

# Feds Lose; DeLand Plays Here Tonight

### Bumgarner Gives Up Three Hits-In Tilt; Charlie Bissen Will Hurl This Evening

Manager Buddy Lake announced today that Charlie Bissen is slated to handle the hurling duties for the locals against the DeLand Red Hats tonight at the Municipal Park.

LEESBURG, May 27 (Special)—The Leesburg Pirates swept the current series from the Sanford Celery Feds here last night in a 7 to 2 contest behind the three hit hurling masterpiece turned in by Jack Bumgarner, the league's leading moundsman.

Hal Stewart went the route for the visitors and was blasted for 13 safeties while giving up three free tickets and striking out a like number.

The Celery Feds will entertain the DeLand Red Hats at the Municipal tonight.

## COMMENTS from the SIDELINES

By ARTHUR BECKWITH, JR.

### SPORTSMANSHIP

There was a definite lack of sportsmanship shown at the Municipal Park Sunday afternoon by some of the Leesburg Pirate players.

In the second frame leftfielder Doug Johnson came ploughing into Martin Zuba at the home plate like a fullback charging the line for a first down. Wow, we have never seen such poor sportsmanship displayed on any other baseball field.

It might have been different if Zuba had been blocking the plate so that Johnson had no alternative, but that was not the case. Johnson deliberately went out of his way to knock the Sanford catcher flat on his back behind the platter.

Another bit of unwarranted action on the part of the Pirates came when Desmond Salter was overcome by wrath and tossed his bat over the Leesburg dugout. The bat nearly entered the colored stands, and had it done so would likely have injured several spectators.

The Sanford Celery Feds may not have the best ball club in the Florida State League this year, but it can be said that the Lakemen are some of the best behaved players who have ever donned a Sanford uniform.

There is no baseball contest so valuable that the very lives of the spectators and the players are in danger as the result of players being overcome in fits of anger.

### KERRY DAVIS

Kerry Davis, one of the best arbiters in the Florida State League is reported to have tendered his resignation as an umpire and has purchased his contract to accept another job in the girls All America League.

It is too bad that Davis is leaving the league. He is one of the few good umpires that is in and we are sorry that he has decided not to stick with the Florida State League, but it is not fair to keep a good man down.

### ON THE FISHING FRONT

It is reported that the big bass are biting at Blue Springs. One angler reported catching the limit in just a few minutes shortly after daylight Saturday morning.

Saturday afternoon the bass are reported to have been back at their churning activity making foam of the St. Johns from bank to bank in the Blue Springs area. WHALES VISIT NAPLES  
Two large whales are reported to have been in the Fort Myers area over the weekend. One of them was 63 feet long and the other about 45 feet in length. The lengths were determined in comparison to the lengths of several boats in the area in which they made their appearance.

### Mel Sloan Resting Easily In Hospital

DELAND, May 27 (Special)—Mel Sloan, DeLand outfielder who was beamed with a wild pitch here Saturday night, is resting comfortably at St. Vincent's Hospital in Jacksonville. It is not believed that he has a skull fracture, but he will be held for additional observation.

It is reported that he will have to undergo an operation on his jaw, but doctors believe that he will be back in action within a comparatively short while. Fans donated \$180.75 in a collection Saturday night, and a \$170.75 fund was deposited to his credit at the Barrett Bank this morning. In all collections over \$100 the sum of \$10 is taken from the pot for division among the players at the end of the season.

### Rotary Club Gives Outing For Youths

Approximately 40 youngsters who participated in the Rotary Junior Baseball League were given a picnic at San Lando Springs Saturday afternoon by the Sanford Rotary Club. The group left the Ninth Street Ball Park at 1:00 o'clock. After arriving a program of games and swimming were enjoyed before cold drinks, ice cream and hot dogs with all the trimmings were served. Rotarians accompanying the group were George Stine, Roy Holler, R. E. Trues, P. D. Scott, Donald Bolls and George A. Speer, Jr.

### Three Strikes Out, So Kid Misses Chance

NEW YORK (AP)—Coach Fred Hofmann of the St. Louis Browns had 38 kids in a baseball tryout class and there was a big boy of 17 at the plate. Hofmann wanted to see him hit. The lad took three swings, dropped the bat and walked away from the plate. "What's the matter, sonny?" said Hofmann. "Well, aren't three strikes out?" answered the boy. "I had three swings." "After that we didn't want to see him hit," said Hofmann. "A between batting practice and a regular game, a boy should show the difference."

## St. Lawrence Canal Backed By Marshall

State Secretary Says Andrew May Regarded by Him As "Man Of Integrity"

WASHINGTON, May 28, (AP)—Secretary of State Marshall testified today that completion of the St. Lawrence Seaway would aid immeasurably in U. S.-Canadian defense of the North American Continent.

Marshall appeared with former President Herbert Hoover and others before a Senate Foreign Relations subcommittee considering new legislation providing for the authorization of the half-billion dollar international development.

Marshall said four advantages of the project would:  
1. Enable us to build ocean-going war vessels in the relative security of inland waters;  
2. Create a vital new line to the industrial heart of the United States and Canada;

3. Create a tremendous source of electric power in an area that is comparable to that generated by TVA, and in the Columbia and Colorado River systems;  
4. Provide this nation with overall economic advantages.

Marshall approving the idea of tolls to make the seaway self-liquidating, said: "This is a time of financial retrenchment. Therefore it seems good reasoning to itself as self-liquidating."

Meanwhile, Secretary Marshall testified today that the Army was making "very heavy cutbacks" in ammunition orders in 1945, the year the government charges congressman Andrew J. May.

## 15 Cent Pay Hike Offered By Ford To CIO Workers

DETROIT, May 28, (AP)—The CIO United Auto Workers today rejected an offer by the Ford Motor Co. for a 15 cent increase for 130,000 production workers.

DETROIT, May 28 (AP)—The Ford Motor Company today offered 130,000 CIO production workers the equivalent of a 15 cent an hour wage increase and simultaneously boosted 20,000 salaried employees 10 percent. The boost in salaries was limited to those making less than \$1,000 monthly and becomes effective June 1, the company said.

The offer was worded in such a way as to exclude 3,800 striking foremen as long as they were not covered by a contract.

The proposal to the CIO United Auto Workers, which has threatened strike action after three weeks of negotiations, was conditioned on their acceptance of their old contract virtually intact except for wage issues.

It provided an 11 and a half cent hourly wage boost plus six paid annual holidays, identical with the pattern established in settlements with General Motors Corp. and Chrysler Corp.

There was no immediate union comment.  
Acceptance by the UAW-CIO of the proposed increase would boost the average Ford production wage to \$1.80 and a half an hour compared to \$1.43 and a half at General Motors and \$1.44 at Chrysler.

## Gas Company Moves To New Location

The Atlantic City Gas Company will move its sales department and office Thursday from its present location on Park Avenue to the new building at 106 Palmetto Avenue, it was announced today by John W. Schroeder, Jr., district representative.

The one story building is modern and attractive and was erected by Manuel Jacobson. The new headquarters affords more room for display of the various refrigerators and other products handled by the company. During war years it was necessary to discontinue the sales department, but merchandise has begun to flow again, said Mr. Schroeder, and therefore it has been renewed.

This week a new gas plant is being started in Deland to serve that city and also the Orange City district which were previously served by the Sanford plant. This, said Mr. Schroeder, will allow the local plant to service local needs exclusively. Materials and man-power are becoming more plentiful, he said, and this will aid in greatly improving service, he declared.

## Agriculture Department Gives Story On Destroying Potatoes

WASHINGTON, May 28, (AP)—Millions of people starve abroad but here the government destroys carloads of potatoes? Why? Just too many potatoes. Many of them, for various reasons, can't be shipped abroad. Why, too many potatoes?

That's the story: During the war Congress passed a law telling the Agriculture Department to encourage farmers to grow potatoes. It was clear that, if they grew too many, the price would go down. Better too many than not enough. So, to keep potato prices up and save the farmers from losses, Congress told the government to buy up surplus potatoes.

The real trouble with this plan started when the war ended and the Army, for one, began canceling its potato orders. To save the farmers, the government stepped in and bought up the surplus potatoes. It got rid of them in several ways. Some went to relief abroad, some to alcohol plants, some as livestock feed, and some were sold abroad.

That was in 1945. All in all, the government lost \$16,000,000 that year on its potato deal. Seeing a repetition in 1946, the government asked farmers that year to cut down on potato growing. They did, by 100,000 acres.

But 1946 was an unusually good year for potatoes and, in spite of the cut in acreage, the crop was a record. Once more the government stepped in. It bought up 87,000,000 surplus bushels of potatoes and, in the end, lost about \$80,000,000 on the deal.

It got rid of 65,000,000 surplus bushels this way:  
At very low prices it sold some to alcohol plants and starch manufacturers. Some went to livestock feed. More went to the government's school lunch program. And about 10,000,000 bushels, a lot of them as seed, went abroad to Germany, Italy, China, Korea, and other countries.

After all that, the government still had 22,000,000 of the 87,000,000 surplus bushels on its hands. It destroyed them. Why couldn't those 22,000,000 bushels have been shipped abroad to starving people? The Agriculture Department explains it this way:

Flour, which can be bought for 5 to 6 cents a pound, is far cheaper than potatoes to ship abroad. The cost is about 18 cents a pound to dehydrate potatoes, which are 35 percent water, so they can be shipped in a space-saving way. So, the Agriculture Department says, UNRRA, which was sending relief (Continued on Page Six)

## Commissioner Of Welfare Speaks At Kiwanis Meet

Juvenile Delinquency Declared Community Responsibility

Boys and girls produce what the community implants in them, and if there is delinquency among them, let us check ourselves and our conduct, State Welfare Commissioner Leland W. Hiatt today told Kiwanians in a talk at the Tourist Center.

Mr. Hiatt was introduced by his old friend E. G. Kilpatrick who told of the former's 10 years of experience as an instructor and (Continued on Page Two)

## Federal Construction Permits Unnecessary

WASHINGTON, May 28, (AP)—Federal permits will not be required for construction of houses, effective June 1, Housing Expediter Frank R. Creedon, announcing this today, also said he is lifting then the restriction on number of bathroom fixtures that may be installed in new homes; and is expanding the area limitation from 1,500 square feet to 2,000 square feet.

Creedon said controls which will be continued include Government authorization for non-housing construction; veterans preference, which provides a veteran first choice in buying or renting property not intended for the builder's own occupancy; rent ceilings on new construction.

## Negro Maid Called In Bribery Case

TALLAHASSEE, May 28, (AP)—Prosecutors investigating legislative bribery charges against Rep. Bernie C. Papp of Key West today questioned a negro maid employed at a house he has rented for the session.

Nature of the testimony given by the maid, Clara Williams, was not disclosed. The grand jury is in recess until 10 A. M. Thursday morning. Twenty-one members of the Legislature have testified either before the jury or before the state attorneys.

NEW SHRINE POTENTIAL ATLANTIC CITY, N. J., May 28, (AP)—Karl Rex Hammer of Pittsburgh, 61-year-old food executive and a 3rd Degree Mason, today was elected an Imperial Potentate of the Ancient Arabic Order Nobles of the Mystic Shrine, succeeding New York State Supreme Court Justice George H. Rowe of Buffalo, N. Y.

BANK HOLIDAY  
Local banks will be closed Friday in observance of Memorial Day.

## Bill Proposed For Licensing Bookmakers

Lake County Representative Says Tax And Fees To Raise \$3,000,000 A Year

TALLAHASSEE, May 28, (AP)—The Senate passed SB633 by Senate floor vote yesterday and the House today to license and tax bookmakers for the Spring and Fall terms for the Ninth Judicial Circuit in the counties of Bradford and Seminole.

TALLAHASSEE, May 28, (AP)—A proposal to call a constitutional convention to revise the Florida Constitution and submit it to the voters was soundly defeated in the state Senate today. The vote downing the resolution by Senators King of Winter Haven, Haynard of Sanford, Petersburg and Boyle of Sanford was 23-12.

TALLAHASSEE, May 28, (AP)—Licensing and taxing of poolmakers and bookmakers was proposed today in a bill by Rep. Helbock of Lake County.

He estimated the measure would bring in between \$2,500,000 and \$3,000,000 annually. Under the bill, bookmakers and poolmakers would pay \$1,000 annual license fee to the counties in which they were located and would turn over 12 percent of their total intake to the state general revenue fund.

A bill to abolish the Everglades Drainage District board of control was introduced by Rep. Helbock (Continued on Page Two)

## Truman Firms Departure Plans As Mother Gains

GRANDVIEW, Mo., May 28, (AP)—President Truman's departure for Washington appeared imminent tonight following what White House aides called "an almost miraculous" comeback by his ailing mother.

Truman's unexpected trip for the week in Mrs. Martha Lee Truman's condition, plans are going forward for a flight back to the White House before the weekend.

The 64-year-old patient's temperature was normal, her respiration, excellent and her pulse, good, said a bulletin from Brig. Gen. Walter H. Graham, the White House physician.

Her condition, the aftermath of complications developing from an activity as a result of a lung infection suffered in mid-February, reached a low point last Saturday night. Since then there has been steady improvement, interrupted only by a "bad night" Monday, ascribed to a chill from which she rallied quickly.

The President plans to return to Grandview next week to check up on his mother's condition and then to leave for Washington on the 35th day of his second reinstitution of the World War I reunion is scheduled for June 6.

## Party Gives Bevin Vote Of Confidence

MARGATE, England, May 28 (AP)—Foreign Secretary Ernest Bevin won a vote of confidence from Britain's ruling Labor Party by more than two to one in a preliminary skirmish on foreign affairs at the party's annual conference today.

The delegates voted 2,357,000 to 1,097,000 for a resolution of a composite resolution calling for a "review of our military commitments and the distribution and organization of the armed forces, in order that they may be reduced considerably below the government's target for March, 1948."

The government also won a victory on its proposals for economic planning and manpower distribution for coping with the country's current economic crisis.

Resolutions supported by the party's national executive were given almost unanimous approval, while others disapproved by the executive were defeated or withdrawn.

## AIR SPEED RECORD

MIAMI, May 28, (AP)—An East-West jet flew non-stop from New York today in three hours, 59 minutes and 19 seconds to establish a new southbound speed record for commercial aircraft between the two cities.

NEW PHONE UNION CHICAGO, May 28, (AP)—A new national telephone workers union, the Communication Workers of America, will be born at convention in Miami, June 9. Joseph A. Balra, president of the National Federation of Telephone Workers, reported today.

## Block Road To Truman Cottage

BEHIND A BARRICADE, set up to bar disturbing street traffic, newsmen and anxious neighbors keep vigil near the small cottage where Mrs. Martha Truman, mother of the President, has been carrying on her brave fight to stave off death. (International Soundphoto)

## Seniors At SHS Direct Program For Graduation

Simon Dingfelder To Give Address At Exercises Monday

Simon Dingfelder, president of the Senior Class of Seminole High School, will speak on "Education for World Citizenship" at the graduating exercises Monday evening at 8:15 o'clock at the school auditorium, it was announced this morning by Principal Herman I. Morris.

The whole program will be directed by the seniors, Mr. Morris revealed.

The Silver Springs trophy, given to the most valuable football player in Florida, according to a committee of sports writers, will be presented to Willis Anderson, Celery Field star back, by Ash (Continued on Page Six)

## Mailing Tobacco To Germany Prohibited

The transmission of cigarettes and tobacco products for delivery in Germany, both through the Army Postal Service and the international mails, has been prohibited effective May 28, according to an order received by Postmaster Joel S. Field from the Postmaster General.

Postmasters are directed to question the mailers as to the contents of parcels addressed for delivery through any of the APO's listed as well as parcels addressed for delivery in Germany through the international mails and shall refuse to accept for mailing any containing cigarettes or other tobacco products.

## S. O. Chase, Jr. Will Serve As Alternate

S. O. Chase, Jr. has been elected by Florida citrus growers to serve as an alternate on the Shippers Advisory Committee which takes office August 1.

The Shippers Advisory Committee and the Growers Administrative Committee join to administer the Federal Marketing Agreement, which makes recommendations on what sizes and grades of citrus fruit can move in interstate commerce. Since their recommendations are usually followed by the Secretary of Agriculture, the committees are a very powerful factor in the industry.

## Attempt Is Made To Sabotage U.S. Plant

BATAVIA, May 28, (AP)—The Netherlands East Indies government announced today it had discovered an attempt to sabotage the American-owned Gooly Rubber Factory at Buitenzorg, 30 miles south of Batavia.

South officials declined to elaborate upon the announcement. The plant, which recently resumed production, is the only large tire factory between Japan and India.

## APRIL STRIKES

WASHINGTON, May 28, (AP)—There were more strikes in April than in any month since the coal and railroad tie-ups of last May, the Bureau of Labor Statistics reported today.

## Probe Ordered Of Charges Made On Filming Red Movies

Bank Cashier Is Abducted During Robbery Attempt

Kidnapers Bind Aged Mother Of Victim At Point Of Gun

TRACY CITY, Tenn., May 28, (AP)—A local bank cashier was kidnaped from his home and tied in his own automobile and his aged mother was bound in the attempted robbery of the First National Bank here early today.

Alvin Henderson, the cashier, told officers he was tied up in his automobile about seven miles from here on the Sequatchie Valley Road but escaped unhurt after his abductors fled.

Grand County Sheriff D. E. Cannon launched a search for two or more men reported involved in the abduction after Henderson's mother, Mrs. Ida Henderson, 70, said her son was taken from their home four blocks from the bank about 1 A. M. She said a man carrying a pistol tied her with strips of sheet ripped from a bed.

The sheriff told this story: One of the men knocked on the Henderson door and when Henderson answered the man pointed a 45 caliber automatic pistol in his ribs and demanded: "Keep quiet or I'll blast you." The kidnaper forced her son to drive to the bank in his own car.

On entering the bank the man said he wanted the man, pointed a Tennessee Consolidated Union, a firm which employs 500 persons here, the sheriff said. The payroll was estimated at about \$40,000. Henderson explained he was an (Continued on Page Six)

## General States Reds Seek Korea As "Satellite"

WASHINGTON, May 28, (AP)—The State Department today issued an investigation of the Texas City disaster, April 16 showed ignorance and violations of safety regulations governing the handling of "dangerous" cargoes.

A death-dealing chain of explosions which killed and injured hundreds was set off when a shipment of ammonium nitrate blew up while it was being loaded on the T-2 tanker, Grandchamp.

The Coast Guard said its inquiry did not disclose a specific cause of the blast but:

1. "Hardly without exception," as those involved in handling the cargo displayed lack of knowledge of safety laws.

2. There was smoking aboard the vessel, during loading operations, despite a "no smoking" rule.

3. Although ammonium nitrate is officially classed as "dangerous," regulations do not give instructions on loading it.

4. The vessel did not receive as required by regulations, an advance written notice that a dangerous cargo would be shipped.

The Coast Guard said samples of nitrate similar to the shipment had not blown up when tested with bullets, metal, but it urged further study to determine "hazards" of the substance.

## Red Veto Proposal On Atomic Power Hit

LAKE SUCCESS, May 28, (AP)—British and Canadian representatives told delegates to the United Nations Atomic Energy Commission today that they still stood against any veto on a number of nations or individuals for atomic crimes.

The veto question became an issue again as the working committee of the atomic commission discussed a Russian proposal that atomic control organs must come under the framework of the Security Council.

Sir Charles Darwin, Britain, declared there must be no legal escape for a violator of an atomic pact. His statement supported the U. S. opposition to any veto on any atomic matters.

## Expert Says Letter Forged In Steel Case

WASHINGTON, May 28, (AP)—Two handwriting experts, one an FBI agent, testified today that a letter purportedly offering delivery of 248,000 tons of steel to a Pittsburgh broker was forged.

The letter is the key to a \$50,000,000 "gray market" steel transaction under investigation by a Senate subcommittee.

It bore the name of A. R. Zapp, an employee of the Frith-Horling Steel and Carbide Corp. of McKeesport, Pa., and purportedly promised delivery of the steel to E. A. Kerachbaumer, Pittsburgh steel broker.

WEDNESDAY, MAY 28, 1947

BIBLE VERSE FOR TODAY: SUNSHINE FOLLOWS THE DARKEST BITTEREST STORM. WAIT FOR IT, YOU WILL SEE: He maketh the storm a calm...

Evidently they didn't write that song about Managua, Nicaragua, soon enough.

Senator Barkley insists that "no tax reduction can be sound that is based upon political expediency."

Rep. Bell of Missouri has introduced a bill to provide a \$50,000 a year pension to ex-presidents.

The growing opposition to strikes in those industries affecting the public interest is illustrated by the House vote on the public utility bill where 74 to 12 voted in favor of compulsory arbitration of labor disputes in public utilities.

The Tampa Tribune is of the opinion that the Legislature can raise all the money it needs by imposing an additional tax on racetrack betting which this year amounted to over 100 million dollars.

Speaking of the hazards of coal mining, two painters working on the Triborough Bridge in New York City the other day had their scaffold slip from under them.

A Seattle newspaper prints a picture of five Floridians arriving in the West Coast city after a 3,429 mile bicycle expedition across the country.

Over in Melbourne a movement is on foot to change the city charter so that the voters will elect one or two commissioners every year instead of all five of them every two years.

We believe it was President Roosevelt who once said that the Sears Roebuck catalog would save America from Communism.

Explosive Laws

"Remember the Kansas-Nebraska act." This has always been good advice for politicians who know their United States history...

In 1854 the Democrats were supreme. In the presidential election of 1852 they had carried every state but four, and one of these four went Democratic in 1853.

This bill, says the historian, James Ford Rhodes, "sealed the doom of the Whig party, caused the formation of the Republican party on the principle of no extension of slavery..."

Unpopular tariff laws have sometimes had the same explosive effect, as the McKinley tariff of 1890 and the Payne-Aldrich act of 1909.

Windows

Houses are biographical records of their builders. Quick fortunes of the last century were expressed in imposing Victorian mansions whose owners' importance was emphasized by mansard roofs, bay windows and turrets.

Home styles today are emerging in a new pattern. High cost of building makes for compact houses. Also, because domestic help comes high these days, effort is put forth for efficient work-saving homes that can be cared for easily.

WHEN YOU THINK how Bilbo managed to win re-election in Mississippi almost solely on the issue of self-government, that in South Carolina a praise-worthy effort to bring lynch murderers at Greenville to justice was tragically spoiled because defense council successfully appealed to that the hope of equity, decency and progress in Southern race relations is with the Southern people themselves.

No Day For Justice

The news from South Carolina is in. Twelve white men acquitted twenty-eight white men. On every count the defendants were declared not guilty of lynching a Negro.

This was no day for justice. In the able conduct of this momentous case Judge Martin insisted that there must be no thought of race, no consideration of anything but the fact that a mob broke into jail and took out a prisoner to kill him.

Over in Melbourne a movement is on foot to change the city charter so that the voters will elect one or two commissioners every year instead of all five of them every two years.

Memorial Day

BANK HOLIDAY NOTICE

The following banks will be closed on Friday, May 30, 1947, in observance of Memorial Day.

- The Sanford Atlantic National Bank, Florida State Bank of Sanford

MEMBERS FEDERAL DEPOSIT INSURANCE CORPORATION.

Probe Ordered

(Continued from Page One) Marketing research funds by more than 50 percent, from \$6,000,000 to \$9,500,000.

A proposal to raise the personal income tax exemption to \$750 for single persons and \$1,500 for married couples was rejected 44-27 by the Senate.

The amendment was offered by Senator McClellan (D-Ark) to the pending tax cut bill. Present exemptions are \$500 each for the taxpayer and his spouse.

Bookmaking Bill

(Continued from Page One) Legislators from the 11 counties involved in the huge district were divided on the issue, which would turn operation of the area over to the various county commissions and retirement of the \$3,500,000 district debt over to State Treasurer Ed Larson who has said he didn't want it.

The House passed and sent to the Governor bills requiring state and county employees to participate in retirement plans, setting up a special \$4,500 annual pension for President John J. Tigert of the University of Florida, and creating a state board to regulate watchmakers.

The \$38,000,000 building bill, repealing the cabinet's board authority to tap Treasury surpluses for special construction and setting up a priority list of future projects, won 34 to 1 approval of the Senate today.

It must go back to the House, however, for concurred in several amendments to which committees already have agreed.

The most recent change in the measure was to assign to the University of Florida library construction project the top priority Medical College.

A \$2,000,000 cattle fever tick eradication program bill became law today with the approval of Governor Caldwell.

Other measures which the Governor allowed to become law were those which: increased maximum old-age benefits from \$40 to \$48 to enable the State to match federal funds; established permanent Children's Commission to make a study of and coordinate youth programs.

Authorized a person to bequeath his eyes for the restoration of sight purposes, and providing for establishment of "eye banks" in hospitals and institutions.

A measure which requires compulsory arbitration of Florida public utility labor disputes was on its way to the Governor for action after approval by both Senate and House.

The Senate defeated by a 27-11 vote the community property bill. The measure would have given each party to a marriage an undivided half interest to property acquired after marriage. It had been approved by the House.

WASHINGTON, May 28, (AP)—The Netherlands has agreed to pay the United States \$67,600,000 in what was announced today as a progress may seem slight enough, but it is significant and one may believe that there is both warning and encouragement to the future in the events at Greenville.

Kiwanis Meeting

(Continued from Page One) director at the Florida Industrial School for Boys at Marianna. Other activities of Mr. Hiatt among youth were mentioned, including his chairmanship of the Rotary Youth Committee of Jacksonville; his leadership for 20 years in boy scout and 4-H activities. His presidency of the Florida Alumni Association was cited.

Referring to the much publicized "delinquent youth," Mr. Hiatt declared that this is much over-emphasized in periodicals and the movies, and that delinquent youth takes in only two percent, while 98 percent are "doing fine."

During the war the country would have been in a very serious condition if it had not been for aid given by boy scouts and other young people to bond and scrap drives when these drives were bogged down, he asserted. They put tons of scrap and effected the sale of \$200,000,000 of bonds, he declared.

Boys do not want to be bad, he said, and told of his research at Marianna to determine how they got that way, some through improper training and others through weaknesses. Some who have been there have later made excellent records and educated themselves.

He cited one who is now chaplain and another the principal of the academic department of the school. Youth does not want things too easy, he said, and told of how boy scouts learn by doing things as a substitute for the chores such as their fathers had to do, and which the machine age has made unnecessary.

He praised the work Kiwanis is doing for boys and girls, especially in aiding youths who have returned home from Marianna in finding a place in the community.

"complete and final" settlement of World War II accounts. The \$67,600,000 covers full payment for lend-lease supplies held by civilian branches of the Netherlands government on VJ Day.

Indonesia Offered Government Plan

BATAVIA, Java, May 28 (AP)—A joint Dutch-Indonesian interim government was reported reliably today to have been proposed by the Dutch as a step toward a United States of Indonesia.

Informed sources said the proposal contained in a written statement of the final Dutch position in stalemated negotiations over the future government of the Netherlands East Indies. Gov. Gen. Hubertus J. Van Mook of the NEI gave the statement yesterday to Premier Sjahrir of the Indonesian Republic.

Under Van Mook's proposal, the informants said, both the Dutch Colonial government and the Indonesian Republic would have representatives in the interim government for the USI. The USI would include the Indonesian Republic and other parts of the Indies which would be linked with the Netherlands under the Dutch crown.

STOCK MARKET

NEW YORK, May 28, (AP)—Stock market shorts, faced with the uncertainties of a lengthy week-end, resumed covering operations today and leaders generally were pushed up fractions to 2 points or so with a few jumping as much as 4.

Active flurries were frequent after the opening although intermittent slowdowns appeared. Steels, motors, rails and assorted specials led the extension of Tuesday's late comeback. Favorites held around best levels near the close. Transfers of about 400,000 shares were the largest in a week.

JACKSONVILLE, May 28, (AP)—Corvetus Edward Burch, 21, University of Florida student from Jacksonville, was fatally injured in an automobile accident last night between Ocala and Inverness.

The principal mineral resources of the Belgian Congo are: copper, tin, tantalum, iridium, uranium, radium, gold, silver, iron, manganese, zinc and coal.

# Social And Personal Activities

— TELE. NO. 148

## Social Calendar

**WEDNESDAY**  
 The Dependable Class of the First Methodist Church will hold a swimming party at the home of Mrs. R. W. Herron on the Country Club road. The group will meet at 4:30 P. M. Following the swimming a pot-luck supper will be enjoyed and everyone is requested to bring a covered dish.

### MENU

- Butter Crunch Ice Cream
  - 1 1/2 cups milk
  - 1 egg yolk
  - 1 tablespoon flour
  - 1/3 cup sugar
  - 1 teaspoon gelatin
  - 1 tablespoon cold water
  - 1 egg white
  - 2/3 cup butter crumb
  - 2/3 cup heavy cream
  - Butter crunch Chocolate Sauce
- Scald milk and add egg yolk mixed with flour and sugar. Stir mixture until it thickens. Cover and cook for ten minutes. Soak gelatin in cold water and add. Stir until dissolved. Beat egg white until stiff but still moist, then strain first mixture into it. Cook and add butter crumb which has been broken into small pieces. Fold in cream which has been whipped stiff and freeze.
- Butter Crunch**  
 1 1/2 cups sugar  
 3 tablespoons butter or margarine  
 Few grains salt  
 1 cup chopped nuts  
 Melt sugar, stirring constantly. Remove from heat and add remaining ingredients. Turn out on marble slab and roll very thin. Butter Crunch Chocolate Sauce  
 3 ounces sweet chocolate  
 1 1/2 cups butter crumb  
 1/2 cup boiling water  
 Melt chocolate and add small bits of butter crumb and water. Simmer until candy is melted.

Mr. and Mrs. J. R. Dunaway announced today the birth of a daughter on May 27 at the Fernald Loughton Memorial Hospital. Mrs. Dunaway is the former Mary Ellen Casaday.

Mr. and Mrs. J. R. Dunaway announced today the birth of a daughter on May 27 at the Fernald Loughton Memorial Hospital. Mrs. Dunaway is the former Mary Ellen Casaday.

## Students To Receive Promotions Friday

Mrs. J. C. Mitchell, principal of South Side Primary School, announced today that the fourth grade promotion certificates will be presented to 88 students in promotion ceremonies at the school at 10:30 A. M. on Friday.

Teachers of the class are Mrs. Nancy Brock, Mrs. Tom Hay and Mrs. Fred Russell. She also announced that the class will broadcast their favorite songs over radio station WTRR on Thursday at 2:00 P. M.

## Program To Be Given By Cogburn School

Mrs. Peter Hayden Topsis, director of the Cogburn School of Dancing, today announced the program for the "Hit Parade of Sanford" which will be presented at the Ritz Theater on Thursday at 9:00 P. M.

Master of Ceremonies will be Simon Dingfelder who will announce the following numbers: "A Chinese Garden" with Gretchen Kirchhoff, Doris Duxbury, Jean Sayer, Jacquelyn MacDonald, Ann Whitaker, Jane Davis, Eloise Cook, Ellen Lyon, Patricia Tooke and Patsy Collins; "Cover Girl" by Phyllis Bach; "De Soft Shoes" by Mrs. Topsis; "Acrobatic Act" by Doris Duxbury, Eloise Cook, Ernestine Jones and Phyllis Bach; "St. Louis Blues" by Jacquelyn MacDonald and Ann Whitaker; "April Showers" by Gretchen Kirchhoff; "Anniversary Song" by Jean Sayer and Simon Dingfelder; "Little Brown Gal" with Ann Whitaker, Jacquelyn MacDonald, Gretchen Kirchhoff, and Eloise Cook will conclude the program.

## HEARDALL CIRCLE MEETS

The Heardall Avenue Circle met at the chapel on Monday afternoon with Mrs. Kirby Fite presiding. After the business session and Bible lesson refreshments were enjoyed by the 16 members present. Mrs. H. F. Hale and Mrs. Houston Steele were hostesses.

## COUNTRY CLUB TO HOLD PARTY

Charles Potter, manager of the Seminole Country Club, announced today that the Wednesday night party will be held tonight at the club house at 8:00 P. M. He also said that a gala day is being planned for next Wednesday which will include golf during the afternoon and a barbecue in the evening which will be prepared by W. Hathaway.

## Personals

Mr. and Mrs. Fred Pope have returned from Belle Glade to Sanford to make their home.

Friends of P. H. Topsis will regret to learn that he is confined to the Naval Hospital in Memphis, Tenn.

Frank Chase of Islesworth plans to leave on Thursday for Exeter Academy in Exeter, N. H., to attend the class reunion of 1927.

Mr. and Mrs. Wallace Philips and children, Wally and Merritt, are visiting in Greenville, S. C. where Mr. Philips is on business.

Mr. and Mrs. Frank L. Woodruff have returned from a wedding trip to the Eastern states and are residing at 529 Oak Avenue.

Robert Marlowe, who is attending Northern Illinois College of Optometry in Chicago, is expected to arrive in Sanford on Sunday for a ten day visit with relatives and friends.

Miss Maude Ramsey and sister of Orlando plan to leave this week for Pensacola where they will spend a short time before leaving by plane for Dallas, Tex. While in Texas they will spend some time in Mexico.

Mrs. Sybil Routh, district president of the American Legion Auxiliary, will unveil the cornerstone of the Veterans Memorial Day services to be held in Mt. Dora on May 30 at 4:00 P. M. A program has been planned for the day under the auspices of the Veterans Memorial Association.

Angus W. Harriett has been elected to serve as one of the commissioners of the seven districts which comprise Flavel Village III, newest residential community for veterans at the University of Florida.

Mr. and Mrs. Chester Daniels had as their guests over the weekend Mrs. Rose McGuire and son John of Augusta, Mr. and Mrs. R. M. Brown of Sarasota and Mr. Sgt. and Mrs. Henry W. May of Miami. Mrs. Brown, Mrs. McGuire and Sgt. Mayers are relatives of Mrs. Daniels. Sgt. Mayers is a veteran of World War I and II, is retiring from active duty with the Army after 28 years of service.

## Miss Barbara McNab Honored With Party

Miss Barbara McNab, who is a member of the graduating class of Sanford Junior High School, was honored on Saturday with a party given by Mrs. C. Mc-Nab at the home of the former on West First Street.

The group gathered on the outdoor terrace and enjoyed a picnic supper consisting of hamburger, corn on the cob, baked beans, potato salad, deviled eggs, pickles, cake and punch eaten at individual tables.

Games were played under the direction of Edward Marshall with prizes being won by Jeanette Wolfer and Bobbie Jean Galloway.

Those present were Mary Jane Dalton, Joyce Anderson, Ethel Williams, Irene Griebel, Dial Boyce, Bobbie Jean Galloway, Penrose Hutchinson, Junie Mae Jones, Penny Wallace, Arlene Jacobson, Kay Holtclaw, Marjorie Shepherd, Barbara Ann Pender, Rosemary Salisbury, Donna Lee Harper, Frances Moore, Margaret Hunt, Jeanette Wolfer and Sue Callum.

Also Kathryn Cullum, Mr. Marshall, Mr. and Mrs. Roy Reel, Mr. and Mrs. George Pittard, Mrs. C. W. Forrester, Mrs. Lucy Williams, Sara Chastain, Helen Pittard, D. K. McNab, C. D. Forrester, Rolly Reel, Bobby McNab and Zeke McNab.

## Local Students Finish Stetson Education

DELAND, May 28, (Special)—Two young women from Sanford will receive degrees from Stetson University in exercises to be held June 2 on the campus.

Alma Gannitham, daughter of Mr. and Mrs. V. H. Gannitham, will receive the Bachelor of Music degree, and Miss Jean Harper, daughter of Mr. and Mrs. Ellsworth C. Harper, will receive the A. B. degree in education.

Both young women have been active in many campus groups. Miss Gannitham has been accounting for the Glee Club as well as the Travel Squad. She has been president of Stetson and has been a member of the Phi Kappa Phi Society and the Eta Sigma Phi Society. She has been treasurer of the student body, a Freshman Advisor, an honor roll and Dean's List student, and a member of the Alpha Xi Delta society. Phi Beta Keta honorary membership. She has been secretary of the Honor women's honor society.

Miss Harper is a member of the Baptist Student Union, the Spanish Club, the Future Teachers of America, the Young Women's Auxiliary, an honor roll student, and a Freshman Advisor.

## Christian Women's Council Holds Meet

Mrs. A. F. Bandy and Mrs. V. H. Gannitham were hostsess at the Women's Council of the Christian Church on Monday evening. Mrs. J. L. Horton presided over the meeting. Mrs. O. H. Landress and Mrs. Walter Anderson took part in the opening religious services.

Routine business was carried on and the nominating committee composed of Mrs. James Richard, Mrs. J. N. Durden and Mrs. W. C. Pearson submitted the following names as officers for the coming year: president, Mrs. O. H. Landress, vice president, Mrs. F. J. Wilson, secretary, Mrs. Alex R. Johnson and treasurer, Mrs. O. L. Pearson. All officers were elected by unanimous vote.

A social hour was enjoyed with the following present: Mrs. R. G. Fox, Mrs. Johnson, Mrs. E. C. Tolson, Mrs. M. G. Tracy, Mrs. Durden, Mrs. Richard, Mrs. Horton, Mrs. Wilson, Mrs. Mary, Mrs. Landress, Mrs. J. J. Lewis, Mrs. W. C. Tison, Mrs. George Rowland, Mrs. Pearson, Miss S. Williams, Miss Shirley Moore, Mrs. Gannitham, Mrs. Bandy and Rev. William P. Yesley.

The highest free leaping water fall in the world is the Yosemite Fall in Yosemite Valley, which drops 1,430 feet.

In the 10 southern early peach states, the season has been reported about four weeks later than last year and about two weeks later than usual.

## Recital Given By Davis Piano Pupils

The piano recital by pupils of Miss Margaret Davis at the Sanford Woman's Club last evening proved to be one of the outstanding musical affairs of the season, bringing pleasure to a large and interested audience.

The opening and closing numbers by Mrs. Clifford Proctor, the former Phyllis Allen, excerpts from Gershwin's "Rhapsody in Blue" and Chopin's "Polonaise in A Flat Major," revealed a pianist of exceptional talent and ability. She impressed the audience with her technical brilliance and dynamic shading and won ardent applause from her listeners.

The Chopin "C Sharp Minor Waltz" as played by Charlotte Waitz was excellent with splendid phrasing and singing tone. The program included many gifted young artists.

Archie Young McMillan, young Stetson University student, drew much applause with his songs which were given in a tender voice of clear timber throughout. He was accompanied by Miss Alma Gannitham of Sanford and Stetson whose playing is notable for its shading, taste and dramatic power.

Other artists in the program were Frank Gannitham, Elaine Morris, Thelma Hutton, Ju Ann Williams, Beverly Cooper, Jean Lane Miller, Beverly Rogers, Melvin Fleischer, Joanne Mae Jones, Alfred Stanley, Harriet Boding, Mildred Miller, Mrs. Ann Wiley, Margaret Morrison, Walter Groves, Penrose Hutchinson, Kathleen Babcock, Kay Holtclaw, Kathleen Bolding, Betty Jean Brisson, Gail Bittling, Lucia Goff, Jean Wilk, Jean Wilk, Betty Morris, Ann Lewis Jacobson, Jane Fort, Sonya Montfort, Sandra Montfort, Grace Marie Stenopfer, Margret Malloy, Margaret Hunt, Shirley Middleton, Harold Crampton, Frances Cobb and Virginia Daniels.

Refreshments were served at the conclusion of the program.

Those assisting were: Programs and ushers, Nancy Jean Appley, Barbara Edenfield, Mary Margaret Herndon and Shirley Moreland.

Stage appointments were under the direction of Books Register and Philip Skates. The floor room was presided over by Mrs. Harriett Matthews, Miss Cheryl Slaughter, Misses Pearce and Gordonell.

The serving of refreshments was supervised by Mrs. A. M. Phillips and Mrs. E. J. Lane. They were assisted by Mrs. Irving Fleischer, Mrs. John Rogers, Mrs. C. J. Redding, Mrs. E. E. Conner, Mrs. James Holtclaw, Mrs. J. M. Stone, Mrs. H. E. Pearson, Mrs. R. A. Cobb, Mrs. F. E. Stephenson, Mrs. Barbara Pierce, Miss Betty Matthews and others.

## Episcopal Auxiliary Hears Dr. Hanna

The Women's Auxiliary of the Holy Cross Episcopal Church heard Dr. Katherine Abbey Hanna of Rollins College speak on higher ethical standards in a Christian world at the meeting of the group on Monday at the church.

Dr. Hanna, president of the Episcopal Conference, presided over a buffet luncheon served in the Parish House. Mrs. Randall Chase was in charge of the program. During the business session the auxiliary passed a resolution commending the Episcopal Office for his courage in exposing bribery charges in the State Legislature and they praised Sheriff Percy Meir for his enforcement of law in Seminole County.

Dr. Hanna had as her topic the need for moral and ethical standards in all people in order to build a better Christian world. She said that American youth is an example throughout the world and that so often it is the youth which has been the cause of the world's troubles.

She cited as examples the recent lynchings in South Carolina and the recent exposure by Rep. Odham of bribery in the Legislature. In her talk she praised Rep. Odham for his courage.

Dr. Hanna said she was amazed at the ignorance found among some of the high school and college graduates concerning international affairs. She stated that the church is being jeopardized by the lack of cooperation of the people.

## Contract On Atomic Energy Terminated

WASHINGTON, May 28 (AP)—The Massachusetts Chemicals Company, which has operated the atomic energy project at Oak Ridge, Tenn., for the last two years, will terminate its contract with the Atomic Energy Commission.

A joint statement by the commission and the company said that the two sides had agreed to terminate the contract because of the company's financial difficulties and the fact that the commission does not intend to renew the contract expiring next June 30.

Boston claims to be the greatest wool market in the United States and the world's shoe and leather center.

## Truth Seekers Class Has Monthly Meeting

Hostesses for the monthly meeting of the Truth Seekers Class held in the church annex on Monday at 8:00 P. M. were Mrs. J. B. Crawford, Mrs. G. Waits and Mrs. W. J. David. Mrs. Crawford presided over the meeting. Mrs. F. E. Wilson led the religious program after which a short business session was held.

Following the adjournment of the meeting refreshments were served by the hostesses to Mrs. Flossie Goodson, Mrs. R. F. Greenshaw, Mrs. T. E. Wilson, Mrs. E. S. Barker, Mrs. C. S. Thornton, Mrs. J. B. Crawford, Mrs. C. E. Greek, Miss E. E. Irish, Mrs. Zaly Lord, Mrs. R. W. Turner, Mrs. C. C. Priest, Mrs. A. D. Shoemaker, Mrs. Crawford, Mrs. Waits, Mrs. David Mrs. Martha Moffitt and a visitor, Mrs. J. B. Ivy of Anthony, Fla.

## GENEVA NEWS

By Mrs. A. E. Moran

An outstanding exhibit of food baking, flowers, dairy and garden products were on display at the Geneva F. H. Achievement Display night in the school by the Geneva school boys and girls.

The Dairy system of judging was used by the judges choosing all the contestants in blue and white ribbon groups.

The blue ribbon groups for baking included: 1st year, Abby Prevatt and Ann Druggers; 2nd year, Valdeen Prevatt and Mary Ann Brockman; 3rd year, Isabel LeFils; 4th year, Shirley Thomas.

The red ribbon group were: 1st year, Betty Raulerson and Betty Phillips; 2nd year, Shirley Baxter and Hope Hampton; 3rd year, Barbara Flynn, Mary Odham and Helen Bennett; 4th year, Florence McGill.

The white ribbon awards went to 1st year, Cassie Merle Hollingshead; 2nd year, Charlene Gattlin; 3rd year, Betty Raulerson, Valdeen Prevatt, Mary Ann Brockman and Florence McGill for food preparation; Addie Prevatt, Mary Odham, Isabel LeFils and Shirley Thomas for baking.

Those who were chosen to enter the county contest to be held in Sanford are Betty Raulerson, Valdeen Prevatt, Mary Ann Brockman and Florence McGill for food preparation; Addie Prevatt, Mary Odham, Isabel LeFils and Shirley Thomas for baking.

The opening and closing numbers by Mrs. Clifford Proctor, the former Phyllis Allen, excerpts from Gershwin's "Rhapsody in Blue" and Chopin's "Polonaise in A Flat Major," revealed a pianist of exceptional talent and ability. She impressed the audience with her technical brilliance and dynamic shading and won ardent applause from her listeners.

## ROUMILLAT & ANDERSON

# Nine Sanford Miscues Prove Fatal In 10 To 5 Drubbing

## Perez Limits Locals To Nine Safeties; Feds Lack Power To Drive Runs Across

By ARTHUR BECKWITH, JR., Herald Sports Editor.

The Sanford Celery Feds fell apart like a worn out rain barrel before the southwesterly slants of diminutive Juan Perez, stellar DeLand moundsman who turned in a 10 to 5 victory over the locals at the Municipal Park last night.

Nine costly Sanford miscues proved to be the margin of victory for the visitors who played errorless ball over the nine frame route.

Perez gave up nine base hits while striking out seven and walking eight Fed batters. Charlie Bissen and Bill Stanton worked

on the mound for the Sanford aggregation and allowed the Red Hats but ten safeties.

The defeat last night was costly. By virtue of the drubbing the locals were pushed down a rung in the Florida State League ladder when the Gainesville G-Men defeated the Palatka Azaleas by a 9 to 5 margin. The Gainesville team advanced to the fifth position.

Gege Ciolek, DeLand right-fielder, poled a 360-foot home run over the left field wall with Chuck Aleno on the paths in the fifth canto.

Sanford motors to Conrad Park in DeLand for a return engagement with the Red Hats tonight.

## Alabama & Auburn Tops in SEC League

ATLANTA, May 28, (AP)—Alabama and Auburn remained well ahead of the field and appeared to be headed for a neck-and-neck finish as the Southeastern Conference baseball race today entered the final week.

The Crimson Tide, although idle last week, held the top spot in percentage points. However, Auburn, with three victories and no defeats in last week's games, had an equally impressive record by virtue of having played more games for the season. Each team has two games left to play.

Last week, Auburn defeated Georgia Tech twice, 8-4 and 7-4, and then blanked Georgia, 3-0.

Kentucky and Tennessee, Georgia Tech and Vanderbilt divided their weekend series.

Tennessee's Vols defeated Kentucky 6-5 in the first game but the Wildcats took the return engagement, 6-2. By splitting, Tennessee slipped a few notches in the percentage.

In the Georgia Tech-Vanderbilt series, the Yellow Jackets took the first game, 8-5, and then dropped a 10-5 decision.

## Directors Are Named For Summer Program

Mrs. Nancy Brock and Herman Brumley have been named directors of the recreational program for the summer months, it was announced yesterday by Roy Holler, chairman of the City Recreation Committee. Holler also announced that Miss Barbara Dampier would assist Mrs. Brock in the instruction of tennis, swimming and with the activities of the younger children of the city.

No definite program is scheduled at present but the directors will arrange activities shortly. A summer playground for youngsters will be set up on the Grammar School Park. Several pieces of equipment are on hand and more are on order, Mr. Holler stated.

## VOLCANO ERUPTS

YOKOHAMA, May 28, (AP)—Mount Aso, central Kyushu Island volcano rated the largest terrestrial volcano in the world, erupted violently Monday, belching smoke 6,000 feet in the air and hurling stones and gravel 300 feet from the mouth of the crater, the U. S. 8th Army reported today.

## Football Men Making Predictions For Fall

By ORLO ROBERTSON AP Newfeatures PHILADELPHIA — The 1947 football season is several months away but its well nigh impossible to keep coaches and gridiron-minded college athletic officials from talking shop whenever they get together.

A group of them gathered around a banquet table here recently and it didn't take long for some of them to pull out the crying towels. Others, however, saw the 1947 season through rose-colored glasses.

Here's what a reporter heard:

RIP MILLER, Navy line coach: "We'll be good this fall. Only two losses from last year's squad plus a year's experience under Commander Tom Hamilton, Young Reeves Basinger, Jr., is going to make a great quarterback."

JIM TATUM, University of Maryland: "Wish I had some of those huskies that come out of Oklahoma high schools (the former coached at the Univ. of Oklahoma). I wouldn't be surprised if we lost seven games."

LEW ANDREAS, Syracuse's athletic director: "We've got 140 men out for spring practice and I look for our new coach, Reeves (Ribs) Basinger, to come up with a worthwhile outfit. Ribs is well liked and knows how to teach the game."

JOHN (OX) DaGROSSA, Holy Cross head coach: "We've lost six veterans and will have no freshmen replacements but I look for a better team than last fall."

RIP ENGLE, head coach at Brown: "Six of our best men graduated but out of the 55 that turned out regularly for spring practice, we should manage to find 11 players."

GEORGE MINGER, head coach of Pennsylvania: "You fellows always talk about our big squads. Well, I can use some of them this fall. We're not as well off as some of you think."

## Field Of Six To 11 To Appear In Belmont Handicap Saturday

NEW YORK, May 28, (AP)—It looks like a field of from six to 11 for the Belmont Hundred-Grand Saturday, with faultless fair-haired boy, Phalanx still rushing around to nowhere, and Toronto Teddy Atkinson the dark horse of the park.

Around the race tracks, it is generally agreed that when Toronto Ted is up there steering a horse, that particular horse figures to speak a prettier piece than he would with most other boosters on his back.

The Canadian proved it Saturday when he piloted four-wiferys home. The icing on the cake came when he brought Tailspin, a \$77.50 for \$2 shot, home in the Peter Pan handicap at Belmont, with Phalanx putting on his usual grandstand gallop and winding up only third as usual.

Equipment IS coming!

When you stop to think of the miles of pipe needed to supply our growing population with city gas, the huge-size of some pieces of equipment, and the scarcity of it all over the world, --then you know something of our problem.

Actually, the end of the shortage of equipment is in sight! Some equipment is beginning to arrive now, and as fast as it does we put it into service for you.

We are doing everything we can to hurry new installations so that new Central Florida families may enjoy the superior service only city gas can give.

As fast as it arrives, it goes into service

American Legion and other honor awards will be made by Supt. T. W. Lawton. Principal Morris will present the diplomas.

Huston Babcock, who won an award for his bass singing in the Glee Club completion in Tampa, will sing "Old Man River" by Kern. The Glee Club male quartette will sing "Like A Mighty Eagle."

Invocation will be by the Rev. Glenn E. Smith and benediction by the Rev. K. I. Wright.

The Rev. J. E. McKinley will deliver the baccalaureate sermon Sunday evening at 8:00 o'clock at the high school. Invocation will be by the Rev. Mark T. Carpenter and benediction by the Rev. L. R. Rushton. "Pomp and Circumstance" by Elgar will be played by an instrumental group for the professional.

An outstanding program of a novel nature is promised by senior students for the Class Day program at the school tomorrow morning at 10:30 o'clock.

The Junior Senior banquet will take place Friday evening at 7:30 o'clock at the Mayfair Inn. Bobby Pullen, president of the Junior Class, will serve as toastmaster. Margaret Partin will welcome the seniors. Simon Dingfelder will respond in behalf of the seniors.

Miss Ollie Reese White will direct the musical portion of the program with the boy's double quartette and a girls' group including Peggy Pippie, Missa Ruth Mills, Betty Jane Copeland and Lillian Moran, accompanist.

Miss Whittle and Mrs. Elizabeth Lynch will sponsor the program. A dance will follow in the hotel ballroom with music by an Orlando orchestra.

**Mother Of Earle To Sue City Of Greenville**

NEW YORK, May 28, (AP)—Herbert C. Cooke, national executive chairman of the National Negro Day committee, said last night that Tessie Earle would sue Greenville, S. C., for \$250,000 on grounds it neglected to safeguard her son, Willie, 24, from lynchings while he was in jail.

In another suit, Cooke said, the mother will seek \$250,000 damages from the 28 defendants acquitted last week in the slaying of Earle, who was taken from jail while awaiting trial on a charge of stabbing a taxicab driver.

Cooke and Archibald Palmer, attorney for the committee, announced the suit plans last night during a Madison Square Garden entertainment at which Earle's mother was introduced to the audience of 30,000.

**Potatoes**

(Continued from Page One)

abroad, didn't want those 22,000,000 bushels as a gift.

The most recent case of the Government's buying of surplus potatoes was in Alabama. Of this early 1947 Alabama crop, the government figured 28,500 bushels were surplus. It bought them. It gave \$1,000 to the school lunch program and destroyed the remaining 7,500.

The Agriculture Department says there wasn't anything else to do with them. How long does this program go on? Under the law, until Dec. 31, 1948. The Agriculture Department has asked Congress to re-consider this whole problem but there has been no action.

**Marshall Backs Canal**

(Continued from Page 3)

tested a reduction in a shell contract held by the Garason munitions combine.

May, wartime chairman of the House Military Committee, is on trial with Murray and Henry Garason, officials of the munitions firm, on bribe conspiracy charges. May is accused of taking \$55,000 from the Garason brothers to get them favors at the war department.

Marshall, former Army chief of staff, told the jury he knew nothing about May's dealings with the Garasons and that he regarded the Kentucky Democrat as a "man of integrity." Several of May's former congressional colleagues also testified that he enjoyed a good reputation while serving in the House.

The subject of the Garason shell contract came up after Marshall related that he had met May and other congressional leaders at "secret dinner meetings" in 1944 to review war strategy and discuss Army production needs.

**Pilot Club Meet**

(Continued from Page One)

sey, to all civic clubs in Sanford.

Mrs. Joel S. Field presided at the business session at which the club went on record as favoring the re-nomination of Miss Ruby Newhall of Galvestone as treasurer of Pilot International. Miss Newhall is former governor of District Four, comprising 21 clubs in Florida.

An award of merit was presented to the club from Red Cross chairman, H. E. Morris and B. B. Crumley, for the club's assistance during the recent Red Cross drive. The treasurer reported that a check in the amount of \$25 has been sent to the Texas City, Tex. Pilot Club for rehabilitation work following the recent disaster. A financial report was given by New Celery Crain in which the Pilot Club contributes \$5 monthly.

Mrs. Edward Kircher cited the cases that have been furnished milk from the Milk Bank, stating that a total of \$44.66 was spent during the past month leaving a balance of \$14.00. Mrs. Kircher resigned as chairman of the Milk Bank and Mrs. W. E. Hollyhead was appointed to fill the vacancy.

The club went on record as favoring the Health Unit's request that each member report for an x-ray when the State Mobile Unit is here during the week of June 3. Mrs. Ruth Scott, who represented the Pilot Club at the annual meeting of the Tuberculosis Association, gave a report of the meeting.

There were 22 members present at last night's meeting.

**Additional Students Arrested In China**

SHANGHAI, May 28, (AP)—Less than 24 hours after 97 students were released from jail, police arrested 80 others from National Tungchi University as Shanghai's riotous collegiate clamor for peace continued unabated.

Smaller groups, from 10 to 20 each, were seized by police at other universities in the past 48 hours. Those held included some co-eds, but the exact number was not known.

Clashes between student groups and police increased in tempo as officers swept down on one campus after another in efforts to prevent large demonstrations from getting under way.

Informed sources said authorities were trying to break up the student strike movement before its threatened nationwide anti-civil war demonstration, scheduled June 2.

**Acadia Coal Company Boosts Coal Prices**

STELLARTON, N. S., May 28, (AP)—The Acadia Coal Company announced today it was boosting coal prices an average of \$2.75 a ton to meet rising production costs due in part to wage increases granted union miners Sunday as an agreement ending a 18-week strike.

Approximately 15,000 members of District 28, United Mine Workers, won wage increases of \$1.25 a day under the settlement, with the prospect of an additional 45-cent boost on Dec. 1 if production is raised to company-set levels by that date.

**Robbery Attempt**

(Continued from Page One)

able to open the vault and it was not entered.

After Henderson was left bound in his own car the kidnapper was picked up by another car, the sheriff reported. He said Henderson was unable to give many clues but described his abductor as 25 or 30 years old, of dark complexion, dressed in coveralls and wearing glasses.

The State Highway Patrol, FBI and other officers were brought this morning into a search for the two or more men the sheriff said were believed to be involved.

**LEGAL NOTICE**

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT OF THE STATE OF FLORIDA, IN AND FOR SEMINOLE COUNTY, IN CHANCERY NO. 6572. FREDERICK PHILIP RACINE, Plaintiff, vs. MARGARET M. RACINE, Defendant.

NOTICE TO APPEAR: THE STATE OF FLORIDA; MARGARET M. RACINE, c/o WILLIAM KERR, 1415 WEST OLNEY AVENUE PHILADELPHIA, PENNSYLVANIA.

You are hereby notified that a suit has been brought against you in the Circuit Court for Seminole County, Florida, in Chancery, styled as above shown, by FREDERICK PHILIP RACINE, and you are hereby required to file with the Clerk of said Court at his office in the Court House of Seminole County, Sanford, Florida, your written appearance (personally or by attorney) in said suit on the 19th day of June, 1947, and thereafter to file with said Clerk your written defense, if any, to the bill of complaint in said suit at the time prescribed by law, said suit being for a divorce by the said Frederick Philip Racine from you, the said Margaret M. Racine.

HEREIN fall not or judgment will be entered against you by default.

WITNESS my hand the seal of said Court at Sanford, Florida, the 26th day of May, 1947.

D. P. HENDERSON, As Clerk of said Court. By O. L. HUNT, Deputy Clerk (Official Seal)

NOTICE OF MEETING OF LANDOWNERS OF SLAVIA DRAINAGE DISTRICT OF SEMINOLE COUNTY, FLORIDA TO ELECT A SUPERVISOR OF SAID DISTRICT

NOTICE IS HEREBY GIVEN that a meeting of the owners of lands situate in SLAVIA DRAINAGE DISTRICT of Seminole County, Florida, will be held at the office of A. Duda & Sons in said district at ten o'clock A. M. on the 16th day of June, 1947, for the purpose of electing one supervisor for said district for a term of three years, at which election every acre of land in the district shall represent one share and each owner shall be entitled to vote in person or by proxy in writing duly signed for every acre of land owned by him in such district; guardians may represent their wards, executors and administrators may represent estates of deceased persons and private corporations may be represented by their officers or duly authorized agents. The owners of a majority of the acreage included in such district shall be necessary to constitute a quorum for the purpose of holding such election.

JOHN DUDA, President. C. R. CLONTS, M. L. GARY, As Board of Supervisors of Slavia Drainage District.

## Sales Tax Is Again In Fore In Legislature

Host Of Tax Bills Voted Down Leaving Slot Machines And Sales For Revenue

TALLAHASSEE, May 29, (AP)—Sales tax talk took a split in the Legislature today as the Senate Finance and Taxation Committee in short order rejected proposals to put a 5 percent tax on hotel bills and to license and tax book-making.

The group also rejected a bill which would permit counties to levy an eighth cent tax on each gallon of gasoline for city and county road building purposes.

Action on the hotel tax proposed by Senators Collins of Tallahassee and Carroll of Kissimmee to raise about \$8,000,000 a year came as a surprise, since the committee had called a public hearing on the measure for next Tuesday.

Action in the committee today leaves the slot machine legislation and taxation measure, proposed by McArthur to raise about \$15,000,000 a year, as the only revenue bill on the calendar of either House.

The Senate passed and sent to the Governor today the House-approved bill prohibiting establishment of a new race track within 100 miles of an existing track. The bill was 24-14.

Final vote on the bill came after senators failed to adopt amendments which would have exempted Pinellas and Volusia counties from the measure and would have delayed its date of becoming operative.

## House Committee Recommends 8 Per Cent Army Budget Cut

WASHINGTON, May 29, (AP)—The Army's 1948 military budget was cut 8.3 percent by the House Appropriations Committee today despite testimony from General Eisenhower and Secretary Patterson that "real danger" lies beyond the "irreducible minimum" of men and money they had requested.

If Congress upholds the committee, the Army will receive \$5,240,982,423 in new appropriations for the fiscal year starting July 1. President Truman had asked \$5,716,791,500 for the Army's military activities, exclusive of foreign relief and other civil functions to be financed in a later bill. For the current year military activities appropriations totaled \$7,263,542,400.

## 140 Seedsmen Attend Opening Of Annual Meet

President Stresses Need Of Concentrating On Quality

Approximately 140 representatives of seed companies throughout Florida and the southeast, are attending the 15th annual convention of the Florida Seedsmen's Association at the Mayfair Inn. Important policies of the association are to be decided by Friday when the convention ends.

Members of the Association and their wives were welcomed last evening at the banquet at the Mayfair Inn by Edward Higgins, manager of the Seminole County Chamber of Commerce. About 125 were present. Edgar A. Martin, Jacksonville responded. Frank L. Holland of the Florida Agricultural Research Institute of Winter Haven served as master of ceremonies. State Legion Commander Frank Caton, entertained with his "magic". George H. Cooper of Princeton, Fla. told some amusing stories.

Work of the Southern Seedsmen's Association was related to State Seed Associations was told this morning by Don M. Hastings of Atlanta, Ga., president of the Southern Seedsmen's Association.

Need of concentrating on quality, rather than quantity of seed and of improving the productivity and edible quality of vegetables.

## Drainage Group To Discuss Ditch Cleaning Plans

A meeting of the Drainage Committee of the Seminole County Farm Bureau will be held Friday afternoon at 2:00 o'clock at the office of County Agent C. R. Dawson in order to determine which ditches need cleaning, according to M. L. Cullum, Bureau president.

The County Commission, he said, has advised the Bureau that they will co-operate in order to get ditches cleaned in the order of necessity which the Committee may determine after hearing growers and visiting sites.

Through the effort of Rep. M. B. Smith, he said the State Road Department has just about completed cleaning of the Geneva Ave. ditches east of Beck Hammock which had been causing flooding south of Geneva Avenue.

All growers with drainage problems are urged to attend the meeting, as otherwise the Committee will not originate any plans outside of their own personal knowledge, said Mr. Cullum.

While the County does not assume any responsibility for cleaning ditches solely on private property, he pointed out, in the past it has worked out so that such work can be done for a very reasonable cost. The grower will be assessed with the cost.

## Group Hears From Steel Mystery Man

WASHINGTON, May 29 (AP)—Herbert M. Karp of Brooklyn, scoffing at characterizations of himself as the mystery man of a \$50,000,000 gray market steel transaction, told a Senate committee today.

1. That a letter flouting in the transaction (experts have said it was forged) was handed to him in a Pittsburgh hotel by a man he never saw before or since.

2. That he never told anyone a bonus of approximately \$100,000 on the deal was to be split among Karp and the executives of five big steel companies.

3. That he did not evade service of a subpoena the committee issued for him 10 days ago and made every possible effort to appear before the small business subcommittee before today.

Karp, a 33-year-old Brooklyn attorney, said he had never been a steel broker and the only work in the field he has done was as an attorney.

## Action Of Welfare Group Is Defended

NEW YORK, May 29 (AP)—Welfare Commissioner Edward E. Rhatigan says that because of the housing shortage 37 New York families on relief were placed in hotel rooms "rather than have women and children sleep in the streets, parks or some tenement stairway."

Referring in a radio address last night to news stories about the welfare situation as "this campaign that two New York evening papers seem to think is worthy of the great traditions of Greeley and Politzer," Rhatigan said: "They have discovered that 37 families or 123 people out of 225,000 in relief have been placed in hotels. As a matter of fact, of the 37 a number were placed in hotels by Catholic charities, the Salvation Army, the Social Service Bureau of St. Bartholomew's Church and then turned over to the Department of Welfare."

The State Board of Social Welfare began an investigation of the City Welfare Department this week after disclosures of high grant hotel cases which in one instance totalled 1640 per month. The State pays 90 percent of direct relief costs.

## British Zone Gets Majority Of Food

BERLIN, May 29, (AP)—More than three-fourths of the food, seeds and fertilizers imported into the combined Anglo-American occupation zones of Germany in the first four months of 1947 were distributed in the British zone, the American military government disclosed today.

The food crisis in the British zone, largely industrial, was described as the greatest. The American zone has a smaller population and larger agricultural resources.

## NRE GOERING ARRESTED

MUNICH, Germany, May 29 (AP)—Dr. Alfred Goering, Bavarian demagogic minister, announced today that he would be arrested in connection with a Nazi Party trial as a Nazi Party member. He said he would spend ten years in jail for the former dictator.

## Party Gives Bevin Vote Of Confidence

Earlier Attacks On Foreign Policy Of Secretary Are Defeated By Body

MARGATE, England, May 29 (AP)—Foreign Secretary Ernest Bevin received an overwhelming vote of confidence on his foreign policy from the Labor Party Conference today. Bevin applauded the American decision to extend economic and financial aid to Greece and also declared world peace depended upon solution of Asia's problems, proposing that the 11 nations which were at war with Japan should take part in drawing up the Japanese treaty.

By TOM WILLIAMS  
MARGATE, England, May 29, (AP)—Opponents of a "too close" alliance between Britain and the United States launched a heavy attack on the policies of Foreign Secretary Ernest Bevin in the annual Labor Party conference today.

Bevin, listening intently, prepared to reply later in the day.

Konni Zilliacus, outspokenly pro-Russian laborite member of Parliament, led off by moving adoption of a resolution—the longest yet presented to the conference—which urged close co-operation between Britain and Russia.

"We believe that subservience to capitalist America will inevitably draw us into an anticipated slump and that the only way to avoid this is to co-operate with Socialist economies," the resolution said.

Although several other labor rebels against Bevin's foreign policy spoke in support of the motion, party leaders expressed confidence that Bevin would win approval for his course by a large majority after he makes his reply.

Bevin was cheered when he took his place on the platform at the start of the foreign affairs debate, a highlight of the conference. Zilliacus ran into heckling at one point when he commented, in an aside, "I am not an expert in foreign affairs."

There were loud, ironic cries of "Hear! Hear!"

Zilliacus said modification of the resolution was necessary.

## Red Paper Hits Mark Clark For Russian Policy

By EDDY GILMORE  
MOSCOW, May 29, (AP)—One of the sharpest references yet made here with respect to the United States' "firm policy" toward Russia appeared today in Pravda, which published a bitter attack on General Mark W. Clark, former American military governor in Austria.

David Zaslavsky, one of the Soviet Union's best known publicists, declared that Clark belonged "to that number of unwise politicians who declare that in relations with the Soviet Union one should maintain a 'firm policy.'"

The Pravda editorialist said that by this they really meant deliberately getting tough and being rude "because they do not want agreement."

"Their task is hamstrung peace and provoking war," he said.

"The Triumph of General Clark Which Has Not Taken Place," he said. Clark had hoped to return to the United States like a "conquering Caesar" with an Americanized Austria behind him but instead arrived "with empty hands" and "with his bitterness and disappointment."

Clark reached the United States last week enroute to his new Sixth Army command in San Francisco. To reporters and in a radio speech, he criticized Russian policy in Austria.

"He relied on laying at the feet of Wall Street an Americanized Austria," Zaslavsky wrote. "He was able to put at the feet of Wall Street only several Americanized Austrian politicians."

"It should be recognized," Zaslavsky continued, "that Clark did everything in Austria in order that Austria should look like a 'democracy' as Greece resembles one."

Zaslavsky said that "Clark added to the defense of the sovereignty of Austria by proposing that it be made into a colony of the United States." He accused United States occupation authorities in Austria of holding on to gold stocks and plants and other enterprise in their zone.

## Baby's Life Saved By Quick Acting Sister

FESTUS, Mo., May 29, (AP)—Eleven-year-old Daisy Sue Flinn modestly accepted the role of a heroine today as the story of how she saved her three-year-old brother, Larry, from drowning in an open cistern by holding his head above the water for two hours until help arrived.

Daisy Sue related that she was drawing a bucket of water when her brother fell into the cistern yesterday and reaching for help would drown in the six feet of water before she could get help, she said in after him.

She held the boy's head out of the water with her left hand and wrapped a chain hanging in the well around her right hand and cried for help at first before she realized that she was his strength," she said. Two hours later Judy Moore, a six-year-old neighbor, heard sobs from the cistern, looked down and received Daisy Sue's instructions to go for help.

## Hungarian Premier Attacked By Reds

BUDAPEST, May 29 (AP)—The Russians have charged Ferenc Nagy, premier of Hungary, and two other high officials with being implicated in a plot to overthrow Hungarian "democracy," a high Hungarian disclosed today.

Fear was expressed by sources friendly to the premier that the minority Communist Party might spring a coup d'etat while Russian occupation forces are still here, seizing outright power from Nagy and his moderate small laborers party.

Nagy's friends warned him not to return for the present from Switzerland, where he is ostensibly on vacation, and Nagy himself was represented as wondering whether he had not in fact already been deposed by the Russian move.

## LOTTERY CONVICTION

TALLAHASSEE, May 29 (AP)—The Supreme Court declined today to reconsider its reversal of the conviction and one-year jail sentence of C. C. H. Thomas of Ocala for participating in connection with lottery operations while he was sheriff of Marion County.

## Red Proposal Approved By UN Committee

U.S. Amendment On Right Of Veto On Atomic Functions Rejected By Group

LAKE SUCCESS, N. Y., May 29, (AP)—The United Nations atomic energy commission's working committee today unanimously approved a Russian-sponsored resolution which some delegates said was designed to vest final powers over atomic control in the U. N. Security Council, where the veto applies.

The committee vote, 11 to 2, with Colombia absent, was taken after the delegates rejected a United States amendment which would have specified that the right of veto should not prevail over atomic functions.

Brazil, Britain, Canada, and Belgium supported the United States amendment; Russia and Poland voted no, and Australia, China, France and Syria abstained. A majority of seven votes of the committee was required for passage.

The committee decision represented a minor victory for Russia in that the committee stated its agreement with the arms limitation resolution, approved unanimously called for atomic control plans to be set up within the framework of the Security Council, but with the organs having

## Thirty Students Finish Work At Vocation School

Eleven ex-service men will be among the 30 graduates who will receive diplomas from the Sanford High School for work done at the Sanford Vocational School, it was announced today by Mrs. W. L. Maxwell, principal, and Mrs. J. P. Hall, assistant instructor.

A number of the veterans will also be among those who will receive certificates from Superintendent Miller and Mrs. Dorothy McDaniel. Others who will receive diplomas are: James Aiken, Mrs. L. E. Armstrong, Mrs. H. R. Miles, Mrs. Vernon Carroll, Miss Ruth Davidson, Jay Franklin, Miss Sophia McDougall, Miss Laverne Newcomb, Miss Jean Reiter, Mrs. C. W. Shoemaker, Mrs. W. E. Smith, E. E. Talbot, Miss Mildred McIntyre, Mrs. Viola Johnson and Mrs. Victor McClelland.

Those receiving certificates are: Earl Abel, Lee Armstrong, George Roland, Lee Armstrong, Douglas Bratchie, Clyde R. Collins, Victor McClelland, Harold Moore, Alvin Ramsey, Carl Sumler, Rudolph Walters and Randall Collins.

## Brumleys Make New Machine For Harvesting Corn

60,000 Ears Can Be Picked And Packed During One Day

A new belt type conveyor machine, which enables 13 field workers to pick and place in mesh bags 60,000 ears of corn a day, has been invented and put into successful operation in Collier Avenue sweet corn fields by John Brumley who invented it and his brother William who built it in their shops.

The hour after the corn is picked, it has been pre-cooled and packed in mesh bags, one ton per bag, in a refrigerator car at the Brumley machine house. The green mesh bags in which the ears are packed in the field contain 100 ears each. In about one

## Scientists Report Use Of Atomic Energy As Aid To Agriculture

BERKELEY, Calif., May 29 (AP)—The use of atomic energy to increase farm production has become a reality, University of California scientists reported today they had used radioactive phosphorus to increase the yield of plants.

The radioactive phosphorus was used in a field near Santa Rosa as a fertilizer and in a laboratory to determine the amount of phosphorus which plants use.

Dr. Albert J. Ulrich, plant physiologist, Louis Jacobson, biochemist, and Dr. Roy Overstreet, expert, applied to a patch of sweet corn a quantity of fertilizer containing the radioactive phosphorus.

The phosphorus in the fertilizer, except that its movement could be traced with Geiger counters, is phosphorus is one of the three main plant foods. The other two are nitrogen and potash.

By taking cuttings from the plants at various times the experimenters said they were able to determine how much of the radioactive phosphorus was taken by the plants and to what parts of the plant it went. This gives plant scientists an accurate picture of the extent to which plants will pick up added fertilizer and what parts of the plant are benefited most. Agricultural chemists may profit by producing fertilizers more nearly in line with plant requirements.

## Truman Family Fly Back To Washington

WASHINGTON, May 29, (AP)—President Truman returned to the capital today from a 12-day visit with his ailing mother, Mrs. Martha Truman, in Grandview, Mo.

The President's plane the "Sacred Cow" landed at the National Airport at 1:09 P. M. EST after a flight from Kansas City, before leaving there at 9:00 A. M. EST. Mr. Truman had received assurances that the condition of his 84-year-old mother is improved.

Secretary of the Treasury Snyder and top White House officials were on hand to welcome the President, Mrs. Truman and their daughter, Margaret.

## Steve Hodgkin Lands 30-Pound Snapper

Steve Hodgkin, member of Farmers' Fishermen's Fish School Chapter, landed a 30 pound snapper during the outing yesterday of the group in a fishing boat 30 miles out from Daytona Beach. Steve was the center of an admiring group when he brought his prize to town this morning in the back of his coupe.

The son of Mrs. Mayme Hodgkin, he was much photographed in Daytona with his prize.

Agricultural Instructor Alex R. Johnson reported that the 300 pounds of snapper, sea bass, mackerel and other fish has been processed and stored at the Central Florida Quick Freeze and Storage Company of which he is co-owner, and will be used by the boys for fish fries throughout the summer.

## Agreement Reached On Tax, Labor Bills

Hoover's German Peace Plan Is Seen As Possible Solution

By J. M. ROBERTS, JR.  
AP Foreign Affairs Analyst  
Herbert Hoover's suggestion for an actual unilateral peace with Germany may be considered premature, but nevertheless it solves a general idea which many think will have to be adopted if the stalemate with Russia continues.

While there is hesitation to draw such a firm line through Europe, there is a growing realization that failure of agreement at the next foreign ministers meeting is likely the Brumley machine house. The situation in Germany, with the western powers launching a definite program of reorganizing their zones into a self-supporting state without regard for the Russian area.

This would entail a reduction of German industrial power, and, thereby, its war potential. This is something that is not desired and would require strict policing on a permanent basis, but it would be the only means of paying for imports which now face the occupying powers with a staggering drain. Careful control guarantees would have to be given to Germany to go along, but without such stringencies, can frequently outweigh other fears.

Probably the most important point of the Hoover statements is that this dream, of trying to support a European economy which must remain unbalanced until Germany's case is settled, is a definite part of Russian policy, which others say is designed to cause a depression in the United States and thus help prepare the ground for revolution.

This leads us back, however, to the question where, from the Russian standpoint, is the point of diminishing return in all this. She is playing several games. If she

## Today's Youth Challenged By Jaycee Speaker

The young people of the nation are convinced that this nation can march up to a destiny even more glorious than its in comparable present," William Rosier of Daytona Beach asserted at the noon luncheon of the Junior Chamber of Commerce at the Mayfair Inn today.

The youths of today must have stout hearts and knees and unflinching courage, he added. Their goal was positive.

## War Department Aide Says Seaway Would Aid Defense

WASHINGTON, May 29 (AP)—Undersecretary of War Donald H. Russell said today a seaway would aid defense.

Reference was made to a seaway possible from the Gulf of Mexico to the Atlantic Ocean, and to a seaway from the Gulf of Mexico to the Caribbean Sea, and to a seaway from the Gulf of Mexico to the Indian Ocean.

The army's position, he told a Senate Foreign Relations subcommittee considering the project, is that it is "not vital to national defense" but would be "helpful to national defense."

He said possible construction of a half billion dollar seaway would include:

1. It would provide a large additional source of electric power in the Great Lakes and adjacent regions.
2. This would "tend to increase America's overall industrial potential" and "it is perfectly possible that we would need this potential in another all-out conflict."
3. As a route to Europe it would be "1,200 miles less ocean distance, thereby minimizing to some extent the risk and danger of submarine and other attack."
4. Increased use of water transportation and of water-power as a substitute for coal-burning steam plants would "relieve the threat of a rail bottleneck in event of a future war."

## Eisenhower Testifies At Andrew May Trial

WASHINGTON, May 29 (AP)—Gen. Dwight D. Eisenhower testified today at Andrew May's trial on wartime bribe charges that he knew "nothing at all about" reported efforts to sell expanded shell production in 1945.

May, former Kentucky congressman, has testified that because Eisenhower was "screaming" for more artillery shells in Europe he protested a cutback that year in a shell contract with the \$78,000,000 Garsson munitions combine.

Asked if he was acquainted with May's reputation, Eisenhower replied: "I never heard the subject mentioned."

Eisenhower, who appeared to testify under subpoena of defense attorneys, told the jury that he received 10 letters in Europe from May in 1945 asking his personal review of the court martial of Capt. Joseph Garsson, son of Murray Garsson.

He was shown one of the two letters May had written. He said it was handled at his European headquarters in a routine way "exactly like any other letter."

## Roman Building In England Uncovered

CANTERBURY, Eng., May 29, (AP)—A large Roman building complex with fourth century Turkish baths, has been uncovered in excavations in Canterbury's blighted area.

The building was erected about the end of the second century and extensively altered in the fourth century, archaeologists said.

## FOUND GUILTY

MANILA, May 29, (AP)—A Manila barber, Julio C. Guillen, who attempted to assassinate President Roxas with a hand grenade May 11 was sentenced today to die in the electric chair for the death of one bystander and injury of five others in the explosion.

## WINS SPELLING BEE

WASHINGTON, May 29 (AP)—Marjorie Lou Mollar, twelve Georgia's spelling champion, today won the 20th National Spelling Bee. The 14-year-old Thomaston, Ga. girl correctly spelled "maggoty" after the runner-up, Sonya Rodolfo, Chicago, a native of the Philippines, missed the word by ending it with the letters "ey."
