Hats take the mound against the DeLand Reds at 8:00 o'clock this evening.

The Sanford Lookouts, who yesterday upped DeLand's opening 14-4, will probably be faced by the second team in the mound yesterday, Balknap. Manager Alexander plans to use much the same line-up in the night's game as he used in DeLand yesterday. That line-up includes Red Lane behind the plate; Alex on first; Barrett on second; Marion stop third; and Campbell slated to hold down the shortstop post.

The outfield will be the same as the starting gardeners yesterday. Carroll in left; Steen in center; and Langston holding down right.

Tuesday night the Lookouts hop to St. Augustine for a regional night session with the Saints who last night turned back Palatka 6-1 in their opener.

ALL OVER the United States the baseball fanatics for America's favorite sport is being celebrated. The Sanford Lookouts will also participate in this observance.

All-Star Team, Coca Cola Will Meet In Final For Season

Two diamondball games have been scheduled for tomorrow night which will bring together the women of the Seminole High School P. T. A., with the members of the faculty of the same school furnishing the competition, according to officials of the Recreation Committee of the Seminole County Chamber of Commerce.

The second game of the evening brings together a picked All-Star squad and the city diamondball loop champs, the Coca-Colas in a post-season game.

The first game gets underway at 7:45 o'clock, with the second session slated to immediately follow the first seven inning encounter.

G-Men Take 7-2 Win From Daytona Beach

GAINESVILLE, Apr. 17.—Whitby Davis, working on the mound for Gainesville, won his own game here yesterday afternoon by driving in five runs as the local club defeated Daytona Beach 7 to 2, in one of the four opening contests of the Florida State League.

Davis, besides holding his opponents to only four hits, slammed out a double, a triple and a single out of four trips to the plate.

Sparkman started on the mound for Gainesville, but was relieved by Davis after giving up a single, double, walk and allowing a run by a wild pitch in the first inning.

Louis To Meet Roper In Los Angeles Go Tonight

LOS ANGELES, Apr. 17.—(AP)—Prize-battle oratory blared forth around the rival camps of Heavyweight champion Joe Louis and Challenger Jack Roper yesterday as the stage was set for their 10-round title fight tonight at Wrigley field.

The Brown Bomber spent the day resting, which in his language means sleeping, and was pronounced in perfect shape for the sixth defense of the crown he battered off the aging brow of James J. Brodock in 1937.

Roper, a grim visaged fighter with a knockout punch in his left hand, a world of courage in his heart, and a decidedly splotchy record behind him, drove into Los Angeles after training for six weeks at Roper's ranch north of here.

"I feel fine, better'n I ever did, and I think I'll be able to give Louis all he can take care of," big Jack drawled. "This chance at the title is the best, and I reckon the only, break I ever got out of boxing."

For his "break" the 36-year-old native of Magnolia, Miss., will get 10 per cent of gate receipts expected to hit around 100,000. Louis, it was disclosed, will get 45 per cent.

Los Angeles, accustomed to things gigantic and titanic in the way of sports, frankly admitted the match was no Roosevelt Bowl of prizefighting. Yet the prospect of seeing the champion in something other than a sparring match, the chance that the old Magnolia Blossom might bloom instead of die, that anyone of several things might happen, including a miracle, virtually assured a wild night.

Back in 1935, the boys acclaimed Brodock as the Cinderella man of the ring when he won the title from Max Baer. Roper would make a tramp in tow sack out of that Cinderella character if he upset Louis, because Brodock was only one of an untold number who have knocked out this venerable agent.

"Sure, I know my record is terrible," agreed Roper. "Awful. I never said it wasn't. But I do say that most of the time I never cared whether I won or lost. This time it's different."

Just how different some 20,000 or 40,000, including a large portion of Hollywood's film colony, will find out.

Orlando Takes 5 To 0 Opener From Leesburg

ORLANDO, Apr. 17.—(AP)—Ken Kasper, 22-year-old Atlanta boy, wove three-hit mound magic with his elastic pitching arm as 1,100 rabid rooters, second largest crowd in Orlando's modern baseball history saw Orlando get away to a 5-0 opening victory over Leesburg in Florida State League play yesterday at Tinker field.

Kasper's exhibition was the outstanding mound display since "Lefty" Brewer of St. Augustine pitched his no-hit, no-runner in the local ball park early last summer. With a little luck, Kasper might have duplicated Brewer's performance.

Kasper went off to a fine start in the first inning when a walk, two hits and a sacrifice fly produced two runs off "Doc" Kasper, Leesburg's pitcher.

Elliot drove a base on balls, advanced to second on a sacrifice fly, and scored on a sacrifice fly, while Kasper's pitcher, Tomes, grounded out to second for the third out.

The Lookouts grabbed off the lead again in the first of the eighth when Lane was safe on Smathers' wild peg to first, advanced to third when Barrett grounded out to short and then came on versus when Steen swung a ground ball into right for a single.

Beach Conrath Is Elected President For Ensuing Year

Discussion of projects for the coming summer to prevent their individual communities from going to sleep during the dull season of the year was heard this morning at a breakfast of the Central Florida Council of the Chamber of Commerce secretaries at the Mayfair Hotel.

"The Relationship of the Publicity Man to the Press" was the subject of the principal address by Karl Lehmann who launched his remarks by pretending he had just been appointed state News Editor of the Times-Union, and by explaining what his policies would be if he occupied that position.

Beach Conrath of DeLand was elected president of the organization for the ensuing term. Other officers elected were Franklin N. Sawyer of Cocoa, vice president; Ralph Harwell of Sanford, secretary. It was also voted to hold future meetings quarterly with annual election of officers.

In explaining the work of the publicity man, Mr. Lehmann emphasized three important points which should characterize every article of news if it was ever to find its way into print, as follows:

1. Brevity. Most articles, he said, are too long, and could be better told in fewer words. It is better to write a single paragraph, he said, and get it in than a whole column and have it thrown into the trashbasket for lack of space.

2. Editorializing. Many articles fail to find the light of day, he said, because they are not news stories, but merely represent the writer's opinion. The public wants facts, Mr. Lehmann declared, suggesting that editors be left to the editor.

3. Timeliness. News which is turned in a week old, Mr. Lehmann said, is not likely to be regarded as news by the editor. A poor story given to the newspaper on time is more likely to get into print than a good story several days late.

Sanford, DeLand Fray Rained Out In First Frame

Lookouts Journey To St. Augustine For Tonight's Battle

Baseball's 100th celebration got off to a clasp-happy local start last night when the weatherman clouded up and cried all over the place, forcing the calling of the Lookout-DeLand game at the close of the first half of the first inning.

Despite overcast skies, and rain earlier in the evening and late afternoon, an estimated 600 people gathered to see the business deal that the weatherman would not let fall.

Just before the start of the game, had come the announcement that the scheduled appearance of the Sons of the Legion Drum and Bugle Corps was postponed, along with other opening night ceremonies due to the weather until Wednesday night.

Tonight the club hops to St. Augustine for a tangle with the Saints, returning here Wednesday night for what now will be the opening game at the local field against the Saints.

Saints Nose Out Palatka 6-5 To Take Loop Lead

Leesburg Gets 9-6 Revenge For Opening Loss To Senators

The St. Augustine Saints took over undisputed possession of the State League's lead last night as they nosed out Palatka, 6-5. St. Augustine has won 2 and lost none for an average of 1,030 in league play.

The Saints got off to an early lead as they scored four times in the first inning, but Palatka came back strong to tie up the game five-all in the seventh frame. The ancient city boys broke up the tallgame in their half of the eighth as they blasted Mundy, Palatka mountain men for three runs and the game.

At Leesburg the Leesburg Anglers playing their first game of the season on home grounds evened a two-game series with the Orlando Senators by chalking up a 9-to-6 victory. The Anglers dropped their opening game to the Senators Sunday in Orlando, 5 to 0.

Climbing on Bill Kennedy for three safeties and taking four free trips, the Anglers sent five runs across the plate in the first stanza before the Orlando hurler was relieved by Edmond Kukulka who finished the game giving up 14 hits, striking out four and walking two.

The Sanford-DeLand opener scheduled at Sanford was rained out as was the Daytona-Gainesville opener at Daytona.

P-T. A. Mothers Meet Before Coca-Cola, All Stars Tangle

The curtain rings down on the close of the diamondball season with a double header scheduled for this evening when brings together the P-T. A. mothers of the freshman-junior classes at Seminole High School who play against the mothers of the sophomores and seniors in the first game of the evening scheduled for 7:45.

In the second game an All-Star squad managed by Bill Kavaney will tangle with the city champs, the Coca-Colas, in a post season game.

Ned Vancey and Morris Ferguson are managing the two matron squads. Probable starters on the mound will be M.F. Gray Duncan for the P-T. A. mothers, with Miss Rebecca Stevens handling the twisting for the mamas of this season's grubs.

In the second game the Coca-Cola club will use the same lineup that won them the city championship while Kavaney plans to start R. Altman, Corbett, Dyson and B. Ferguson in the field. The starting lineup will be made up of James H. Ferguson, MacMillan, Butt and Tompkins, with Hodge or Switzer doing the hurting for the club.

Also on tap in case of need will be Moses, Williams and Weaver.

Pittsburgh Takes Opener From Reds By 7 To 5 Score

16 Major Loop Teams Open Season Today If Weather Permits

CINCINNATI, Apr. 18.—(AP)—Cincinnati's Redlegs almost ended their opening day victory fantasy yesterday, but finally succumbed 7 to 5 as the Pittsburgh Pirates tapped five markers across the plate in the last two innings of the National League's centennial campaign inaugural.

It was the seventh straight opener lost by the Reds, and was a tough one for the 30,614 fans to accept, for the Cincinnatians had a three-run edge going into the fatal eighth.

The Buccaners exploded a four-run bomb in that frame, however, at the expense of Bucky Walters, who had relieved Jimmy Vander Meer in the third. Five hits, including doubles by Vaughan and Young, rolled off the Pirate bats in the 12 inning.

The Pirates tacked two hits and a sacrifice together for another run in the ninth to clinch the argument.

Vander Meer, of double night fame, made a final effort to get the plate and faked less than three inches. Frank McCormick's homer over the left field wall with Gordon aboard in the first "potted Andy" two run, but the Blue saved it with two safes and a hit by Blanton and Sahr in the third, sending Vander Meer to the showers.

Bill Mauer Weather felt in the right mood and the chances are he won't all sixteen seasons get to be a 1000-run pitcher in the usual two-game annual opening yesterday, forcing the nation's No. 1 hurler, President Roosevelt, along with the New York Yankees and Washington Senators, to the sidelines.

Early night showers are predicted for much rain tomorrow, but the eight cities planning to get the business started today are even worse in the out where the Chicago White Sox and the St. Louis Cardinals are expected to turn out for the largest crowd, some 40,000 or so.

Feng, a 4-year-old runner, is happy now with his new "stablemate" as his own reflection. The racer was handsome without a live mascot, but Trainer Robert Ramsey says the polished plate glass mirror soothes his loneliness and appeases his vanity.
